Netball Central

Saturday Mornings 8am

Cmful

Welcome to the Swan Hill Recreation Reserve where the sporting communities of north western Victoria will be showcasing the best footballers and netballers. The day promises to be an exciting local derby between two neighbouring leagues, the Central Murray Football & Netball League versus the North Central Football League.

The North Central Football League is 8 teams; St Arnaud, Charlton, Wedderburn, Wycheproof-Narraport, Birchip-Watchem, Boort, Donald and new comers in 2016 Sea-Lake Nandaly Tigers.

The Central Murray is 11 teams; Balranald, Tooleybuc-Manangatang, Nyah Nyah-West United, Woorinen, Swan Hill, Tyntynder, Lake Boga, Mallee Eagles, Kerang, Koondrook-Barham and Cohuna Kangas.

On behalf of the CMFNL Board and its clubs I would like to welcome to this carnival Kevin Anderson and the board of the North Central FL, their interleague representatives, AFL representatives, the Umpires and the supporters of football and netball.

Congratulations to all representatives from both leagues, as well as the selected umpires. Being selected to represent your league or officiate at the game is an honour which only a few achieve. Both leagues traditionally field strong and competitive netball and football teams. Representatives will need to be at your best and committed to doing your best if you are to win. With four football matches and three netball games today, football and netball are the real winners.

Congratulations to all netball and football coaches and the players who have made themselves available; good luck in your respective games.

At the netball courts, 13 & unders will commence at 10.00am, followed by 15 & unders, 17 & unders and Open at 1.40pm. Canteen and toilet facilities are available at the Alan Garden Reserve netball courts and patrons can freely move between the netball courts and the recreation reserve. The football kicks off at 10.00am with an exhibition girls football match, followed by Under 15's, under 18's and Seniors commencing at 2.30pm.

North Central Football League Coaches Profile/Message

Coach: Daniel Gash
Club: Wedderburn Redbacks.

Daniel is a former coach of the Wedderburn Football Club and under his reign at the Redbacks where he coached for five seasons the Wedderburn side won three premierships in a row from 2011-2013. Gashy as he is known returns to the North Central League after a season back with his home club Hay. Daniel came to Wedderburn back in 2007 and is a five time premiership player for the Redbacks where he has amassed over 120 games. Gashy is well respected not only by the Wedderburn Football Club but throughout the North Central League.

Daniel is a strong supporter of inter-league and has had previous history with North Central Rep teams.

Daniel is married to Kate and they have two daughters in Zoe and Phobe, with work Daniel is a plumber by trade and runs his own business.

In accepting the coaching role for the North Central, Daniel was grateful to the league for offering him the opportunity to lead our representative team and believes that along with his fellow selectors they have put together a strong squad to take on the Central Murray Football League in Swan Hill today. Daniels support team includes Donald Coach Luke Fisher, Wycheproof-Narraport's Ricky Allan and longtime North Central supporter and former League Chairman Leon Holt, takes on the role as Chairman of Selectors.

In closing Daniel would like to wish all players involved in today's inter-league game all the best and hope that it is an enjoyable experience being involved with the inter-league program.

This year's Worksafe AFL Community Championships again provides an opportunity to showcase our Leagues and allow players to compete and test their skill at a higher level that is available to them on a weekly basis. To have 38 Victorian Leagues in action this weekend is a fantastic outcome and illustrates the passion that exists for representative football. 2016 is exciting these championships are involving most leagues in Victoria. An opportunity for the first times that Metropolitan and Country Leagues to play against each other, and one League to be recognised as the Premier Community Football League in the State.

Today the Central Murray Football Netball League welcomes the North Central Football League and North Central Netball Association. A lot of work has gone into making today happen and I thank everyone that has worked on today's event. I would like to thank in particular David Alderuccio from Central Murray Football Netball League. Lance Standfield from North Central Football League and Angela Doyle from the North Central Netball Association for making today possible.

Congratulations and welcome to the players that have been chosen to represent their respective Leagues at Swan Hill today. The chance to represent one's competition is an honour and will be remembered for life. Playing alongside new team mates often creates new friendships and bonds and it gives those lucky enough to be selected the opportunity to learn from new coaches and others that they normally would not be exposed too. Never underestimate the opportunities presented and give it everything you have got. Good luck to all players for an injury free day of representative football.

A big thank you must go to the coaches and support staff for giving up their time to provide a framework in which the players can grow and develop in to good people. I wish you all the best for today.

Well done to the umpires that have been selected for today game. You continue to show a commitment to enforcing fair play and I hope you all have a great day.

I welcome all supporters and congratulate you on your efforts to support this day. Without such committed people and amazing volunteer's events like today would not be possible.

Women's football is one of the fastest growing sports in Australia and we are pleased to be part of it. The Central Murray Football Netball League (CMFNL) approached all of the clubs early in 2015 wanting to start a Youth Girls Football side within the area to give girls between 13 - 18 years an opportunity to complete their ambitions in football.

The Woorinen FNC were keen take on the opportunity as we had some local girls already traveling to Bendigo each week to play football and train. With the girls heading towards their latter years of school it was going to be difficult for them to continue to train and play in Bendigo. The challenge was to form a side and making it attractive for players within the region to come and play for the club. With the help of Lisa Faraci and Luca Gallo, we got the players and chased up some funding to get the girls on the field. We got a coach and a support staff to assist the girls in their skills development and confidence. We got a bus to transport the players. We got jumpers designed. We got sponsors. Things were taking shape, all in the space of three weeks.

The assistance of AFL Vic and the CMFNL was fantastic. They guided us in the right direction and assisted with the dealings with the Bendigo Junior FL as we were entering their competition. We fortunate enough to get a major sponsor in MDAS as they we keen to come on board as we were providing girls from all diversities an opportunity to come together and play in the one side. The Woorinen FNC aim was to ensure that the players weren't financially 'out of pocket' in following their dreams as the club provides jumpers, administration, a qualified trainer and more importantly transport to and from the games for free.

For 60% of the girls, this was the only sport that the girls played in the winter. It was an opportunity for these girls to belong to a team, be part of a group, have a voice, have a chance to socially interact with others, to have another avenue of support and most of all - gain confidence. The greatest thing that we found with the playing group was the quiet and less confident girls had the enhanced skills; and the more confident, outgoing personality girls had limited football skills. This meant by working together all of the girls helped each other with their football skills, confidence and social communication. It was a win-win for everyone. We went on to miss the finals by

4 points but it was a great achievement seeing the young ladies becoming more confident.

This year we have started well again with some new faces coming on board which has been fantastic but we are always looking for more players. We have girls who have participated in the Bendigo Pioneers program and have done very well. We had three girls represent two states in Luca Gallo and Bella Ayre who played for Victoria Country and Jordyn Jolliffe who represented NSW-ACT in this year's National Carnival. We are pleased that we are giving girls like these three and others an opportunity to play locally but also provide a chance to be identified to go onto higher competitions/carnivals. The AFL are wanting to have an affiliated Women's side at each AFL club in the future and we have no doubt that there will be young ladies from around this area playing at the highest level if we are able to continue with the Youth Girls football side.

The Woorinen FNC are pleased to be playing a role within the region with Youth Girls football as we do have girls from Balranald, within Swan Hill, Tyntynder, Wandella, Lake Boga, Kerang, Mallee Eagles, Tooleybuc Manangatang and Woorinen representing the side. We welcome all girls who are wanting to play Youth Girls football. The club's aim is that the player enjoys their football, it is of minimal cost to the player and we provide the best opportunity to be part of a team.

If you or there is someone that you may know who is interested in playing Youth Girls football and is looking for a club to play for. Please contact Brenten Hogan (Woorinen FNC Youth Girls Football Director) on 0429 944 534 for further details on how you can become involved in this great game.

Finally thank you again to MDAS, the Woorinen FNC, the Central Murray FNL and AFL Victoria for all of your support over the last 18 months. Without these four identities the girls in the local region would not be getting the opportunities to play football. To MIXX FM / 3SH and the Guardians thank you for your support and exposure to the broader community as it has been much appreciated.

Regards
Brenten Hogan

Player Profiles

Ryan Gillingham

KERANG

Midfield Player who has been involved with Kerang for 16 years. Ryan played all his juniors in the blue and white.

Ryan has played in 5 premierships with Kerang and also represented Vic Country in 2015.

Ryan enjoys playing interleague with the Best players in the league, meeting new people and enjoying their company after the game.

Ryan O'Sullivan

TOOLEY MANANG

Ryan is the Captain of the CMFNL Senior Side. One of the most experience players in the CMFNL. Ryan has been a part of the Tooleybuc Manangtang FNC for 11 years. Ryan also played with Swan Hill as a junior and also played with West Adelaide in the SANFL.

Ryan has involved in Tooleybuc Manangtang 2007 Senior Premiership. Ryan has won 7 Club Senior Best and Fairest and also won 4 Jack Betts Medals.

Ryan has represented Vic Country Twice and also been selected in the ALL Australian Team in 2010.

Ryan has played for CMFNL since 2001. And says it's a great opportunity to represent your league and play with the best players in the league.

Player Profiles

Ricky Allan

Wycheproof-Narraport

Ricky is lining up for his fifth Worksafe game having played with Ballarat F.L. and four times with the North Central at senior level.

Rick is closing in on 200 game career milestone and in his career has amassed nearly 400 goals.

A school teacher at Wedderburn College and now a part time farmer on the family property, Rick is a well-respected player at the Wycheproof-Narraport club where he has been join coach for the two seasons prior to this year and also is held in high regard by all opposition. A classy player with plenty of skills and is also fairly handy around the goals, will do the North Central proud today.

Danny Benaim

Wedderburn

Danny is the current coach of the Wedderburn Football Club. Danny has played all of his football at the Wedderburn club apart from a few games up north in the Territory where he also won a premiership with St Mary's. Dan is a five time premiership player with the Redbacks, multiple winner of club B&F's and is close to 300 games and is representing the North Central League for the eighth time and in all those games has acquitted himself very well.

Danny runs his own Locksmith Business in Bendigo and travels back to the Burn each week with his wife Carly and three children, London, Jagger and Ziggy. Danny is a versatile player who leads from the front and can also play in most position and just loves inter-league.

INTERLEAGUE
NETBALL**

We welcome North Central Netball Association to a great day of netball hosted by Central Murray Football Netball League!!

We have 4 teams competing today, 13 & Under, 15 & Under, 17 & Under and Open interleague!

We wish all players and coaches all the best in their netball games today!

Our junior girls have played in 2 tournaments so far and have had outstanding results.

Our first tournament was played at Echuca & District Netball Association on Sunday 8th May which was an absolutely dreadful day with the weather conditions but that didn't stop our girls from performing.

Congratulations to the 13 & Under side that made it into the Semi Finals.

Congratulations to the 15 & Under side that were runners up.

Congratulations to the 17 & Under side on their BIG WIN!

Our second tournament was played at Golden City Netball Association on Sunday 15th May. The weather was beautiful; our girls played terrific and whilst they didn't come home with any big wins they still had fantastic results.

Congratulations to the 13 & Under side for making it into the Semi Finals.

Congratulations to the 15 & Under side for making it into the Semi Finals.

Congratulations to the 17 & Under side for making it into the Elimination Final.

Big thank you to our umpires Marissa Magnusson, Emma Whitelaw, Tania Spencer, Anne Wattie, Louisa Curran and Sharee Whiteacre that umpired during those tournaments and also thank you to our parents that assisted greatly on those days.

13 & Under Coach Vicki Taylor, 15 & Under Coach Chelsea Casey and 17 & Under Coach Tessa Burton have had the chance to observe North Central at these tournaments and whilst they feel prepared they know not to underestimate the sides and that these will be some hard fought games today.

Our Open side is yet to fully test the side out but have been training together for the past month and are looking strong. The side has quite a bit of height in it and will try and use this to their advantage. With 2 out of 3 wins over the last 3 years Coach Madeleine Nalder is looking for yet another strong outcome. Either way this match will display some great netball.

NCNA INTERLEAGUE NETBALL

North Central Netball Association

Congratulations to everyone selected to represent their club and association in the 2016 Interleague competition. It's a great opportunity to have four North Central Netball Association teams compete today and we look forward to the strong challenge we will face on the court.

Thank you to all of our volunteer coaches; Kylie Walsh, Georgia Haw, Kim Fitzpatrick, Leanna Moresi and Robyn Vella. Thank you to the parents and supporters that have been following the teams across North Central Victoria and assisting

with the tasks of Primary Carer, Scorer, Umpire and Team Manager.

Thank you to the Central Murray Football Netball League for hosting NCNA today. Best wishes to everyone competing and we look forward to the opportunity of showcasing our best netballers!

Regards,

Ange Doyle

of its success in recent years from being considered a strong Division 2 participant to now have the respect of the Division 1 leagues following their outstanding success last year.

The leagues success perhaps began in 1987 under the leadership of Daryl Powell when they reached the Division 2 Grand Final only to be defeated by Western Border. The league won promotion into Division 1 following its win over Mornington Peninsula Nepean FL in the 1992 Division 2 grand final. Last year, following wins over the Latrobe Valley and Bendigo leagues, the league was beaten by a strong Goulburn Valley league in the Division 1 grand final.

Two people making a significant contribution to the leagues success over this time have been Daryl Powell and Peter "Polly" Baird.

As a player, Daryl Powell during his career won 10 club best and fairest awards and won the 1975 Mid Murray FL goal kicking award. He represented the league as a player 18 times. In 1987 he became non playing coach of the league team, a position he held until this year.

Peter Baird has played 310 games with Tyntynder and represented the league 26 times. He has won Tyntynder's best and fairest on 8 occasions and been runner up 4 times. "Polly" won the 1988 Jack Betts Medal (League best and fairest) and is regularly named among the

best players in VicHealth Championship matches. Naturally, "Polly" Baird will be one of the key players the Mid Murray league will again be relying upon to lead it to success in the 1995 VicHealth Championships.

Other key players will be 1994 VCFL team representatives Dean Bennett and Byron Donnellon both who played in the Australian Country Championships in Western Australia with Donnellon winning an All-Australian jumper.

Glenn Fitzpatrick, Gavin Lloyd, Chris Wall, Brett Henderson, and "Chips" McCartney are other players expect to figure prominently for the Mid Murray FL during 1995.

Over the past three years the Mid Murray has had great success in the VicHealth Country Championships and gained great respect from the other competing leagues.

Mid Murray is a small league, in terms of town populations and consisting of only eight member clubs, when compared with other Division 1 major leagues. The league is essentially based in and around the city of Swan Hill.

The Mid Murray can be justly proud

As a District (now a Region), North Central has been in existence since 1929 - the ninth District to be created by the VCFL.

In the Country Championships it competes as a region, drawing players from Southern and Northern Mallee, as well as the North Central League itself.

Its 'finest hour' was in 1974, when it won the Caltex Country Championships against the Hampden League at Warrnambool. Overall, North Central has held its own with other leagues in both divisions of the VicHealth Country Championships, and was runner up in Division 2 last season.

Among North Central League post war champion players are Mencil (Mick) Giddings, of Narraport and Wycheproof-Narraport, who won the Feeny Medal (the League's fairest and best award) four times. Jim Brennan (Watchem-Corack) has won it three times, while those to have two 'Feenys' to their credit are Wally Shearer (Donald), Darryl Campbell and Jon Boyle (Watchem-Corack), Tom Speedie (Charlton) and Chris Wall (St. Arnaud).

Officially, the North Central Football League came into being in 1926. Member clubs at that time were Birchip, Cope Cope, Donald, Litchfield-Carron, St. Arnaud and Watchem.

After World War II, with the disappearance of some clubs and the amalgamation of others, the League underwent periodic changes until 1964 when, with the merging of Wycheproof and Narraport, it settled for the eight clubs which currently make up the League.

A most remarkable "double" achieved by a North Central player was that achieved by Wycheproof - Narraport's Greg Kennedy who, in 1967, won the League's goal kicking and best and fairest award, then repeated the dose the following year in the Bendigo league before going

on to Carlton in the VFL.

Of North Central players who made it to the highest level three have come from the Charlton club. Graeme Teasdale won the Brownlow Medal in 1977, while Brian Waters and Kevin Sait were both winners of the VFA's JJ Liston Medal. Boort's John Schultz also won a Brownlow with Footscray.

Like all other leagues in the VCFL, North Central has, over the years, developed its own character. With the greatest of pride it points to the fact that every Saturday throughout the winter all home grounds and their surrounds play host to four grades of football, four of hockey and seven of netball.

North Central is truly a family league.

NORTHERN & ECHUCA FOOTBALL LEAGUE

Coach: Bob Allison
Colours: Black and Red
Clubs: Leitchville/Gunbower, Echuca United, Barham, Koondrook, Kerang, Cohuna, Union, Lockington-Bamawn, Moama

95 Round 1: v's Tungamah (Div 3)
Championships Highlights:
 Division 3 Grand Finalist in 1994

The Northern and Echuca Football League will be aiming to go one step further than it achieved in 1994 in Division 3 this year and win the Championship.

The Northern and Echuca Football League was formed in 1990 from an amalgamation of the eight clubs (Gunbower, Echuca United, Barham, Koondrook, Kerang Rovers, Cohuna, Union and Pyramid Hill) of the Northern Districts FL with four clubs from the Echuca District League (Lockington-Bamawn United, Moama, Echuca East and Echuca South).

The Northern District Football League

had previously competed in the VCFL Country Championships without winning a title, but having periodic success including victories over the Bendigo, Sunraysia, Mid-Murray and North Central Leagues.

The N&EFL has been a successful major league since the restructure in 1990 with a strong, even competition. Union won the inaugural premiership, then Leitchville achieved the flag in 1991. The first premiership for Moama came in 1992 with a grand final victory over Cohuna. Koondrook broke a 14 year drought with the 1993 premiership downing Leitchville. However, Leitchville again dominated in 1994 with a second premiership under Craig Cleave (ex-Geelong).

There was further restructuring in 1994 with the Gunbower club going into recess and Echuca East and Echuca South amalgamating to form Echuca United. Under the direction of the VCFL, Pyramid Hill has transferred to the Loddon Valley Football League for 1995. The Leitchville and Gunbower clubs have amalgamated leaving the league with a strong nine-club competition for this season.

After reaching the grand final of Division 3 last season, the N&EFL will be making a renewed bid for triumph in 1995. Key players in the team are expected to be Union coach Tony Keely (ex-Mid Murray), Moama coach Tim Triplett, Kerang Rovers ruckman Jon Peck, his coach Jamie Macri, Russell Gillingham now with Kerang Rovers, Cohuna coach and No. 1 rover Shane Guerra, Lockington-Bamawn full forward Ashley Tointon and Barham coach Shawn Filo.

Current Northern & Echuca league and former VCFL representative team coach, Bob Allison.

The former Northern District Football League has provided many champions for the VFL and AFL including Ray Garby (Carlton), Craig Cleave, Neville Bruns, Craig Alderdice, Andy McGillivray, Neville Lyons and Darren Troy (all Geelong), Gary and Doug Farrant (North Melbourne), Jeff Fehring (Geelong and St. Kilda), Mario Borrotto (Carlton), David McLeish and Max Robertson (South Melbourne), Peter Steward (North Melbourne), David Landini (Sydney Swans) and Chris Waterson (Fitzroy).

This year coach is Bob Allison. Allison was a premiership player with South Bendigo in Bendigo League and coach of five premiership teams in Goulburn Valley Football League. In career highlights Allison coached the Goulburn Valley Football League to win the 1978 Country Championship and coached the VCFL representative team in 1980.

1987

THROUGH THE YEARS

The Mid-Murray Football League was reformed in 1946, and now consists of eight clubs – namely Balranald, Lake Boga, Lalbert, Nyah-Nyah West United, Swan Hill, Tooleybuc, Tyntynder and Woorinen.

Tyntynder and Swan Hill have fought out the last five grand finals, with Swan Hill being successful in 1982, 1985 and Tyntynder in 1983, 1984 and 1986.

Mid-Murray's participation in the Country Championships goes back to the Caltex sponsored games, when the championships were held over a two-year period. It was perhaps in those times when Mid-Murray enjoyed greater success than it has in recent years. They defeated Sunraysia League in 1970 and Northern District in 1971.

In the quarter final at St. Arnaud in 1972 Mid-Murray went down to the strong North-Central League, but only after a great battle. The same year Mid-Murray defeated South Western League – but did not taste success again until 1977 when it again defeated Northern District.

In 1981 Wimmera journeyed to Swan Hill defeating Mid-Murray very convincingly. Realising that something had to be done – the Administration formed an Inter-League Committee to

build a strong team for the next season. Mid-Murray played Sunraysia League in the first round of 1982, and although beaten, acquitted itself admirably.

The work done by the Inter-league Committee bore fruit in 1983, with wins over Northern District and North Central. Mid-Murray were then beaten by Goulburn Valley who went on to play Ballarat in the grand final.

1984 saw Wimmera snatch victory in the final moments of the game after Mid-Murray had been in front all day. A similar fate occurred in 1985 against Sunraysia – after an exciting game, victory went to the visitors by one point!

Last season saw the Mid-Murray make a flying start. Travelling to Cohuna, the Mid-Murray had a massive 96-point win over Northern District. But again it was the Sunraysia which ended the championship campaign. Then Sunraysia went on to win the division two championship.
