League

It only seems like last week we were doing time trials in 40 degree heat yet today signals the end of the home and away season. A top 3 finish is our first goal achieved and now leaves us well placed to have a real crack in the finals.

As a football club we have had a successful year and if we get good results today we can win the prestigious Lyall Parker Champion Club Award. This award recognises success across all grades and is a credit to everyone involved in the club.

To Cutter, Mickey O and Goges congratulations on your efforts and success so far and good luck with your finals campaigns.

It takes a lot of hard work by many people to be successful so I would like to personally acknowledge President Dave and his committee. Their support and hard work has been a great help to me in my first year of coaching and along with a number of others who take on game day roles and responsibilities for me, thank you.

In my eyes our finals campaign starts today. We have had a very hard training block over the past 6 weeks and we have now backed that off in an effort to freshen up.

The players are excited by the challenge of finals and look forward to the opportunities they have earned. As a coaching group we have watched our opposition closely and recognise their strengths and weaknesses as well as our own. We will be prepared.

To our supporters we look forward to your loud support of the team both today and throughout the finals.

Go Roos
Jarrod

From the President

Well what a disappointing result last week was, not only to lose to a very good Ramblers side but the way we lost. After a bright first 15 minutes where we played good team football but that is where it stopped on all fronts as we were outplayed and outmuscled for most of the day. Best players were J Kellock, J Bowen, B Wakefield and T Worthley. If we are going to be a force come finals we have got to start playing team football while playing and supporting each other on all fronts and not the selfish rubbish we put up last week. Also I would like to thank Chris Wiblin for all the work you have done for the year and all other volunteers.

The B Grade played a very good Ramblers side that has only lost one game, Ramblers got off to a flyer and were 5 goals up at quarter time. While our boys showed some character, they kept fighting the game out and went down by 8 goals, better players were J Boylan, B Webster, and J Adams. A special thanks to Mikkala for doing both the B Grade and the Under 17.5s Team Managers positions.

The 17s had a ten goal win which should have been a lot more after kicking 1-14 in the second quarter, better players were J Cook, T Barker and Jake Wiebrecht while Blake Tabe played his first game back from a broken arm played well.

The 15s was a tough game and saw a Ramblers team play well and defeat a determined Mannum outfit by 3 goals, best players were young B Heward, A Holland and J Bormann while another under 13s player played well in C Krollig. Big thanks to Kirsty Snyders as the under 15s team Manager.

I would like to say a big thanks to all our 2016 Sponsors for their continued support and would hope this will continue for the 2017 season. Also a big thanks to all our gameday volunteers and the canteen staff you guys did a fantastic job.

And last but not least I would like to thank the 2016 General Committee it has been a great pleasure to work with you guys "Thanks".

This week we welcome Imperials to Mannum in which all sides need to bounce back after a disappointing week.

Dave

And here we are already the last of the minor rounds today and our big carnival tomorrow. Our season has been half and half some very very good games and some not so good. Nonetheless the u13's team have worked hard all season with their preparations for the big day and should be proud of themselves as I am for them. I have enjoyed the whole season with these guys and girls and its a shame it has to end. Good Luck Saturday and remember it's anyone's game on Sunday bring your A game and who knows we are definitely in with a chance. Snowy signing off, go you Roos

U11

Well this is the last game for the boys this week, which is a pity that it has come around so quickly. We have been super proud how the boys have practiced and played this year.

There has been a massive improvement in every player each week which is the main thing as well as having fun, which I think they are, even on the frosty mornings, also thanks to every parent that has helped us during the year, it has been great. Hopefully we will see every player again next year in the green and gold.

Cheers Stevie and Tony

U9

Well its been a cracking season and has been great to see the talent we are growing in the green and gold Guernsey.

When we hit the ground this week get around to see how far these young Roos have come, we are proud of their efforts and will finish the season the way we intended - the toughest in the comp.

Hi all and welcome to Mannum for the last round of the minor season. The boys have enjoyed a pretty successful year, not without its ups and downs though. Injuries and playing some average footy at the wrong end of the year is concerning. The best time to rectify that is now. With the week off next week I'm expecting the boys to leave it all on the park! For the final time this year thanks to all the supporters, MFC, parents, volunteers and the lads. Let's make sure we repay the hard work.

Cheers Micky O

U15

Welcome to Imperials Football Club for the final minor round game. Massive thank you to all the wonderful families who help out on game day and support the boys. All the best to all the teams playing in the finals.

Reserves

I'd like to welcome the Imperial football and netball clubs to the home of the Roos.

What a season it has been. The boys can really hold their heads high for the effort they have put in over the minor round games.

I'm extremely proud of the boys in the way they've conducted themselves on and off the field it's a credit to them all, well done guys.

Now it's time for the boys to get really switched on, finals time is just around the corner.

It would be great to finish with a win today as confidence is a big thing going into the first final next week against Imperials at their home ground.

A big thank you to all the people that have helped throughout the season; time keepers, goal umpires, interchange stewards, water boys, boundary umpires, trainers, Webby my runner, Micky my assistant and to Mikkala my team manager, awesome job babe you're the best.

Good luck to the rest of the Roos teams today and for the finals.

Cheers Goges

CONGRATULATIONS
