THE Scanlon name returns to the Mid SE and the Glencoe Oval this afternoon when Frazer Scanlon (pictured right) takes the helm of the Mount Burr United Football Club.

After a bye in round one, the 20 other Mozzies will be keen to make Scanlon's first foray into our league a successful one.

His late father Phil Scanlon had a long association with the Murphies but sentiment will be set aside today.

The Mt Burr brains trust had a close look at the Murphies at Kalangadoo a week ago and would have pinpointed their strengths and weaknesses.

It was the superior speed of the Magpies which earned them victory and this should also give the green-and-gold visitors the winning edge today.

Robe is a better team than in 2013 but so too are Kalangadoo.

The Magpies would have been on cloud nine after their opening round win over the Murphies but they will come to earth with a thud today if their colours are lowered by the Roosters.

The seaside oval will suit the likes of speedy Tom Williams who is back home from Adelaide after completing a degree in media and marketing.

Prior to last week, his last game for Kalangadoo had been its narrow loss to Mt Burr in the 2009 grand final at Hatherleigh.

Kalangadoo must win matches such as these to be considered a force this season.

Nangwarry put up a respectable effort against Hatherleigh but it fell well short of victory.

If it is repeated today at home against Port MacDonnell, the result will be the same.

The Saints have to maximise their

scoring opportunities and maintain the momentum for four quarters.

In any case, the Demons are warm favourites.

The match at Tigerland between cross-town rivals Hatherleigh and Tantanoola will be a bewdy.

The red-and-whites pulled off an upset win at this venue in the final minor round match of 2013.

They had the incentive of securing a finals' berth whereas their opponents were already assured of playing in the second semi final.

With Glen Gascoyne in attack, I reckon the result will go Tantanoola's way.

## ROUND ONE REVIEW

I PICKED the card in round one and, despite the final scores, all four games were entertaining.

I reckon I had the pick of the contests when I saw the Magpies hold off the Murphies at Kalangadoo.

Neither team was at full strength and both showed enough class, fitness and talent to indicate they are worthy of major round contention.

It has been a while since the black-and-whites have been described as a quick side but, as I have said before, that gave them the winning edge.

With his SANFL experience, new coach Ben Mules is obviously stressing the importance of moving the ball with speed and precision.

Both Kongorong and Tantanoola showed enough in their match to give heart to their supporters.

Booting lots of goals always delights the fans and this match had 33 of them.

The game at the Bay was one-sided but Robe matched Port Mac after the long break.

The Roosters look to be a five goal better team than 2013 but the Demons still look to be the early season premierships favourites.

The loss of Josh Ransom is significant.

Nangwarry did not want a big ground and a hot day in round one but that is what they got at Hatherleigh.

The Saints matched it with the

Eagles for three quarters and then the reigning premiers really found their rhythm.

## PROMOTION

IT is almost 40 years since he pulled on a Glencoe jumper as a junior but ex-Murphy Leon Bignell is now one of the most important figures in South Australian politics.

Following the State election, Mr Bignell has kept the Sport, Racing and Recreation portfolios and added Agriculture, Food and Fisheries and Forests.

His cousin and Glencoe Football Club president Adrian "Dasher" Young hosted him at his Beachport holiday home over summer and he has an open invitation to attend any MSEFL fixture.

## COFFEE BREAK

WHY will you see a former Glencoe coach at every Kalangadoo home game in 2014?

It is because Des Fennell will be operating his mobile coffee van.

Des and his wife Kathy have struck a deal with the Magpies whereby the club receives a regular financial contribution from the couple in return for the beverage rights.

I can recommend their brew and

Des will be happy to also tell you about the times in the early 1970s when he coached the Murphies for a couple of seasons.

Much of his career was spent as a 300 gamer with Penola when the Eagles played in the Western Border.

## TIDY UP TIME

ONE of the Mid SE constitutional matters which was tidied up over the summer was to state the names of the nine clubs in the competition.

Eagle-eyed observers would have noticed that the name of the Tarpeena Football Club was thus removed by a vote of the club delegates at the annual general meeting.

For the first time since the 1940s, there is no reference to Tarpeena in the constitution of the Mid SE.

For the past decade, the Mid SE has regarded Tarpeena as being "in recess".

It had taken a brief break from the Mid SE in 2000 and returned for three more seasons.

Its 'second coming' as the Tarpeena Kangaroos was short-lived as only eight games were won over the course of the 2001, 2002 and 2003 seasons.

By the end of last year, it was obvious to all in the Mid SE that

**WE DON'T MIND LEAVING BUGS BEHIND...**

*Proud  
sponsor of  
the MSEFL*

a 'third coming' was not going to happen and the executive committee put the wheels in motion for this to be reflected in the constitution.

Just last Saturday Tarpeena's last church held its final service.

Over 60 people farewelled the Tarpeena Community Church and the closure was prompted by an infestation of white ants.

The Tarpeena Primary School and the service station are also no longer open but brighter days are ahead for the Tarpeena Mill with major capital investment

I think Tarpeena still have a netball team in the second-tier competition staged in Mount Gambier.

It is hard to explain exactly what sent the Tarpeena Football Club into oblivion.

The reasons are evident at other footy clubs around the nation and include a declining population, lack of on-field success, financial challenges and a shortage of volunteers to do the many jobs week-in and week-out.

Of course, Tarpeena still remains very much in the record books of the Mid SE including the A Grade premiership years of 1961 and 1974.

That last A Grade premiership side under captain/coach Dennis Mansell was dominant as it clocked up 17 wins, two losses and one tie over the minor and major rounds.

Players like Garry Pitt, Terry Howe and Joe Campbell were to the fore.

The very last premiership side of the Canaries came at the Bay 20 years ago when the Cliff Robinson-coached Senior Colts team completed an undefeated season.

These 1974 and 1994 successes were recalled at a reunion at the clubrooms of the Tarpeena Football Club last Saturday night.

You can be sure that many past feats were fondly recalled.

As an example, the remarkable Mansell brothers played over 1,000 games in the "brown and gold colours" and are life members of the Mid SE.

We welcome them each year to the Mid SE junior medal count

as Ken, Peter (senior) and Dennis have proudly presented the Junior Colts Best and Fairest Medal which bears their name each year since 1978 when the first winner was Hatherleigh's Steve Hample.

I never saw Tarpeena play in a major round but I did witness some outstanding feats on the footy field.

Andy Gray would be my choice of second ruck in my Mid SE All Star team and there has never been a more lion-hearted player in my 32 years of involvement with this league.

The way Andy recovered from serious burns was an inspiration and he was a gentleman on and off the field.

Zeb Bonney (now sadly deceased) played league footy with Glenelg and also had a brief spell with Tarpeena.

In one home game against an all-powerful Mt Burr lineup, he single-handedly took the Mozzies apart.

He played the best half of footy that I have ever seen in the Mid SE.

Arguably, the best home-grown player from Tarpeena was Darren Mansell who went on to play more than 100 games for Glenelg when they were a force in the SANFL.

Darren played one season with Penola and he was invariably referred to as "the ex-Penola boy" in the write-ups by the city press.

Over the years, Tarpeena had some high-profile coaches including Footscray legend Gary Lazarus, ANZ banker and former Sturt player Mark Heinrich, goalkicking legend Michael "Whale" Timms and current Kalangadoo A Grade ruckman Tim Brennan.

Even long-time Nangwarry Football Club president Shane "Pluggger" Ploenges was at the helm of the Canaries in the mid-1980s.

There are a few ex-Tarpeena players like Tim Brennan about the footy fields of the South East and Western Border but their number is dwindling.

Most have long hung up their boots.

There may still be a Tarpeena Football Club but it is no longer affiliated with the MSEFL.

Thanks for the memories.

# MSEFL JUNIOR PRESIDENT'S REPORT

WELCOME to a new season, new players and new families to our League.

Well done to Port MacDonnell Junior Colts, and Kalangadoo Senior Colts on winning your premiership. For Kalangadoo, it has been a while since they won a Senior Colts grand final.

On to this year, and I encourage all coaches to support each other during the year, to make all games as close as they can. Remember the 60pt rule is still in play, and new rules hopefully will make all grades a fantastic display of footy. We would like to encourage all new players to enjoy their stay in the MSEFL and to encourage mates to join them at their club.

Thank you to Mike Hentschke who filled the role of President last year. Also to Peter Walter, Lyn Howe-Morgan and Lu who once again join me on the Junior League. We still have a position available to anyone that wants to come onboard and enjoy footy from a different view. Please contact one of us for a chat.

Interleague is fast approaching and we have got a dedicated group for this year. Ashley Hales coaching the U17 squad, Tim Biggins coaching the U15 squad and Aiden Mills coaching the U14 squad. We play the Mallee on their turf then travel to Mt Gambier for the Zone games.

One last thing, let's all get to the footy early and support our junior sides and see what our League future has install for it in the next few years.

See ya at the footy.

Ian Leibhardt  
President MSE Junior FL

## 150 GAMES FOR RYAN FOX

CONGRATULATIONS to Ryan Fox who played his 150th senior game for the Port MacDonnell Football Club in A Grade against Robe last weekend.

Ryan played his first senior game for the club in 2002. He is a fantastic backman and very rarely beaten. He was a member of the 2012 A Grade premierships team.

Well done Foxy on reaching your 150th game milestone.

## LETTER TO THE EDITOR

I AM an advocate of country football being played on Good Friday. Not a full round, just a one off game.

It is one of those days on the calendar with very little on for sporting enthusiasts, saved for eating Easter eggs, catching up with family and friends, having a BBQ or playing cards.

Apart from the National Rugby League which play a game on Good Friday, several country football leagues in Victoria have jumped at the opportunity in recent years to have one game (not a full round), and with outstanding success. Just ask the Warrnambool and District Football League how well Good Friday football has been received!

The Mid SE have, to my knowledge, never given serious consideration to playing a game on Good Friday.

As a result, we have "missed the boat" as the Western Border Football League have seized the initiative to be the first league in the South East to have a game on Good Friday.

That will be at Malseed Park in Mount Gambier when West play East, and what a financial bonanza that will be for the cash strapped West club!

In future, when Easter falls in April and within our season, I believe the Mid SE clubs and executive should look seriously at playing a game on Good Friday at Robe, on the proviso the Robe club want to stage it.

As we know, the resorts along our coast are crammed with holiday makers over the Easter long weekend.

Imagine the crowd that would turn up and how it would boost the coffers of the Robe club.

Food for thought?

David Gilbert

ONE week down and we are off and running in the "Family League". Last week we were blessed with some of the best weather you could wish for and I'm sure all players, umpires and spectators enjoyed the great conditions. Don't be fooled folks, we will still all melt over the next few years!

Yours truly ventured to the hallowed turf at Kalangadoo where a large crowd had gathered to witness hostilities resume between the home side and their neighbours from Glencoe. Obviously the big crowd were hungry as the canteen had run out of sandwiches pretty early on. The oval was in brilliant condition for the big game and congratulations must go to the Kdoo committee for making the oval into one of the best, if not the best, in the League (Note to self, Fred). Speaking of Fred and he was off and firing in last week's budget. I think the lad needs a big hug and a box of chocolates!

I was joined in the middle by fellow Port supporter Gavin Motley and his equally hair impaired mate, Chris Scott. The home side welcomed back Benny Mules from Tigerland in the SANFL, Anthony "Killer" Kilsby from the Tigers in Western Border and former premiers coach Peter Collins. It was like turning the clock back to 2001! The sad news for the Magpies was the absence of the man who has (in my opinion) carried his side for a number of very difficult years, Brian Casey. Evidently Brian copped a slight hammy with milli seconds to go at Thursday night training. For the visitors the absence of the brilliant Zac Cocks due to head injury, supplied by friendly fire in a practice match, was not welcome. Even

less welcoming was the lower leg injury to hard man Adam Price early in the first quarter which robbed the Murphies of some valuable experience and marking power.

The game was a beauty and I'm sure the many spectators went home happy to have seen a high quality game. It was a typical Murphies v Magpies game with both sides throwing everything but the kitchen sink at each other and in the end it came down to some inaccurate kicking for goal by the visitors giving the home side a much deserved win. Ex umpire and cricket star Alex Hentschke had a chance to get the visitors to within a goal in the last few minutes but his rushed shot from close range missed the tall uprights. I would suggest that both of these sides will give the finals a big shake and it will take a good side to beat either of them. After the game it was good to see a large crowd back in the clubrooms and it was great to have a chat (and share the umpires sandwiches) with local legend Peter Savage and radio guru Billy Chapman who looked like he had settled in for a big night or even two!

On a slightly disappointing note and a repeat from last season I was very disappointed that once again we had problems with boundary umpires in A Grade. In no way am I having a go at the lads involved but surely as a League and as clubs we should ensure that A Grade boundary umpires are up to standard. It is very disappointing as an umpire to have to recall throw ins and stop play to ask an unsure umpire what his decision is on the boundary line. Not sure of the answer but could all clubs please make an effort to get this right.

Early on in the reserves we had George Street King Andrew Rohrlach joined by former Western Border umpire Bruce McLaughlin. Bruce informed me that as a warm up to the game he rode for a leisurely two hours on his pushbike (makes me feel faint just thinking about it Gladys!) Thanks to Bruce and also to KNTFL umpire John Langdon

who helped us out last week. In other umpiring news and Denis Mathews only lasted half a training session before succumbing to a knee injury. Stop walking under ladders and black cats Denis! Seriously we hope to see you back out umpiring sooner rather than later.

We have been informed by the League that all umpires require a police clearance these days. Turns out that teacher's pet Clarrie had to inform the coach that he had failed the test. When Webbs questioned the police about what went wrong he was informed that Clarrie had in fact gone to the station and applied for an IQ test! (Cav 1, Clarrie nil). Big Robbie Ransom (and wife Liz) had a big day a few weeks back when he escorted beautiful daughter Paige down the aisle (actually the seaside) to give her away to new hubby Ben Cawthorne. My close family informants tell me that the usual tough as nails Robbie got a little teary eyed on a couple of occasions during the day but was back to normal later in the day and very, very early into the next day!

Two weeks ago the League put on the annual pre-season BBQ at Glencoe. Thanks to the guys and girls who cooked and to Collins Court Meats for donating the tasty treats. Thanks also to Andrew at Acky's Takeaway for the superb salads. Last Wednesday night most of the panel travelled to Naracoorte to have a run with a couple of AFL umpires, the KNTFL guys and the Western Border umps. I am unable to report on the night as at the time of writing it had not occurred! (I know Gladys that is Irish).

Only one other thing to report this week and that is the brilliant win by my Port boys over the poor little Crowies last week. I'm still waiting to talk to some of my Crow supporter friends and families as they appear to have misplaced their phones! (Cav 2, Clarrie nil).

That's all for this week. Have fun and see you at the footy and netball. Cheers, Cav.

# GLENCOE MURPHIES

## FOOTBALL

WITH perfect weather and ground conditions all was in place for the start of the 2014 season against old foe in Kalangadoo but we returned home with only one win.

The reserves fought back to win the day with some key plays from Senior Colts Max Khan and Edward Trupp in the final stages of the game for a 2 goal win. The A Grade were up against a team determined to start well for their new coach and came back in the third quarter with the aid of the breeze but could not bridge the gap in the last term though they did keep the margin steady as Kalangadoo had the assistance of the breeze. Our colts were up against last year's premiers and they kept battling all day to try and hold a more experienced and skilful side. The juniors had plenty of support around the ground and it was pleasing to see the number of adults helping at this level.

The A Grade was a physical game where players were quickly placed under pressure when they got the ball and this made hitting targets difficult to achieve. After an even first quarter we had dropped behind by the main break and the goals given up during this time proved the difference at the end of the day. Mick McRae with 5 goals was able to keep

us in the game as our main scoring forward while Leo Sharaf was our best with 3 goals and his usual skilful use of the ball when he is on song. Matt Kasparian worked tirelessly in the ruck but followed this up with many possessions around the ground and it is pleasing to see him start the season free from injury as he will be an important player for us this year. Dean Watson certainly appreciated the style of play during the game with his hard tackling and keeping opponents under pressure rewarded with third best. Dylan Childs used the ball effectively by creating space. Jace Weaver returned to the team and read the flight of the ball well when moved back into defence where he read the flight of the ball to repel many Kalangadoo attacks. The final award went to playing coach Simon Brook and it was good to see him back on the playing field where he can lead by example. The lowlight of the day was the injury to Adam Price early in the game. His influence on the ground was missed and we wish him well with his recovery. It is important that we get back among the winners today to keep pace with other sides but there is plenty of improvement in the team by getting out on the track and improving our skill levels and confidence.

The reserves were our successful side for the day but the match was in the balance until the very end. Again the start of another

season saw a few players coming out of retirement but obviously they hadn't put the boots too far away over summer. Ali Scott marked strongly and finished with 5 goals and when he moved up the ground Ben Curran chipped in with 4. Sam Giersch played on the ball all day and used aggression to get possessions and speed to break tackles to be our best player. Brendan King was able to win the ball in the midfield all day along with Jayson Finnis with the final award going to Ethan Bronca. Thanks go to Edward Trupp and Max Khan who filled in from the Senior Colts with both winning telling possessions late in the game to get us over the line.

The Senior Colts were up against last year's top side and while they could not get into scoring positions they battled to keep their opponents under pressure during the game. It was pleasing to see that we had the numbers for a team of only Senior Colts and we welcome the new faces to our club and trust you enjoy the season. Edward Trupp started in ruck and was moved to defence and he was able to intercept many attacks with strong marks to be our best player. James Telford won many possessions in the centre and tackled strongly all game and Max Khan has really improved his marking to be a forward option for the team. In defence Will Cleggett contested strongly with many effective spoils and Billy Arthurson playing

tightly in a checking role in the second half. There is a strong team spirit among the boys and work hard on skill development and enjoy your season.

There were 2 highlights for me from the Junior Colts. Firstly we kicked a couple of goals in the first half to be in the mix at half time and the other was the number of adults supporting this group by filling the various roles out on the ground. Your advice and support in these roles will only enhance the skill development of the team. Patrick Mitchell and Jack Edmonds were our goals kickers with Patrick being the best player after moving out of defence into the midfield this year. Dylan Pfizner was able to use his strength and speed to win plenty of possessions and will add to the side when he is available. Other award winners were Jaiden Shane, Brad Frost, Will Maloney and Angus Wittig. Good to see a number of long term Glencoe names among the awards.

The club congratulates Dean Watson on the arrival of Owen last Friday and it is pleasing to see our players starting to add a few boys to the family. Today is our first home game so if the chance arrives to help out with the many roles that need to be undertaken put your hand up and share the load among our club members. Teas will be available after the game at the club so stay around and get to know the new faces for 2014.

## NETBALL

WELCOME everyone to season 2014! We particularly welcome all of our new players and their families to the club. We had a tough day against Kalangadoo last week and while we didn't come away with any wins, the results were definitely positive and there are some fantastic signs for the upcoming season. Congratulations to Chloe Watson who played her 50th club game last week and to Sarah Lawler who plays her 50th senior game today. I take this opportunity to thank our committee – there is a lot of work to be done before any of us can step on the court and we thank the committee for their efforts. Wishing all the best of luck to all of our netball and football teams for the season ahead. Let's enjoy our time on and off the field and hopefully bring with it success.

**A Grade:** 56-70. What a fantastic effort for our first game. We showed some real promise and definitely showed we can match it with the best of them. Laura played a fantastic game at WA, was there for every pass and did some wonderful drives across the circle. Big welcome to newbies Ebony and Kelly who combined beautifully in the goal circle and shot with great accuracy. Sarah was solid in defence and only improved throughout the match. Ashlea drove strongly as always

through the centre and Bec played very tight at WD taking a number of intercepts. Great first hit out – the only way is up, let's make this our year.

**A Reserve:** 26-72. Bad luck girls, we always knew Kalangadoo were going to be tough with the experience and depth in their team. In hot conditions we had a couple of injuries early seeing Sarah Frew come on, a big thank you to Sarah for your effort. Best players went to Jess Gosden and Deb Curtis. Let's work hard on improving and re-group for this week. Wishing all netball and football teams at Glencoe all the best for the 2014 season.

**B Grade:** 36-55. Welcome to the season everyone. Quite a warm day to start us off. We played some consistent netball for the first half with scores level at half time. Unfortunately we let ourselves down with some ordinary passes to hand over possession. Great solid game by Sarah Frew in defence (Mr. Clean Dry Cleaners). Ange and Leona ran a lovely game through the centre court. Let's keep working hard – the reward will come.

**B Reserve:** 24-40. Good effort girls, we kept trying for the full four quarters. Pretty tough competition, weather and injuries made it a pretty tough first game. A few things to work on at training this week before our next game. First best went to Maddi (Maloney Plumbing) for great moving and rebounding in

the circle. Second best went to EJ for getting a lot of touches in defence.

**17 & Under:** 38-50. Bad luck girls, but what a good effort first game out. With the weather being so warm it was hard work out on the court so well done to everyone for putting in all day. It was only the last quarter that the game was won in and the deficit can certainly be attributed to how tired we were and the heat. A very big thank you to Madeline and Sarah for stepping up from 15s to help us out in GS and C respectively – you girls did a great job and more than held your own. There were some great passages of play and some really good signs for the season ahead. Best players went to Laura for a great game in GA and to Genna for her work in C and GS. Encouragement award went to Sarah Edwards for her work and resilience in C – especially when both oppositions players were knocking her around! Good job girls – let's go hard against the Burr today!

**15 & Under:** 24-34. Bad luck girls. We started off excellently in the first quarter. Sarah and Tayla worked great together in defence getting many intercepts. Bella put lots of pressure on her girl. Lucy drove really well all day and got a heap of intercepts. Alice did really well with lots of great passes. Madeline and Ebony combined very well, with lots of little passes between each other. Great shooting girls. We had some great passages of play that we should to improve

on throughout the season. Thanks to Kayla for sitting on the bench. Best players went to Sarah (Hungry Jacks) and Max (Subway) and encouragement award went to Lucy (Red Rooster). Let's go today!

**13 & Under:** 10-71. A great effort in hot conditions by all players. Alarna and Emily worked well together in goals and Gemma and Sharna were very good and pressured their opponents in defence. Well done to Chloe and Kayla who worked tirelessly through the centre court. Holly and Zoe did a great job keeping the WA restricted and stopping her drive down the court. Dakota came on in the second half and did well to get a number of intercepts in GK. Let's work hard to keep possession of the ball and attack the ball with strength this week.

**Junior One:** A great game girls! You came up against tough competition for your first game! There were some great passages of play and you all got the hang of it by the end. Awards went to Alana Menzel (McDonalds), Andi Trotter (Subway) and Paris Trotter (Red Rooster).

**Junior Two:** Well done! You all played a great game for your first time. It was great to see you all smiling and enjoying yourselves. Keep listening and trying! I hope you all enjoyed yourselves and look forward to next week.

## FOOTBALL

**A Grade:** The A Grade ventured to Pt Mac for our round 1 contest in what could only be described as an absolute pearler of a day. The playing group was trying out a new game plan with a new coach (Dylan Coxon) against one of the top teams in the league over the past couple of years. The game started at a fast and furious pace with Pt Mac all over us as we struggled to curb their centre square dominance. This put massive pressure on the back six with so much easy ball coming in, matched with the opposition's excellent ball use we were on the back foot from the outset. As the game and players settled we started to implement the game plan and moved the ball as we wanted to and had some good passages of play, but the Demons' pressure was unrelenting and we found it hard to enter the forward line with system. Although we were getting a touch up on the scoreboard everyone

was hitting the contests hard and supporting their teammates. The second half we started to trust our skills and teammates and certainly had the better of the 3rd quarter (we just couldn't convert our chances), when we had control of the ball it was moved confidently and with good patience and this led to us having more scoring shots than Pt Mac in the second half. Better performers on the day were our backline in Elroy, who mopped up everything that came his way. Jessy, once again standing up and leading the way with his attack on the ball. Pete Agnew (welcome to the club Pete) using his strength and height to his advantage, Brodes, Zac and Andrew Clarke (welcome back to the club Clarke) all worked in well together and can hold their heads high with their games. The coach gave his all and has impressed with the way he has embraced his first year in the coaching hot seat. Dicko presented well up forward and Dawsy did what he does when in the forward line with 4 goals. Spike led the way

with how to hit the contest, coming to the bench numerous times to get patched up. Even though it didn't show on the scoreboard we definitely have something to work with and will only get better as the year goes on. So let's make that last half our benchmark for this week against a very likely looking K'doo outfit.

**Junior Colts:** Robe 5.2 (32) Pt MacDonnell 5.7 (37). Welcome to the 2014 season which saw us travel to Pt Mac for our first game. It turned out to be a good contest between the two teams, but unfortunately we fell short by 5 points. Great to see all the drills that we have been doing at trainings are now showing through into our game on Saturday. We just need to take a bit more poise when we have the ball from a free kick or mark, and if we had of done this Saturday the score would have been different. Best: Harry Hooper, Angus Weir, Ben Legoe, Jessie Tomlinson, Tom Gould, Terrance Wilfred and Eddie Dutton. Goals: 3 Terrance, 2 Eddie. Keep training

hard boys and we will have a good year! Langers. Incentives: Denton's Sportspower - Harry Hooper, Robe Seafood and Takeaway - Angus Weir, Robe Auto and Marine - Ben Legoe, Polly's Fish N Chips Jesse Tomlinson, Elders - Tom Gould.

**Senior Colts:** Robe 8.4 (52) Pt MacDonnell 16.4 (100). Best: A Clements, M Hansberry, C Davis, S Altschwager, S Stoios, H Kurray. Goals: J Tomlinson 2, B Bayliss, A Clements, J Sneath, S Stoios, C Davis, B Cutting (Pt Mac) 1 ea. We have low numbers in the Senior Colts this year so thanks to Pt MacDonnell players who willingly donned a Robe guernsey to help put a team on the field last week, one even kicking a goal for us. Junior colt Jesse Tomlinson stepped up this week to play Senior Colts and bagged himself a couple of goals, well done Jesse. Incentives: Steve's Place - Alex Clements, Robe Mobil Voucher - Mike Hansberry, Polly's Fish N Chips - Ben Bayliss, Denton's Sportspower - Jesse Tomlinson.

## FOOTBALL

OUR season got off to a great start last week for both our junior sides, winning both games. The Junior Colts, after only having about a dozen players a fortnight ago, managed to field a near full side with a few new players signing up in the last week. Glencoe came out and kicked the first goal but our boys steadied from there and matched it with the opposition for the next couple of quarters before running out comfortable winners. Great effort first up, hopefully everyone can make the trip to Robe today and have another competitive game. Awards went to Brandon McMurtrie (Fasta Pasta), Brayden Hatley (Subway), Tye McManus (Kentucky Fried Chicken), Nathan Widdison (Hungry Jacks), Brody Mulraney (Video Ezy) & Daryl Shepherd (K'Doo Lions Club Ritchie Rich award).

The Senior Colts were up against an improved Glencoe team and the game was willing and tight early on until we were able to kick away to a winning lead. The only downside was injuries to James Brennan and Lachy Farrugia both with rolled ankles. Let's hope they recover quickly and are back out on the field soon. Best named were C. Howlett (Kriegers Kool Cash), P. Davies (KFC Life Members award), J. Davies (Fasta Pasta), B. Casey (Kentucky Fried Chicken), Jordan Brennan (Thurs Night Tea) and K. Wiestra (KFC Ladies Committee Award).

Welcome to all our new players and families joining our junior ranks this year. I trust that you will all feel welcome and enjoy your time with the K'Doo Football Club.

Stardate 20140329 Kdoo defeated Glencoe. A great effort by all of the Doo boys including the unsuccessful B graders saw the Pies finish up king dicks over the spud heads.

The Bees coach in Chrissy had about ten apologies to make after selection on Thursday night. Circumstances dictate that this may blow out to some degree over the next few weeks. A mix of the old (suffering years of toil B graders) and the new (good players in transition waiting on a call up) saw the Doo boys having a fair crack against their more fancied final hardened opponents.

Coach Chrissy rocked up to give the Pies a boost after a Darwin campaign that saw him celebrate a flag with old mate and ex Doo boy Scotty Ward with indications pointing to a few 2014 guest appearances.

The end score saw the Pies short by eleven points after a gutsy effort that gave every indication to indicate the black and whites are on the way up. The expected influx of senior players can only further the cause with a core group of unavailable and injured Pies ready to join the mix.

Our blokes were in front for the first two quarters and keen to continue the trends of wins after the colts sterling efforts. The Spuds hit the front by three points at the last break before whacking on a couple of goals more than the Doo to be the only Murphy side of any persuasion to sing their song on the day.

Best for the Doo were Alexander Lyon (Robe today at 2.20pm), Tom (kick arse) Bannister, Thommo, Aids Auld, Westy and veteran three goal Hollywood.

These boys and the seniors to follow had a huge supporter contingent (based on previous years) and the vibes coming from the changerooms were contagious. Even our normally mellow yellow Crouchmeister said that he was pumped!

We all suffered a case of the sads after champ BC started favourite slipped and fell to a hammy at Thursday training. The pain eased

somewhat early in the first quarter after Murphy champ Pricey went arse over head to balance things out.

The Doo boys turned the two point deficit into a twenty eight point buffer at the half before our guests clawed their way back to get within seven points going into the last. Status quo remained to see Missus Who's board record us twelve point victors.

Hot Pies were young guns Mitch Lowe, Jesse McPhail, six goal Killer Kilsby, Brad Auld, Old Father Time Jonsey and Jason Bannister.

Concerns have been raised about BC's hammy but those of us on the ground floor have been more concerned about his old man Doo Legend Benny 'The Moth' Who (Casey) whose part time job of late night light inspector with ETSa have been legendary with Benny's sixty watt globe starting to twinkle a few of the Hilton bar flies reckon that he is past it. Time will tell and we can only hope that one of our current crop of wing nuts stand clear to give our boy a bit of respect as he flaps his way into retirement.

Wepar tit puller Andrew Squeaky Brooks looks the goods as home game goal ump after a rigorous pre-season saw Ralph give him the Doo gig.

Conspiracy theorists can rest easy after the disappearance of our B Grade manager and goal ump in Graham and Gav, it was simply their choice of rolling a few down at Mt Gambier RSL rinks representing the Doo to become Lower South East Champion of Champions. Now to go on to play the Upper South East Champs and if successful the big smoke for more play offs.

Great to see Wombat flutter the flags in the reposs before throwing a few back with old mate Memory Lane.

Media mad man Freddy managed to gate crash the timekeepers box and upset my Glencoe compadre but found his measure in

Mulga Ryan at the netball courts when asked for his press card!

Killa Kilsby had a six goal day out and reunion with ex Tiger team mate Kingsley Clarke.

The netheads served it up to the crowd after speeches before Jarrad's farewell tour kicked in and the footy player auction had a few punters locking horns resulting in Timbo's wood yard looking to refuse a credit application from 'Robbers' Opie and Dycer.

Great to see a lot of faces from previous Maggie campaigns at Footy Park showing their support for Benny. Great stuff.

Mules family matriarch Cathy was unfortunately not on hand to witness the game, being laid up in Adelaide as a result of major surgery. Worry wart Fig held her hand and with the other had Dexter on speed dial with updates from ten till five. All the best from the club Cathy!

Also a mention to one of our 2023 minis in Max Casey after the chip of the old cock broke his leg. Mum and Dad, Amanda and Brian 'May the Pies be with You'.

Old Grandcock Benny and Missus Who free range mushrooms disappeared. Near neighbour Gav reckons it was magic!

Burr undercover man Nuts filled a vacant Saturday by setting up base camp on Benny's Hill. All within staggering distance of Pud's watering hole and Big Rob and Sue's eatery. While keeping an eye on newly acquired 'stepson' Squeaky.

Veteran acme blower Paul real estate man Cavanagh was happy to share his sandwiches with the Pie supporters after the big game, you champion!

Bee's coach Chrissy keen to start up a 'Doo Darts Club' after an intensive 'Bali blow job'.

## NETBALL

IT'S great to see all the new players, past players and supporters for the upcoming season! What a fantastic way to start the year with every team coming home with a convincing win! Hopefully we can keep this up throughout the year and make it into the finals in September! Let's go Pies!

**Junior 2:** In warm conditions we played a fantastic first game of netball. Welcome to our team Ebony Wurst, Allara-Jane Chuck, Charlotte Hately and Tiannah Jennings. Imogen played a ripper game and received the Aussie Take Away award for her efforts and Charlotte received the Wendy's award for great defensive work. With hard work and more games to play we will all improve in time. Hopefully everyone had fun and will see you all at training Tuesday and games on Saturday.

**Junior 1:** What a great start to the season! It's always nice to see the young faces give

100% in every position. Keep up the good work girls.

**Under 13:** Our team consists of ten players all of a very even and good standard, showing their skill and versatility today. Welcome to Eliza and Sara and congratulations to Georgia on being appointed captain. Awards went to Keryl for her fantastic passing and shooting and Eliza for fantastic shooting and performing well in defence.

**Under 15:** Great first game with everyone working hard on their defensive game. Isobel and Lucy Williams combined well in goals, with some nice passes in from Emma, Alice and Georgia. Jasmine, Kaitlyn and Lucy White created many turnovers with their defensive pressure. With hard work at training we will continue to improve, great work! The Red Rooster award went to Lucy White and the Hot Chocolate award went to Jasmine Croser.

**Under 17:** What a great way to start the season girls. You all started off a bit slow but improved as a team as the game went on. Your

transition down court was great and you all made great space for each other. Jordy had a great first game back with many interceptions and shooting well in GA. Brianna worked hard in GS and worked well with the different combinations. Your defensive pressure in the circle and down court was good and allowed us to get back in the game. Over all great game but there is always room for improvement. Jordy Jones - Subway voucher. Brianna Coxon - Faster Pasta voucher.

**B Reserve:** Awesome game girls, we played a really strong game and worked great together; considering the heat and all the changes to the team this year.

**B Grade:** Great win girls! First half left a little to be desired, but we fought hard and a few changes made the game. Let's work hard on our individual positions to really cement our place.

**A Reserve:** 72-26. A great start to the season. Our new team certainly shows it has versatility and adaptability. Anthea (Margaret Street Meat award) was a consistent performer

in goals and through the centre court, taking some great interceptions. Rosie (Collars and Cuffs award) was a welcome addition to our team, showing her athleticism and 'smarts' on court. Schultz (Maloney's Market award) made a 'surprise' return and enjoyed the heat, she obviously doesn't need a pre-season! Jade and Kara were terrific through the mid court, applying plenty of pressure and causing many turnovers. Tan, Lisa and Narelle were also solid contributors. Many thanks to Tara for agreeing to be our manager this year while working around baby J. Thanks also to Katie for scoring, Nat for being the first-aid lady and Bec for umpiring.

**A Grade:** After a somewhat "rusty" start where we took a while to settle in, once we got going there were patches of play that looked great. Carol and Melissa shot at 86% accuracy and Jenna and Jayde worked hard in attack. Leah and Jonesy managed to cause a number of turnovers and Mikaila grew in confidence as the game went on. Overall a good start, with plenty of room for improvement.

# NANGWARRY SAINTS

## FOOTBALL

THE Saints first games for season 2014 resulted in mixed results, with only the Seconds coming home with a win, while the Seniors showed huge improvement from last season but a final quarter burst from Hatherleigh showed the Saints that there is still a lot of work to be done to climb that ladder.

The Junior Colts certainly tried hard but the Hatherleigh side dominated the game from start to finish to record a big win. Let's see improvement today against a good side in Pt Mac.

The Senior Colts suffered the same fate as the Juniors when they also were beaten easily by an impressive Hatherleigh side. Once again numbers are proving difficult for the Saints and it was great to see the opposition provide us with players to enable us to field a side. Well done Hatherleigh, it is greatly

appreciated.

The Seconds provided the highlight of the day for the Saints, when they recorded a very good win. The teamwork of the Saints was the best for many years and having a very strong focal point up forward certainly proved the difference between the two sides in a very competitive game. Well done but a big test today against the strong Pt Mac side.

The Seniors certainly made sure Hatherleigh earned the four points in a very encouraging display although the final quarter was disappointing as the opposition showed why they are a good side. The first three quarters gave the Saints a chance of a big upset with less than a kick in it at the final change and after the Saints missed a few chances in the early part of the final quarter, the opposition took control to win well. Still the Saints will improve more after a few games but whether that is

enough to trouble the better sides remains to be seen.

Don't forget Counter Teas are available after today's home game at a very reasonable price followed by music supplied by Jarrod Kilsby with a \$2 admission fee. Should be a relaxing evening.

Great to see Gaylene Radley awarded Life Membership of the Nangwarry Football Club for over 20 years outstanding service in the canteen and timekeepers box. Well done and very deserving.

Today it's Pt Mac with four hard games against the strongest club in the MSEFL. If we have a 100% effort in all grades maybe we can cause an upset.

Finally, it is disappointing that the season is only in the first week and our club is being targeted by a sports writer in the local rag saying that some in the MSEFL are calling for our head. The same sports writer a few years back also said he had seen a letter saying

we were folding but was unable to produce the letter which is hardly surprising seeing there never was one. No doubt he cannot supply the names of these "cynics" because all MSEFL clubs offer nothing but encouragement and stick together as evidenced by no MSEFL club wanting to join his local league to prop up their numbers. It might be envy of a well-run league. So instead of printing BS, pick up the phone and check with the club concerned any time before printing. It's not hard to find my number, 8739 7272, and maybe print the facts. The coach and the club has worked hard to improve our playing list this season to become competitive and do not need these unsubstantiated negative comments.

**Junior 2:** Well done everyone. You all had a great game in our first round. It was fantastic to see all girls turn up and keen to play, except Alana who was sick and we all hope she is feeling better and ready to play next week. You all did a fantastic job and your hard work at training is really showing as you have all improved so much since the first training. Thank you to Hatherleigh for having us and showing great sportsmanship. Good luck to all teams for the 2014 season. Award - Simone.

**15 & Under:** Firstly thank you

to the Association for allowing us to field a junior side with over age players. Without their consent we would not have had any junior teams for this season. While we were soundly defeated in the first round, I am so proud of my girls for the effort they put in. It can be very nerve racking to play against taller opposition players with talent. Each week all I ask for is a little bit of improvement once the girls gain skills and confidence and most of all enjoying the game. Welcome Steph to the club who won the award, Hailey and Nat our youngsters and also Maggie welcome to you. Let's take every game as a huge learning curve and make the most of our training sessions.

**B Reserve:** Well done ladies,

got the first game out of the way. Everyone played well considering the heat and we had a few changes. The next few trainings we will concentrate on getting a settled team.

**B Grade:** Well girls, that's our first game done and dusted. We had some very good patches of play and we showed some areas that we definitely need to work on. We need to get some muscles so we can get some strength into our passes and we need to remember to play at our speed and not the opposition. All in all it was a great effort for a newly formed side and we can only grow and get better from here. Best player award - Kerri McNair.

**A Reserve:** A great start to the game girls, then after a few bad

patches of play we dropped our heads. It doesn't matter if we make a mistake, just work hard to get it back. We have so much potential and you can see this so we will be able to work on this. Tamara ran hard with some beautiful cutting to provide heaps of opportunities for her team mates, well done. Good job by all, let's pick it up for next week. Award - Tamara Ploenges.

**A Grade:** Great start to the season girls, even with a few out we stepped up to give last year's runner up a hard run. We had so many great passages of play and the more we play together it will all come together. Plenty of room to improve, well done. Thanks to Carly Ploenges who played awesome and two games for filling in. Keep it up. Award - Nicole Reeves.

## FOOTBALL

**Junior Colts:** Well done for the first win for the year. As the game went on we got better and better. Our tackling and pressure and second and third efforts were excellent. Was great to see not just the older players step up but everyone played a really good standard of footy. Best players today were Trent, Adam, Jessie, James, Isaac, Tre, Ryan. Let's get out on the track Tuesday and Thursday and really have a crack and just keep on improving. Go you little Bay Boys!

**Senior Colts:** Great to get the season underway on a perfect day for footy. Many thanks to the 18 different players who went and played for Robe in the right spirit which made for a great contest. It wasn't until the last quarter which saw our side run away with the win, prior to that the lead alternated a number of times. Everybody contributed at different times. Kyall was rock solid throughout and took a pearler of a mark. Scott is a welcome addition to the team and showed great pace and finishing

skills. Sam is regaining match fitness and growing in confidence. Rhys just keeps going about playing and training with the right attitude and is having a real impact. The younger fellas in Lockie, Tom, Wade all contributed well. Excellent to see Cal having a crack and quickly learning.

**B Grade:** A hot day greeted us for the first game of 2014 and with summer sports finished for the year there was an air of excitement that filled the change rooms for game one. A new year and a change of coaching, the B Grade welcomed Matthew Fox to the helm after a good pre-season under the belt, everyone's expectation was high.

News had filtered down that Robe was struggling for numbers at this stage of the year and to their great credit they filled their side with a mixture of youth and experience and the odd back packer or two that had gone in the Robe Hotel at the wrong time but did manage to get their first experience of Australian football.

The first quarter got underway with a few teething problems off the field but on the field the boys were up

and about and kicked 8 goals to nil at quarter time. Coach Fox urged the players to stick to the structure and to keep playing our brand of footy.

In the second quarter everyone kept chipping away and further extended the lead to 14 goals. At the half the message stayed the same and every one took their good work through the 3rd quarter and extended the lead to the 20 goal mark. The last quarter the heat and fatigue had set in and the bench got down to 2 with two early injuries and then as the last quarter got on 2 more came off injured. All this aside we ended up winning quite well in the end. There was a couple of highlights with coach Fox and Ducky O'Dine taking a couple of hangers, at one stage the coach did get a little ahead of himself and should really be using 2 hands instead of one.

Best player was a new player to the club Kieren Dooley, second best was a player up from colts Spong, third best was another colt that has come up Sparky, fourth best was another new player to the club Ben Creek, 5th best was Ducky O'Dine with a rare visit to

the Bs and last was a return player Matty Ikin.

Well done lads keep the hard work up and the results will continue to come. To Robe, great effort to fill the side, keep it up and the results will come.

**A Grade:** Coming into a new season with some new faces was very exciting, with a real vibe around the place. We began well getting off to a strong lead at quarter time. As the game progressed it became a real tight, contested, scrappy game as Robe are a dramatically improved side and they made scoring very difficult. Best players were Big Sharm, again set for a stella season. Benny Mac was very solid for the whole 2 hours. Matt Roscow a new face to the club was outstanding using the ball with precision. Lachie Pratt had one of his best games and looks to be in for a big season. Benny's Creek and O'Dine also were big contributors. Jord Zeitz also had plenty of the ball. Huge get well to Josh whose debut ended on a sour note but sure he will be back shortly bigger and better.

## NETBALL

GOOD luck to all the football and netball clubs for the 2014 season. We are looking forward to a great year with Narelle Lewis taking over the reins as President, Tamara Watson as Vice President and a new look committee. We welcome all new and returning players to the club, we would like to thank all the coaches, umpires, scorers and supporters for taking the time out this year to help make our club successful. This year our main focus is working with our juniors to develop a brighter outlook for the clubs future. Good luck to our netball and football teams. Go Bay!

**Junior 2:** Well done girls, keep up the good work. Great defending Ariella and Bridie. KFC award: Ariella Smith.

Wendy's award: Bridie McPherson.

**13 & Under:** Pt Mac 14 v Robe 39. We've got to start somewhere girls, and overall I think it was a pretty good game for your first. Shylah put in a great effort for her first game ever, Keyannah Nikeisha and Montanna worked great in goals. Riley and Em put in an awesome effort in defence and Samara, Halle and Salem worked well through the mid court. We have a few things to work on at training. Well done girls. Best players: Emily Williams and Samara Telford.

**15 & Under:** Pt Mac 27 v Robe 52. Great first game girls. We started off hard and slowed down towards the end. Defence worked really hard to get touches. Tia got plenty of touches with Maddy also playing well for her first game with Pt Mac. Best players: Tia (Fasta Pasta award) and Maddy

(KFC award).

**17 & Under:** Pt Mac 49 v Robe 55. Well done girls, great first game. We need to keep our cool and slow the game down. Best players: Maddy Telford and Maddy Murdoch.

**B Grade:** Pt Mac 54 v Robe 16. Great first game girls. Still lots to work on. Goalies shot well under pressure and great defence down the court and in the ring. Let's come out as strong this week girls. Best players: Fiona Scott (Fasta Pasta) and Tina Collins (Victoria Hotel).

**A Reserve:** Pt Mac 54 v Robe 42. Fantastic game girls. Hard physical game and we really played together and put all our practice into the game. Great talking and direction all over the court. Jordie shot beautifully all game and Kelly got every rebound and was solid in the defence circle.

Best players: Kelly Coutts and Jordie Gower.

**A Grade:** Pt Mac 45 v Robe 56. Our first hit out was always going to be a challenge as we were to combine for the first time as a new side and we faced an improving Robe outfit. Unfortunately for us, results didn't go in our favour, but there was plenty of glimpse of exciting things ahead. Michelle and Ash battled extremely hard against a tall and tough opposition with Maddy combining well on the defensive Wing. Em and Marie ran hard all day with great tussles and exceptional feeding into Tamara and Toni, finishing off well. Plenty to learn from as we strive to minimise our errors. Best players: Michelle Lewis (South Aussie) and Marie Lewis (Birdie Blue).

## FOOTBALL

TODAY we welcome our rivals from Hatherleigh in what is always an interesting contest in all grades. The start to the season was a great day at Kongorong for both the football and netball. Let's keep this going for what should be an exciting year.

**Under 11:** Welcome to the 2014 season. It's great to see plenty of numbers with all the boys getting in and having a crack. We had plenty of run even though the ground was small. There were some positives to take out of the game and also a few things to work on at training. Good luck today against Hatherleigh.

**Junior Colts:** First of all welcome everyone to the new footy season. First game up for the Junior Colts and what a nice way to start - kicking a goal in the first 10 seconds! The boys played really well when they ran in numbers with plenty of voice. The backline was solid all day led by the General in Ryan. Corby played a great captain's game and ended with 3 goals. Hammer and Alec were in and under and

running all day. All in all a great start to the year. Awards: SMK - Ryan Hoffmann, KFC - Tyler Bevan, Dentons Sportpower - Corby White, and Maccas - M Nelson.

**Senior Colts:** The boys started off slowly but to their credit after half time fought hard against a well fielded Kongorong side. To win the last quarter was a great effort. With a bit of hard work the boys will come a long way. Best players and awards: Bryce Radley (Fasta Pasta) who fought hard all day and made his A Grade debut, Toby Pink (Dentons Sportpower) who rucked well, Marc Roberts (SMK Electrical) who tackled well, Jordan Gould (Ducky's Surf), Stevie White (Graham & Julie Reilly) and Marshall Reid rounded out the best players.

**B Grade:** Well, the first game of the year and it sure had the weather gods smiling. With a different year comes a different crew and this year's no exception. New faces (Clay), a few fresh young faces (Darcy, Tenji, Thomo) and a few older ones returning (Douggy and Jimmy Flemming) makes for a great mix. A changing of the guard also sees the old stager (Sticks) stepping down as skipper to take a more relaxed approach

on life, missing the 1st game for a family reunion in Poland. The new skippers are great leaders and have been around since Noah was a boy. Skin, a previous A Grade premiership captain and James 'Colonel' Varcoe both know how to rally the troops. We also have joint vice captains in Wal and Zeke. This year has seen great numbers across the senior grades and we could only hope it continues and in the same breath that means my job was tough Thursday and should be for many more to come. The side that was picked earned their right to have first crack at Kongorong and we came away with the 4 points on a hot day that saw many of us earn the hard earned beverages afterwards. Best players were Cooper Hamilton, Shaun Taylor, Dylan Tinncknell, Marky Bell, Darcy Pink and Nathan Gore. This week sees us play our first home game against arch rivals Hatherleigh. Let's keep the winning wheel spinning.

**A Grade:** First game of the year v Kongorong was always going to be a bit hard to read with new players and coach finding their feet with plenty of nerves by all. The game started with Kongorong jumping

us early kicking the first few goals before we got going with a couple ourselves with Kongorong leading by 2 goals at quarter time. The 2nd quarter we started moving the ball well and capitalising on forward entries to kick 7 goals taking a 19 point lead at half time. The game in the second half was an arm wrestle that never reached great heights. However, we were just happy to get the 4 points and walk away injury free with things we can work on at training. There were some really good passages of play with all players contributing in some way. Goal kickers were big Gassy and Pilly with 4 each which should've been more with plenty of shots, 2 to Pidge and Jordan Williams who both never gave up all day then ample of players with one each. Not an easy day to pick best players with plenty of contributors throughout but special mention to Winnie whose presence on field was noticeable, Pidge, big Macca in ruck, Pilly with his creativity up forward and lastly Jack Dawe in his first game for club. All the players know we can improve but overall happy to get the points and move onto our first home game this week.

## NETBALL

**Junior 2:** Last week was the first game for most of our girls and they did well. I'm sure there was a mixture of nerves and excitement and the girls put into the game what we have been learning at training which was great. We need to work on coming in front of our players and making sure there is space to pass the ball into instead of all standing together and calling for it but that is something we can work on at training and will come along as the year progresses. You all tried your best when moved to a new position and listened, which, as a coach is what you want in your players. Great work girls! Awards: Dentons Sportpower (socks) went to Lacey Whitty, Subway to birthday girl Halle Marino, Hungry Jacks - Montana Craig and the Ey award - Chloe Taylor.

**Junior 1:** Today was a step up for our girls who all played Junior 2s last year and we welcome to Charlotte and Sarah who are new at our club. The girls adjusted well to the position changes and it was excellent to see you chasing up any loose balls. It was also great to see you all steady on your feet and thinking about where you needed to pass. Well done! We wish Ffion (who broke her arm during the week) all the best

and we hope to see you back on the court later on in the season. Awards: Dentons Sportpower (socks) went to Brianna, Bailey and Charlotte.

**13 & Under:** Excellent first game by all 8 players. Maddison and Skye worked well together in defence along with Leah, all using their outside arm to get plenty of touches. Bri and Kristal ran hard all game and Tori lead well. Emily and Georgia moved and shot well. Nerves caused some rushing but all up everyone played fantastic. Super proud! Awards: Whole Team.

**15 & Under:** Fantastic start to the season girls. Our first half was great; with lots of intensity we created and converted a lot of turnovers. We had plenty of drive coming out of defence with Demi and Carman working really hard. Due to the heat and maybe some lack of fitness our second half dropped a bit. Our two shooters worked really hard and never slacked off with their intensity. Zoe and Julie provided great drive and feeding. Kacey and Abbie both provided great pressure all the way down the court! Definitely a few things to work on, but all-in-all a great game girls. Well done!

**17 & Under:** A really pleasing effort from all girls, our first 5 minutes were the difference in the game and understandably so. 5 o'clock Thursday we had only 6 players, the fact that you pulled it together

so quickly was a wonderful effort. Karissa's first game back was awesome and Nat and Shae look like fitting in nicely. A bit of work at training and the improvement will come. Awards to Ash and Karissa.

**B Reserve:** I was very pleased with our first game girls. A solid win to start the season. It was great to see the movement of the ball down the court was clean and the passing precise. The combination of Gemma and Krystal in defence worked well, ably picking off many balls and conversion was made by Amanda and Hijisa in our goal circle. Let's work on a few minor things at training which is only going to make us stronger. Awards: Nicole Rutowski for great attacking work and Gemma Reid for great defence in the circle.

**B Grade:** Welcome to a new season, especially to the new members of our team. We hope you enjoy yourself and have a good year. In a hot game we had to work hard due to good defence from the opposition. It was a scrappy game but slowly improved. We have got a lot to work on but being the first game, we had to remember what we had to do. Well done to all girls for persevering. See you all next week.

**A Reserve:** A very pleasing first game. We had many different and new combinations to try out as we combatted the heat which allowed us fresh legs each

quarter. Each player worked hard defensively court-wide enabling many turnovers which were capitalised on in the goal circle with the goalies shooting accurately. It was a whole team effort which is great to see. The Tiger Hotel award went to Kristie Rowe for awesome defence and the Fasta Pasta award went to Alana Fensom for her tireless drive and determination.

**A Grade:** A great start to a new season girls. All 9 girls gave 100%. Fitness and aggression to win the hard ball was fantastic! Congratulations to Alex Lucas on for her first A Grade game - well done. We need to do the hard yards at training this week as we welcome Hatherleigh to our first home game. Awards: Casey Arney - Somerset Hotel award and Jami Walker - Tiger Hotel award.

**General:** Just a reminder that the Calcutta is on tonight, so get your syndicates together. The \$100 club is on again this year so see Kylie if you would like to get a ticket. There is also a members draw of \$100 which will be held each Thursday night at 7.45pm (you must be there to win or it will jackpot \$50 each week it's unclaimed). See Sharon or a committee member to get your club membership \$30 single \$50 couple.

## FOOTBALL

WHAT a beautiful day to start footy! The sun was shining early and the grounds were in perfect condition for a great day of footy. A special thanks to all those involved in making our first home game a success.

Don't forget that behind every successful day is many volunteers working hard from 8.30am to make things run smoothly so next time you grab a feed from the canteen or BBQ don't forget to say thanks to that person who is giving up some of their day to make sure yours is enjoyable!

Special mention must go to our Ladies committee who work tirelessly every home game to provide a selection of yummy food throughout the day and evening! I am sure there are a few of you who start at 8.30am and are still there at 9pm cleaning up! That is a massive effort so thank you. Don't forget to buy them a drink or two later with a big pat on the back!

The future of the footy club looks bright with up to 20 U/11 boys turning up to play on Saturday. Nangwarry were a little light on with numbers but with so many we were able to put a game together. Some great tackles were laid; high marks and accurate goal kicking were a highlight. We've been really impressed with a few of the older boys taking some of the younger ones under their wings, keep up the good work boys. A big thank you to all the dads who are on hand to help out at trainings and on Saturdays. Well done to this week's award winners: Canteen award - Joel Smith, \$5 award - Tom Lambert, Subway award - Jayden Poulish.

The Junior Colts have been itching to go

for a while now and it showed when the siren sounded. With a couple of our bigger lads in the centre square mixed with the pace and skill of our co-captains in Jake Wight and Jack Gray our forwards were given plenty of opportunities throughout the day. As Nangwarry were a few players short we gave them a few of our boys to help out and that was much appreciated by all. At the end of the day its about everyone getting a game and having fun with their mates. Hopefully the young Nangwarry boys stick at it and things improve for them. The Eagles had winners all over the ground and players were continually moved around to try and give them all a run in different positions. Best players weren't easy to pick but the 1st best went to Luke McGregor (Denton's Sportspower award), 2nd Jake Wight (Subway award), 3rd Alex Spehr (Stumpy Nilsson award), 4th Alex Buhlmann (HFC Ladies Committee award) and 5th Jack Gray (Hath Sport & Rec award). Good to see our senior players all leading the way with Jack and Jake our co-captains and Luke our vice captain showing great leadership with their attack and use of the ball. Louis Brown was the best of the goal kickers with 4 or 5 goals (he tells me he got 5 but the team manager had him down as having 4 - look out Ben!). A few things to work on this week ahead of what will be a tougher game today but a great way to begin the season. Well done boys!

The Senior Colts started their season at home to an undermanned Nangwarry and won by a comfortable 25 goals. Our players showed great sportsmanship to volunteer to play for the opposition so that they could field a full side. There were great early signs from experienced Senior Colts and future A Grade stars Brady Gibbs

and Brad Wight as both were prominent early for the Eagles. One of the most pleasing aspects from a coaching perspective was the desire and hunger shown by some of the new faces in the team. The Seamer twins Amos and Elijah showed bursts of pace and youngsters Brad Gard and Kai Wakeman bobbed up to kick important goals. The best players on the day were co-captain Jed Telfer (Denton's Sportspower award) who controlled the game from the midfield. Brodie Fabris was second best (Ducky's Surf award) for a brilliant first game for Hatherleigh in the ruck. Ben Leopold (Stumpy Nilsson award) showed great poise across halfback for Hatherleigh and Nangwarry. Hamish Smith (HFC Ladies Committee award) was excellent at full back to begin with then kicked four goals after switching to the forward line and was named fourth best. Angus Altschwager (Hath Sport & Rec Steak award) showed great leadership as he played with equal intensity for both Hatherleigh and Nangwarry. There were many more good players on the day and we will be hoping for a similar effort and result this week against a no doubt determined Tantanoola.

Fatz's report - Well footy's here and what a day of weather. I was pleased with our commitment to be ready to play before the game. We started ok and we're puffing a bit because of the heat and the lack of training. With some new faces and some old faces we weren't sure of positions as we hadn't had a hit out so it was going to be a test. I just kept telling the boys to talk and have fun which we did not do, so we have a lot of work to do to be able to last a full game out so on the track it is this week! Most of the new players were our better players so that is pleasing to see that they are committed to have a red hot go. Best

players were Kyle Bowman (Prince of Wales Hotel award), Dan Sutherland (Beaurepaires award), Dylan Jones (K&S Fuel award) Ryan Bowering (Thursday Night Tea award), Josh Bell and Tom Pegler. This week we play last year's premiers so it will be a big test as a team and a team effort is required to be able to come away with a win.

After a quiet pre-season and no trial games we entered our first A Grade battle against a well recruited Nangwarry team with optimism. 3 tough quarters of football had us in front at 3 quarter time by 1 solitary kick and an expected last quarter tussle was on the cards. Someone must have flicked the switch, our last quarter producing excellent team football to finally break the game open, kicking 8 goals to a few points! Better players were everywhere man Jack Sully (Prince of Wales award), recruits Joe Ferguson-Lane (Tony Angus's Mensland award) and Caolan Buckley (Prince of Wales Hotel award), old timer Beggsy (Millicent Taxi award) and young Fish Waring. Main goal scorers for the game were Beggsy with 4 and Telf with 4. Special mention for young Brady Gibbs's first A Grade game, he handled it very well and first year player Brett Watson up from the colts. Well done boys!

Good luck to all our football and netball teams today as we head to Tantanoola.

50's Club - Please see Lorraine Faulkner to purchase your 50's Club ticket. Calcutta - Sharpen your pencil, dust off the cheque book and get your syndicates together. Calcutta will be held on Round 3, Saturday 12th April after the Kongorong game. Sponsors Day - Saturday 31st May, Glencoe game. We all know our sponsors are a major part of our club. Please remember to support all our sponsors as they support our club!

## NETBALL

ON a balmy day in March (crazy isn't it) we welcomed the Nangwarry Saints for round 1. Unfortunately they are struggling with numbers in the junior side of things and we wish them luck as they work towards securing more numbers for the remainder of 2014 and into 2015.

**Junior 2:** Dentons Sportspower - Lillie Paul, Hatherleigh Ladies Committee - Anisha Gauge. What a warm day we had for our very first game. It was great to see that it didn't affect our concentration and our game. We all played fantastic and it showed that everything we have been working on in training you put into practice on the court. Lacey Haines showed determination to get the ball and threw some lovely passes. Lillie Paul showed great courage to come back on after an injury and created lots of space. Anisha Gauge took some wonderful intercepts and showed strength in her play. Anna Gilbertson showed courage in her shooting ability and passing. Laura Chester was a real presence on the court; it was hard to get the ball past her. Emma Lang with her speed created lots of space. Bella Poulish grew in confidence as the game went on. Brooke Webster played her first game for the Hatherleigh netball

club and played each position really well. Rosie Nettle was a great team player and was there every time her team needed her. If this is what our first game looks like I can't wait to see the end of the year, you're all little champions. Amy.

**15 & Under:** Hatherleigh Ladies Committee - Maddie Pulmer, Hatherleigh Ladies Committee - Lara McGregor. Welcome to season 2014 players and parents. This year we welcome Courtney Williams who came up from the 13s, Lara McGregor who is still eligible for 13s however due to numbers has taken up the challenge and joined the 15s this year, and Millie Smith who is a new recruit formerly from Robe. From last year's grand finalists team we have Maddie Pulmer, Ellie Leopold, Bailey Hateley, Jess Allan and captain Annabel Brooks, and after a season away we are also looking forward to Halle Whittaker re-joining our 15s team. Let's keep up the hard work at trainings girls, apply what you learn to each and every game and that should set us up for another successful year.

**B Reserve:** Somerset Hotel award - Sarah Palmer. A great first game by all players. With new combinations working well, Sarah Palmer fitting comfortably into goals. Bec Bowering drove well to the circle and the defences worked hard pulling in any rebounds that came their way.

**A Reserve:** Prince Of Wales Hotel award

- Megan Allan, Somerset Hotel award - Sarah Haines, Hatherleigh Sport & Rec award - Skye Irwin. Welcome to our new players Connor Wingard and Skye Irwin. We hope you enjoy your time at Hatherleigh Netball Club. A good start to the season in very warm conditions. Our attack line started very fast being lead by centre Sarah Haines. Accurate shooting was a feature of the day. Great job Megan Allan and Michelle Hann. Our defensive work got better as the game progressed. Thank you Demi Smith for filling in, Cody Manning and Emily Nettle for sitting on the bench. Solid defence work by Cate Lepley at WD. Our new uniforms look great! Thank you Michelle Hann for organising these!

**B Grade:** Prince of Wales award - Emily Hassell, Somerset Hotel award - Zoe Blum, Hatherleigh Sport & Rec award - Amy Hateley. With a new look team this year, it was a good start. There were a few moments that were a bit worrying but we settled into our game and came away with the win. Emily Hassell and Casey Merrett provided space, drive and many options around the ring. In the second half we played a tighter defensive game with Amy Faulkner and Amy Hateley combining well grabbing all loose balls and placing lots of pressure over the ball. Emily Connell and Zoe Blum worked tirelessly with their new combination proving to be effective.

Thanks Kerry Smith, Nadine Long, Kellie Chay for your support.

**A Grade:** Somerset Hotel award - Kaitlin Smith, Hatherleigh Sport & Rec award - Georgina Brooks. After a good hit out at the pre-season cup it was great to finally hit the court for round 1. We had 2 new faces in our attack line, Kelsey Bromley after her year off and Courtney Mesecke along with youngster Annabel Brooks lining up at centre. The first quarter was an even affair with all players showing signs of nerves. Once we settled we started to turn the ball over in defence with Kaitlyn Smith, Erin Watson and Georgina Brooks getting their hands on some turnovers. Plenty of areas to work on as we blend new players and adopt a new style of play in attack. Patience and willingness to improve is a key factor to focus on at this stage of the season.

The Hatherleigh Netball Club would like to thank our sponsors old and new. Thanks to Michelle Hann for the huge amount of time and effort she has done towards organising the new uniforms. We looked very smart out there today. A huge thank you to Leah Puatti from the Mount Burr Netball Club who umpired the A Grade. This week we travel to Tantanoola in what will be the first game of the season for our 13s, 17s and Junior 1s. We always find the going tough at Tant so good luck to all teams!

# PORT MAC 1964 A GRADE PREMIERSHIP REUNION

WHAT do you remember about 1964? Was it an engagement, possibly a wedding or was it a birth?

If you were a Port MacDonnell A Grade team member, it would more than likely be the first A Grade premiership won by Port Mac since

joining the Mid SE Football League.

This year the club will celebrate their 50th year of that win against Tarpeena, with a reunion dinner being held on Friday, 11th April in the Port MacDonnell clubrooms.

Past and present players, friends, family and any interested persons

can help celebrate this milestone. All are welcome.

Then on Saturday, 12th April, a home game against Tantanoola, there will be a gathering in the clubrooms at half time.

So bring your stories and any memorabilia, enjoy a chat over a

meal or just a day at the footy.

If you would like more information, please contact Les on 0418 844 631.

Can our current A Grade team top that and win another premiership in this 50th year?

Go the Demons!
