A GOOD LUNCHEON!

A well-attended Presidents Lunch this week and it was good to see so many of our sponsors for 2015 in attendance and put faces to all the new names! Thanks to our Life Members who attended, always good to catch up with other past players and officials over a few frothys..... Thanks also to our volunteer ladies who organized, served and cleaned up afterwards!

Our U19's continued on their winning way and the Reserves notched their first win for the season running out winners by five goals. The stage was set for us to make a clean sweep in front of the home crowd. But unfortunately our opposition North Ringwood had other ideas and after a closely fought game we went down by 2 points. As the coach pointed out after the game, the boys need to put it together for 4 quarters if we expect to get the results we want. We have a young side, but it's full of local talent and I believe we have the right coaching and leadership in place to ensure future success. To all our supporters I ask that you stick with us!

This month we have the Big Bucks Raffle, drawn on Sunday 17th with \$7000 going to first place. Get in quick for your ticket, only \$100 each for your chance to win and support the club in one of our major fundraisers for the year!

Next week we're off to East Ringwood, let's get over and support the boys and see if we can get 'em over the line for their first win!

A good four quarter effort by the players today. The boys worked hard for one another and bought their teammates into the game with good running and handball. Whilst pleased with the effort and intensity, we need to work on our skill execution and decision making which led to turnovers and opposition goals. A great win and with endeavor and commitment for the rest of the season we should register more wins. Well Done

Junior President's Report Round 4

HEPELL NIGHT WAS GREAT

A great start to the weekend with a visit from Dyson Heppell from the Essendon Football Club. Dyson arrived at 6pm and with an interview and numerous photos and autographs he left at 7.30. He was a well-grounded, open

Peter Koger young man and it is easy to see how he will be an obvious contender for Essendon captaincy in the future. We learnt about training, diet and particle jokes and also what it takes to be an A.F.L footballer. A great night was had by all.

Round four saw the under 9s head off for their lightening premiership. They had a great day and won three of their 4 games. The under 11s,13s,14s,15s and 17c all had good wins and the 17 Premiers were solid but are still searching for their first win. The under 14s and 15s had their first wins for the season. Well done to the boys.

Bogan Bingo is fast approaching. Each team manager has tickets. Please get a table together per team and we should have a great night.

All the best to the boys this week.

Fantastic effort by the whole team to record our first win of the year in our first match at the main oval.

From the first bounce we looked the better side and while our kicking for goal could have been better the whole side did their job.

Most pleasing to see was the efforts of some players whose confidence had taken a hit with our 2 games in A Grade, to see these players getting their run and spark back was great

Well done to Luke Hawker who kicked his first goal

Based on ladder positions and recent scores, Rowville were going to be extremely tough to beat. As a team we had not played four quarters of footy as yet, nor had we managed a good winning margin with accurate kicking. This was the message of the day together with maximizing our one percenters.

The first quarter was a good battle with Jack Rak giving our on ballers first use. Alex, Austin, Jack B, Marc and Joel were all getting plenty of it. After the first 10 minutes we finally broke the quarter open and scored 3 majors. We pressed on in the second term, Alex had some awesome 1 percenters and a mark and run effort from Astin at full back set up another goal. Excellent ball movement with quick hands and some backward handballs resulted in a further 4 goal term. Loose defence in the last 3 minutes of the 2nd term cost us the only 2 goals Rowville scored for the day.

Still imploring the boys to play 4 quarters, we came out to a more physical Rowville, but the boys weathered the storm with Joel playing behind the ball and our Ruckman dominating we were able to win most clearances and set up a 3 goal to zero score. We need to stay disciplined when the opposition tactics change to what might be considered outside the spirit of the game!

With a really healthy lead at $\frac{3}{4}$ time the boys could have taken their foot off the pedal as we did the week prior. Instead we were able to get the first couple of goals in quick time which everyone rallied around and ended up with a 7 goal to one point final term. A great team effort in the last term, with a special mention to Marc who rammed home 4 majors, ending the day with 6 goals. Great win lads!

Today's game against Vermont was a bit of a slog and the boys performed really well overall. We aren't looking at scores too much, more about development and getting the boys to understand the way to move the ball around the ground. We gave every player something to work on this week and most fulfilled their goal. I'm really enjoying watching the boys grow as a team and mates on the field. We will keep working hard to put a new smile on each boys face each week. Well done guys.

With the average age of 16 years, playing against open players, the girls are doing an outstanding job on and off court. We had a loss this week of 23 to 29, but the girls worked back from 10 down. This week we saw Gabby play her first game in wing defence and goals. As is their nature, the girls welcomed her with open arms and it's a great delight to have her on board. Mid court, attack and defence kept working together, encouraging each other and representing Lilydale in a strong manner. Whilst not all of the girls could make it to see Dyson before the game, the 2 that did were envied by all the team. Thank you to the Jnr Lilydale Football Club for making the girls welcome.

Have a great week.

The President's lunch was a great success with many of our Sponsors there, Life Members and Blue and Gold members. The EFL were represented by Graham Halbish (chairman of the board) and Phil Murton (CEO). Graham presented Ron Hottes with an EFL/Bendigo Bank Volunteer Award to Ron Hottes for his great work around the club. Ron has filled in for many jobs, Reserve grade team manager, Timekeeper, Interchange steward, and serving Thursday night teas. He is at training on Tuesday and Thursday nights, filling up the drink bottles, organising equipment and using his trusted leaf blower over near the railway station. He derives much pleasure from the seeing the improvement of our young list and endeavours to motivate them in the rooms before the games. His favourite saying is "One Voice". At away games, he is there from the start of the Under 19's to the end of the Seniors making sure everything is going smoothly.

Thanks to Sarah Cox and Chris Haynes for helping set and clear up on the day, your work is much appreciated. While we are on thanks, many thanks to Lochy Koger for doing a mountain of work getting all our new signs up around the ground and in the clubrooms too. Thanks to Andrew Del Biondo for assisting too. Big Bucks tickets have been distributed and the club is aiming at selling 300 tickets this year. If you would like a ticket or two, contact Vicki Hottes 0400364898. The draw is on Sunday May 17th from 2.00pm. Syndicates of 2 are allowed and there will be food, tea, coffee, soft drink, wine and beer from 2-4pm.

Ladies day is on Saturday May 23rd (Beyond Blue Round) and of course our theme will be "A TOUCH OF BLUE". There will be fun, food and frolicking. Tickets can be ordered through Erica McMenamin or Vicki Hottes.

We would like to wish our sickies all the best Irene McCallum has had a fall and is in rehabilitation at the moment, John Goodlet has had open heart surgery and past player Trent Teseroro suffered a serious leg injury in the Mooroolbark v East Burwood game. COMMUNITY NEWSPAPERS

AFL Victoria outlines proposed statewide salary cap and points system measures for community football

(Courtesy of Tim Michell Melbourne Leader)

CLUBS could be hit with fines, relegation or suspended from finals if they breach a salary cap set to be introduced across Victorian community football.

AFL Victoria has released a draft Community Club Sustainability Program, which includes details of a proposed salary cap and player points system.

Clubs will be randomly audited under a system similar to the Australian Taxation Office, which would be further developed in consultation with the AFL Integrity Unit.

Under the proposed system, players would be required to sign standard statewide player contracts and a statutory declaration when negotiating with clubs.

Immunity would be provided to whistleblowers and leniency given for self reporting of cap breaches, should the system be adopted.

COMMUNITY NEWSPAPERS

The measures have been developed by an AFL Victoria working party after a survey indicated 83 per cent of clubs believed a system was needed to regulate player payments.

The proposed player points system, which would operate alongside the salary cap, would involve six tiers. Footballers who have played AFL in the past three years would be graded at six points, while 'home players' would be worth just one point.

The top community players — those who have placed top five in their club best and fairest, top 10 in the competition best and fairest or led their club's goalkicking over the past three years — would be ranked at four points.

TAC Cup players would be allocated the same level, while footballers with state league experience over the past five years given five points. It is expected local commissions and leagues will decide on the total points allocation clubs are allowed.

The measures will be trialed in some competitions in coming months before being rolled out next year.
