# FOOTBALL PRESIDENT'S WELCOME

AS the 2015 football and netball season starts today I take this opportunity to welcome all existing and new players, supporters and sponsors to our Family league.

Last year was another successful year in the Family League for the Mid South Eastern Football League, however all clubs need to continue to work together where possible for the betterment of football and netball to ensure that all clubs remain strong and viable on and off the field.

The Scott Group of Companies are yet to confirm a continuation of their sponsorship this year. However we would like to take this opportunity to thank them along with all of our new and existing sponsors for their wonderful support of our league. Please refer to a list of our sponsors within the budget and where possible please consider supporting those that support us when you need anything, and also please remember to thank them for their support of our league.

The Executive team has one new member in Rob Halliday and I look forward to 'Doc' assisting and providing support to our clubs throughout the season. The two retiring executive members at the AGM in Ed Fensom and Garry Nilsson have given great service to the League and to their respective clubs and I know that they will both be familiar faces to be seen at the football. Thank you fella's especially from Naomi and myself, along with other Executive and all clubs for your contributions to our League.

The Executive members include Peter Davies – Senior Vice President, Rob Halliday – Junior Vice President, Dennis Muhovics, Lu McInnes, Naomi Mitchell – Secretary, Mel Leibhardt – Assistant Secretary will continue in their current roles on the Executive and I look forward to working together to assist all clubs throughout the season. Please remember that our job on the Executive is to assist clubs and make your lives easier, where possible!

Neil Webber has been reappointed for his fourth year as Umpires Director with Gavin Motley as his Assistant Umpires Director. The Umpires still require some fresh

umpires to assist our aging umpiring body, so if you have recently retired from playing or would like to be still involved in the game, then umpiring is a great way to keep fit, give back to the game and perhaps get to know some of the players and club people from a different side. I wish both boys the best and I know that other Senior Umpires will assist throughout the year. Neil will still be requiring two players from the club that has a bye to be available to umpire each week. This was well supported and assisted with umpiring numbers each week and will continue this year. Who knows, maybe we may get some current players that may take up umpiring after they have finished playing.

Our tribunal commissioners for this season are Rodger Bennett, Denis Schulz, Denis Clifford, John Maddern and Neil Whelan with several other proxy commissioners to assist when required and Rob Dycer will continue as Investigations Officer.

This group assist with tidying up the unsavoury outcomes of some undisciplined individuals. The Executive thanks them for the job that they have done in the past and looks forward to their assistance, if required, this year.

We look forward to working closely with the Netball Association with new President Sara Gray and her committee throughout the year in the many joint ventures that we work on.

MSEFL Representative matches against our neighbouring Leagues will be hosted by MSEFL venues on the June long weekend. The Zone Carnival will be played on Saturday 6 June with U17 & Senior matches between MSEFL, KNTFL & WBFL. On Sunday 7 June the MSEFL will host the Glenelg Carnival between Glenelg, MSEFL, KNTFL & WBFL for U14 & U15. Once again we are pleased to offer the chance for our seniors and juniors to play at a higher level and represent the League against our neighbouring Leagues and Glenelg.

Peter Walter has taken on the role of President of the junior league and Ian Leibhardt will continue to assist. I thank Lynne Howe-Morgan for her contribution to the juniors on the MSEFL Junior Executive over the past two seasons. Lu McInnes will continue as Secretary and we look forward to working with the junior committee and guiding the young talent in our league. We have a vacancy for up to two Junior Executive members and I'm sure Peter and his team would welcome someone new on board this year to ensure that the level of support

from the League Junior Executive to Club Juniors does not suffer. Please take the time to consider if you could contribute to our juniors and I am sure that the Junior Team will be only too pleased to guide any new Junior Executive member. A challenge for the boys is managing the Zone Carnival U17 & Glenelg Carnival on the long weekend in June. Once again, I'm pleased that the League can offer this opportunity for more of our juniors to be involved at interleague level.

Thanks to all the media outlets for the coverage our league receives and we look forward to another exciting season in 2015.

The MSEFL web site [www.msefl.com.au](http://www.msefl.com.au) is constantly being updated and is a wonderful source of information about our clubs and League. All of our sponsors are acknowledged as well as many other aspects of the competition, so I encourage you all to explore and investigate the web site for any information. The League Executive welcomes any feedback to add other details or correct any mistakes that may have occurred.

The pre season cup results were updated after every match was completed on the day and we intend to continue to distribute all football results to the media via emails from the web site from 5.40pm every Saturday night of the season. This will require continued co-operation from all clubs, so I encourage the techno-savvy kids to assist their club in ensuring that your scores from the day's matches are in the system at around 5pm ready to go to the media.

The sixth Pre Season Cup was held at Glencoe and it was pleasing to see all clubs participating in football and netball. The event is a great opportunity for all clubs to be the one venue to participate and see the opposition and catch up with old friends. Congratulations to Kongorong for winning the Pre Season Cup & to Robe for their efforts in being runner up. The League Executive welcomes all feedback from clubs, coaches, players and supporters to assess any further changes that may be implemented and we look forward to improving the format where we can for next season and beyond.

On behalf of the League and all clubs thank you to all the wonderful volunteers that assist each week. If you don't currently volunteer for your club, then please consider assisting with your time / skills wherever possible to make your Club more successful and to share the

workload. Volunteering is a great way to meet people and improve your skills as well as knowing that you have done something good to assist your club – so don't hold back!

The Executive congratulate all winners in last year's football and netball grand finals, most of you were the bench mark all season and certainly gave all clubs something to strive for. However you will now become the hunted rather than the hunter.

Challenges have never been greater for clubs as we face uncertainty with changes happening in neighbouring Leagues and the many continual policy changes from Government, AFL & other insurance requirements that place extra burdens on our Volunteers. It is so important for all clubs to try and spread the work load required, have well developed procedures and have multiple people skilled to handle a variety of tasks. Our Clubs and League must all ensure that we have our house in order, revisit our strategic plans and develop or strengthen existing strategies to prosper and grow. Continue to focus on core activities within our clubs such as – Facilities, Junior Development, Volunteers, Financial Stability, Risk Management and Community ties. The Southern Border Football review outcomes must be taken as an opportunity for all Clubs and the League to build on our strengths and identify any weaknesses to implement remediation plans to allow for continuous improvement. We must continue to ensure that Football clubs are leaders in all of our communities and build stronger partnerships and relationships with all of our stakeholders.

On behalf of the Executive we wish all clubs the best of luck for the season and also look forward to common sense and fairness being displayed at all times in the Family League.

# FOOTBALL SECRETARY'S WELCOME

WELCOME to season 2015 of the Mid South Eastern Football League.

It really doesn't seem that long ago we were enjoying the sunshine at Port MacDonnell celebrating the end of another successful year. Congratulations to the Port MacDonnell football and netball clubs on showcasing your grounds, facilities and hospitality to perfection, it was a very well organised day that ensured grand final day went off without a hitch.

Congratulations to our 2014 premiers in all grades – Kalangadoo – A Grade, Tantanoola – B Grade, Kongorong – Senior Colts and Hatherleigh – Junior Colts. I'm sure as another season begins that you all will be striving to again reach that ultimate pinnacle of premiership glory.

At the Senior AGM held in November we farewelled two long standing stalwarts of the League in Garry Nilsson and Ed Fensom. Their contribution during their time on the Executive has been welcomed by all past and current League Executive and more importantly Clubs. Thank you for the time and dedication both of you put into the position it was very much appreciated. As one door closes, another one opens and we welcome Rob Halliday to the League Executive for 2015. Rob is no stranger to the League having previously played, coached and held the unenviable positions of League Salary Cap and Investigations Officer. Peter Mitchell was re-elected President with Peter Davies assuming the Vice Presidents role and newcomer Rob Halliday stepping up into the Junior Vice Presidents position. Mel Leibhardt will continue in the role of Assistant Secretary with Dennis Muhovics and Lu McInnes retaining their League Executive positions. The Junior League hit a small speed-bump when long serving Junior President Ian Leibhardt kept his word not to seek re-election for this coming season. Clubs and Junior League Delegates had 12 months notice, yet it took a Special General Meeting to elect a President and no new faces came

on board the Junior Executive. Peter Walter stepped up when no one else wanted to and he certainly has hit the ground running. I certainly realise that it's not an easy task to try and convince someone at club level to step up and help out at League level, and I see the same faces doing all the same jobs, but somehow we need to attract the next generation to contribute in a volunteer capacity because we are all not going to be doing these jobs forever! If you do happen to find the volunteer fairy in your travels, be sure to send her our way, you never know she might be able to work her magic, otherwise it might mean a change in our Constitution and Rules requiring clubs to rotate and fulfil a league position in years to come.

Without a doubt the biggest challenge that has faced our clubs during the off season has been the requirement for all players to now register themselves online, each and every year. Unfortunately gone are the days when the League Secretary is able to roll every member over as we become governed by more and more red tape and bureaucracy. Regrettably we live in a society of litigation, where everything is someone else's fault and we now need to change the way we do these simple tasks to provide the protection for our volunteers. Hopefully with the requirement of all players having to provide up to date contact details this process should be simplified in the years to come – fingers crossed! Clubs have done an outstanding job to even get four sides ready to play today, as if you're not registered you can't be selected to play.

In just the last week we have been informed of further changes when children play up outside the South Australian Community Football three (3) year age gap. Again with this comes more paperwork and more bureaucracy, however I don't think any of us would like the responsibility of informing a parent that their child wasn't covered by insurance due

to a technicality and simply not following policy.

Neil Webber will continue in his role as umpires director for season 2015. Neil continues to work tirelessly to both recruit new umpires to the panel and to change the perception of umpiring as seen from the sidelines. The initiative of requiring clubs with the bye to supply two umpires has certainly achieved both of these objectives. Umpiring IS Everyone's Business – this motto needs to be taken very seriously as unfortunately our game won't survive without them. Please consider assisting in this area, unfortunately the panel we've got is not getting any younger and would really appreciate some new faces coming on board.

To our "Family League" partners, the netball association – I would firstly like to acknowledge the huge contribution made by retiring members Maureen Ey and Raelene Smith. I know you will both continue to support both netball and football, albeit from a much more understated viewpoint. To Sara Gray, congratulation on your election as Netball Association President, we look forward to continuing the great foundation we have been able to achieve between both netball and football executives. Thank you to Kylie Serle in her role as President and assistance for the last eight years that I have been involved. Kylie will continue to serve the Netball Association as match recorder and has also taken on substantial roles with the Tantanoola Netball and Football Clubs, so I'm guessing not much has changed in the Serle household!

Our pre season cup competition held at Glencoe two weeks ago was another outstanding success. Thank you to all clubs that supported the day. To the Glencoe Football and Netball Clubs your organisation of the day was outstanding. Congratulations to the Kongorong Football and Kalangadoo Netball Clubs for taking home the winner's cheques on the day. The day continues to provide an excellent

opportunity for clubs to work on possible line ups and finding out who is capable of playing at the next level for our younger brigade.

We began the year with a Good Friday fixture between Robe and Mt Burr. This was an initiative of the Robe Football Club, and whilst playing on Good Friday isn't to everyone's liking, the large number of spectators at the ground showed there definitely is an opportunity that can be further explored. Well done to Robe and Mt Burr football and netball clubs on participating on the day. It probably didn't suit all your members either, but the day was well run and well supported by both clubs.

Today sees all nine clubs start their campaigns to be part of finals action in September. This may seem a long way off, but I'm sure all coaches from the junior colts to the A Grade will be instilling into their players the importance of winning these early matches as it really sets the tone for the entire season. To all participants in either football or netball I wish you all the very best for the coming season. May you have an exciting and enjoyable year and hopefully come finals time your team will be actively involved.

Have a great 2015 season.

Cheers.

## **JUNIOR FOOTBALL PRESIDENT'S WELCOME**

WELL it is here again, the start of a new season. I would like to take this opportunity to welcome all new families to the Mid South East Football League and hope you enjoy your time in our wonderful league. I would also like to welcome back everyone from last year and also hope that it is an enjoyable and successful year for you all in 2015.

On success, I would like to congratulate Kongorong (Under 17) and Hatherleigh (Under 14) on tasting the ultimate success in 2014 by winning their respective premierships. Well done to you both, you were the teams to beat last year.

Again we have interleague commitments this year for our juniors and I would like to take this opportunity to thank James McGregor (Under 17), Nigal Brown (Under 15) and Maurice Puatti (Under 14) for putting there hands up to lead our future stars. I would like to encourage all respective players and parents who may get an invite for there respective grades to get behind and support these guys. They have willingly taken the time to come and coach, so lets take the time to come and support them and put our best possible teams on the ground that we can.

On interleague, there are a couple of changes for this year in that we only have the Zone Carnival on the June long weekend to concentrate on. The Under 17s will again be on the Saturday along with the Seniors. The Under 14s and 15s will play on the Sunday at the same venue. Both are to be hosted within our league and venues for these games will be advised at a later date along with training venues for all junior grades.

I would like to take this opportunity also to encourage anyone who is interested in joining the Junior Executive and helping out to come and give it a go. We currently have 2 spots to fill and it would be great if we are able to fill them.

Again, welcome to season 2015 and I hope you all have an enjoyable and injury free year.

See you at the footy.

**Peter Walter**

Junior Executive President

**MADE BY HAND.  
LOVED BY FOOT.**

## ROUND ONE

GLENCOE will be sitting pretty at the top of the ladder at 5pm today after it achieves the biggest victory of round one.

Hatherleigh will be sent back home with a low percentage as I expect the margin will be at least 40 points.

Without Joe Ferguson-Lane to marshal the defence, the Eagles won't be able to stop the ample firepower of the Murphies.

New coach Hooker Ransom will become the Honorary Mayor of Glencoe as his team will stamp its authority on the competition.

The clash at Tigerland is only of statistical interest as neither Tantanoola nor Port MacDonnell will feature in the finals.

Only a couple of goals will separate the Tigers and the Demons at the final siren and there will some quality footy played.

Nangwarry and Kongorong will be the big improvers of the competition this season and there will a tooth and snail battle at Hawk Park.

The Saints won't be disgraced but they won't win.

## PRE-SEASON CUP

I COULD not get to Glencoe for the pre-season cup a fortnight ago as I could not get someone to cover my shift.

I have never paid a lot of attention to the results of such contests but Kongorong would have been pleased to get a trophy.

By all accounts, most of the clubs were fair dinkum and most played their A Graders.

## GOOD FRIDAY

IT WAS a brave move by Robe, Mount Burr and the Mid SE to play a match on Good Friday at the seaside.

The club and league administrators copped a bit of flak for this decision.

The "early" Budget deadline means I cannot comment on the outcome of the match or how the day went.

It was my plan to be at Robe on Good Friday and I expected the visitors to win.

## THE SEASON AHEAD

GLENCOE are my pick to take out the

Mid SE flag in 2015.

The Murphies were unimpressive last season and the old excuses about injuries and player availability always get trotted out at such times.

This year will be different and I reckon they will be three times better with new coach Hooker Ransom.

Glencoe won just six games in 2014 but I reckon they will win 18 in 2015.

To do that, they have to win every roster round match (=16) and two finals (either the second semi and the grand or the prelim and the grand).

You can disregard the form of the Murphies in the pre-season cup.

I would hate to receive Hooker's summertime phone bill but he has picked up some handy ex-West Gambier players and enticed Tory Weaver back to the fold.

Ex-coach Adam Price is fully fit and I expect he will be named as skipper.

Glencoe is one of the wealthiest clubs in the competition and their many supporters are quite happy to dip into their deep pockets and buy a premiership.

## SECOND

HATHERLEIGH will be another of the big improvers this season and will reach the grand final.

With astute coach Fatty Skeer again in charge, the Eagles will jump from fourth to second.

The team has put in a solid pre-season, new assistant coach Brad Haskett is a prize signing and some ex-locals are back home from the bright lights of the city.

The younger of the Buckley brothers will be their main target in attack with the mosquito fleet responsible for many goals.

I just don't believe Hatherleigh will have the body strength and height to match Glencoe in the season-decider (or in the roster round).

## THIRD

KALANGADOO will drop from top to third after losing several top-quality players over summer.

The roll-call of the missing players is depressing for Magpie supporters and includes triple Mail Medallist Brian Casey, Andrew Stone, Mitch Lowe, Matt Doody and possibly

Michael Jones.

The black-and-whites rode the emotional wave last year with Ben Mules back at the helm.

They won't have that motivating factor in 2015 and I reckon they will go slightly off the boil.

## FOURTH

KONGORONG will be another team to impress this season and its four rung rise (from eighth to fourth) will only be bettered in 2015 by Glencoe (jumping from sixth to top).

Reappointing Tony Elletson as coach was a masterstroke and he will get 110pc out of his young team.

The Hawks will just scrape into the play-offs and will be several goals behind the top three.

Nonetheless, they will put the soft-as-butter taunts to rest as they will become a tight, disciplined and focussed unit.

They must not be tempted to overuse the ball but instead move it quickly into the forward line where John Simkin and Buckets Wright will do the rest.

## FIFTH

MOUNT BURR was the 2014 minor premier but it will miss the finals for the first time since 2008.

Mozza Murray moving to Adelaide and the retirement of Mullet Bevan has left a big hole in the Mozzie attack.

A couple of others have also left. Dowdy, Gallio and Agnew make a formidable on-ball division but the other 15 players on the field have to play their part.

I just get the feeling that the next Golden Era for Mount Burr is another few seasons away.

There will be the year when Glencoe narrows the gap on Mount Burr's lead in the overall premiership stakes.

## SIXTH

WHO knows what players will pull on a jumper for Robe in 2015?

Some past stars are on their way back while the paperwork for a few others is in the pipeline.

The return of Jim Jess is a big drawcard while Langers Bigmore, AJ Johns and Scratcher Neale are also on the coaching panel.

There won't be any miracles for the Roosters until the Friday Night Factor is curbed.

Expect solid improvement but no silverware.

## SEVENTH

NANGWARRY has been treated with contempt by some of the powerhouse clubs in the Mid SE as they have used their chequebooks to batter this struggling club.

The Saints have a lot of pride and will keep their thoughts to themselves about certain recruiting tactics.

When it comes to action on the footy field, Nangwarry players will show plenty of toughness and purpose.

They might not have the natural skills and talent of their highly-paid opponents in some other clubs but self-belief will win them some games.

## EIGHTH

THE massive cloud of dust hovering over Tantanoola for much of summer was made by players leaving Tigerland.

They have gone to all points of the compass including Mildura, Queensland, Mount Gambier and Millicent.

With such an exodus, Tantanoola will sink in the rankings.

Glen Gascoyne and Robbie Versace were their best forwards in 2014 and their absence will be hard to cover.

## NINTH

THE Demons took a long, long, long time to appoint a coach over summer and there have been rumblings from the Bay.

Port MacDonnell has a tradition of being a 'boom or bust' club and I think one phase has ended for the seashiders and another has begun.

If injuries befall some key players, a wooden spoon is likely.

If the Bay Boys get a good run in this aspect of the game, they might finish as high as seventh.

Losing the coveted Bruce Lightbody Memorial Shield at Kongorong this season will be a bitter pill to swallow for the Demons.

## ANGUS MCGREGOR TO PLAY 150<sup>TH</sup> GAME FOR DEMONS

TODAY Angus McGregor will play his 150th senior game for the Port MacDonnell Football Club.

He began his football career in 1995 following in his two older brothers' footsteps. He has captained the B Grade side since 2011 and has become a multiple premiership player.

Well done Angus on reaching your 150th game milestone.

## 100<sup>TH</sup> GAME FOR PILMORE

MATT Pilmore plays his 100th senior game for the Tantanoola Tigers today.

Matt, better known as 'Pilly', started playing for Tantanoola Football Club when his mother (June) and father (Mark) moved to run the Tantanoola 'Tiger' Hotel.

Pilly played his juniors at Tant and continued into the A Grade side.

Numerous knee injuries have hampered his career, however his determination has seen him become a very important part of the side.

He is a creative forward with very good hands and reads the play exceptionally well.

Tantanoola Football Club wishes Matt the best of luck in his 100th game and hopefully many more to come.

HELLO and welcome to round one for the 2015 Mid South East football and netball season. Time has flown once again and yet another season of footy and netball awaits us. Good luck to all teams this year and may we have a trouble-free year with lots of great games and good sportsmanship. Thank you once again to Andrew from Acky's Take Away in George Street, Millicent for sponsoring this column. Thanks also to the South Aussie Hotel and the South Eastern Hotel for their continued support of the panel.

We welcome a few new senior coaches to the ranks. Keith Ransom (Glencoe), Dion Dinnison and Craig Hicks (Nangwarry), Leigh Capewell (Port MacDonnell) and Fabian Bigmore and Jim Jess (Robe) (there may have been a late change at Robe) are taking over the reins for the new season. We wish them, along with the reappointed coaches, all the best for a successful 2015.

Two weeks ago we travelled to Glencoe for the pre-season cup and there were a few surprises in store as we had the bottom three clubs from last season fighting out for a spot in the grand final. Kongorong and Robe played out a very good final with the more accurate Hawks taking out the silverware from the seaside Roosters. Congratulations to all involved as the weather was kind and a good crowd was in attendance. Once again Benny Hill had the oval looking a treat and the new spectator facilities are almost complete. Seems Ben had a bit of a say in the design of the men's toilets as he

borrowed an idea from the MCG which means that a man can "do his business" at the urinal whilst looking through the window to watch the footy! Now that's forward thinking Ben!

Lots of weird happenings in world sport, not the least of which was the borefest (sorry World Cup of cricket) which took almost as long to complete as the Essendon drugs saga! Yes we did become world champions at the cricket but some of the early games were about as exciting as watching grass grow (or watching Clarrie running a 100 metre trial). A little bit of discussion has been had on how the Aussies handled the win and how they treated the opposition. I would personally rather see a little bit more humility from the Aussies but at the end of the day they are now top of the tree in the cricket world.

In umpiring ranks and once again Neil Webber has taken on the task of running the panel with fellow Port man Gavin Motley his 2IC. Once again we have had trouble recruiting new umpires but I don't think we are alone in that regard. If you have retired from playing or are perhaps struggling to get a game we would love to see you have a crack at umpiring. Give Webbs or Motts a call or drop in to training which is held at Glencoe oval every Wednesday at 5.45pm. Speaking of training and a couple of weeks ago the heavens decided to open up just as we were about to train at Frew Park in Mount Gambier. We headed for a gazebo but the cold wind and rain soon had us heading to Maccas across the road for a warm coffee! No new rules in umpiring for this season which is a very good idea.

A bad start to the year for teacher's pet Clarrie who was sent to Robe by Webbs even though his game was at Tantanoola! Oops.

Speaking of Tantanoola and it seems Michael Pink and Motts picked the right trial game to umpire at Tiger Land a few weeks ago. The weather turned feral with rain and a bitterly cold wind and the half time drink tasted a little stronger than the local water! What else would a good PORT man drink hey Motts? On Easter Thursday night yours truly had just settled down with the first beer to watch the Blues take on the Tigers in the AFL season opener when the phone rang and Chrissy Mules was enquiring as to what I was doing? Turns out The Doo boys had a trial against Penola at Vansittart Park but no one had arranged an umpire. So I found myself running around the famous oval on my own but it was quite an enjoyable game to umpire.

Over in the bizarre world of AFL and it seems we are destined for everything but the footy dominating the headlines. Thankfully we had some sort of ending to the Essendon farce (not guilty....cough, choke, mmmmmm) but before we even had that announcement two Collingwood players found out that too much Kiwi steak is not good for you. What on earth is going on? For God sake get off of the drugs and start playing football! Congratulations to the Crows who, according to the "Crowtiser", have won the 2015 AFL Premiership!

Last week Robe hosted Mount Burr in the Good Friday game and from all reports it was a successful day. Today we have the final three matches for the round and we are off and racing for another year. Good luck to all teams and may there be some great footy and netball played but more importantly may we see good sportsmanship prevail.

See you all at the footy and netball.  
Cheers, Cav.

## FOOTBALL

WELL where did summer go? It doesn't seem like 6 months since last season finished but here we are again ready to do battle in the 2015 season. I would like to welcome back everyone associated with the Glencoe Football and Netball Clubs and congratulate the Glencoe Tennis and Cricket Clubs for all your success over summer.

A lot has happened over the summer period around the club. Our stubby booth has been given a complete overhaul and a 'Viewing Room' and storage area have been added. It is a superb area from which to view our boys in action and also consume the odd frothy and snag.

What started as the vision of Justin Maloney, Matthew Crowe, Simon Paproth, Dasher Young, Phil Booth and others 12 months ago has now turned in to a reality and this area is a fantastic addition

which I am sure will be enjoyed by our members and sponsors for many years to come.

There are many people to thank in regard to this area and I cannot mention them all in this article but they will be thanked in due course. Special thanks must go to the Wattle Range Council and the State Government for their very generous assistance and to our 2014 major sponsor 'PTK' - Paul 'Scooter' Kuchel, Maloney Plumbing - Justin Maloney, Laser Electrical - Symon Paproth, Metalworx - Phil Booth, Matthew Jaeschke, Brad Gosden and the many others who have contributed in making this project the great success that it is.

Today we will be holding our Sponsorship Draw for 2015 in the Viewing Room at half time of the A Grade game. An invitation is extended to all of our valued partners and members to come and inspect our new premises and enjoy these great surroundings.

We would also like to welcome

Keith 'Hooker' Ransom as the Senior Coach for 2015 along with Mike Winterfield and Darren Beyer and their families. A huge welcome also to new players Joel Carter (Assistant Coach), Alan Kennedy, Steve Fennell, Adam Blom, Marcus McGrath, Liam Lock, Matthew Pohlner and their families to our club and Tory Weaver, Ben Morris, Josh Reader and Sam Auld and their families who are returning after time away. We hope you all enjoy your time at Glencoe and are all made very welcome.

Simon, Nathan, Pie and Fonz are continuing in their coaching roles from last year and will be all the better in their second year and I hope all players and members support and realise the amount of time and effort that is put in by our coaches and committee to enable our players to play their chosen sport.

We would also like to wish the netball club all the best for the coming season. The girls are just

as much a part of the Glencoe Club as the boys and we look forward to continuing our great relationship with you again this year.

A reminder to all that membership and players fees are now due. There are some great membership packages available so please see Craig Childs and Lyn VonDuve about becoming a member of your club.

I encourage everyone to take ownership of your club and put your hand up and actively participate in all you can for your club. We, like every other club in the MSEFL, exist and run with the help of volunteers and the more you put into your club the more enjoyment will come from it.

Please remember that success doesn't come without hard work and sacrifice. The more you put into something the more you will get back in return. We hope you have a great season in 2015 and be very proud that you are all part of the wonderful Glencoe Club.

## NETBALL

WELCOME everyone to season 2015! Time seems to have flown over summer and we are back today hitting the netball courts once again!

Glencoe hosted the Pre-Season Cup two weekends ago, which was a huge success. A big thank you to everyone who assisted in some way; there was plenty to be done but to our credit the day ran very smoothly and we finished off with a good semi-final performance on the court.

This year our committee has remained essentially the same: Cassie Edwards continues on

as our President, Deb Curtis as Vice President, Lisa Medhurst as Treasurer and Donna Jaeschke as Secretary, with the remainder of the committee being made up of Tammy Auld, Jacqui Cocks, Bonnie Rothall, Alyce Finnis, Donna Nankivell, Sharon Menzel and Laura Edwards.

The committee has been working hard over the off-season – as you will see particularly in the re-surfacing of both netball courts and surrounds. They look fantastic and seem to be playing well.

Senior numbers at selections were extremely high this year with lots of past Glencoe players returning and juniors coming up from 17s. Unfortunately, the same

cannot be said for junior numbers and, very disappointingly, we are unable to field a 17 & Under side this season with bare minimum numbers in the 15 & Under and 13 & Under sides (and space for more!).

Nevertheless, we are looking forward to a successful season, particularly in our senior sides where there seems to be a lot more depth.

Donna Jaeschke is again taking on the position of A Grade coach, this year in a non-playing capacity. Jessie Gosden is coach of the A Reserve, Bonnie Rothall in charge of the B Grade and Keryn Whibley taking on the B Reserve. Ashlea Edwards continues on as 15 &

Under coach with Bridget Trupp taking on the 13 & Unders, Naomi Mitchell running the Junior Ones and Angela Tweddle sticking with the Junior Twos.

Tonight sees the return of the Player Calcutta to the club and it would be great to see all players and supporters up at the club tonight supporting this event and hopefully celebrating a few wins.

Also an advance notice that next weekend is our first big social event at the club – a "Cowboys and Indians" night. Get your costumes ready!

Good luck to all the Glencoe football and netball sides for season 2015. Go the Murphies!

## FOOTBALL

WELCOME to season 2015!

2014 was a reasonably successful year at our club with 3 out of our 4 teams again making the finals in September. Our Junior Colts remained undefeated all year and went on to take out the premiership. Some very excited boys on grand final day! The Senior Colts did a terrific job making it to 4th spot on the ladder but out of the finals in the first semi. Our Reserves were unfortunately unable to reach the finals due to lack of consistent numbers and our A Grade scraped into the final 4 by a couple of kicks and out of the finals race in the first semi by a couple of goals.

Looking to 2015, Craig Skeer will again coach our A Grade and has

been working hard this pre-season with the help of new recruit and assistant coach Brad Haskett from Willunga in the Great Southern Football League. Fitness has played a key part in a successful pre-season with Brad taking on this role. Other recruits this season include players returning to the club Tyson Smith and Joe Rayson, Mark Cooper from the Kangaroo Island Football League and David Hodges from Unley in the SAAFL. Robbie Bowman will coach the Reserves side this year, Aaron Leopold will be coaching the Senior Colts, Nigel Brown has again taken on the Junior Colts coach's role and Matt Nettle takes on the future players of our club again this year, our Under 11s.

Graham Watson continues the president role while Josh Wight has stepped in as vice-president.

No other changes to the leadership with Kelly Brown as secretary/administration, Lorraine Faulkner as treasurer and Justin MacGregor as junior president. Without the support of our committee members, wonderful trainers, team managers and many tireless volunteers our club would not be as successful as it is so don't forget to give someone a pat on the back every now and then and ask if you can help in any way, every little bit of help counts.

Sponsorship, without a doubt, is a vital part of our football club and we thank all our sponsors who have committed to sponsoring the club again this year.

This season has started with much enthusiasm by the players and supporters of the club and we look forward to success in 2015.

Wishing everyone a successful,

safe and injury free year.

## Upcoming events:

Round 2 - Saturday 18th April: Calcutta.

Round 7 - Saturday 23rd May: Sponsors Day and 2005 A Grade Premiership Reunion.

Round 17 - Saturday 15th August: Major Goods & Services Auction

## NETBALL

AFTER the disappointment of only winning one premiership with five teams in the 2014 Grand Finals, we are looking forward to the challenge of going one better in 2015.

Some major player losses but we also have gained some great new talent to boost our sides.

# KONGORONG HAWKS

## FOOTBALL

TODAY we welcome everyone back to the home of the mighty Hawks after what seems to have been a very short break over the off season. After the success of the Senior Colts in last year's grand final, it is pleasing to see that most of the boys who move up to the senior ranks have committed and have put in their first full pre-season as a senior player.

We once again look to Tony 'Plugger' Elletson to lead our senior side as they continue to build to a consistent selfless side. This year Plugger will be assisted by new recruit Callum Hudson who has joined us from West Adelaide as playing assistant coach. They will be joined by other new recruits Paul Ellis, Karl Ransom and Kieran Wiestra as well as several players who have re-joined the Hawks after spending some time away from the club. Please make yourselves known to these guys and make them feel welcome.

Nick Ham has been trusted with the title of A Grade captain this

year and this is well deserved. Hammy is always the first to recommit to the club each year and leads by example with what he offers both on and off the field.

Dwayne Philips and Bryn Weaver will be Hammy's deputies and these fellas also lead by example.

Matt Von Stanke will lead the magoo's this year again and these boys will be looking to go a couple of steps further than last year and go all the way. Good luck to Matty and the boys.

Aaron 'Spotty' Harding will lead a new look Senior Colts side this year after over half of last year's premiership side made the transition to senior footy. The boys can learn a lot from Spotty and are starting to show this out on the training track.

Mark Kranz is once again at the helm of the Junior Colts side and once again doing a great job of teaching the boys how to play the game.

Graeme Dowie is running the Auskick – Mini Colts this year and looks to have great numbers of future Hawks at his disposal.

Good luck to all our sides in both the football and netball as we build to getting the mighty Hawks back on top of the ladder. We took a small step toward this goal by taking out the pre-season cup at Glencoe a fortnight ago. It was pleasing to see we achieved this with several of our senior players unavailable due to injury and work

commitments.

I would also like to thank our sponsors for their continued support this year, especially Robyn Johnson Engineering and The Park Hotel who remain major sponsors.

Hang around tonight for a meal and watch as we crown Miss Kongorong for 2015.

Carn the Hawks!

## NETBALL

WELCOME all players and supporters to season 2015. Thank you to all our sponsors, new and old, for their continued support.

This year we introduce Tanya Lowe as our A Grade playing coach. Along with Tanya, other new players coming into our A/A Reserve squad include: Sarah Eustace who is also the A Reserve coach and is returning to Kongorong after a year away in Adelaide; Pri Jennings, a dynamic centre court player from across

the ditch in NZ; Bree Fuller, who is a versatile player that could slot into anywhere she is needed; Sian Goodridge in defence and is returning to the club after a few seasons away; Emily Rayner from Millicent, a centre court player and is playing her first season out of juniors; and Nicola Batten is coming up from our juniors for her first season in seniors and plays in attack. All these girls along with last year's returning players have been working hard in pre-season on and off the court and this will show in today's opening round of matches.

B Grade have Hannah Attiwill and Aleisha Hunter as joint coaches this season. They are both past players of Kongorong and are returning this year. With their experience and knowledge of netball, I'm sure, along with the rest of the B Grade girls, will get a good taste of success.

Once again Monique Buckingham is in charge of the B Reserve. She led the girls to the finals last year but unfortunately they bowed out in the 1st semi. Let's hope they can go even further this year and play off for the flag!

Other coaches are: 17 & Under

Amanda Sealey; 15 & Under Belinda Allen; 13 & Under Julie Von Stanke; Junior 1s Callie Leese; Junior 2s Amanda Smith.

We are excited to see all teams hit the court this season and see what this season has installed for us.

Let's all get the season off to a ripper of a start, and celebrate at the club tonight. Come and watch the boys get dressed up and fight for the title of 'Miss Kongorong'. I'm sure it will be a site that may traumatise a few people but will be great for a lot of laughs.

Go Hawks!

## FOOTBALL

THE start of the 2015 season today sees the Saints facing a tough year in the Seniors with many players departing for a variety of reasons beyond the club's control but hopefully we can be at least competitive in many games.

On the field the Saints will be led by Craig Hicks and Dion Dinnison in the Seniors, while Vesa Virtanen and Adam Gartside are in charge of

the Seconds. The Senior Colts look like having their best numbers in many years and will be coached by Aidan Mills, while the Junior Colts have Luke Stewart in charge. Good luck to all our coaches for putting up their hand and helping the club.

Off the field Shane Ploenges is once again the President with Terry Bennier his deputy, while Larry Flamank is in charge of the bar.

Membership fees are now due and can be paid to Cheryle

Dinnison or at the Club Licensed Bar. Only \$15 with free weekly draws every Friday night.

Welcome to the players who have joined the club to help us out, while we appreciate the loyalty shown by the players who have stuck by us.

Today it's Kongorong with the Saints hoping to be competitive in all grades, so let's see all players have a red-hot go.

## FOOTBALL

THE Tantanoola Football/Netball Club welcomes all players, supporters and sponsors to the first round of the 2015 season.

Congratulations to the B Grade football, B & B Reserve netball teams for their premierships in 2014 and to all other teams that made it to the finals.

Jason Dawe is once again at the helm of the A Grade football team this year and will be assisted by Josh Peters. Together they have been working hard in the off season putting the players through their paces including a couple of trial games.

Nathan (Markey) Bell is in charge of the B Grade team this year and we wish him all the success as he returns to the coaching arena.

Adam Lindner, with the assistance of Scott Bowering, will lead the Senior Colts and Nathan Gore is once again coach of the Junior Colts.

The under 11 team is under the guidance of Ben Lawson.

Good luck to all coaches.

A lot of time and effort is put into game day and this requires assistance from many people. If you are approached to help out in any way - time keeping, boundary umpiring, goal umpiring - please put your hand up.

This year we are sporting new playing jumpers. These would not be possible without the support of our major sponsors - Holla Fresh, Fasta Pasta, Moreland Holdings, SMK Electrical, Infigin, Glendee Auto Repairs and G & J Reilly. Thank you for your continued support.

The netballers are also in a new uniform this season with a couple of new faces taking to the courts this season.

2015 will bring a new look to our teams with hopefully some success on the field and court.

Ali Pink is the canteen manager once again. The rosters are finalised and every member of the club has been allocated a task. If you are unable to fulfill your role please arrange for someone to assist you.

Our Social Committee are on

the ball this year organising events for the season. The first being the Calcutta tonight - get your syndicate ready as there are some fine players up for auction. The annual iPod shuffle commences immediately afterward with a dress code of anything starting with a T, A, N, or T. If you have not ordered your song it may not be too late to catch up with Talana today but you will need to be quick.

2015 membership is now

due - catch up with a committee member to become a member and support the club. The membership draw will start next Thursday. 'You've got to be in it to win it'.

The 100 Club tickets are also available from committee members.

Good luck to all football and netball teams throughout our Family League.

## NETBALL

TANTANOOLA Netball Club would like to welcome all our players, officials and sponsors to the 2015 football/netball season. We are pleased to have Kerri Lee Bromley back as coach of the A Grade and also taking on our 13/U team.

Jacqui Matthews, Brydie Merrett, Casey Arney, Alana Fensom, Casey Walker, Morgen Lindner, Tarrah Taylor and Janice Kelly make up the rest of our coaching panel.

After a great pre-season, we wish

all our coaches and their respective teams the best of luck this netball season.

We are extremely excited to unveil our new netball uniforms today against Pt MacDonnell. After much consultation and design changes, we are very happy with our final result. Thank you to the uniform committee and to Emu Sportswear.

We can not run our club without the support of our major and minor sponsors so thank you for your continued support.

Good luck and go Tiges.

# PORT MAC DEMONS

## FOOTBALL

THE PMFC would like to welcome new and existing players and their families for season 2015.

**Junior & Senior Colts:** Lockie Tilley, Ned Wilke and Wade Chant have been attending the Glenelg Football Academy over the summer, which runs over 12 weeks. The boys all played in a carnival held recently, where Lockie was chosen to take part in the side that competed against the Metro team.

The three Newton boys attended the SANFL's Maccas Next Step 2 Day Clinic in October.

Tim Sullivan has relocated to Adelaide to play at Glenelg. He

is also currently training with the U18's State Squad. The final selection for this team will be held later in April. The club wishes him all the best in his future endeavours.

Coaches for the 2015 season are for the Junior Colts Adam Lewis, assisted by Zack Williams, and Senior Colts Matt Roscow, assisted by Jake Turner. We wish them, their assistants and their teams every success.

**A & B Grade:** THE PMFC would like to welcome our new Senior Coach, Leigh Capewell. Leigh comes to us from South Gambier Football Club with a wealth of knowledge and experience.

The returning B Grade coach this

year is Matthew Fox, assisting him is Ben Creek.

And in off season news, we would like to congratulate Belinda Scott and Ben O'Dine on their engagement, Michelle and Alex Moore and Gus and Lisa McGregor on their recent weddings. And our condolences go out to the family and friends of Gary Milstead, a treasured Life Member of the club, who passed away recently.

Go Demons!

## NETBALL

WE are looking forward to the 2015 season, with the gain of a few new players along with our returning

existing players, which will make an exciting season ahead for the Port Mac Netball Club.

As we have been doing the past few season, our club goals are to focus on the development of our junior players, to ensure the future of our club.

The committee worked hard last season to bring the club morale back up and ensure our club is again put back into a great financial situation and is competitive amongst all grades.

Each team is well into pre-season training and we are excited about the year ahead and the future of our club.

All the best to the netball and football clubs for the 2015 season.

## FOOTBALL

WELCOME all to the start of the 2015 football season, we are all looking forward to the year with great expectations and wish the coaches Frazer, Dale, Armando, Maurie and Will all the best.

Please get behind these guys and help where you can as they do a fantastic job for our club.

Thanks to everyone who is on the committee, we have a big job ahead of us this year and I ask for everyone to support the committee where they can.

Thanks to all our fantastic volunteers for all the work you do around the club. I know this can be hard at times, however you are an integral part of the club and should always look back with satisfaction on the great job you do.

Best of luck to the netball club for the 2015 season, hopefully the A Grade can take the next step and play off in the finals this season.

Congratulations to Lisa on taking on the president role and to her committee well done and have a great season.

A big thanks to our sponsors, you are a very valuable part of this club and your help is greatly appreciated.

Thanks to all the supporters who continue to lead the way, great support continues to be the corner stone of our great club.

Have a great season everyone; let's make it a successful one and one we can be proud of.

**Mini Mossies:** The Mini Mossies once again have great numbers this year with between 15 and 18 players that are as keen as can be. We have a few new faces this year which is fantastic to see. The Mini Mossies will once again train on Thursday nights from 5pm. If any players have time then please see Justin and maybe take a training drill! Thanks to all the parents for your continued support, it's great to see, with the support we have I'm sure we will have another great year.

**Junior Colts:** The Junior Colts have two new coaches this year in Maurie Puiatti and Will Whitty and while the numbers were on the low side at the start of pre-season because of summer sport commitments, they have picked up in the last few weeks. The coaches have been pleased with the attitude and work rate of the players at training and believe quite a few players will show much improvement throughout the season as the opportunities come their way. Let's all get behind the Junior Colts and support the future of our club in any way you can.

**Senior Colts:** The Senior Colts started their pre-season early into 2015 with good numbers at training they are all keen for a big year. They are looking at taking

it a step further this season after being knocked out in the prelim last year. We have lost a couple of key players however we have kept the main squad in place and added a few very promising Junior Colts who will complement the squad really well. They have been training hard and now are itching for a chance to actually play a game and can't wait to tackle the Roosters. Good luck to all for the coming season.

**B Grade:** Well I would like to welcome everyone to another year of football and netball and all the best in all grades for the remainder of the year. I would like to welcome out the new players and old as we all know that without you we wouldn't have a club. Very excited with the potential we could have this year in the Reserves, just need people to train so we can be competitive for more than a half of footy this year. Hopefully we can start the year off with a win but most of all enjoy it. I'm looking forward to the challenge and getting the Reserves where they should be. Good luck.

**A Grade:** Welcome to another big season of MSEFL as we look to begin our 2015 campaign with a sterling contest against a much more determined and professional looking Robe outfit. We welcome Jake Dowdy from South Gambier to the green and golds. If you have not had the pleasure of welcoming

Jake to our club please introduce yourself at the next chance.

The 2014-15 senior pre-season has been a positive experience for all those involved including coaches, committee and players. The players' commitment thus far has been exceptional and we are beginning to see results on the training track. The players know that they must execute their drills and skills as we face a very strong Robe outfit. We are looking forward to the contest and are sure that a fast paced and highly skilled game will unfold. Finally, from the senior playing group we wish all football and netball supporters a safe and happy Easter and please ensure you take care on the roads.

After our game against Robe we have a week's break and play our first home game against Kalangadoo on the 18th of April. This will be our Calcutta night so please get your syndicates together and make it a great night. The 2015 social calendar will be set by our first home game so everyone has the opportunity to get sorted for the events throughout the year. We are having a major working bee on Sunday April 12th from 9am to get the club and surrounds ready for our first game, please make yourself available for a few hours in the morning and bring along the normal things you need for a working bee. Light lunch and drinks supplied.

## NETBALL

THE Mount Burr Netball Club would like to welcome new players and families to our club. Also welcome back past players, volunteers and supporters to the 2015 season.

The executive committee for the 2015 season are: Lisa Scott (President), Lara Clark

(Vice President), Paula Bowering (Secretary), Leah Puiatti (Treasurer) and Hayley Agnew (Assistant Secretary). Thanks to these people and the hard working committee for your ongoing support.

Congratulations and thanks to our current coaches: Deb Agnew – A Grade and 17 & Under, Lisa Scott – A Reserve, Paula Bowering - B

Grade, Ebony Clark – 15 & Under, Leah Puiatti – 13 & Under, Kate and Chloe Vanderhorst – Junior 1, Sarah Nieuwenhuizen – Junior 2, Kate Nowak – Junior 3.

We are excited to have new uniforms this year and thank EMU Sport for their support with this. Thanks also to KOMMA Media, KCA Millicent, Brad Tilley and Shanks

Engineering for supporting our club as financial sponsors. We would also like to thank all businesses who are donating vouchers as player rewards. We appreciate your support.

We wish all teams the best for the season, and look forward to many successes on and off the court.

## NETBALL PRESIDENT'S WELCOME

ON behalf of the Mid South East Netball Executive I would like to take this opportunity to welcome all players and officials to the opening round of the Mid South East Netball and Football for season 2015. Congratulations to all individual trophy recipients and premiership teams from season 2014.

Once again we will continue to work alongside Peter Mitchell and the Football Executive promoting the Family League, this is an integral part of the success of both netball and football as it assists to retain and gain players, families and supporters and strengthen our League/ Association as a whole.

At club level there have been some changes in the leadership roles and I wish all leaders the best for a successful season. It has been encouraging to see clubs working on player numbers with all bar one team being filled across all grades.

The Mid South East Netball Association AGM was held last November with some major changes to the Executive, with the retirement of long serving members Raelene Smith and Maureen Ey, the contribution from these ladies to Mid SE netball over many years has been invaluable and we thank them for their commitment, Vice President – Kathy Sporer, Secretary – Tammy Auld, Treasurer – Jacqui Cocks, Records Officer – Kylie Serle, Assistant Secretary – Jenna Pitt and Executive member – Bec Scanlon.

League Secretary Tammy Auld has been in contact with clubs on a regular basis, updating all on relative information over the summer and as in the lead up to our first match this week. She also ran an informative session for clubs on the Mynetball website early in March which clubs found beneficial. It is the responsibility of each club to make sure teams are listed before each game and are then corrected after each game and that scores are accurately applied. A reminder to club secretaries that league votes and score sheets must be in the first

post on Mondays.

Tammy has also organised both Development and Foundation Coaching Clinics for early in the season and with our squad coaches requiring accreditation this has become an important part of our program. Bec Scanlon has taken on umpire development which will once again include the Green Shirt program with a continuing focus on training umpires to attain B and C Badges.

The Pre-Season Cup was another successful event resulting in some very close games being witnessed. Thank you and congratulations to the Glencoe Football and Netball Clubs for providing a fantastic event. Congratulations to the Kalangadoo Netball Club for being victorious in the final.

Applications for coaching positions for Country Championships sides are being sought, if you are interested please contact myself or Tammy. Trial dates are Tuesday 28th April and Wednesday the 6th May at the Tantanoola netball courts, with juniors commencing at 5.30pm sharp and seniors at 6.15pm for a 6.30 start. We are looking forward to hitting the courts at ETSA Park in our new uniforms in June and encourage players to attend these trials.

Promotion of Association events begin at club level and board meetings are where we disseminate the bulk of this information, board delegates are asked to ensure this information is fed back to clubs as this will assure the smooth running of the 2015 season.

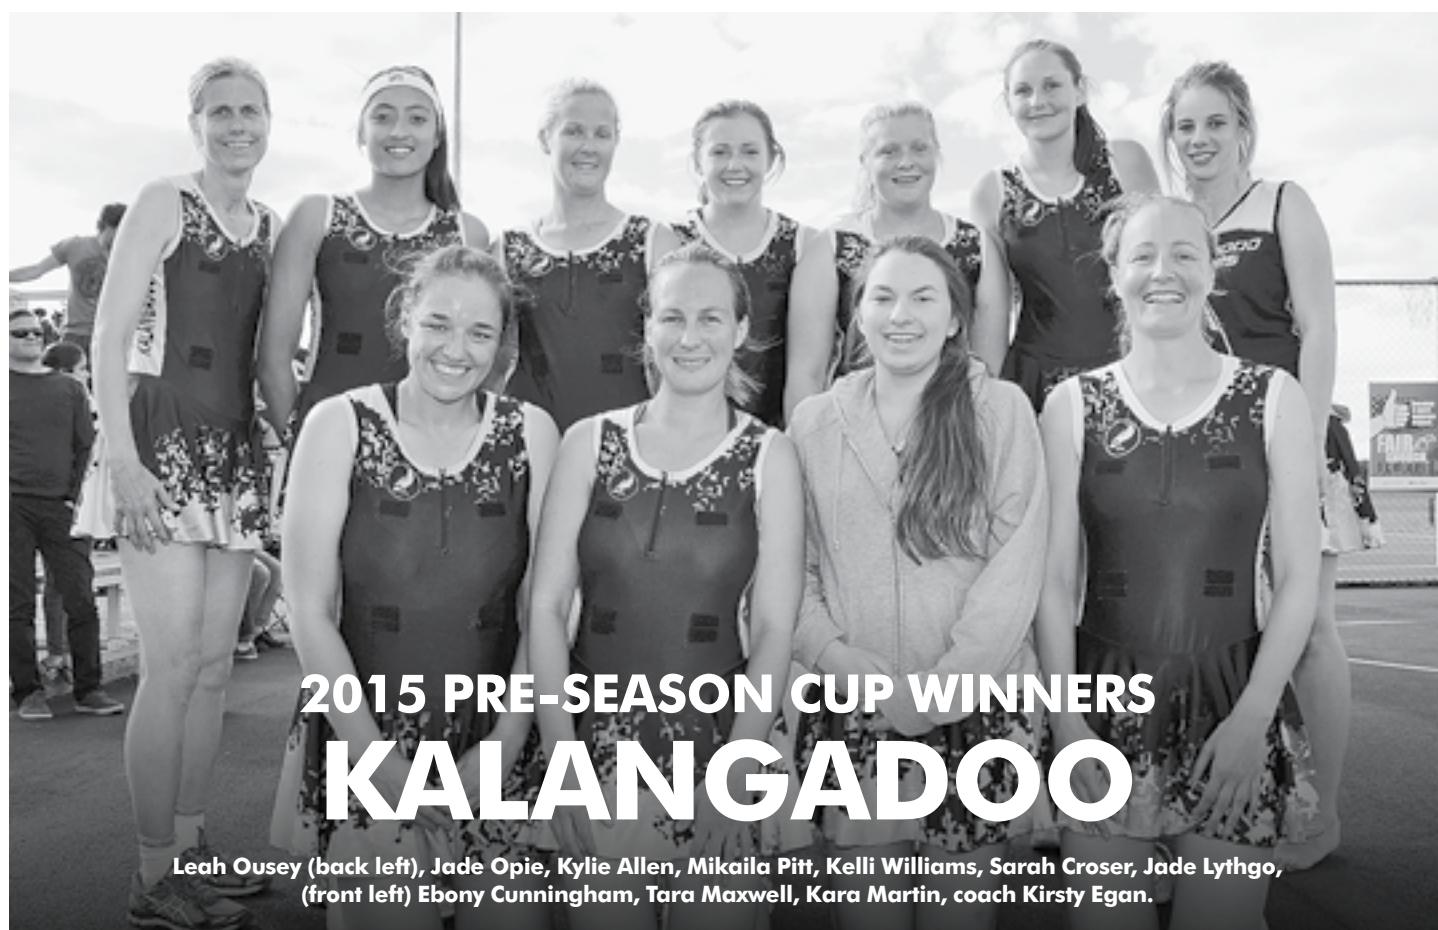

On behalf of the executive I would like to wish all football and netball clubs the best of luck for 2015 and I look forward to catching up with you during the season.

**Sara Gray**  
President  
Mid South East Netball Association

# PRE-SEASON CUP RESULTS

THE Mid South East Netball Association's Pre-Season cup was played on April 28th with Kalangadoo taking the honours on the court.

With most teams using the clash as an opportunity to try different combinations before cementing their A Grade side, it saw a number of different players and combinations trialled.

The sun began to shine after a cooler morning and play heated up, with the length of the day taking its toll on every team.

Many clubs displayed their junior talent that will get a run in the seniors ranks this year, which shows a promising future for the association.

After a number of round robin matches between two pools of teams the semi-finals were played between the top two sides of each pool.

Kalangadoo took on the in-form Glencoe side, while Hatherleigh faced Robe.

The result was a rematch of last season's Mid South East grand final with Hatherleigh taking on Kalangadoo.

The final hurrah was a close match however, Kalangadoo came out narrow winners.

Best players for the match were Kalangadoo's Ebony Cunningham and Hatherleigh's Kelsey Wight.

FAMILY WINES

C O O N A W A R R A

The DiGiorgio Family Wines in the centre of Coonawarra use traditional winemaking methods and extended maturation in oak barrels and in bottle (red wines) to craft wines which reflect their varieties, the place where they were grown and the DiGiorgio Family Philosophy that food and wine should be shared, savoured and celebrated.
