Introduction and Contents

Introduction

Another season passes, and another season of the usual highs and lows – before it had even got under way! Firstly, the club welcomed back into its fold an Under 18s side, after the Greater Western Power voted to become part of the Rams. This was a major boost going into the season.

On the other hand the club lost its home of the past three seasons (Duke's Oval) and returned to Greygums Oval. It was unfortunate as the club was very settled at Dukes, but it did see a renewed and revitalised relationship with the Penrith Swans Junior club emerge.

After making the finals in 2005, much was expected from Senior Grade again this season – but it was not to be. The side missed a number of key players at various stages throughout the year and lost games early on which they should have won. Reserve Grade were competitive all season and blooded a number of new players, who should prove real assets to the club in the future.

The Under 18s had an extremely frustrating season, only playing nine games all up due to rain cancellations – two of the lost games being against a lower placed side. With more luck they could have easily played finals football and who knows how far they could have gone?

During the season the club held a very successful 25th Anniversary function and also topped the season off with a fantastic Presentation Night. Let's make sure the goodwill generated out of these events is transformed into a highly positive and successful season 2007.

Annual General Meeting

The 26th Annual General Meeting (AGM) of the Penrith Australian Football Club Inc. will be held at Emu Plains Sporting and Recreation Club, Leonay Parade, LEONAY (in the Underhouse Room) on Sunday, 29th October 2006 at 2.00 pm

The AGM is the forum (1) where the club finalizes all matters relating to the past season and (2) where the Board for 2007 will be elected. It is also the opportunity for club members to raise any matters, or ask questions, relating to the operation of the club.

The club needs people to volunteer their services at the administrative level to help the Rams continue their development. Please attend the AGM and offer your support for the club - and help make the Rams the benchmark of Sydney football both on and off the field.

Chairman's Report/AFL Sydney West Juniors

Chairman's Report

The following comment was made at the end of last year:

"We have set the bar at a certain height on the field in 2005. That bar must not be lowered and indeed must be raised in 2006. Also we must strive to match that bar off the field if we are to become a better club. A club that people want to be associated with."

I guess it is safe to say that we did not achieve our target, either on or off the field.

No club likes to go backwards. It is easy to bring out all the different excuses, not the least of which was the move from Dukes Oval back to Greygums Oval.

However, we have to learn to accept what we cannot change and get on with looking after what we can control. Last year our achievements were attributed to the fact that we stuck together and supported each other. I believe this aspect was missing for most of this season. It is something we can control and we must do that at all times or face the consequences.

On a positive note, it was great to have the Under 18s back as part of the club once again. They did not miss the finals by much. This was a great effort especially given the number of byes and wash outs they had. The actually only played 9 games for the whole season.

Another positive was the identity change. After some initial doubts the new club image appears to have been fairly widely accepted. Let us build on the new image and work even harder at developing the club as a community. Players' wives, partners, girlfriends and families should look forward to getting together on Saturdays in a real family atmosphere.

Again this is something only we (everyone at the club) have control over. There are no outside influences impacting on this aim. If we want to achieve this goal, we can with a little bit of effort from everyone (eg attendance at social functions).

Attendance at our social functions has two benefits. It not only enhances the camaraderie, but it also helps us to meet our financial requirements. Whilst the Emu Sports Club helps with the purchase of most of our gear, our club is not blessed with a lot of generous benefactors. Therefore, we still require a significant amount of cash to help with our affiliation fees, insurance, umpires' payments, ground hire, etc.

Going forward we must return to the ethos of sticking together and supporting each other both on the field as well as off the field. We must not leave the work to a few people. I am sure if everyone does something extra next year we will achieve our ultimate of making our club a club of choice; a club where everybody is happy and enjoying each other's company; a real family and community oriented club.

All of this will only happen if you want it to happen.

Trophy Information

MEMORIAL TROPHIES

*The Senior Grade 'Most Consistent Player' Award
is dedicated to the memory of Travis Hopper*

Travis was born on 25th October 1971. He played for the Nepean Colts Under 20s in 1989 and 1990 and First Grade for the Penrith club in 1989 and 1991. In his short career he won a number of awards, most notably the 1990 Armstrong Medal, as the Sydney Football League Under 20's (Division 2) Best and Fairest Player.

Travis's brothers Brad and Craig also played football for Penrith and Blacktown respectively.

Travis Hopper died on 28th July 1991 as a result of a car accident. He was returning home with friends after playing football for Penrith.

Travis was the beloved son of Judy Hopper.

*The Penrith AFC Senior Grade 'Most Consistent Player' Award
is our ongoing dedication to Travis's memory.*

*The 'Club Person of the Year' Award
is dedicated to the memory of Dianne Guymer*

Dianne was born on 18th May 1972 and came from a family with a long background in Australian Rules Football, from her grandfather and uncle, to her father Vince and brother Chris. Dianne played junior football with the St Clair club from 1982 to 1984, winning several trophies. Later, she also acted as boundary umpire and water carrier for the Nepean Colts. Dianne was a proud and vocal supporter of both the Penrith and Blacktown clubs.

Dianne Guymer died in the same car accident as Travis Hopper.

She was the beloved daughter of Vince and Lyn Guymer.

*The Penrith AFC 'Club Person of the Year' Award
is our ongoing dedication to Dianne's memory.*

PERPETUAL TROPHIES

The Senior Grade Best and Fairest Award is named the "Michael Walker Medal"

Mick started with the club as a 16 year old in 1981, his first game being the second the club ever played. Over the years his name has become synonymous with the Penrith AFC. He holds the games record for the club (267) and was at the helm as coach when the Rams won their first flag in 1989. Mick has captained the club, coached both First and Reserve grades, has been an Association representative player and was a playing member of the club's two senior premiership sides. As an administrator, he was president of the club for four years and also chaired the Sydney Football Association. Mick was awarded Life Membership in 1992, received an Australian Sports Medal in 2000 and won the award which now bears his name in 1990.

The Reserve Grade Best and Fairest Award is named the "Geoff Eldering Medal"

Geoff started with the club in 1981 as a player who was virtually new to the game. From these beginnings he went on to build a formidable record with Penrith. He is one of six players to have played over 200 games for the Rams, and was a playing member of the club's first two flag winning sides. He coached the second of those premierships, the side going through the season unbeaten in 1991. He played for, captained and coached Association representative sides and won the Apled Medal in 1989 as the Association Best and Fairest player. He has coached Penrith sides in three different grades, has been club captain and twice was runner-up in the Senior Grade Best and Fairest. Geoff was awarded Life Membership of Penrith in 1989.

The Under 18 Grade Best and Fairest Award is named the "Alan Stewart Medal"

Alan was first involved with the Penrith Junior Football club in 1980, before turning his administrative ability to the new Rams senior club the following year. Until 1992 he was one of several people who formed the backbone of the Penrith AFC. He did a remarkable amount of work to help with the challenge of running a senior football club in this area in the 80's - his roles at various stages included president, secretary, treasurer, records officer and association delegate. Alan received Life Membership of the Rams in 1991 and the Australian Sports Medal in 2000.

The Senior Grade Coach's Award is named the "Keith Claxton Coach's Award"

A footballer of considerable ability, Keith was playing at the highest level of Sydney football when he and others formed the Penrith club in 1981. In Penrith's inaugural season, he captained the club and put in a tremendous amount of work at the administrative level. Keith also won the McFarlane Medal as the Association Reserve Grade Best & Fairest player in each of Penrith's first two years. After two seasons' absence, Keith returned to Penrith in 1985, playing his 50th game and assisting the club in consolidating its move to two senior grades.

The Reserve Grade Coach's Award is named the "Frank Taylor Coach's Award"

Frank had an extensive career in football prior to his RAAF posting to Sydney. He played for Western Suburbs before being appointed inaugural coach of Penrith in 1981. He led the club to the preliminary final in that year, in addition to being an important part of the club administration. In 1983, the club's first year of fielding two sides, he coached Reserve Grade, and also won that grade's Best & Fairest award. In 1985 he played a further 15 games and served as president, and then assumed the treasurer's role the following year.

Senior Grade Report

At the end of season 2005 I wrote that our improved season had come from significant improvements in discipline, self belief and commitment. More importantly I closed last year's report by saying to improve further we would require even greater commitment and enthusiasm. Unfortunately as a group we were unable to sustain all of the above qualities over the full season and that, combined with injuries and work commitments, made for a tough year.

Despite failing to reach our goals this year it must be said that there were many positives to come out of the season. First grade had some new faces including star midfielder Steve McWilliam, Christopher Blake, Matt Warnock and Hayden Hampel. Ben Howard and Ash Brown were welcomed back to AFL, both making big contributions this year. Jason Bradley and his Reserve Grade side fought hard all season and showed improvement with newcomers like Chris Knight, Mark Jackson, and Andrew Piper making strong debut seasons.

The Under 18's coming back to the club was a fantastic boost, and several players made important contributions to both Reserve and Senior grade. I would like to congratulate John and the boys for the way they improved through the year with some outstanding performances seeing them fall just short of finals football. Young players such as Ryan Freeman and Grant Berry to name just two will play important roles in the club's future.

As I step back from football to spend more time with my family I would just like to say good luck for next season. No matter if you're the best Senior player or the newest Under 18 player on the list, for the club to improve you need to train hard and consistently. Ability will always get noticed but it means nothing without total commitment. Commitment will turn you into very good players - just ask Brian Skepper, John Keane and Christian Triffitt.

I've had some wonderful years at this footy club and I would like to thank all the players, board members, support staff, and coaches that helped me both as a player and coach over the past 9 seasons. In particular I want to say a special thank you to Jason Bradley and Jim Wright who have both helped me immensely over the past two seasons and finally my family Delphi, Jack and Sophie for their love, support and understanding.

Rick Allen - Head Coach

Reserve Grade Report

This season saw the Reserve Grade side only play 12 matches - 3 being washed out and S-W Sydney forfeiting in the last round. This was very disappointing as it would have probably resulted in at least 2 more wins for the team, thereby moving us up the ladder and into a more respectable position as far as the ladder goes.

We had a new leadership group in place for this year, with Justin Brock as captain and Robert Watkins vice-captain. These two led from the front with not only their voices but more importantly with the way they played. They were ably backed up by new players Mark Jackson and Niven Thorn together with experienced players Stuart Ayres and Luke Donoghue.

We also blooded a few of the Under 18 players into senior football and by my reckoning they will be a feature of this club's senior ranks for many years to come. I talk of Ryan "Buckets" Freeman, Damien "Damo" Watson, Brad Kimber, Sam Lockhart and James Clarkson. As a club we need to encourage these boys and all the Under 18s to make the step up to senior football as this is where the next generation of Penrith Rams footballers will be coming from.

The season was good from the perspective that we may have unearthed a few new players for the coming seasons. Players like Andrew Piper, Niven Thorn, Christian Knight, Matthew Spooner and Brooke Pauna. These players, along with the 2nd and 3rd year players, will need to take the next step up by placing more pressure on the 1st graders. This will help Reserve Grade improve - hopefully enough to make the finals for the 1st time in a number of years in 2007.

I would like to thank various people for the help and support they gave me this year. Firstly to the Board for allowing me to coach the side again this year; to Rick for his input during the year; the captaincy group for showing the way out on the field; my various team managers, but especially Jim Wright who ended up doing most of it while still being the 1st Grade Manager; Julie Celeban for the great work she did in looking after the side with strapping and rub downs - I just wish, on behalf of all of the team, that you stayed on for the whole season. Hopefully next year you will agree to do it again.

Finally to my family. if it wasn't for the total support they gave me to do this job then I don't think I would have ended up the season with a full head of hair!!!! I couldn't have asked for a more thoughtful and understanding family.

One last thought. To improve on this season we must all make the commitment to start the pre-season as a club and not a group of individuals as that is the only way we will improve and in the end have more fun doing it.

See you all next season (probably starting very soon!).

Jason Bradley (Jabba) - Assistant Coach

Under 18 Grade Report

Following the Greater Western Power side in 2005, the Under 18s returned to the fold of the Rams in 2006. Blue Mountains junior club coach John Noye took helm of the side, which featured a mix of both new and experienced Under 18s players. (Of the 30 players who took the field for the 18s, exactly half were making their debut at this level). As with 2005 (and also 2003) the side featured a mix of Penrith and Hawkesbury players.

The competition reverted to the traditional format of commencing the season with two divisions – the previous year the divisions weren't decided until a qualifying competition was conducted at the start of the season. This saw the Rams in second division, competing against six other clubs – two fielding second sides (St George and Pennant Hills) and the remaining four (like the Rams) fielding their top side.

Given the good mix of players in the squad, and the nature of the competition, expectations were high for the season ahead. Unfortunately that was not to be the case, with the boys winning only three games and finishing in fifth spot on the ladder. Things could have been different with a little more luck however. Potential wins were lost with two abandoned games against lower placed Manly (four games were abandoned overall). Add in 4 byes and a last round forfeit due to a scheduling misunderstanding, and the side played only 9 games in an 18 round season.

Despite missing the finals, the side still had a very creditable year and could have made the finals if things went a little more their way. They won three games (the team in fourth spot winning 5), and lost to finalists Campbelltown in Round 1 by 10 points, Pennant Hills in Round 11 by 25 (after leading at three-quarter time) and Western Suburbs in Round 12 by 5 (again after leading at the final break).

Dale Chivas only played 2 games in the side during the season, due to Senior Grade selection. Damien Watson, Ryan Freeman and Grant Berry also played multiple games at senior level, in a promising sign for their future development.

Thanks go to those who assisted during the season, particularly Scott Duffus (team manager) and Brad Kimber, who took on the captaincy role. Also thanks to the club administration, and to those who worked to get the side back under the banner of the Penrith Rams (particularly Doug Freeman).

With an ever growing local junior association, the future looks good for the growth of the game in the Penrith area via the Under 18s side.

Presentation Night A Roaring Success

The 26th Penrith AFC Presentation Night was held at the Emu Plains Sporting and Recreation Club on Friday 6th October and a fantastic night was had by all.

There were about 120 people in attendance, with the following special guests present:

Penrith Mayor Pat Sheehy and his wife Lorraine; Peter Butler and Ray Smith (Emu Sports Club); Greg Corless (Emu Plains Junior AFC) and Dave Hall (Penrith Swans Junior AFC); Judy Hopper and her grandson Steven (to present the Travis Hopper Memorial Award); Life Members Michael Walker, David Nolan, Geoff Eldering, Mark Spooner, Robert Watkins and Alf Bradley.

The night culminated with the Michael Walker Medal for the Senior Grade B & F player. Matt Brennan led early, but a late surge from Steve McWilliam saw him easily take out the coveted award, with Nathan Wright runner-up and Matt finally ending up a close third.

The Geoff Eldering Medal for Reserve Grade Best & Fairest was won by Justin Brock, with Robert Watkins runner-up two votes adrift.

With the Under 18s playing a restricted season (due to rain), voting in the Alan Stewart Medal for that grade's B & F was always going to be tight. So it proved, with Shaun Derewlany winning by only a single vote from joint runners-up Brad Kimber and Peter Williams.

The two Memorial Trophies are very special and valued awards. The Travis Hopper Memorial Trophy for Senior Grade Most Consistent Player was won by Brian Skepper, who was presented with the award by Travis's nephew Steven. The Dianne Guymer Memorial Award for Club Person of the Year was won by Jason Bradley, who worked tirelessly for the club during the year. Geoff Eldering presented Jason with the award as Vince and Lyn Guymer were apologies for the night. In a new innovation, all nominees for this award received tokens of appreciation from the club.

For the third year in a row, there was a new inductee to the Life Membership "club". This year it was Jason Bradley, who deservingly received this great honour after many years' involvement as a player, coach and administrator at Penrith.

Enormous thanks go to those who helped organize and run the night: *Justin and Kerry Brock; Joe and Sue Bradley; Peter and Helen Laspatzis; Luke Donoghue; Michael Haynes; Scott Duffus; Stuart Ayres; Brian Skepper; Mark Spooner and Alex McLaren.*

History

*The Penrith Australian Football Club Inc was formed in 1981 with an initial committee comprising:

Club Song and Acknowledgements

***We're the Rams, we're the Rams
We're the mighty Penrith Rams
And we are football through and through***

***And when it comes September
We want you to remember
The Rams will be there too***

***We play on guts and courage
And fight until the end
And until that final siren
All we know is to win***

***Come on one, come on all
See the greatest team of all
We are the mighty Penrith Rams***

*(Sung to "The Road to Gundagai")
Lyrics by Tom Hall (1982)*
