Since we last spoke we have taken on Ramblers and Jervois and wouldn't you know it we've knocked them both off. I have said it before and I will say it again hard work on the track will pay off. Trainings have stepped up even harder and to my credit as a coach most of us are up for the challenge, great stuff roo boys and girls, all our supporters are proud of our progress. Cheers Snowy

Welcome back to Mannum today as we clash with *League* the powerful Meningie side.

Two weeks ago we were outplayed by the undefeated Ramblers. Our efforts were disappointing however the margin was only 16 points and we feel that we still have a considerable upside.

The Jervois game saw us take some of our learnings from Ramblers. For 3 quarters we played a fast team orientated game style which had us controlling the game. Disappointingly we failed to finish our hard work on the scoreboard which left the door open for Jervois who stormed home with an all out attacking last quarter. This result gave us some areas to focus on over the break and we think we will be better prepared because of it.

Today will be a great test as we come up against a side we haven't beaten this year and who boast the best midfield in Country SA. Fresh from leading our Zone side to victory in the Country Championships, Brian Fenton and his crew will be out to consolidate 2<sup>nd</sup> place on the ladder. I expect today will be played with a finals type intensity.

Tonight will see our Bogan Bingo and next week I know people are working hard to put together their Beer Pong teams. While on social events I can't stress more the importance for everyone to make an effort to get involved.

The netballers and the footballers are working hard to bring the club together

having played a social match against each other earlier this year and in forming sides for the Beer Pong next week. I think the Beer Pong night will be huge and I think the 2 clubs are closer than ever. To those who are making a "special" effort at strengthening this relationship, thank you.

Alan and Jarrod

*Reserves* I'd like to welcome Meningie Footy and Netball clubs to the home of the Roos. The last couple of outings for the boys haven't been the best. We as a group haven't played the brand of footy that we pride ourselves on which had been a little disappointing. Simple footy and the one percenters have not been our top priority. The boys have been working hard on the track so hopefully they can bring that effort to game day and we can turn our form around quickly. Best of luck to all Roos footy and netball teams today.

Cheers Goges

# From the President

Mannum football club struggled at Jervois in what is always a bogey oval for our boys. But to some better news our juniors just keep on getting the chocolates.

In the A Grade our bogey oval once again bit us on the bum, where we were probably the better side for the first three quarters only to show nothing in the last and conceding 6 goals to 1 to go down by 15 points Kells continuing his great form along with K Loechel with 6 goals and J Bowen the better players.

The B Grade were totally bullied early by an intimidating Jervois side, where our young side showed they can play football but seem to be worried about the knocks you get with tough hard footy, a style Jervois play extremely well. Our boys were fitter and when they decide to play their game stormed home to only go down by 20 points after trailing by 7 goals. Better players were R Reschke, J Boylan and Daniel Barker The Under 17.5s continue on their winning way by thumping an under manned Jervois side, the game was hard but our boys continued to what they do best with a 18 goal victory, better players were I Hampel, T Worthley and along with our under 15s lad M Heward and D Laubsch played well. Also J Woollard kicked 10 goals to move with just over a handful to get for his ton.

The 15s was a one sided affair with our boys winning by around 25 goals better players were M Heward, D laubsch and new player E Albury played a great game for his new mates.

This week we lost one of our greats of the club, Stix Bormann sadly passed away last weekend. Stix always had a lot to say and was always entertaining to listen to, he was a great character of the club, he did a lot around the club in the past, being timekeeper for over 40 years doing the line marking for the same amount of time along with a lot of other jobs, Stix was a very unique person who shared the respect from everyone he will be sadly missed. Condolences from the football Club to the families involved

This week we host Meningie at home, in what will determine if we finish in the top 3 or not, so lets not disappoint Stix who will be watching from above and get back on the winners list.
