# Message from the Chairman

Welcome to all members, players, sponsors and supporters and especially Cobden FNC.

This week I would like to give a special mention to Joy and all her super canteen helpers, her team spend many hours in preparation so that they can serve you fabulous food. Thank you Joy

and team - your hard work and loyalty is truly appreciated here at the Hamilton Kangaroos.

Don't forget the Kanga Car Raffle. Tickets are available here at the ground for \$50 each. For those that have sold their books or require books to sell, these can be dropped off and collected at Alexandra House or Finchetts Plumbing.

Best of luck to all participants and officials today.

Raffles and Bar - Craig Sigley

# Matt Dunn Report

## Kangaroos v Portland

With the excitement of another night game, the boys were pretty pumped up and ready to go after a week off. We got off to a perfect start in the opening minute with a goal to Sam Quinn 'crumbing' a goal square pack. Unfortunately Portland then controlled the game for the next sixty minutes with near perfect ball movement and a potent forward line to hold an eighty point lead at half-time. We were comprehensively outplayed. Our attack on the ball was good but, let down with poor skills, resulting in turnovers that more often than not led to Portland goals. At the main break, we spoke some home truths in looking for answers as to how we could turn around a poor half of football to get some respectability back on the scoreboard. The third quarter saw a small improvement, as our pressure increased we began to create more opportunities for ourselves, although Portland still won the quarter. Our focus for the final term was to play for some pride. We lifted a 'couple of gears' setting up more scoring chances, putting a stop to the Tigers dominance of play. Positives to come out of the game were Sam Quinn and Jarrod O'Brien's tackling and attack on the ball, setting a good example for their team mates. Taine Morris also showed some signs of his talent and continues to improve every week. Unfortunately we had a couple more injuries, Dakin Morris injuring his knee, probably keeping him out for 2-3 weeks and Michael McMeel requiring surgery as a result of an eye injury that looks likely to rule him out for the rest of the season. We wish both boys well with their recoveries.

## Kangaroos v Terang Mortlake

We went to Terang with a positive mindset, giving ourselves a good chance to get our first win since our victory over the same side in round four. Although we had a very different side since the last time we played, our young group continues to learn and develop. We welcomed sixteen year old Cooper Henson in for his first senior game along with his good mate Dylan Godwin playing only his second at this level. Veteran Angus Brown was also brought in to give us some experience and direction, after playing consistently well in the reserves this season. The first half was relatively even. Terang Mortlake was on top in the first quarter before we were able to get back into the game during the second term. We aimed to take the game on, looking to utilise our leg speed. All the 'stats' indicated an even contest; with nine scoring shots from twenty forward fifty entries, while the Bloods had eight from twenty one. A pleasing trend for us was our control at the stoppages with our ruckmen competing strongly and onballers well structured. We went into the rooms at half time, confident, of our chances if we continued to back ourselves and play high pressure, hard running football. However the third quarter was disappointing. Turnovers let us down, missing targets by hand and foot, that Terang Mortlake capitalised on, their mid-field got on top and we lost confidence and the willingness to run and create. The Bloods kicked seven goals from 22 inside fifty's. In contrast we managed two goals from just six forward thrusts. We were disappointed that we opened the door for Terang Mortlake. At three quarter time, although our opponents held a forty two point lead, there was belief in the group that if we worked hard enough, we could 'give it a shake'. Controlling the game for the first half of the quarter meant we had clawed the deficit back to four goals at the fifteen minute mark. The boys were playing for each other, applying tremendous pressure on Terang when they had the football and willing to take the game on when we had possession.

As we were making our charge Terang Mortlake kicked a couple of goals and steadied their ship to finish off the game. It was disappointing to come away without a win, the third quarter lapse proving costly. Tom Feely led the way with a strong performance in the middle, while Jordan Murphy was solid across half-back. Our youngsters stood up well, Taine Morris worked hard to present a target at Centre half forward; Cooper Henson and Sean Barnes were influential on their 'wings' Also great credit is due to captain Hamish Waldron, who continues to battle hard, leading the way for his young team mates, despite carrying injuries each week that have really restricted him. On appositve note the things we had talked about, our attack on the ball and the will to play for each other, made for a pleasing display. After the game we reflected on the areas that need improvement, our focus for this week is to limit our turnovers.

## Kelsey Lewis Report

### Kangaroos v Portland

Coming up against Portland, who beat us in the first half of the season, we knew it would be a tight contest that needed us to put in four solid quarters if we were to take the four points. The first term was very even affair, that saw us holding only a 1 goal margin, but we were playing some smart and confident netball. The quarter time message was to step up our full court defence and try to shut down the opposition and create the turnovers as early as we could, it turned out exactly that way, leading to a 14 goal second quarter while liming Portland to seven, this put us in the great position of being eight goals up at half-time. It was obvious that we had to keep up the work rate and intensity, but Portland matched us as both teams scored seven goals. However the girls really 'put the foot down' down in the final quarter and were able to outscore the Tigers eleven goals to eight, finishing the game with a 39 - 28 score line for a very much deserved win. A fantastic team effort, with every single one of the girls playing brilliantly and doing everything asked of them. Best Players Bec Van Kalken, Alanna Cottrill and Rhianne Lewis.

### Kangaroos v Terang Mortlake

We came out a bit flat in the first quarter, making a few errors that led to turnovers, but we were able to hold tight and trailed by just one goal at the end of the first term. In the second quarter our scoring end settled and started to work a little better which allowed us to open up our attacks and create some really great passages of play. Half time saw us down by 2. Despite wanting to lift our work rate and intensity the opposite happened with Terang Mortlake outscoring us by sixteen goals to seven. The turnovers in attack continued through forced passes and missed opportunities; also our defence was far too loose, letting the opposition into their goal circle much too easily. In the final term we stepped up our pressure, although costly errors were still occurring through the mid-court and attacking end. Final Score 37-54. Best Players Jo Bowie and Dolly Cottrill. This week against Cobden we will get out on court and focus heavily on playing our game for four consistent quarters!

# Hamilton Boomers

## Boomers v Whippets

Saturday July 9th was a special day for the Boomers as we clinched our first official victory. And what a great victory it was. Apart from the score-line 9.5 -59 to 4 points, Coach Graeme Byrne would have been thrilled with the way we followed instructions and played the sort of football that we have been practicing over a long period of time. Goal kickers for the Boomers were – Tom Brody 4, Mark Parham 2, Neil Rowe 2 and Daniel Whennen 1. Best Players – Will Broadbent, Tom Brody, Graeme Francis, Mark Parham, Neil Rowe, Stu Collie, Daniel Whennen and Adam Bunworth

Our next game is on Saturday August 13th vs Bulldogs. So we will continue to train hard until then!!

Three of our boys, Tom Brody, Adam Bunworth and Michael Hillman travelled to Melbourne on Sunday the 17th to try out for the Football Integration Development Association Country Victorian All Abilities Team at the Carlton Football Club Oval. At the time of going to print the outcome of the trials had not been announced.

# Club News

On June Sunday 26th of June the Netball Victoria Associations Championships took place in Melbourne. The Hampden League's 17&Under team included three Hamilton Kangaroos players, Emily Pertzel, Danielle Van Kalken and Chloe Plunkett, while Emily Kermeen was a member of Hampden's Open team. After a tough day's competition, unfortunately neither of the teams made the finals, although Open finished third and the 17&Under just missed out. Regardless of the results, we are extremely proud of our girls representing the club at this level. Congratulations girls, the future of our club looks very bright.

# THIS WEEK AT THE HOUSE!

PRESSO'S AT 5:30PM, DINNER  
STARTING FROM THEN ONWARDS
