# Message from the Chairman

Today we welcome the strong North Warrnambool Eagles Football Netball Club to Melville Oval. We have had a tough time with injuries etc. just lately; and it's fair to say that it's going to get a whole lot tougher over the next few months.

Today we especially welcome our sponsors. As we have said many times "the sponsors are an integral part of our Club and we could not function without their support". So we say a BIG thank you; and hope your generosity will continue for many more years to come. As a Club we also ask that you - our supporters reciprocate the sponsorship of the Kangaroos by all those businesses houses whenever you have the opportunity.

After our bye on July 2nd we will be hosting a night game against Portland. We thank Portland for their support in this. So 'lock in' Saturday July 9th - the night game at Melville Oval.

Don't forget to purchase your raffle ticket for the "Kanga Car" as there are a limited number of tickets available.

Good luck to all the grades today, The Kangaroos always provide a good contest, so cheer on our 'roo' lads and gals today.

"Go Roos"

*John Pepper*  
Chairman

## The Board of Management

## Kangaroos v Koroit

Going into the game against Koroit, we knew we face a huge challenge, but felt that if we were able to 'tidy up' our use of the ball, that would give us a chance to compete. Unfortunately the Saints came strongly 'out of the blocks' and had a goal on the board in the opening minute. We seemed to lose control of the play and Koroit made us pay taking a commanding 45 point lead at the first break. Our second quarter was more competitive, but once again we were punished for every mistake. Koroit's bigger bodies and experience enabled them to dictate terms; and though our boys continued to compete, Koroit's use of the ball was first rate. Half-time saw us enter the change rooms seventy eight points down and with an ankle injury to Chris Quinn. During the break we emphasised the need to increase the pressure, limit the opportunities on our opponents and create some of our own, and to the boys credit we managed to restrict them to 2 goals for the quarter, with the Saints first not coming until after the 16 minute mark. We had 5 scoring shots in that term, but only points resulted, however it was evenly contested period of play. In the third term, we lost Jarrod O'Brien to foot injury and Dakin Morris (heel) leaving us without rotations for the final term. The last quarter was our most effective, scoring wise, but Koroit also 'cashed in' with nine goals, making the full time margin 125 points. An interesting 'stat' for the game was that we had the ball in our forward fifty on 54 occasions but only managed to score four goals, while Koroit went in sixty one times for 24 majors. A pleasing note was Alroy Gilligan playing his best game since joining us a month ago, 'racking up' a heap of possessions across half-back and through the mid-field. Hamish Waldron again led from the front despite sustaining a knee injury in the second quarter.

## Kangaroos v Camperdown

We went to Camperdown confident of bringing home the points if we stuck to our task for the full four quarters. The opening term saw us kicking into a 2-3 goal breeze. For twenty three minutes it was an even contest, then suddenly we allowed Camperdown to boot 5 goals in the remaining seven minutes of the quarter, giving them a 36 point lead. Our pressure and use of the footy in that period was the best it had been for the previous five weeks, so at quarter time we spoke about the things that were working well for us, reinforcing the need to work 'back hard' and be everyone accountable for their opponent. The second term was again a fairly even affair, but we didn't make the most of our opportunities in front of goal meaning Camperdown maintain a 39 point break. At the interval our focus was on ensuring that we were prepared to work hard for each other. We felt that we were still in the game, but needed to claw back a couple of goals to give ourselves a chance. In the third term we came out ready to play and controlled the first five minutes, keeping the ball in our forward fifty. The Camperdown took the ball from defence to attack, scoring a goal against the trend of play. Not much in this quarter, but

# Matt Dunn Report

unfortunately the Magpies were more dangerous in attack, managing to score five goals to our two. The final term was one we'd rather forget, despite us continuing to compete, Camperdown were 'full of run' blowing the margin out by booting nine goals to one, which wasn't a true reflection of the overall game. To make matters worse Jack Pertzelt limped off injured and Hamish Waldron suffered a heavy 'corky' taking him out of the equation for the last 20 minutes of the match. Jarrod O'Brien worked tirelessly through the mid-field to be our best 'four quarter player' while Dakin Morris provided some spark on his wing

## Kangaroos v South Warrnambool

We went into the game against South Warrnambool with two changes, Josh Pepper returning to Mildura and Jack Pertzelt out for 6-8 weeks with a broken bone in his left foot. On a brighter note we regained Tom Feely who played his first senior game in more than a year and Sam Quinn back from injury after two weeks out. Our focus was on playing four solid quarters of football. We got off to a dream start with Sam Hassell kicking a goal in the first 30 seconds, from a clean centre break. Another goal followed in the next few minutes, before our skill errors enabled 'South' to dominate the rest of the quarter, taking a thirty one point lead at the first break. In the second term we fought our way back into the game, in what was a fairly even quarter. While our ball use had improved, 'turnovers' still proved costly and as usual made us pay on the scoreboard. A pleasing 'stat' was the 23 tackles for that term, resulting from lift in pressure that led to six scoring shots of our own. At half-time we were down by thirty seven points, but showing more positive signs than earlier in the game. A disappointing incident late in the quarter saw Dakin Morris 'tunnelled' landing awkwardly on his head. Dakin had been working hard; and was our best player until injured. While Dakin suffered concussion, thankfully scans have cleared him of further complications. In the third quarter we managed to have an equal share of the 'footy' going into in to the forward fifty on 14 occasions but failed to score a goal, while 'South' kicked six from their fifteen entries. After our poor last quarters recently, our aim was to win the final quarter, there was a willingness to work hard for each other and once again our pressure was excellent, managing to lay nine tackles in our forward fifty, a 'stat' that will provide us with opportunities to score regardless of who we are playing. The final term was a quarter when we controlled the footy and reduced our turnovers. Sam Tooley played well attacking the ball off across the backline. Jack Sutherland gave our onballers first use out of the centre. Alroy Gilligan, although 'tagged' off his back flank, provided attack and spark, creating a number of scoring chances for us. As this game progressed we started to show more belief in a game plan that will work for us. We just need to take pride in our use of the football and the desired results will follow. On Saturday we again had an average age of only 20. While these losses hurt, the players are learning and will be better footballers for the experience. Coming up today is another big challenge this time current ladder leaders North Warrnambool. We look forward to taking on arguably the best team in the competition.

# Kelsey Lewis Report

## Kangaroos v Koroit

Coming up against Koroit is always a tough proposition, with wise and 'steady heads'. But I reasoned that if we could produce four consistent, controlled quarters of netball, then the girls would put up a good fight. But unfortunately we started off slowly, appearing flat and very slow. Subsequently Koroit had nine goals on the board before we even looked like scoring. To our credit we battled away and some of the passages down the court were brilliant, but trailing by 8 goals at the end of the first term, meant that we would be playing 'catch up' for the rest of the contest. We kept plugging away though, but just weren't able to lift enough to bridge the gap. Final scores Kangaroos 35 Koroit 55. We just need to work harder together and push for four quarters every week. POSITIVITY, ENCOURAGEMENT and TEAM WORK. Best Players Aleisha McDonald and Emily Kermeen

## Kangaroos v Camperdown

Another enormous challenge for us, facing top team Camperdown. But I just knew the team were well and truly 'up for it' Right from the word go, our full court defensive pressure was sensational, we had 'hands over' everything. We were patient at the attacking end, something that needed to be added to our game, meaning we were able to get the ball into the ring safely. Quarter time scores - 10-11 Camperdown's way. Knowing that we had to lift for each term if we wanted to stay in the game, our girls did just that. Rhianne and Emily worked magnificently in defence, getting their hands to lots of balls, as well as much needed rebounds. Bec Van Kalken shut down the oppositions Wing Attack, and brought off some awesome intercepts, while Tayarrah and creating great space in our attacking end. At half-time it was still only a one goal margin. In the third term, despite our determination to keep lifting, Camperdown scored a couple of quick goals that were unable to get back, that saw the three quarter time score standing at 25-30. Heading into the final quarter, I was confident that we would fight back hard, as we had done before. Unfortunately in the space of a few minutes, our opponents had a 'purple patch' patch when they scored five quick goals, taking the margin out to ten when the final whistle sounded. To our credit we 'hung in' there and fought it out to the very end, in what was probably our best effort this season. Girls if we continue to play in that positive, patient, confident and controlled manner, our team will really shine in the second half of the year. Final score - 31-41. Best Players Rhianne Lewis, Bec Van Kalken and Bec Langley

# Kelsey Lewis Report

## Kangaroos v South Warrnambool

Approaching this game I just knew that if we played anything like we did the previous week against Camperdown, then we would come home with the four points. The game started off for us quite well, our girls were patient; and really working the ball into the goal circle, (which is something that we have been working on) waiting for the right opportunities, these were finished off by some great shooting from Bec and Tayarra. We had a strong first quarter and were able to lead by six goals at the break. Once again I emphasised the need to lift and try to extend the lead, but South came back and outscored us, bringing the margin back to four. So we had to reset; and bring on 'fresh legs' in the third term, this allowed us to steady the ball movement again; and with Aleisha coming on as goal shooter, it gave us a target in the circle. In the third quarter our lead increased to nine. However we remembered from the last time encounter against South that they would come back hard; and it didn't seem to matter how big the lead was, and that's exactly what they did. A lapse in the final quarter let South close the margin to 2 goals, but to our girls credit we were able to hold out and continue to play our game. Final score 46-40. A well-deserved win for our team, but we have to work on playing four quarters of controlled, patient netball. Best Players Bec Langley & Bec Van Kalken

# Hamilton Boomers

## Boomers Match May 21st 2016

The Boomers next match is in July 9th v the Wimmera Whippets, at Melville Oval, we will be playing at 12.30pm prior to the Under 18.5s, who will kick off later (2.30pm) due to the fixture being a Day/Night match. Hopefully we can notch our first (official!) win. After that we have only one more game at home (v Bulldogs) on August 13th. Following that, a Finals Carnival will be played later that Month at either an Ararat or Stawell venue.

**The Hamilton Kangaroos Football Netball Club is delighted to announce that McDonalds have signed on as our new long term sponsor**

## Joy Harris – Volunteer Extraordinaire

The simple term volunteer hardly seems to do Joy Harris justice. Now in her Thirty Ninth season as a loyal worker, for both Imperials; and the Hamilton Kangaroos Football Netball Club. Joy has been honoured with Life Membership of both clubs, as well as Best Club Person, named as the AFL volunteer of the Year, a recipient of the Betty Homes Sports Woman of the Year title, and recently the South West Volunteer of the Year. Joy has also served as, Netball Team Manager, League Delegate and leading light in social club activities. For years Joy has ordered all the stock for match days, club dinners (often doing most of the cooking) and BBQs etc. Currently in her role the club, Joy organizes all the merchandise for the kiosk, prepares the sandwiches, rolls and soup and a host of other 'goodies' for the hungry patrons on match day. Prior to that Joy has spent endless hours filling the fridges, setting up the Grandstand & barbecue stand and peeling a mountain of onions!

Joy is proud of her involvement, but also modest and humble, acknowledging the years of help and support provided by her 'right hand' Judy McDonald. Saying "There are many great workers at the club like, Judy, Craig Sigley and Stuart Casey, but we always need lots more". Hopefully there are plenty of chapters left in the Joy Harris story, or as she is known to say "If it's not' broken, don't fix it! Thank you and - well done Joy.
