- medicare items

Should a player receive an injury, the player shall be required to fill out an injury claim form to be lodged by the Club's Football Manager Stephen Soulsby.

The club advises that players must seek their own income protection and private health insurance to assist them should they incur any injuries that result in a loss of wages or medical expenses.

For Juniors, parents should ensure where possible private health insurance is taken out to assist with costs for their child should the incur an injury claimable under the JLT Insurance scheme.
