CDSFA Inc – BULLETIN

Sanctioning of Events/Tours (interstate/overseas)

Football NSW has looked to streamline the way by which Clubs & Associations can lodge an application for an Event to be sanctioned or participated in (e.g. Gala Days, Clinics) as well as travelling interstate or overseas on football tours.

As of the 2017 season (in effect from receipt of this notice) all applications will not be submitted via the online application forms. These links are below for your referral and dissemination to concerned parties within your organisation.

Online links:

[Football NSW Tour Permit - Interstate Travel Application Form](#)

[Football NSW Tour Permit - Overseas Tour Form](#)

The above links can also be found on the Football NSW website under Club Resources – Application Forms [please click here](#).

If you have any questions surrounding the new process, please email sanctioning@footballnsw.com.au

(It would be beneficial for Club committee members/administrators to save the various web links for future reference.)
