WILL Kalangadoo continue to climb the ladder and will Hatherleigh continue to fall?

After a few seasons in the wilderness, the Magpies are starting to hum under Ben Mules whereas the Eagles are not travelling too well at the moment.

The big ground of the reigning premiers might just be the advantage they need to lower the colours of their hosts.

It is just not possible that the winning run of Mount Burr will end at Kongorong this afternoon.

The Mozzies won't have the motivation of milestone matches of Scott Bevan or Will Whitty this week to lift their spirits but they have the knowledge that they are strong across every line.

Nangwarry's best chance of a breakthrough win will be at home against Robe.

Likewise, the Roosters are also looking to get on the board in 2014.

Tantanoola and Glencoe will be fighting for the coveted Neil Von Duve Memorial Shield and I don't think this has been won by the Murphies since 2011.

The Murphies have strung together some confidence-boosting wins while the Tigers were put off their game plan a week ago by a combative Mount Burr.

## INTERLEAGUE

ALL the very best to coach Jeff Medhurst and his crew as they head off to Tintinara in a week from now.

At time of writing, there is a training run at Mount Burr tomorrow and another at Glencoe on Thursday.

In the past three years, the Mid SE has won at Robe and Pinnaroo

and lost at Kalangadoo.

The training squad is chock-a-block full of talent and, if everyone puts up their hand to play, we should be too strong for the Mallee Football League.

I am fairly sure the captain will be called Ben either the McGregor or the Mules variety.

There are bound to be some players who can't play at Tintinara but everyone who pulls on a black-and-red jumper should do with pride.

I have it on good authority that 24 of the 34 training squad members have played in the Western Border at some stage in their careers.

After next weekend, the next big interleague event on the calendar will be the zone carnival involving the Mid SE, Western Border and KNTFL at Mount Gambier on June 7 (the Saturday of the Queen's Birthday holiday long weekend).

## ROUND FIVE REVIEW

IT was all about the "Mullet" last week and Scott Bevan showed in his 350th game that he has lost none of the talent or poise which he has displayed in the previous 349.

With the undefeated Tigers coming to "Mick" and Jean Walker Oval, "Mullet" achieved a game high tally of five as the Mozzies put the Tigers to the sword.

As before, Nangwarry was competitive for a half and then Glencoe booted away to a big win.

Port MacDonnell inflicted another dose of pain on Hatherleigh and the undermanned Eagles are still way off their best form.

It was also party time at Kalangadoo where the 1982-84 premiership successes were re-lived again and again.

It was no fun to be either a Hawks player or supporter.

## MERGERS

WE are about to head off next weekend to play the Mallee Football League which sadly knows all about the reality of clubs

*Mossie champion Scott Bevan shakes hands with Tantanoola's Tim Stringer before his 350th game last Saturday. Umpire Barry Nilsson was also officiating in his 250th game. Photo: J.L. "Fred" Smith*

merging.

The Mid South East is one of the few footy competitions of at least nine clubs where no mergers have occurred.

All of Mid SE clubs are truly independent and not 'marriages of conveniences' or the result of takeovers or splinters.

The nine clubs in our competition were established between the 1890s (Tantanoola) and the 1950s (Kongorong).

Glencoe can claim to be the oldest in continuous existence as it has played most seasons since 1910 with the exception of the two world wars.

In my mind, I can't see the Mid SE changing from its nine club structure any time soon.

The Western Border admitted its first merged club this season with Casterton/Sandford joining Millicent and the four Mount Gambier clubs

How is the merged club going? It is impossible to be certain but it looks to be going OK.

After three rounds, they have two wins and one loss and currently sit in fourth place.

There are many rounds to play but few know-it-alls are

anticipating the merged club will challenge for the premiership with South Gambier and North Gambier still expected to meet in the 2014 grand final.

I must admit I am not close to the scene interstate.

However, is Casterton/Sandford really a merger as it looks like a takeover, waddles like a takeover and quacks like a takeover?

The nickname is Casterton's (Cats), the jumper is just about the same as the old Casterton strip, the coach is the same as the one who coached Casterton in its last solo season in 2013 and the home games are played at Island Park, Casterton.

It is a bit harder to define how the 'marriage of convenience' of Hamilton and Imperials is working in the Hampden Football League.

In its second season, the Hamilton Kangaroos looks like replicating its debut effort in 2013 when the new club finished off the pace.

The two clubs have always shared Melville Oval and wisely went with a new guernsey, nickname and coach to begin the new era in Hampden.

My fear in the past few years has been that some boffin in an office in Adelaide or Melbourne would look at census data and direct Mid SE clubs to disband or merge.

Some football identities can't see how towns with a dozen houses like Hatherleigh and Kongorong can support football clubs?

The boffins might want Hatherleigh or Mount Burr to merge with Millicent which has won just one flag since 1956 when Ken Roberts was the captain/coach.

Such a statement overlooks the fact that Hatherleigh also draws many of its players from the club-less but populous towns of Rendelsham, Southend and Beachport as well as the farming areas of Furner, Greenways and Thornlea.

Mount Burr attracts players and supporters from the Wattle Range farming area.

Millicent and Mount Burr have had a close association dating back to the 1930s when the sawmill was built.

It was not uncommon in the pre-war years for mill workers to ride to work on pushbikes from their homes in Millicent.

The bonds may have prompted Millicent and ex-Norwood star Tony Hodgins to leave the then Millicent Magpies and become the first premiership coach of the Mozzies in 1959.

When you go to watch footy at the home of the Kongorong Hawks, you notice that the general store closed about five years ago and the Uniting and Roman Catholic churches have done likewise.

You can't quite see the Centenary Tower from the stubby stall at Kongorong but it is easy to make out the extinct crater that is Mount Gambier.

Some capital city types might think that merging Kongorong with a struggling club like West Gambier is a 'no brainer'.

They are wrong.

Kongorong is a strong and proud community with excellent sporting facilities and a terrific school.

My teaching career has taken me to about 20 schools and Kongorong Primary School is as good as any of them.

The Hawks also draw their players and supporters from further to the west and the seaside communities of Blackfellows Caves, Pelican Point and Carpenter Rocks.

If mapwork was your only guide to merging clubs, perhaps joining Kongorong with Tantanoola might be a possibility.

In theory, that might not be too crazy but 30km separates the towns.

However, if you applied that logic you would have neighbours like Penola and Nangwarry merging along with Glencoe and Kalangadoo.

No way, Hose!

All this talk of mergers in the Mid SE is all pie in the sky.

Mind you, if you had told me 10 years ago that the State Government would sell our pine forests and use most of the proceeds of almost \$600 million for upgrading Adelaide Oval and building another footbridge over the River Torrens, I would have told you to go and take a long and cold shower.

Mergers are a sad fact in country football.

At the end of the 1970s, I finished my studies and was sent to teach at Kimba Area School in the centre of Eyre Peninsula.

Back then, the local competition had four clubs (Kimba, Kelly, Waddikee and Buckleboo), it was well supported and three ovals were used.

For many years now, there has been just one club in that area and it is called Kimba Districts.

Consolidation of farms, the trend for smaller families and the lure of well-paid work in places like Roxby Downs brought about the destruction of three football clubs.

The Kimba and District Football Association was left with no choice.

Let us in the Mid SE never be forced into club mergers by capital city boffins.

## 100 A GRADE GAMES FOR ROBBIE VERSACE

TANTANOOLA Football Club would like to congratulate Robbie Versace on reaching 100 A Grade games today against Glencoe.

Rob played his junior footy at South Gambier, and went on to play in a losing A Grade premiership in 2003, before making the move to Tigerland in 2004.

After spending time overseas in 2006, Rob returned and was part of the Reserves premiership later that year.

He was a part of our A Grade 2007 grand final team and has won the A Grade leading goal kicking on 4 occasions.

'Reeg' has won many games off his own boot with his great mix of speed, elusiveness and judgement to be a valuable member of our A Grade side.

Hopefully he can taste some more finals success before his career is over.

Rob, his wife Kate and daughter Mia are much loved people around our club and we are sure they will continue their association with the Tigers for many years to come.

# CENTURY UP FOR WIGHT

JOSH Wight played his 100th senior game for the Hatherleigh Football Club last week against Port MacDonnell.

Josh started playing for the club in 2003 through to 2008. Within this period he enjoyed two A Grade premierships in 2005 and 2008 as well as playing in A Grade grand finals in 2006 and 2009. He also represented the South East zone team in 2005 and 2006. Josh made a move to Adelaide in 2009 to join his partner Kelsey Bromley and attend University. Whilst in Adelaide he played 66 games for Angaston Football Club between 2009 and 2012 after recommendation from teammate David Green. After Josh completed University he gained a position with Kimberley Clark as a Mechanical Engineer which saw them both return to the South East allowing them to be closer to family. This resulted in both Josh and Kelsey returning to the Hatherleigh.

Selected as vice-captain in 2013 he once again enjoyed the success of an A Grade premiership.

This season Josh continues his role as the A Grade vice-captain and last week he celebrated 100 senior games.

The Hatherleigh Football Club congratulates Josh on his 100th game milestone and we look forward to many more seasons of success in the Eagles colours!

ROUND six in the "Family League" and things are hotting up with no real outright favourite in the A Grade footy at present. Next week we are off to Tintinara to take on the Mallee lads and hopefully restore some pride for the League.

Last week yours truly went to Mount Burr for the big game between the undefeated Mozzies and Tigers. I was joined by Benny Hill and Stumpy who was blowing the whistle in his 250th game. After very threatening skies early in the day we got underway in very good conditions and "Can Hill" was full to the brim. Scott "Mullet" Bevan was given a guard of honour for his 350th game and Will Whitty joined the party for his 250th. The game was expected to be a close contest and the big crowd was not let down. Both sides played an attacking, physical style of game but in the end the Mozzies got the chocolates and the four points with a more dangerous forward line. The appointment of Frazer Scanlon as coach of Mount Burr was a master stroke and the belated return of Jonathan Agnew has not hurt the Mozzies premiership chances. The Tigers will have learned much from this match and it should once again be a great contest later in the year at Tigerland and perhaps again in the finals. The Tigers' chances of a premiership have also not been harmed with the recruitment of another small but very talented Jack Dawe.

The match itself provided spectators with great entertainment but a couple of other events came to notice during the afternoon. A group of young spectators got hold of Finchy's AC/DC records and decided to have their own rock concert at the nursery end until someone mercifully got

them to turn down the decibels! The second bit of entertainment was provided by none other than Mozzie legend, Mrs Bellman. Now Mrs B. made me promise I would not share this with the whole League so please keep it to yourself! Fifteen minutes into the second quarter Mrs B. was in the timekeeper's box and made the fatal mistake of pushing the wrong button, leaving players, spectators and umpires thinking we had entered a time warp, with the siren sounding to end a very short quarter. Fortunately Benny Hill approached the ladies and sorted things out with play resuming shortly after. Luckily for us Mrs B. is not the President of the good old US of A or she may have proven the recent "end of the world" doomsdayer' correct!

Well done to both sides for playing a very physical game in the right spirit and to the Tantanoola players for filling the clubrooms for a beer afterwards. It is encouraging to see most teams supporting each other after games and enhances our "Family League" reputation. Congratulations to the curator at the Burr for having the oval in superb condition despite the recent "Noah's Ark" like rainfall.

Poor old Benny Hill was rather distraught after his Blues were taken to the cleaners by Stump's Maggies on Friday night. So much so, that the lad decided to come out as a Port supporter on Saturday. The new umpiring shoes looked splendid in the black, white and teal colours Ben! Over the hill at Glencoe and a very good card player informs me that a neighbour of the Glencoe oval didn't have many friends left late on Saturday afternoon. Seems the guy in question decided that 2.20pm was a good time to start burning off his green grass and trees. Evidently players and spectators were left trying to see through a thick smoke haze!

Time for a grumble. Last week we had Community Umpiring Round and the local media should be thanked for the publicity received. Despite all the talk of respecting umpires and

reducing abuse we were informed by one of our umpires that he was resigning. After a bit of digging it was discovered that the main reason was because of the abuse he was receiving. It may be becoming a bit boring for some to keep reading this but if we don't attempt to stop this garbage you will not have an umpire's panel. I'm not suggesting that every club is responsible but perhaps it is time for all club officials to act if they hear language which is not acceptable. Barrack all you like, give us a hard time, have a bit of fun at our expense but DO NOT ABUSE US. Hopefully we can talk this guy into continuing because I believe he has the ability to become a very good umpire.

Back to some fun and what about the poor old Crow supporters? It wasn't so long ago that they were all suggesting that Port Adelaide were on life support etc. Don't things turn around very quickly! Why would the AFL bother to send two sides to play in New Zealand to play in front of two men and a dog? Evidently players from both sides were sent into the street and were asked to give away free sheep to entice the locals into the ground! And last week Port and GWS played in Canberra in front of a telephone box crowd. The poor people who live in Canberra would be so bored with life that the last thing they would want to do on a weekend is stay in the Nation's Capital!

Thanks to Jarred Dawson from Robe who pulled on the green shirt last week. Congratulations to Adam Maidment who had a run in the A Grade game between Port Mac and Hatherleigh last week. Hopefully he will continue to enjoy umpiring at a higher level. Good luck to all the guys who represent the League at Tintinara next week. Hopefully we can leave a good impression on those who attend the games. Don't forget for those of you lucky enough to have Mum around tomorrow to give her a hug for Mother's Day. Enjoy your footy and netball. See you at Tinty or in two weeks time. Cheers, Cav.

FOR the fourth consecutive year, Glencoe retains the Phil Muhovics Trophy with a hard fought victory over a gallant Nangwarry.

Kicking with the breeze in the first quarter, Glencoe made a strong start to be 25 points up heading to the quarter time huddle. Nangwarry not to be denied also used the breeze to their advantage during the second quarter to be only 2 goals down at the long break. After half time however it was all Glencoe as they dominated possession around the ground whilst restricting the scoring opportunities of Nangwarry.

It wasn't all bad news for Nangwarry with Brett Lindner picking up the Phil Muhovics Medal, as the player chosen who best exemplifies the qualities of skill and good sportsmanship.

The trophy honours the memory of Phil, a noted footy identity in this region, who sadly lost his battle with cancer in 2010 at the age of 53. Phil played and coached both Glencoe and Nangwarry, as well Robe in our league and also had stints at both East and West Gambier. The match alternates between Glencoe and Nangwarry home matches each year.

Dennis Muhovics presents Glencoe captain Kingsley Clark with the Phil Muhovics trophy.

Phil's brothers Greg (left) and Dennis (right) present Brett Lindner from Nangwarry with the Phil Muhovics medal.

A traditional, full-strength lager, Carlton Draught is crisp on the mid-palate with a good malt character and smooth full-bodied flavour.

Clean hop bitterness gives the brew a slightly dry finish.

## FOOTBALL

A SNIPING cold wind greeted players and spectators alike last weekend, but for the most part the day was relatively dry. The playing surface at Kalangadoo, although a bit heavy underfoot, held up very well, considering the deluge our region experienced the day before.

**Junior Colts:** Last week saw a typical winter's day at Kalangadoo but fortunately the rain stayed away for most of the game. The boys started off well kicking into a very strong wind. Our voice was encouraging and our running game was working well. Our young age and inexperience showed in the latter part of the game but we are improving each week which is great to see. Our captain Liam Bottomley was our best player, also chipping in with 4 goals. Robert Kilsby covered a lot of ground and supported our younger players well. Trent Mahony was consistent over 4 quarters and was a great contributor

to the midfield. Lachlan Smith put his body on the line taking some great marks and also delivering the ball well. We have Mt Burr today which the boys are keen to rebound and have another win at home. Award winners: Will Vickery - Green Triangle Electronics, Joe Miller - Club Tea, Jack Thompson - Video Ezy, Robert Kilsby - Fasta Pasta, Alex Fitzgerald - RSL, Jack Oppelar - OK Pie Shop. Best players: L. Bottomley, R. Kilsby, T. Mahony, C. Sanderson, L. Smith.

**Senior Colts:** What different conditions we had at Kalangadoo last week. A strong wind blowing straight down the ground and we were kicking with it in the first quarter. Luckily we kicked straight and put scoreboard pressure on to lead 5 goals to 1 at 1/4 time. The rest of the game the lads played their role and went on to win 12 goals to 7. Better players on the day went to captain Aaron Lightbody, Jake Blackwell, Jack Mullan, Andrew Last, Curtis Scheidl and Tyson Gordon. It was a great team effort and others that need a mention were Sam Baker,

Jordy Coombe and Brandon Kranz.

**Reserves:** Wow, what a difference a week makes. Everything that was missing from our previous game was there in spades. With nearly half the team from last week out for one reason or another, it was hard work just fielding a team. The pressure put on in the middle was matched by all, being ably led by captain Bobby Durcan (Collins Court award). The backline were hard to get past, with Roy Fromburg (Tant Tiger award) constantly getting himself between his opponent and the ball. Big Buckets (Fasta Pasta) was set a task to work hard and get himself back into the main game. A big thanks from the coach to the three U17s that filled in, being Tyson Gordon, Jack Mullan and Andrew Last (Fasta Pasta award). Zeke Best (Fasta Pasta) proved how important he is to our team, coming back after a week off. Benny Clark (Pick Ave. Deli) relishing his role, used the ball very well in the greasy conditions. A big game for us today. If we keep the same work ethic as last

week, we'll be in with a good shot.

**A Grade:** One that definitely got away from us. After playing some good footy for 3 quarters, again our inability to stick to the task hurt the club. Lots of positives and we just have to keep working on what we want to achieve. Congratulations to Kalangadoo on their big day. Mentions to Dwayne, Jason and Shaun Phillips, Kal Saffin, Cayle Little and James Beck. Award sponsors Collins Court Butchers, RSL, Pick Ave. Deli, Tant Hotel.

We host Mt Burr today which brings another big game for the Senior Colts. The Reserves will be wanting to fire up again and bring some consistency to their Saturday run outs. Despite a disappointing finish last weekend, there are a bucket load of positives that the Firsts will want to keep building on when they run out today.

We hope our ladies will have an enjoyable day today and ask all players and supporters to open their wallets for the fundraising efforts.

## NETBALL

**Junior 2:** A solid game. Many interceptions all over the court and great defensive work by all players saw us have many opportunities in goals. We must all remember to take our time when shooting, and follow up for the rebounds. Kate put in many second efforts to get the Subway award, Evie put in four even quarters to get the McDonalds award and Marnee's efforts in intercepting and leading for the ball earned her the Kongorong Club Tea award. Well done girls and good luck today against Mt Burr.

**13 & Under:** Not a great game girls. The weather was uncomfortable, but that shouldn't stop us putting in 100%. We need to concentrate on

our passing and focus on our leads, which let us down. We need to get our heads down in our next game and be disciplined in our warm up which will reflect on our game. Awards went to Amber Formosa (McDonalds) and Brittney Allen (PlasterPlus).

**15 & Under:** Last week's effort was very good and reflective of what we can do on the court as a team. Our movement of the ball through the centre of the court together with our offensive and defensive game was effective. However, our choice and strength of our passes was the element that let us down. O'Connor and Graney award goes to Emily Lightbody for her accuracy in the goal circle and concentration on not only her own game but that of her opposing player. PlasterPlus award goes to Courtney Sealey for

her accuracy, reading of the ball and consistency.

**B Reserve:** Disappointing game girls. We should have won that. We need to play 4 solid quarters. A lot of silly mistakes, our passing and lack of drive is where we lost it. Congratulations to Reanna on being promoted to the B Grade. It has been a pleasure coaching you and you are going to do great up there. RSL - Reanna Baldwin, Fasta Pasta - Carla Doody.

**B Grade:** Well what a game girls, unfortunately we went down by a fair few, but I thought that we played really well. As usual we lost it in the middle of the game, but fought hard towards the end. There are a few things that we still need to work on, like slowing down and keeping our passes more accurate, instead of panicking and

throwing it away. But overall we are really proud of the way you girls are going. Best players - Kaylie Greenshields (Arena Sports Store) and Katie Shelton (Chemist King).

**A Reserve:** Best player - Katie Shelton (Bellum Hotel award).

**A Grade:** Wow girls! What a fantastic second half! We had a bit of a sleep in the first half. Thank you for taking what we have been doing at training and putting into practice on a Saturday. Great feeding into our attack and working in the circle from Kaylah and Tabatha. Sorry to Ash for putting you in defence but you did a great job! Let's have another great game today. Fasta Pasta - Kaylah, Chemist King - Tabatha, Kongorong Club award - Ash.

## FOOTBALL

THE first sign of winter greeted Tantanoola to the Burr last Saturday. A great day was had by all to help celebrate Will's 250 combined MSE games and of course Mullet's 350th game. A large crowd was in attendance to see Mullet play his 350th game and he didn't disappoint, kicking 5 goals and helping the A Grade remain undefeated. Thanks all who bought players in the Calcutta and made the day a success.

**Mini Mossies:** Our first real cold morning had the kids jumping around to keep warm; with Tant's large numbers we were able to play our first real game against another team. It's great to see the kids play some really good football, I was really happy with my boys for doing all the things we have been learning at training and bringing the smaller kids in to play and make sure they all got a touch. Thanks to Tant for a great game and we look forward to playing you again. Mentions this week go to Nicholas Scott, Tray

Norton/Little, Aiden Whennen and Will Goode.

**Junior Colts:** The Burr and Tant teams seemed evenly matched going into the Junior Colts and I was pleased to see my boys bounce back from the disappointment of our last game and play the game right to the end and come away with a much deserved win. The game was certainly played hard and we toughed it out to get over Tant by 9 points. Good games from Eddie, Thomas and Connor with Brodie chipping in with 3 goals. Well done boys, a really pleasing win from a hard fought game. See you all at training this week as we train hard to face Kongorong this week.

**Senior Colts:** A bitterly disappointing day for the Senior Colts. They never got going and they were totally outplayed by the Tigers. Sam Wallis stood tall down back while James Watts and Bailey Cutting continue to improve. An ugly end to the game, and hopefully these scenes won't be repeated. The boys must put this game behind them and lessons need to be learned.

**B Grade:** Last week we played a team above us on the ladder and they sure showed us why they are above us as they got away to a good start and we were chasing red all day. To our credit we did improve as the game went on and did play some good patches of football. We all need to keep working and get to training to improve our fitness which will improve our game. We have the team to do whatever we want so let's get behind each other and have a successful season. Better players were Horry, Benny Wilson, Teages and Thiels.

**A Grade:** After a wet and miserable Friday, conditions for the match against Tantanoola turned out for the best which allowed for a competitive four quarter contest. Tantanoola are a good side and pushed us all the way, however we managed to maintain our composure to run away with a pleasing 28 point win. There was a host of good players throughout the day with the likes of Nick Morrison, Shaun Withers and Jamie Little among the better players for the day. A special mention to two very important

players in Scott Bevan (350 games) and Will Whitty (250 games). Both players' milestones are a reflection of their commitment to Mount Burr and I look forward to seeing more great football from both of these players. This week sees us travel to Kongorong where we will be required to play our best football in order to come away with the points.

Tonight sees us going back to the Sportsman Hotel for a meal to support one of our best sponsors. Let's all get back and enjoy a good meal together and support those that support us. If you haven't got a 100 Club ticket yet please see a committee member and get yours quick. We are looking at taking delivery of a large quantity of wood and once we do will be looking at holding a large wood cut where we will be asking all players and supporters to help. If we can get a lot of people together we can get a lot done and help the club. Please keep a look out for the wood cut date and help your club if you can.

Hell it's good out here

## NETBALL

**Junior 2:** Well done girls! We tried lots of different combinations of positions, and everyone tried their very best. It's great that you are all willing to try where ever Emma and I put you. However we must apologise to all of you as we were unable to finish our game due to the conditions on the other court not being suitable to play on for the other teams, it was out of our control. Thank you to Romona Quintel for umpiring and Tantanoola for umpiring, Tara Ey for first aid and Bec Fox for timing. Our best players were Halle Perryman and Paige Gray.

**13 & Under:** Well done girls. It was great defence all over the court from everyone. A great game from Sophie Falting against a much taller

opponent, and combined well with Maddie Butler in the circle, who finished off with some lovely shooting. Sophie Wallis and Lani Bowering did a fantastic job in defence and created many turnovers. Sophie Goode is getting stronger every week on a wing, and making space on the court is improving. Anna was strong through the middle and then back in defence and took some great rebounds. Emily is reading the ball well and is driving strong out of defence to bring the ball down the court. Madi came on at centre after quarter time and turned the ball over many times. Thanks to Paula for umpiring. Acky's Deli award went to Lani Bowering.

**B Grade:** Bad luck girls. It was a big improvement from last game and there were some great passages of play. We need to combine 4

quarters of consistent netball to get closer to these teams. I can see the improvement each week and we can only get stronger and learn from these games. Thanks to Tamara Wilson for umpiring, Hamish for timing and Mikaela for scoring. Awards - Rural Living went to Paula Bowering and the Stockfeed and Saddlery went to Katelyn Wilson.

**A Reserve:** Well Tant were a very strong side for us to contend with. Our goal of getting the ball into our goalies to give us opportunities to score was difficult. We need to work on losing our player and driving ball side to give our passer an opportunity to give a "good" pass. Congratulations grace and Tarin for stepping up and playing a great half of netball in your first A Reserve game. Shadow passing is the name of the game for us.

Congratulations to Bonnie on winning the Rural Living voucher.

**A Grade:** A well-earned win last Saturday returned our confidence. When everyone plays well it is extremely difficult to name any best and last Saturday was one of those games. Outstanding efforts from all. An enormous thank you to Laura for sitting bench and assisting in our return to confidence! Well played team!

A huge thanks goes out to Trevor Schultz, Adam Gardiner and Jonathon Handford and all the volunteers from the football and netball club who diligently swept the courts to make them safe for our girls to take the court. It was great to see us all getting together and helping and supporting each other when we need it. Once again thank you.

## FOOTBALL

WELL wasn't the weather a shock to the system when we headed down to Port Mac last week! Out came the coats, scarves and beanies! I guess this is what winter footy is all about. Congratulations to 2 players reaching milestones last week at Pt Mac with Josh Wight playing his 100th senior game and Sam Telfer playing his 50th senior game. Well done boys on a great achievement!

**Mighty Mini Eagles:** For what was looking like an ordinary day weather wise we had a great turn out at Pt Mac. Thanks to all the kids that turned up. Patty put on a footy display bringing everybody into the game and was well supported by all the older boys. Austin laid some great tackles and was in and under. Great work to all. \$5 canteen award went to Jet Faulkner who played a great game and the \$5 award went to Patty Chay.

**Junior Colts:** With our last game 2 weeks ago I was more than happy to see the kids get out of the change room as they were that keen! I thought they were going to tear the place down! They took that enthusiasm onto the field and started well to have a couple of goals on the board in no time. The conditions where tough but good team work saw us move the ball pretty well. Some great tackling from the Pt Mac boys made sure every player earned their kick. It was great to see some of the younger boys like Tyson Sutherland doing the little things that go along way at the end of the day. Jacob Lang while small in size is someone that a lot of the kids can learn plenty from as he dives nose first at every contest he gets to. Will Chay (Hath Sport & Rec

award) was ever reliable across the half back line and went about his job to be named our 5th best player. Frazer Bradley (HFC Ladies award) must have found a warm spot at each end of the ground as I don't think he got to far outside the goal square to finish the day with 7 goals showing both great roving and marking skills in the tricky weather to be 4th best. Jake Wight (Pete Walters award) our 3rd best player does a little bit of everything at either end of the ground and is always high among the better players every week. His smart use of the ball allows everyone around him to be involved in the game. Well done Snake. Or 2nd best Luke Macgregor (Stumpy award) must look a little scary for some of the smaller players in the competition as he attacks the ball and man hard but fair every week. He covers plenty of ground to pick up a heap of touches week in week out and is a great on field leader. Well done Magrill. Our best player, co-captain Jack Gray (Denton's award) was in everything, running hard to make every contest his. He plays with little fuss and is always in the thick of things and always brings team mates into the game. We have a big game this week as Kalangadoo will be another test for us before we get the week off.

**Senior Colts:** The Senior Colts travelled to face the Demons from Port Mac and they arrived with a determined attitude that was plain to see from the first bounce. Our older players all stepped up and led the way for our younger team members but all 24 players that pulled the guernsey on could hold their heads high as we scraped home for a four point win. Better players on the day were Brodie Fabris (Denton's award), Mitch Pulmer (HFC Ladies award), Brad Wight (Stumpy award), Sam Kent (Ducky's

award) and Ben Leopold (Hath Sport & Rec award), while Hamish Smith kicked three extremely important goals in the windy conditions. The boys will need to step up again this week against a very strong Kalangadoo side.

**B Grade:** Well with a fortnight break and some more numbers available we headed to the Bay. Going there is always a test of character from some players and I soon found out that the phone would be needed to get some players as coach Skeer took a couple and some would not answer the phone so in comes a colts, Mitch Pulmer and Sam Kent as a water boy and Log as a runner! The normal crew were there doing other jobs which we all appreciate. With a few positional changes we started with a goal from Lovers within a minute and looked to be good on the track for a great day but the instructions of the wet weather footy going in one ear and out the other we were down at quarter time and half time and finally beaten in the second half as we scored one solitary point! So it's back on the track we go to be better and strive to get the first win. Better players were Mat Childs (Chum) (Prince of Wales award), captain Haines (Millicent 4WD award), Duffy (Millicent Golf award), Tommy Waring (Thursday Night Tea award) and Bowzer (Prince of Wales Hotel award).

**A Grade:** Not the result we were after last Saturday going down in the end by 42 points. Maybe the 2 weeks off in a row didn't help and although playing some very good football throughout the day we couldn't put any scoreboard pressure on Pt Mac. 1 goal 7 points in the second quarter hurt us badly and instead of leading or trailing narrowly at half time we faced about a 5 goal deficit which we

were unable to reduce. More work on kicking skills and a better functioning forward line is needed this week. We wish Wighty a speedy recovery from injury. Best were Watto, Joe Ferg and Jase Bateman while Telf, Beggsy, Schulzy and Rural all had their moment.

**Reminder:** Today we are supporting 'Pink Sports Day' where we have encouraged supporters to wear a splash of pink to pay tribute to those in their community affected by breast cancer. You may see some donation tins around today or if you wish you can donate online with the link being found on our website and Facebook page. So join in the fun.

Tonight is Hatherleigh 'Shuffle Night'! Rules are simple. There are 50 squares available on a big board, you buy a square for \$20. Choose your favourite song and that gets placed inside the square! For example Ciaran Buckley has chosen "Gay Bar" by Electric Six. Then we plug in the iPod and put it on SHUFFLE and let the countdown begin! When your song gets played your square is crossed off the board. There will be prizes to keep everyone entertained. Should be a great night so stick around.

Saturday 31st May is Sponsors Day and we will be contacting our valued sponsors soon via email or post. Buses will be running from Millicent and Beachport to Hatherleigh and going back to Beachport and Millicent after so please let us know if you will be using this service so we can book. Don't forget to hang around for Casey Ettridge later at the club after Sponsors Day in what always proves to be a very entertaining night. \$10 cover charge and there will be buses running at the end of the night.

## NETBALL

AH a road trip to Port Mac on a forecast 14 degree day... however the rain held off and we all stayed dry!

**Junior 2:** In cold windy winter conditions we braved up to Pt Mac and were lucky enough that the rain held off. All girls played brilliant netball getting lots of turnovers and shooting really well under the windy conditions. Lacey Haines ran the court tirelessly and didn't stop which earns her the ladies committee award. Bella Poulish controlled the ball, took many turnovers and really watched her feet taking out another ladies committee award. Sage Gibson showed leadership all game taking many intercepts. For the tiniest player on our team she never lets this interfere with her performance. All in all great team work by all the girls. We'll done.

**Junior 1:** Well done girls, it was great to see all give 100 percent in what were windy conditions. The ability and talent in the team is fantastic showing that you can all play the 7 different positions on the court and know the importance of each one. When creating space and being patient you were able to transition the ball easily and finish off with some lovely shooting. Lilly gave us drive through the mid court and was strong on defence to be rewarded the Denton Sportspower sock award. Sophie Gibbs was all over the place taking many intercepts to be awarded the Hatherleigh ladies award. Lucy Chant took many intercepts and showed great vision with her passes.

**13 & Under:** Another great win girls and we are so happy to see how quickly you are all improving.

After a couple of weeks off it was obvious that it took us a while to settle in, but after a quarter we played better netball. Georgia played well at GD and WD getting lots of turnovers for us and Zoe once again was rock solid at GK, getting rebounds and intercepts when needed. One thing as a team we need to work on is to settle and slow down the tempo of the game, but other than that another great wins girls. Denton Sportspower awards: Georgia Chant and Zoe Widdison.

**15 & Under:** A good team effort saw us take the points against a strong opposition in Pt Mac last week. Our defence game was very impressive however, patches of our attacking game did let us down. With scores even at the end of the third it was very pleasing to see the team step it up that extra bit to win the game. Awards went to Annabel for her solid defensive game and to Maddie for her vision in attack.

**17 & Under:** With the girls off to a great start it was great to see some of things we had been working on at training put into game day. There was some great defensive work by Demi and Emily for the entire game causing many turnovers, as well as at the other end of the court there was some fantastic driving and passes into the circle from Georgia. A lot of things to work on in the coming weeks, especially using that intensity we had in the last few minutes of the final quarter for the entire game. As much as there were some positives that came from the game there were some disappointing patches where silly mistakes nearly cost us the game against a quality side.

**B Reserve:** Bad luck girls. It was a very evenly matched game, unfortunately they were quite

accurate and capitalised on any tiny mistake we made. There were some really great things that happened all down the court. Stace slotted in well at WA and C and we had great spacing and patience in our attack line in the first quarter. Sarah, keep up the fantastic work in the circle, your movement was fantastic and your accuracy particularly in the last quarter was great to see. Well done also to Bec on filling in in goals. For first time goalies yourself and Sarah are doing extremely well. Well done also to defence on settling in to different combinations and getting hands to many balls. Keep up the good work girls, dig a little deeper and make sure we play a full 4 quarters. Remember each position is there for a reason and to get a win we need to play 100%.

**B Grade:** After our 2 weeks rest it was a bit of a shock to the system to face the cold and blustery conditions. It seemed to take a lot for everyone to get into the game. Our first half really let us down with the goals just not wanting to go in. We made some positional changes in the third that allowed us to outscore our opponents. We finished off strong, however we weren't able to bridge the gap from the first half. Emily Hassell worked tirelessly in the centre and on the wing to provide lots of drive and create many turnovers to win her the Somerset award. Liz Stuckey worked hard all day in defence and got her hand to many balls to earn her the Sport and Rec. Let's work hard at training girls. We know what we need to work on and things that we need to improve. Thanks to Abby and Georgia for sitting on the bench.

**A Reserve:** In cold and blustery conditions we met quality opposition at Port MacDonnell. We were a bit ratty to start with; another new line up taking time to adjust due to illness and unavailability.

Once settled the game was tight for the first 3 quarters with nothing more than 2-3 goals in it and defences from both teams were making all goalies work for every possession and every goal. Once again we were strong in the mid court with Sarah providing plenty of guidance and talk to Maddie at WD. Courtney's quick thinking and drive through the mid court meant we were able to capitalise quickly on any turnovers. Together Cate and Emily were tenacious in defence taking any rebound and drove into attack with surety. Our goalies Conor and Michelle provided good movement in the circle and defence down the court was strong. Maddie at WD applied great pressure and created many turnovers. Thank you Cody for sitting bench in cold conditions. Best players: Cate Lepley and Emily Nettle.

**A Grade:** Last week saw us get back on the court after a 2 week break. We faced a very determined Port Mac side. A very up and down performance with a steady first quarter but we struggled to maintain a consistent 4 quarters. A good fight back in the final quarter saw us sneak in with a draw. Today we meet Kalangadoo which will be a great test. Award to Keston Green.

Caclutta winners R5: Keston Green, Michelle Hann, Amy Faulkner and Fiona Jackman. A reminder that all money is due this week. See Sara Gray or Michelle Hann.

Today we welcome Kalangadoo to Hatherleigh in what will be tough games in all grades.

Please donate generously today as we are involved in 'Pink Sports Day 2014' to raise money toward breast cancer research.

## FOOTBALL

A HUGE day at Footy Park last week when we hosted the Hawks in our 30 year reunion bash.

Old mate Huey spent three days trying to rain on the 'parade' but even he failed to put a dampener on the occasion.

A large group of 'old blokes' and their partners rocked up at the Doo for the Doo. The limited edition stubby holder sold out, no doubt now to fetch a big quid on Ebay.

The formalities were combined with our sponsor day in an inspired move by Pres Ralph that proved a winner and also a family reunion of sorts with all the 'kilted' McManus family on deck to celebrate the day.

Media man Milo was the guest speaker as declassified documents from 1980 revealed that he could have been on board the Doody train to the Doo. Roger was spoken of in glowing terms as amusing anecdotes were delivered and the 'worst' player from the Doo during his 81-85 reign in Fig had to defend himself.

The facilities were used to the max as the new verandah was put to good use and Mulga Ryan (Narelle) revealed her hidden talent as a plumber getting down and dirty in the little boys room where 'flood' levels were in danger of matching Huey's efforts outside.

While celebrations were in full swing inside, the same could not be said out on Footy Park as Kongorong, fresh from a whopping by the Bays, handed one out to Chrissy's crew in what could be called an upset. It upset Fig and me.

Our goal to point ratio probably didn't help as the Bees took out the first term with a 1-6 effort and failed to get another major until the final quarter as coach Chrissy tried a spot of head banging in the dug out.

This drastic measure failed to inspire his lack lustre boys as they continued on their point scoring spree ending up with eleven.

Great to see Gibbys getting back in stride

## NETBALL

IT was a wild and wet one at Kdoo last week. However with wins across the board, teams must have learnt something about playing in the Antarctic from Tuesday's teeth chattering trainings! Well done to everyone. Good luck this week. Many grades will have a tough tussle. It is a great opportunity for us as a club to measure where we are skill-wise at this early stage in the season... and what we need to do to keep building on our success to date.

**Junior 2:** In cold conditions I was impressed that you all played well! There are still some improvements that have to be done but I'm sure we will get there! Michelle played awesome first half and received DKs award and Breanna played excellent at GD received Wendy's! Let's keep having fun and learning netty skills, all doing an awesome job!

**Junior 1:** Pleasing to see girls working hard in different positions. Awards to Emily Mulraney

and a real contender for the seniors as he led the best players along with big Stewie, prodigal son in law of legend Roger, Dilis Barlow, fabulous Phil Robinson, Adam Harris and Aiden Auld.

Benny's boys, still smarting after a gut wrenching final term against Tant and the realisation that they were again without the services of superstar Brian, were looking to sort out the win(g)less Hawks.

It was four to one in our favour half way through the first quarter and looking spiffy before the Hawks pulled their finger out to make a game of it as we went into the break 22 points up having the use of a strong breeze.

A quarter time change of timekeeper for the Hawks worked a treat as Janet Phillips barracked her boys to the tune of four unanswered goals in the first 10 minutes threatening to steer our you beaunt reunion to the shizenhausen before the Pies snapped out of it kicking three before the long break.

The half time lunch on Auntie Kerry and her band of girls leftovers was greatly enjoyed by Kongorong flag waver Gilbo as the champ also downed a glass or three of Coonawarra red to wash it down and gain his yearly mention in my notes.

Other archival documents declassified from the Railway museum vaults including one relating to the infamous 1979 keg incident in the second semi at the Doo had the two Daves, Gilbo and Phillips declaring not guilty your honour!

Once Fig's heart rate slowed down the umpires recommended the game with the lead extended by a solitary point as Alexander the Great Lyon helped himself to three crowd pleasing goals and the Jones boys had a crack as well.

It was all the Doo in the last as they lifted their work rate to make the scoreboard look a tad better. The Hawks booted their solitary goal for the term in the final 90 seconds.

Alexander the Great was our best along with Pebbles, Killer, Here's Johnny, Viney back in the seniors where he belongs and celebrating his 50th game (well done young fella) and Doods

and Shelby.

**13 & Under:** You certainly made selection of best players very very difficult last week! Great effort defenders putting into practice what was done at training. Also some great play through attack and goals. Awards to El, Emerson and Sarah. Welcome back to Jaimme.

**15 & Under:** After a close first half we were able to push away in the last two quarters. Great performance from Isobel (award), who along with Lucy White and Emma are growing with confidence every week. Well done to our older players - Lucy Williams, Alice, Jasmine and Kaitlyn who have been working hard, taking in and following instructions given. It was pleasing to see a number of long strong passes down court, allowing us to create some clearer options. Well don't to Paige (McDonalds award) who is continuing to improve.

**17 & Under:** It was a great effort in less than lovely conditions against Kongorong. Everyone made a conscious effort to flatten out their passes in torrential winds with minimal reminders! It

as the previous generation of Doody champions watched on.

Disappointing that a few old Pies were not there having their convoy of utes heading north Jack, Janine, Stag and Jenny were hunky dory but old mate Dexter and Nadine had a spot of bother blowing a gasket (and attachments to the tune of a coupla grand). However the jury is out as to whether this event happened before or after he spent the down time bullshitting at Pine Tree Park aka Adelaide Oval. The trail blazers were at Cooper Pedy by the time Dexter had finished his Saturday night pie floater.

Missus Who took the congregation at church Sunday and in true bible miracle style found a cray in the fridge. Thoughts of feeding the masses were frowned upon by 'father' Peter. Upon being asked for the remote control she referred to Benny Who commenting that he had been a bit remote lately.

Hawky found himself in strife with Sandy corner when he obliquely referred to the 40 year old box (on the wall dispensing tickets).

P.P. Jones son of the 'Butcher' and former spot in the eye of Collingwood talent scout, in town for the reunion displayed his new found wealth by shouting the congregation at Sunday evening's service. No mean feat given the roll up. Blokes like P.P., former Doo boys keep in touch with happenings on the web sites helping the Crouchmeister towards another big hit.

Ace carpet and lino layer Locky had a big day out acting as bus tour guide collecting Tommy at Wandilo and finishing the evening up by squeezing into a 1982 white V lace up footy guernsey. Luckily for him the lace still worked and he was able to remove it.

I had most of this written and was about to dribble on about a few individuals from the 80s who were on deck for the reunion when Fig rang me on the condition of our great mate in number 34 Jeff Griffiths, a triple premiership player with the Doo. To say I was shocked would be an understatement that turned to disbelief in the following hours as it was confirmed that he had passed away.

was great to see Jade Opie (Fasta Pasta award) and Jade Lythgo take on some constructive feedback and cut off their opponents run to the circle. Monique did a good job in keeper proving you don't need to be tall to make a difference. Suzanne (Penola IGA) and Alannah combined well in WA and C with excellent spacing around the circle. Special mention to Jordy and Sarah for their strong cuts at GA, and Brianna for improving her timing as the game went on. This week is a big one ladies... it's important to play our game and meet our individual goals at this early stage of the season.

**A Reserve:** What a difference a week makes, with our full team for the first time this season it was great to see us jump out of the gates early and take control of the game from the get go. Our timing and movement all around court was good, our defensive pressure all over court great and our talk and encouragement of every other team member was pleasing to see and as we get more comfortable together and settled can only help strengthen the team further. Excellent shooting by

This bloke was a much loved Magpie and had journeyed from Adelaide for the occasion and had a great time in reminiscing and bonding with old teammates and supporters. He was also our 1983 minis premiership coach. I got five bucks from him for one of our reunion stubby holders and the bloke was pumped to be at the Doo. Unbelievable! Our thoughts and condolences go out to young bloke Mark and daughter Rachael and family.

Our Junior Colts got the reunion day off to a good start getting the points over Kongorong. It looked like we would be up against it as the teams ran out with the Kongorong boys looking much bigger and stronger but our smaller players just kept running and working together to get over the line. The boys are playing a good brand of football regardless of the result. Keep playing that way boys and your football will be most rewarding. Awards went to D. Doll (Fasta Pasta), D. Driver (McDonalds), B. Hatley (Hungry Jacks), T. McManus (Subway), N. Widdison (Kentucky Fried Chicken) and Josh Driver (K'Doo Lions Club Ritchie Rich award).

The Senior Colts lost their first game for the season which will be a good lesson in that we have to be ready to play from the first bounce every game. Even though we had a few players missing and didn't play our best, take nothing away from Kongorong. They came out strong early and took the initiative showing us what it takes to win against the best teams. Best named were S. McManus (Kriegers Kool Cash), Jordan Brennan (KFC Life Members award), B. Casey (Subway), James Brennan (McDonalds), D. Oeser (Thurs Night Tea) and L. Ousey (KFC Ladies award).

A reminder that subs are past due please get them to your team manager, Simon Bott or Sue Auld. New players to our club are also required to provide a proof of age document for league purposes. Please see your team manager for details or to provide your document.

Kylie (DiGiorgios award) who was well supported by Tan, Anthea and Rosie (Aussie Takeaway award) who also drove and fed well into the circle. Thanks to Sue who came out and braved the weather to score, Josie for being the first aid lady and Tara and soon to arrive Baby J for timing.

**A Grade:** On a freezing day, we certainly made sure we ran hard to warm up! It was a strong win where everyone contributed and worked to both limit Kongorong's opportunities and to ensure that we look after our own possessions. Our talk and intensity for the whole 60 minutes was pleasing. Carol (Fasta Pasta award) shot well, scoring a huge 78 goals for the match and was well supported by Melissa, Jenna (Collars and Cuffs award) and Jayde. Jonesy had her work cut out for her with a much taller opponent but managed to get her hands to lots of balls and her and Leah combined well in defence. Mikaila had another good game and got lots of touches at both WD and GK. This week's game will be a big challenge and we will need all players to perform at their best if we hope to get another win on the board.

## FOOTBALL

**Under 11:** On a very cold, wet and windy morning we headed to the Burr oval and had a really good even hit out. It's good to see the lads are improving every week and also seeing the younger boys growing in confidence and putting their head over the ball. Well done to Noah, Owen, Harry and Jacob who all got an award. Good work.

**Junior Colts:** Well winter is well and truly here with a cold morning greeting us at Mt Burr. Unfortunately we didn't get the points but the pleasing part was that we were in a position to win the last quarter. Just our goal kicking late let us down as we kicked 1.4 in the last qtr. The boys never gave up which is all I can ask for. Special mention to our backline this week as they showed what happens when you play in front. Awards: SMK Electrical – Tyler Bevan, KFC – Xander Copeland, Dentons Sportspower – Will Scanlon, McDonalds – Matt Nelson and Donna & Hanny – Alec Roberts. Best: Corby White, Xander Copeland, Hamish Ferguson, Jacob Bell, Matthew Nelson and Alec Roberts.

**Senior Colts:** What a win! Finally the boys put all the pieces of the puzzle together and played a solid 4 quarters of footy. We were proud to see that when it started to get scrappy the boys showed maturity and kept

cool heads and only worried about the footy and that's why they came away with a big win. Best on ground went to Bryce Radley who dominated all day. Toby Pink was 2nd best saving numerous goals down back and setting up the play. Ethan Glass Reilly turned it on in the 3rd kicking a couple to secure 3rd best. Clay Scudds played tough down back and deserved 4th best, 5th best to Marshall Reid who kicked hard all day and 6th to Stephen Moreland who played well all game. Awards: SMK Electrical – Ethan Glass Reilly, Fasta Pasta – Jack Radley, Graham Reilly – Campbell Serle, Dentons Sportspower – Leon Wing and Ducky's Surf – Clay Scudds.

**B Grade:** Well it was off over the hill to tackle the Burr boys on their home ground, and as Thursday and Friday were spent finding blokes to play I was a little concerned on the outcome. Those who came in all did well with their roles which goes to show the serious depth we have available. Over the next few weeks hopefully we can hit full strength. With around 10 blokes unavailable on Saturday some selection headaches are bound to happen soon. So if you get your opportunity you best take it. With blustery conditions we started evenly but didn't make full use of a strong breeze, however we went in at quarter time in front. From there we kicked into gear and played our best quarter into the wind and made it hard for a Burr fight back. Best players were Wazza, Scotty

Varx, Shauny, Ned Kelly, Zeke and Donk. We ran out 40 point winners which was pleasing, but the games don't get any easier as the B Grade comp is extremely even. This week see's us tackle the potato farmers who will be trying to extract some revenge on their loss in the big one last year so today it's back to the grind stone for another cracker match!

**A Grade:** Last Saturday's game at Mt Burr was again billed as match of the round with both sides undefeated so everyone was expecting a cracker. Unfortunately we couldn't deliver what was needed on the day with quite a few of our players beaten before the ball was even bounced. We all know 90% of footy is played between the ears so a few need to change their attitude and be ready no matter who the opposition is. The game itself was strange because as bad as we were the margin was relatively closer than it felt. We just had to work so hard but continually made errors going forward as the Burr's pressure was good. While we battled we still had our chances to make a play for the lead but some missed shots and indiscipline play really just showed it wasn't our day and the Burr had more to play for and were just hungrier on the day. Well done to Scott Bevan and Will Whitty on their milestones. The boys certainly turned up and played their hearts out for you. Our better players for the day were far and few between with Reillz having a great season to date, again Jack did everything

asked of him, Timmy, Jimmy, Sainty, Jockey and Gassy were others that tried hard all day. This week we regroup and as Dawery said - it's about how we respond against an improving and confident Glencoe side.

**General:** Welcome to Glencoe today as we play for the Neil Von Duve Memorial Cup. Neil was a great role model for both of our clubs and it is an honour to be playing in his memory. Congratulations to Rob Versace who today plays his 100th A Grade game for the club. Great work Robbie! We had a great turn out at the Somerset after the game last week for presentations. We need to support our sponsors because without them we wouldn't be able to run our club. There are still tickets left in the 100 Club but you need to get in quick as the 1st draw will be starting soon. See Kylie (before she leaves us for a few weeks) or Walks to purchase your ticket. Tonight we are holding an iPad and 'Revenge of the Nerds' dress up night. Prizes will be awarded for certain songs played throughout the night also for Best Dressed. It's sure to be a fun night so make sure you stick around. Well done to Nat Scott who won our gate raffle (a television) against Hatherleigh last home game.

## NETBALL

**Junior 2:** It was a very cold day for netball but all the girls were still eager to play. It was great to see a few things we practiced at training like dodging and re-offering on court. Everyone is trying to come in front which is great but we still need to continue to work on this at trainings. Thanks to Kelsie, Sarah and Madi for filling in. The Ey family awards went to both Chloe and Jade for always watching the ball, creating many interceptions. Great work girls!

**17 & Under:** Great job girls, just what we needed after a tough few weeks... a win! Each and every one of you played your part in getting us over the line, it was good to have Micaila back, her talk and intensity is a big asset to the team. Ash worked hard in the centre as did Chyan in defence. It made a big difference in our game to see everybody enjoying being on the court... maybe a bit of fitness was all we needed girls? Canteen

award Ash, Hungry Jacks Chyan. Glencoe this week. Let's make it two in a row.

**B Reserve:** A great game from the girls. Strength all across the court and the driving was great. We were all able to contribute with the turnovers allowing the goalies to capitalise on not only our centre passes. Let's use the speed and precision from last week's game this week and grab another win. Awards went to Jodie Cushion (Foodland) and Amanda Todd (Fasta Pasta) for great work in our attack and perfect movement of the ball.

**B Grade:** Well done on a well fought out win girls. Starting strong and taking control of the game from the start certainly pays off and is something we need to keep doing all season. We had some great passages of play all the way down the court but still have some basics to work on. Well done to Janice, Meg and Morgan on some very accurate shooting, which has now been falling into place compared to weeks prior. Placement on the ring from Michelle, Tarrah and Brydie was important and allowed the shooters to

work well together. Danni, Nat and Bianca worked hard to drive the ball out of defence and made sure all opportunities to turnover were taken. We must keep working hard and making the most of our opportunities all the way down the court. RSL voucher went to Janice Kelly and the Caltex fuel voucher went to Michelle Clarke.

**A Reserve:** A solid win at 'The Burr' last week. Once again all players having solid contributions. Bec was in everything, Lurch came in through the air swatting and dancing, Jo was in control with no 'Hail Mary's' and Lani found speed in her shoes. Lucy was tall timber under the post, Kath found her target, Stell jostled around the circle and Krusty was Krusty - dancing, talking and having a red hot crack! Great game, great team, great fun whilst still being in control on the netball court. Keep working hard and the rewards will continue to come your way. Thanks Donna for scribbling! Au revoir, catch ya later, cheers, good bye Chums, a la vista baby!

**A Grade:** Well what a let down after our last game! To go from playing at such a high level to catapult back into the depth of seasons gone by, is soooooo disappointing. I'm running out of excuses. It seems we take one step forward and two back and remain stagnant at the lower end of the ladder. We have the game but unfortunately our game doesn't last 60 minutes and at this level, with so many teams around the mark, mediocrity just won't cut it. On the upside the game of Chutta's and Wu were great, their speed and attack into space definitely was a highlight in a dismal day. Our junior Alex also can hold her head high, playing well when she entered at GS. Things to work on - button it at the huddle, discipline, passing and self belief. This week is Glencoe and it's probably our last chance to set anything up for the season. Your destinations in your own hands. Somerset award Wu, Fosters award Chuttas.

# GLENCOE MURPHIES

## FOOTBALL

NANGWARRY always gives us a tight battle as we play for the Phil Muhovics Cup and the first half lived up to that expectation.

The weather was probably easier for the players to contend with than the crowd as the cold wintery change from earlier in the week continued. For the first half we could not capitalise on scoring opportunities and turned the ball over coming into attack but this trend reversed in the second half and we were able to record a comfortable win. Players worked better to receive handballs and our tackling pressure increased as the game progressed. Senior colt Edward Trupp proved a safe target in the second half and finished with 4 goals in his best game at this level. Tom Edwards handled the ball with security all day and provided many forward entries from the half back line to be our best player for the day. Lachy Allison continued on from last game with excellent skills on both sides of the body and finished with 3 goals.

Dylan Childs moved into defence in the second half and was able to get to contests and keep his opponents in check and also win many defensive clearances. Trent Hawke and Adam Creek contested the ball in the packs gaining clearances all day to also be among the awards while the final award went to our reliable leader on the field in Zac Cocks. Well done to Zac and Tom for their selection in the interleague squad and we know you have the skills and application to be successful at this level.

The B Grade gave us an exciting finish as we hit the lead with 4 minutes to go as inaccuracy in front of goal earlier in the game proved costly. Nangwarry missed 2 chances to get the lead back but with seconds to go got a kick on line to win by less than a goal. It was disappointing to lose this game as we should be able to make the most of opportunities we create each week. Again last week old players had a run for us with Jevon Duff and Adam Sealey playing their first game for the year. Hamish Medhurst was back and

worked hard to get to contests and tackle strongly all day to be our best player again. Tim Biggins again worked to space to control the movement of the ball as we went forward. Jon Bradley used his pace to advantage to get many important touches while Jevon Duff gave us a forward target who had a strong attack on the ball. Others in the awards were Matt Jaeschke who has come back solidly from injury this year and also Brendan King who wins many possessions each week. Today we will need contributions all over the ground as we take on the top team at this level.

Well done to the Senior Colts who helped Nangwarry with numbers so we could have a game that was a competitive and tight battle all day. Brad Mitchell with 5 goals was their standout player and he contributed well when on our side as well. New player Josh Murphy got off to a good start with 4 goals while Josh Slape and Boyd Millhouse got among the goals. Importantly the players enjoyed the game with plenty of by-play as normal team members lined up on

each other. Also with our senior players as the opposition many players got an increased involvement in the game with Slapey moving to the ruck. Boyd received the best player for us ahead of Billy Arthurson and Daniel Cleggett with senior players Brad Mitchell, Edward Trupp and Max Khan playing to their usual standards. Well done to these 3 players for their interleague nominations as well as Kial Poole for the Under 15s.

The Junior Colts again came up against a bigger and more experienced team but battled hard all day. Highlights for the day were Brodie Allison and Declan Hurley kicking the first of what we hope are many goals for the club. They were both recognised in the best players along with Pat Mitchell who worked hard on the ball and regular contributors Brad Frost, Angus Wittig and Charlie Mallon.

Today we travel to Tantanoola and it is important that we acquit ourselves well as we play for the Neil von Duve Cup and also take on the top teams in the senior grades.

## NETBALL

A MIXED bag again last week with A Grade and 15 & Under scoring their first wins for the season and A Reserve also having a good win. Was a good night at the club last week with Band "Open House" playing. It was great to see so many netball girls in attendance and enjoying themselves! Our next big social event is "MURPHIES" night being held on the next home game (24th May). Start organising your costumes now – anything beginning with M, U, R, P, H, I, E or S! Be great to have as many netballers there as possible – young and old - and to make this one of our big nights for the year. Let's get some wins on the board against Tant today.

**A Grade:** 60-49. Woohoo! Our first win for the year! Great game by everyone. Special mention to Ebony who had a really tough job playing on her sister and played wonderfully

with some great holding. Kelly played really well moving really well in the circle and cutting to the post to make space much more. Ashlea and Laura were very strong through the midcourt, always an option down the court and both managing to take intercepts. Bec again played well on the wing and took a number of intercepts and Sarah was strong in defence, worked on blocking her player out more and was able to intercept a number of wayward passes. This is the start we need, let's continue on with another strong win this week.

**A Reserve:** 58-33. Well done girls! We had a slow start and it was looking like it was going to be a really close game. The weather certainly had an impact but we all seemed a little flat at times and it reflected in some of our play. Everyone kept working though and we pulled away, putting in a fantastic last quarter effort to score 20-7! With a tough game coming up today we'll have to eliminate the little mistakes but

our teamwork and consistent efforts will help that. First best went to Chloe for a fantastic effort at GD. Being new to the position she worked hard all game not only with her defence but also her support driving the ball out. Second best went to Jody who ran all day in centre and was again strong and consistent. Great work all round. Let's go out hard today and aim for another win!

**B Grade:** 27-34. We were right up with Nangwarry until the last quarter. Some loose passes that were turned over were crucial. Considering we only had four of our regular players we did well. Thanks to Erica, Genna, Mel and Ash who came and filled in, they all acquitted themselves exceptionally well. Great game Genna (Fasta Pasta) and Abbie (OK Pie Shop).

**B Reserve:** 22-34. Good try girls. We finished off strong which was great and had some really good passages of play. We need to make stronger leads

into the space and work on our passing when we get tired. Best player went to Kate Talbot for great running all day at centre. Second went to Keryn Whibley for getting her hands to a lot of balls at GD.

**15 & Under:** 37-20. Great job girls! Our first win for the season! Everyone played really well, it was a great team effort. Everyone led well and chased down everything. Awards last week went to Ebony for a great defensive effort. She got lots of touches and rebounds. Next award went to Bella for playing GS. You did some great moving and shooting. Last award went to Alice for a great game in WD getting heaps of turnovers. Great team effort. Well done!

**Junior 2:** An awesome game girls in horrible weather conditions. It's really good to see that everyone is listening to what they are being told and improving every week. Keep up the great work girls!

# NANGWARRY SAINTS

## FOOTBALL

A FAIR result for the Saints against Glencoe last Saturday with two wins, that being the Junior Colts and the Seconds, while the Senior side once again were very competitive in the first half but once again struggled in the second half.

The Junior Colts won their second game in a row with a good win with four quarters of football. A good performance by both sides in an entertaining game. Let's see if we can continue that winning form again today.

The Senior Colts was another good game to watch with two even

sides, thanks to Glencoe providing the Saints with players that would ensure a very competitive game, but in the end Glencoe were simply too good and deserved to win. The support provided by the opposition certainly gave the Saints players some confidence which enabled them to be competitive. Interesting after the game, while waiting to be served at the canteen, one Glencoe player was asked why he kicked a few goals to help Nangwarry and he responded that he did not mind and actually enjoyed helping the Nangwarry side. A great attitude from this young player. Well done to all players who helped us and to the Glencoe Footy Club.

The close game of the day was

the Seconds in a very low scoring affair. The Saints led for most of the game and it was only in the last few minutes that Glencoe took the lead and looked like winning but to the Saints credit they were able to regain the lead and win the match. A good team effort by all players.

The Seniors looked to have a chance of causing an upset at the main break but the second half saw Glencoe take control to record a very good win. Although the Saints continued to try hard in the second half they are still missing a few players to make them competitive over four quarters. I am sure a win is just around the corner.

The club staged an Auction Night last Saturday night and full marks

to everyone that organised and donated auction items. It was the most successful night financially the club has had. Well done to all concerned and to everyone that parted with their hard earned money and no doubt it could become an annual event.

Don't forget counter meals after today's home game, so come and enjoy a meal and support your club.

Today it's Robe with both sides looking for their first win in the Seniors, so let's see if the Saints can open their account for 2014.

## NETBALL

NANGWARRY Netball Club is proudly sponsored by Chemist King, G.J. Gardner, Noel Barr Toyota, Steeline and IGA Penola.

**Junior 2:** Brilliant effort girls, great work calling for the ball and using names. It's great to see everyone working together and staying motivated in the cold weather. I am so proud of your improvement, you are all doing so well. Keep focusing at training because you're all learning and hard work is starting to pay off. Thank you Glencoe for hosting and thank you to the parents for your support and help each week. Awards: Tully (Oatmill Cinema) and Taneisha (Oatmill Cinema).

**15 & Under:** Firstly welcome Darnielle to our team. Well girls, yet again we are not doing the basics that are being tried at trainings. I can't stress how important it is to fully concentrate and make the

most of our training sessions to go through basic moves. Nat did a good job considering she had a headache which resulted in her winning the Oatmill award for playing out the game. There were patches of good play which shows you all have it in you but just need to do it for a full game. Remember just take every quarter and make the most of our opportunities. Keep positive and get the concentration going.

**B Reserve:** Very well done girls. You proved to yourselves that even when you are missing some key players that you can step up and do what needs to be done to win. Deb played a great game in both WA and took many rebounds in defence. The goalies worked really hard all game and Kate showed herself that with some confidence she can shoot well. Thanks to Jazzy for filling in. Next game is after a very long break but keep up the great momentum. Best player: Deb Hicks.

**B Grade:** Another good game girls. We started off pretty flat, almost like we have to have a full 15 mins of another game before we start to get us going. But, in saying that we did what needed to be done to get the win. It was a hard game both with the opponents and the smoke from a neighbouring bonfire. Defence once again worked tirelessly and Kristy had a boomer of a game in centre. Let's keep the momentum going and come out strong and firing this week. Best player: Kristy Neale.

**A Reserve:** We started off a really strong game with some quality passing down court and feeding to goalers. Tahlia positioned beautifully giving feeders an easy pass with some great finishing off. Defence worked tirelessly and turned over many balls giving our attack plenty of opportunities. Last we went back to bad habits and started to force the ball in and not choose right passing options and this is only reason it blew out just

from little errors. If we can get a consistent 4 quarters we definitely will come up with some more wins. Don't be too disappointed girls, we are improving as a team every week, the wins are on the way.

Rymill award: Tahlia McGinty.

**A Grade:** Wasn't our best game but we were unsettled from the start with Karli hurting her ankle in first quarter. Although we turned over numerous balls we just were not settled in attack and chose the wrong passing options. When Karli returned we played a more controlled game but just had some trouble with getting into the ring. We had a lot of great passages of play and need to continue to work on having more consistency. Again another injury to Nic unsettled us but also showed how versatile our team is. Let's work on the little percentages and get a win this week. Rymill award: Teresa Stewart.

# ROBE ROOSTERS

## FOOTBALL

**A Grade:** We hosted Glencoe on a perfect day for football, with both teams looking for their first win of the season. We blasted out of the blocks, dominating play and putting good scoreboard pressure on our opposition. As the first quarter wore on we seemed to lapse our concentration and let Glencoe back into the game. For the rest of the game it was a real dog fight with both teams hungry for the win and the team that wanted it most was always going to taste victory. The game was there for the taking and with their tails getting on top and our coach somehow knocking himself senseless the Murphies took the points in an entertaining game. Jakob Wood was in everything showing some real poise and skills all day to be clearly best. Nick Cane showed his worth again with plenty of the ball and a couple of goals. Coxon was huge again until he came up against

someone equal in strength and knocked himself out. John "Spike" Dunn was his usual hard at it self. Scott Sawyer was all class, Jaryd Dawson kicked 3 and Todd Lehmann was the dominant backman in the side. So once again the game was there for the taking and someone else took it. After the last couple of years our aim was to become competitive as a unit, we are certainly that, we need to learn to be competitive for longer and the wins will come.

**Senior Colts:** Robe 7.6 (48) It Mt Burr 9.15 (69). Goals: J Sneath 3, A Clements 2, C Davis, J Tomlinson 1 each. Best: A Clements, J Sneath, H Kurray, K Smith, M Ling, M Hansberry. The Senior Colts ran out against Glencoe with arguably their strongest team, as it was the first time this season where we did not require any players from our opposition, and while the team was beaten by 21 points our lads at times used the ball well, followed the coaches instructions and played the

game out, never giving in. Glencoe didn't necessarily beat Robe by better play, rather Robe let itself down at times with poor decisions and not concentrating for the whole game. Alex Clements continued his good form, accumulating many touches and it was pleasing to see him finish his game off with two goals. Hamish Kurray played the only way Hamish knows how and saved many goals and defended well. Jack Sneath showed that he has a good football brain and understands the position he plays, and his hard work at centre half forward was rewarded with three goals. Others to play well were Smith, Ling and Hansberry, with a special mention to Liam Fennel who continues to improve and the Junior Colts players who manfully take their place in the team each week to ensure we are able to field a Senior Colts team. Incentives: Steve's Surf – Liam Fennell, Polly's Fish n Chips – Mitchell Ling, Mobil Voucher – Jack Sneath, Denton's

Sportspower – Sam Altschwager.

**Junior Colts:** Robe def. Glencoe. Goals: T Gould, J Tomlinson, 3 ea., A Weir, E Dutton, G Dutton, 2 ea., H Bignmore. Best: J McMartin, A Weir, G Dutton, T Gould, J Tomlinson, H Bignmore. Our game against Glencoe was our best game and win for the season so far. We had so many good players all over the ground and it was hard to give out the awards which is a good thing for the coaches. The team was changed around to give us a look at some players in different positions, and each of those players did well which gives me more options if need be on a later note. Great team effort boys, well done! Langers. Incentives: Denton's Sportspower – Jordan McMartin, Robe Auto and Marine – Tom Gould, Polly's Fish n Chips – G Dutton, Elders – Sam Newton, Robe Seafood and Takeaway – Angus Weir. Wood raffle winner was Steve Tomlinson.

## NETBALL

A BIG congratulations to Georgia Perkins and Kate Schubert who both played their 50th game against Mount Burr last round. It was a great day out against strong Glencoe line-ups, and we were lucky enough to come away with some fantastic wins in some close games.

**Junior 2:** Some beautiful leading last game. Sopjie had some strong passes to her teammates. Ruby started to find space along with Lucy. Maddie shot some lovely goals. Well done girls! Incentives: Lucy Kellock (Sea-vu Caravan Park), Maddie Wirth (Nampara Cabins).

**13 & Under:** 44-4. Proudly sponsored by Hilton Rural (Al & Brad Nunan). Fantastic effort girls. Great game in goals by Kate and Halle. Strong driving through the centre by Maya and beautiful front cuts by Lucy on the wing. Maddie, Sophie and Kristin all had a solid defensive game getting many hands to balls. Joey played a boomer, starting in defence then showing her versatility and moving into GS in the second half where she moved beautifully. We still need to work on our unforced errors and making sure we are hard at the ball at all times. It's the little

things that will bring us together as a team and see us with more wins on the board. Incentives to Maya for stepping up and playing a strong game at C and Lucy for working hard on everything we have been practicing. Good job girls! Incentive: Maya Keane (Wild Mulburry), Lucy Smith (Robe Seafood & Takeaway).

**15 & Under:** 50-22. Proudly sponsored by Integrity Homes (Carters). We proved we are a very versatile team with many girls working in unfamiliar positions. We trained in these positions and looked at our options and worked on creating space and working into the space. Our defence put on a lot of pressure and created many turnovers while our attacks were working hard creating options. Outstanding game in goal keeper from Kolby Gibbs on a much taller defence. Kolby read the play very well and deserved the Incentive award. At the other end Maddie Nunan received the Incentive award for her hard work in goal attack with aggressive driving onto the ball. Maddie's defensive pressure coming back down the court was outstanding. Well done girls, we just need to keep learning and working hard. Incentives: Kolby Gibbs (Robe Engineering), Maddie Nunan (Steves Place).

**17 & Under:** 40-31. Proudly sponsored by Mats Plumbing. First quarter was fought hard by both sides with minimal errors and great passages of play. The Robe girls lifted in the second quarter with the two goalies shooting well. Glencoe's pressure in the third quarter was really good with the Robe girls having to think hard to keep possession of the ball. Robe defenders worked extremely hard all game with lots of turnovers and good rebounding. Incentive: Indi Dean (The Shack), Demi Carter (Robe Engineering).

**B Grade:** 13-40 (Robe lost). Proudly sponsored by thirty 3 hair & beauty. Good effort by our girls last game against a tough Glencoe. We are improving each week. Still need to work on our passing and leading in front. Alison Price moved well in goals earning her the Calcutta and Teghan McMartin worked tirelessly in defence and goals this week earning her my Incentive! Calcutta: Alison Price (KB Chiropractic), Incentive: Teghan McMartin (Mencol Business Services).

**A Reserve:** 37-50. Proudly sponsored by Wild Mulburry. Great job girls, after a slow start we held our own for 3 quarters. With a new attack line-up the girls adapted well. We just need

to concentrate on a more give and go game and clearing out to create space. Defences tried relentlessly all game and well done to Ellie and Indi who stepped up and did very well. Keep working hard at training, we are only going to get better as a team. Good luck while I'm away sunning myself.. I will think of you all! Calcutta: Al Nunan (Sails), Incentive: Rose Perkins (Nat Clements).

**A Grade:** 49-45. Proudly sponsored by Holiday. A win is a win, however we still have a lot to work on. There were some great passages of play and we dominated in the 1st quarter, which is what we need to do all game to compete in the top 4. Defence of Kimberley, Chloe and Hannah was impressive as always. Chloe's work rate in the first half was outstanding, helping our team create numerous turnovers. Attack was much better, it's looking more like a team and the re-offering was evident. Great shooting by Felicity shooting at 100% in the 2nd quarter and over 85% for the entire match. Looking forward to the next few weeks, working together, learning about each other and playing some great netball. Calcutta: Chloe Dawson (K&S Ampol), Incentive: Kimberley Austin (Westley DiGiorgio Solicitors).
