COACH'S COMMENTS

U10's – Jarrod Hynes: R5 vs Woodend. We had a big challenge today playing Woodend as they were a tall side. Our

Burra's gave it their all today as they do week in and week out. The under 10's welcomed Jacob Cannon to the team who fitted in straight away. All players had played several positions and all stood up to that challenge. There will be no training this Tuesday night due to the bye and Thursday training is at Belinda Spellman's house where we will watch the game we taped against Gisborne. Game Day Awards:

- ☆ Daniel Krizanic - Blockbuster
- ☆ Olivia Downing: McDonalds
- ☆ Jacob Cannon: McDonalds
- ☆ Maison Chapman: Subway

- ☆ Thanks for all parents helping out on game day as well without you we cannot put the kids on the park.

U12's – Emma Ward: R5 vs Woodend! We are still not giving up on recruiting more players. Thanks to all our U12's for proving what amazing group of kids to Never Give Up! Credit to the club. Please let's all get behind them and if you know U12's kids, all should encourage them to train with the Burra! Come on all, that's show what this club is made of. [#GoBurras](https://www.facebook.com/GoBurras)

U14's – Paul Tyquin: R5 vs Woodend. Last week's game against ladder leaders Woodend was a very good indication of where we're at as a football team. With 4 players unable to play, it was always going to be tough. But the 16 burras that took the field showed belief in each other with true commitment and courage, fierce tackling, relentless pressure on the opposition and a willingness to run hard to create play when we had possession. When a turnover occurred, we reacted quickly, we manned up and tried to shut down their ball movement by competing one on one. Disciplined footy. The scoreboard may have said woodend won by 21 points. But the big winners were the 16 blokes who walked off with their heads held high knowing that woodend were lucky that they didn't face a full strength burra outfit! Paul Tyquin

Award winners.

U16's – Lawrie Tyquin: R5 vs Woodend

Woodend played a pretty tough brand of footy which found us out a bit but I still think we came away from the game learning

a lot about how to position ourselves when we are not involved in the play. Jay played a great game helped out by Damo, Watto, Will and Harry. Thanks again to all who played up from the U14's and our volunteers Keep up the good work! Go the Burra!!
