With only 4 games to go in the 2016 season it is amazing to see how well the Joeys have developed. They now have beaten every team in the competition, some games with less players on the field. Their confidence levels are sky high and it's great to see them giving don't argues, bouncing the ball and selling some candy to the opposition. So let's get around them and cheer them on loudly for the last few games of the year. GO ROO'S Ashley and Zads

Hello all welcome to Mannum for the second week in a row. The season is absolutely flying! We're edging closer towards the pointy end of the season. We've endured ups and downs throughout the season with many injuries but it has enabled other players to stand up. As a coach this is pleasing to see players learn and grow but also means there will be some tough calls later in the year. Good luck to all the other grades and netball.

Cheers Micky O

Light numbers on the track due to school holidays but happy with their progress. Good work boys.

Hi again u13 supporters, since we last spoke the guys and girls have stepped up again beating Meningie another outstanding achievement compared to the first round. We used 3 of our players each quarter to top up the oppositions team no whinging from anyone, damn good sports. This team of ours never cease to amaze me so proud keep up the good work.

Welcome back to Mannum today. What a treat to get two games in a row on our home deck which is in magnificent condition and the envy of most clubs. Last week we hosted Meningie in what was a crucial clash in securing a top 3 position and more importantly an opportunity for us to check our improvement against a top side. I am pleased to say we executed a number of things we have been focussing on and came away with a good win. Further upside to Saturday was that there were areas all over the ground where we can improve and our focus in coming weeks will be to get those right. With positions in the A grade side (and B grade) becoming very competitive it was great to see everyone contribute to the win. Brado and Quinny played their best games of the year which is a good sign as we head into the 4 weeks lead up to the finals. The backline was very good with special mentions Wibs and DT who well held their opponents. The forward line functioned really well with players sacrificing themselves in an effort to have things run efficiently. Some basic kicking and marking errors were areas we need to tidy up. The onballers worked hard against a unit regarded by many as the best in the business. I thought our onballers were overall more effective however there is room for improvement in centre clearances and some stoppage work. Today we host Tailem Bend who were far more competitive than the scores indicated last time. We must be switched on from the first bounce otherwise they are capable of making this a real slog. We look forward to seeing you all at our social event tonight and thanks for your support as we keep pushing to be better.

Reserves I'd like to welcome the Tailem Bend footy and netball clubs to the home of the Roos. Last week was pleasing as the win we had kept us well placed in 2nd position on the ladder. After a really sluggish start the boys rallied together as a team and played some great footy. As a group our only real downfall is our first quarter. We need to be more switched on and come to play good footy from the first bounce. If we give good teams a four goal head start it's very hard to peg back. From a coaches point of view I am pretty happy on the way the boys are approaching their footy so I hope they keep it up and put another win on the board today. Good luck to the rest of the Roos teams today. Cheers Goges

From the President

Well what a great and sad day for the Mannum football club last weekend with some convincing wins in most grades to pay tribute to a great club person in Stix Bormann .

The A grade had a slow start conceding the first 3 goals only to fight back and kick the next five, and by half time it was an evenly poised game with the home side holding a 2 point margin, the second half was tough football with the home team able to get on top and by three quarter they held a 3 goal lead our boys stood up and dominated the final quarter having 8 scoring shots to 3 but could not score any majors and eventually ran out 21 point victors. Best players were B Herrmann, B Quinn, K Loechel and L Krause.

The B Grade also started slowly conceding the first 5 goals but after quarter time they took control and played some really good football to run out 9 goal victors, better players were K Amber, J Boylan and along with old-timers S Eichler and D Krollig who kicked 9 goals between them.

The 17s was a one sided game and the only interest was to see if J Woollard could get to 100 goals for the season today and that he did with a 10 goal effort moved his tally past 100 to 104 other players that played well were T Worthley and I Hampel.

The 15s was another lopsided game with Meningie lacking number our boys had total control and ran out 15 goal victors, better players were J Bormann , his pop would have been proud of him on that effort and along with M Heward and M Rasigatale , they rounded off a good team effort.

This week we host Tailm at home, so lets consolidate last week's wins with good team footy this week, get behind our boys and give all the support they need. We also have back at the club a beer pong night along with our Miss Mannum pageant which is sure to have some great laughs involved.
