## SENIOR AND JUNIOR COLTS MEDAL COUNT PREVIEWS

WITH the season rapidly coming to a close our thoughts now turn to the finals and for the lucky ones who have made it to the final four, I wish those teams all the best of luck in their endeavours to get to the ultimate goal – a premiership come September. Our thoughts also can turn to league presentations and who may take out the league's best and fairest awards.

In the Junior Colts competition Robe has been the standout of the competition sitting at the top undefeated. Their likely top vote getters could come from Angus Weir, Edward Dutton and Terrence Wilfred. Port MacDonnell, like Robe are a very even team but those that have regularly been in their club best players are Zak Glynn, Adam Richards and James Bald. Both Hatherleigh and Kongorong have good numbers in their Junior Colts grade and having to regularly rotate a large playing group isn't an easy task and picking best players even harder. For Hatherleigh William Chay, Doug Treloar and Frazer Bradley feature regularly, whilst for Kongorong Josh Kranz, Trent Mahony and Alex Dethmore seem to appear frequently amongst their best. Mt Burr have been competitive with teams around them, struggled early against the top four sides, but found form at the right time of the year to push some of the top four sides in the second half of the year. Their leading vote getters are likely to come from Thomas Vanderhorst, Zane Hayward and Rhys Gamble. Kalangadoo whilst not having great numbers have a very talented group of players and their leading vote getters may be Tye McManus, Luke McIntyre and Leigh Redford. Nangwarry continue to improve each year and with good numbers in this grade it is a very positive sign for both the club and the league. Joel Virtanen, Nick Harter and Nathan Rowe should be in the mix for Nangwarry. Both Tantanoola and Glencoe have struggled for numbers during the year but with a very young playing group will continue to improve over the next couple of years. I would expect Alec Roberts, Kai Malseed and Matt Nelson from Tantanoola will be their club's leading vote getters, whilst for Glencoe Charlie Mallon, Will Maloney and Mark Arthurson should get their club's share.

The Senior Colt competition has been a relatively even affair even though Mt Burr has only lost the one game the premiership is still a wide open affair. Very much like the best and fairest count. Mt Burr has a number of valuable contributors across all areas of the ground and their likely top vote getters may be Dylan Vanderhorst, Liam Collyer and Tom Tukia. Likewise at Port MacDonnell another very even team with a number of top age players getting the opportunity to play senior football on a regular basis. I would expect Ned Wilke, Rhys Timms and Wade Chant to head the leaderboard for the Bay. Tantanoola and Hatherleigh seem to always be around the mark in this grade and Marc Roberts, Toby Pink and Stephen Moreland maybe in the mix at the end for Tantanoola and for Hatherleigh expect Jed Telfer, Brodie Fabris and Amos Seamer to feature for their club. Robe has had a mixed bag with player availability this year, but their core group of Alex Clements, Jack Sneath and Sam Altschwager will head up Robe's leaders this year. Kongorong lost a number of players at the end of last year and their early form had them in contention for a final four finish. Player availability and injury late in the season didn't help their cause but their consistent performers have been Phillip McInnes, Brandon Kranz and Cooper Sanderson. Kalangadoo and Glencoe whilst not blessed with numbers do have their fair share of talent. For Kalangadoo expect Sam McManus, Lachlan Farrugia and Conner Jones to be in contention, whilst for Glencoe William Cleggett, Patrick Mitchell and Dylan Pfitzner will be their club's leading vote getters. For McManus and Mitchell their regular senior playing commitments may be to their detriment in polling well in this grade. Nangwarry continue to field a side which is an outstanding achievement on its own. They have been very well served this season by Nick Rowe, Robert Hicks and Dylan Podobnick.

Who will take out the Malseed (Senior Colts) and Mansell (Junior Colts) Medals tomorrow? Only time will tell.

**Peter Walter – MSEJFL President**

WELCOME to the first semi-final in the mighty MSEFL and away we go with potentially one of the more exciting final series in years. Glencoe threw the cat amongst the pigeons (I think Bill Lawry invented that saying) last week when they defeated the Burr Boys to add some excitement to the finals. No disrespect to the Tantanoola guys but with the injury list looking longer than a winter at Carlton they may have struggled to come up with a full side this week. We can now look forward to four mighty finals with not a lot separating the sides. Maybe Jo and Fred (sorry I mean TVOR... bloody type writer) will get their wish, a Murphies flag! Over on the netball courts and the biggest question will be "can the Kalangadoo ladies keep on keeping on?" Good luck to all teams and umpires for a successful finals series. Good luck to the Mount Burr people for a successful day.

Last week yours truly joined Big Robbie at "Benny Hill" Oval for the big Murphies v Mozzies clash. For the home side the equation was simple. Beat the visitors and play finals. Before the game Tom Waterhouse paid out on the Burr for a win just as he has done for the Hawks winning the AFL premiership. What that? The Murphies certainly turned up to play on a fine overcast day but the Burr Boys played way below what I have seen for the last few years. If it were not for the efforts of Clint Gallio the Burr may have kicked a record low score. For the Murphies, Zacc Cocks once again proved why he is regarded so highly throughout the League.

It was a good hard game of footy played in the right manner by both sides and watched by a very good and vocal crowd.

Over in the conflicted world of AFL and Blues player Lachie Henderson parted ways with Carlton last week. The lad was open and honest about the parting only to be castigated by CEO Gillon McLachlan. Fortunately Lochie's mum put things in perspective in a radio interview and it is safe to say that McLachlan was lucky Mrs. Henderson didn't get hold of his family jewellery!

What about the 10 year old lad in the crowd at the Saints v Geelong game last week? Evidently he loves umpires and wants to become one when he grows up (there's a first Clarrie, someone who loves us). The AFL could do worse than replace Razor Ray with the lad although the young fellow appears to have too much common sense for the League to do that! Stevie J gets the "idiot of the year" award for failing to check his right hand rear vision mirror in the same game. Oh Stevie! In further news the VFL (sorry AFL... bloody typewriter again) will call for a Royal Commission into interstate teams if we end up with two preliminary finals in Western Australia and two WA teams in the grand final. If this happens standby for another change in the rules next season. In further shock news, Melbourne have announced that they will field their women's team next season. On current form the ladies may well take the lads to the cleaners if they played a competitive match!

Over in the cricket world and the Aussies decided to play for real in the dead rubber at The Oval. Great to see some old fashioned sportsmanship shown by the Poms as they formed a guard of honour to welcome Aussie captain Michael Clarke to the crease in his final game of Test cricket. Speaking of teams playing

dead rubbers and my Port boys finally showed some form and got some Hawk on their forks last week. The Cav phone went into meltdown and it's probably a good thing we are not in the finals as I only have one heart!

Congratulations to my old work mate Tina Smith who recently played netball game 350 for Hatherleigh. Hubby Reffo will be unbearable for the next few weeks as his beloved Richmond Tigers chase that allusive flag. If you get to play the Crows Reffo I will be rooting for you (careful Cav)!

True story. I went to the Ransom "Ponderosa" to pick up Robbie for training a couple of weeks ago. As Robbie was late son Izak offered to make me a coffee. He asked me how much coffee, sugar, milk etc and a few seconds later mentioned a teabag! I brushed this off and sat down to enjoy my coffee only to discover that there was indeed tea in the coffee! When Izak left the room I poured the coffee/tea down the sink! Robbie and Liz what have you done? A strapping young lad in his prime years needs a good young lady to teach him domestic things like making coffee. Over to you guys (and girls)!

Tomorrow the junior presentations get underway and then Monday night we all gather at the Millicent Civic and Arts Centre for the 2015 Mail Medal night. I would not be surprised to see Will take home the medal for a record fourth time, however being an umpire I probably have no idea! Good luck to all the guys and girls on the night.

Thank you to Matt Fox and Angus McGregor from Port MacDonnell and Zacc Dean from Robe for pulling on green shirts last week. That's it for this week. It promises to be a great final series so support your teams and have fun at the footy and netball. See you all next week at Nangwarry.

Cheers, Cav.

- 4 **Dane Paproth:** 6'5" tall, can take a very strong mark and very good kick at goal. Has made centre half back his own this season.
- 5 **Dylan Childs:** Young wingman/backman who continues to improve his game each week. Has great elusive skills and had some big jobs in defence this year which he has carried out really well.
- 7 **Tom Edwards:** Very skilful and elusive. Great running game with excellent disposal. Brings others into the game when he has the ball.
- 8 **Zac Cocks:** Club captain. Hard at it, in and under. His break away runs when he gains possession are a joy to watch.
- 10 **Adam Creek:** Hard at it on-baller/forward. Gives his all and does a lot of the hard work that goes unnoticed. The elder statesman of the team but has turned the clock back and been one of our most consistent this year.
- 11 **Kingsley Clark:** Extremely fit utility who can play most positions and can also tag the opposition's best players. Has great leadership qualities and a never say die attitude.
- 12 **Michael McRae:** Full forward who has kicked nearly 50 goals this season. A very good lead with good hands and a very straight long kick.
- 13 **Ricky Dalby:** Versatile small forward who is a great mark. Leads well and is an excellent kick at goal. Shows great leadership within the group.
- 19 **Nick Martin:** Very strong player who has great hands and a fantastic left foot. Can play at either end of the ground.

- 20 **Sam Giersch:** Young backman who has been in and out of the side this season. Very quick and reads the play well. Is primed for a great finals series.
- 21 **Ben Hentschke:** Has consolidated his place in the A Grade this season, mainly playing down back and just gets the job done week after week. Currently coaches the Under 17 side and has a very good rapport with the younger players.
- 23 **Edward Trupp:** Tall skinny defender in his first year out of Senior Colts. Has taken on some of the game's best forwards this year and rarely has his colours lowered.
- 25 **Josh Reader:** Ex-premiership player who returned to the club this year and has been a very consistent performer on ball. Gets in and gets the ball and never gives up.
- 26 **Joel Carter:** New to the club this season. Very talented and elusive whether playing across half back or half forward.
- 27 **Tory Weaver:** High marking forward who wows the crowds with his spectacular leap. Has had injury problems this season but should be cherry ripe for today.
- 29 **Matthew Kasparian:** Young ruckman who gives our onballers first use of the ball with his excellent tap work. Has led the rucks all year with great success. Has great skills and is as good down low as he is in the air.
- 31 **Clay VonDuve:** Hard at it and tough as nails onballer/forward. Loves to play in and under and is an excellent tackler and a great long kick.

- 33 **Max Kahn:** Elusive young forward who was given his chance this year by working extremely hard on the track. Has great skills and has a huge future ahead of him.
- 37 **Adam Price:** A great leader who is the toughest and most feared backman in the competition. Never lowers his colours and is the bloke you want standing beside you if you had to go to war.
- 38 **Hamish Medhurst:** Hard at it player with great leg speed and a fantastic tackler. Has had an interrupted year due to work commitments.
- 42 **Trent Hawke:** Tough onballer/backman with no frills. Plays the ball hard and never backs out of a contest. Gets the job done every week and is often under rated by spectators but never by his teammates.
- 43 **Alex Hentschke:** 6'4" centre half forward/full forward. Very strong in marking contests with a great pair of hands and a huge kick.
- 44 **Jayson Finnis:** Young, slight bodied player who has forced his way into the side with great form and usually gets the job on the opposition's small forward. Has come on leaps and bounds this year.
- 46 **Jason Bates:** Young utility who had injury problems for most of the season. Has managed to now string some games together and force himself back into the senior side.
- 58 **Patrick Mitchell:** Senior Colt who has played nearly every game this year in his first year out of Junior Colts. Has great skills, isn't scared and has adapted to senior football with ease. Will be very good.

# THE VOICE OF REASON

ZACC Cocks has achieved much in his 101 A Grade games with the Murphies but nothing will compare to leading his team to victory this afternoon.

You can pretty well disregard the minor round results as Cocks and his Murphies will advance to the preliminary final.

They will easily account for Kalangadoo in today's cut-throat first semi final at Mick and Jean Walker Oval at Mount Burr.

Glencoe are desperate and finals-hardened and this is what matters most in the major round.

The maroon-and-golds are chock-a-block full of talent across every line.

Man-for-man, they out-point the Magpies.

Matt Kasparian is one of the best ruckmen in the league and second only to Port Mac's Will Macdonald (who I reckon will win his record fourth Sunday Mail Medal at the Millicent Civic Cultural Centre on Monday night).

On the small oval, Kasparian will feed the runners like Cocks, Al Kennedy and Tommy Edwards.

They will have ample goalscorers in Alex Hentschke, Clay Von Duve, Tory Weaver and Mick McRae.

None of these players are alike in size or style but they all have the capacity to boot goals and lots of 'em.

Down back, the Murphies have a capable defence in greybeards Adam Price and Trent Hawke while Nick Martin and youngsters Dylan Childs and Edward Trupp are also very handy.

There is also a wealth of experience in such Glencoe players as Josh Reader, Kingsley Clark and Adam Creek and this will be vital as the club will be playing another three games in 2015.

The main threats to a Glencoe victory will be posed by the three Mules brothers, Alex Lyon and Anthony Kilsby.

This is just the 35th game of A Grade footy which Ben Mules has coached and compare that to Hooker Ransom with well over 200 A Grade games as coach spread over five clubs and almost three decades.

I just can't see Kalangadoo maintaining its winning minor round form into the major round against such a formidable opponent as Glencoe.

The Murphies are just three wins away from yet another flag.

## ROUND 18

Mount Burr players will be cursing themselves and so will be Tantanoola, Kalangadoo and Port MacDonnell.

By losing to the Murphies a week ago, the Mozzies allowed them to keep on to fourth spot.

As a result, Tantanoola missed the major round and the three other clubs will now lose to Glencoe in the coming three weeks.

As explained above, Kalangadoo will lose today, Mount Burr again in a fortnight and Port MacDonnell in the grand final.

The matches in round 18 went to script with the Tigers crushing the Saints, Hatherleigh winning well at Kongorong and Kalangadoo doing likewise at Robe.

## ACTION IN ADELAIDE

The Millicent Football Club has not had much to cheer about in 2015 but at least talented tall ex-Saint Mason Redman made his SANFL debut a couple of weeks ago with zone club Glenelg.

How are our Mid SE lads going with Glenelg in the SANFL?

That is a question which is often asked as we ponder the feats of Kongorong's Warrick McGinty, Port Mac's Tim Sullivan, Mount Burr's Brad Agnew, and Hatherleigh pair Luke Green and Tylah Saunders.

Glencoe's Lachie Medhurst is also playing in the SANFL at Sturt.

Of the SANFL group, McGinty is the most prominent as he embarked on his sixth season at Brighton Road.

The 198cm giant made his debut in 2010 and was elevated to the leadership group this season as a joint vice-captain.

Agnew battled to secure a regular place in A Grade and his strong work ethic has stood him in good stead.

He has just re-signed with the Bays for 2016.

The other Bay Boys are yet to make their league debuts.

Green, 18, has steadily made his way through the underage grades and put in many hours on the training track.

Saunders was the captain of the last Eagles premiership team in 2013.

The 25-year-old crowned his 2013 grand final winning season by claiming the prestigious T.R. Skeer Memorial Medal as the club's champion player.

Prior to heading to Adelaide, Saunders regularly featured in such representative

teams as the MSEFL, Murray South East and SA Country.

He came to the fore over a decade ago when he won the John Seebohm Medal as Best-on-Ground in the 2003 Junior Colts Grand Final.

As a 15-year-old a decade ago, Saunders had his first taste of A Grade with the Eagles.

In that season, he won the prestigious Malseed Medal as the best and fairest in the Mid SE Senior Colts competition.

Sullivan from Port Mac played in the State Under 18s last season but has been waylaid with a serious leg injury.

It should also be mentioned that Robe's Jordan Dawson is now at Sturt and played in the State Under 18 team in 2015.

It was just a couple of seasons ago that we had about five or six MSEFL players regularly in the league ranks.

McGinty was playing with SANFL zone club Glenelg alongside Kalangadoo's Ben Mules and Mount Burr's 2012 Mail Medallist Dylan Gamble.

Tantanoola's Tom Hateley was playing at South Adelaide through the father-son rule as his father Ron was a 200 gamer, Krukney cup winner and State rep with the Panthers.

Hateley (junior) is now a runner at North Adelaide.

Luke Panozzo began his footy career with Tantanoola and ended his time in the SANFL with Sturt in 2014.

In between, he played with Millicent and Glenelg.

Nick Pearce is another ex-Tiger who won league selection with Sturt in 2013 and is now with North Clare in the North Eastern Football League.

For the past 35 years or so, the MSEFL has been tied to the Glenelg Football Club.

Prior to this, South Adelaide had the South East as its country zone.

The Glenelg Football Club is currently assessing its records under the direction of club historian Peter Cornwall.

He was the co-author of the book "Pride of the Bay – the Story of the Glenelg Football Club".

The work of SANFL statisticians Mark Beswick, John Deer and Paul Eckermann has also been crucial in putting together a list of every Glenelg player.

Cornwall has made use of official club records, annual reports, yearbooks, newspaper articles and the SANFL

Football Budget.

The Tigers have had about 1,060 players since entering the SANFL in 1921.

Cornwall and co have stated the date in which each player made his senior debut.

As a matter of interest, current Robe player Nick Cane became the 1,000th player in a black-and-yellow jumper when he made his debut on April 15, 2011.

Here is a snapshot of some of the Glenelg players who began their careers in the Mid SE.

- Dylan Gamble, Mt Burr, 2013
- Brad Agnew, Mt Burr, 2011
- Warrick McGinty, Kongorong, 2010
- Ryan Gamble, Mt Burr, 2005
- Ben Mules, Kalangadoo, 2002
- Luke Panozzo, Tantanoola, 2002
- Nathan Kane ("Kaney") Bell, 2001
- Jon Copping, Nangwarry, 1998
- Josh Contin, Hatherleigh, 1997
- Trent Reilly, Hatherleigh, 1997
- Darren Mansell, Tarpeena, 1987
- Brett Deane, Robe, 1988
- Michael Bellman, Mount Burr, 1978
- John Seebohm, Mount Burr, 1978
- Merv Peek, Mount Burr, 1960

The list of Glenelg league players includes those who have played in premiership season games and finals, and also includes games in pre-season and other official competitions such as the Advertiser Cup, Escort Cup, Foundation Cup, League Cup, end-of-year Australian Championships and the then National Football League Cup.

These matches were counted by the SANFL as league games at the time and were counted towards players' provident funds, SANFL life membership and SANFL 200 Club membership.

In a portion of World War II, from 1942-44, Glenelg combined with West Adelaide.

The Glenelg-based players who played for West-Glenelg in those war years have been named in the Glenelg list, while West Adelaide has named the West-based players in its official players' list.

Players who were from interstate or the country and were balloted to or given a permit to play for West-Glenelg (like Test cricket all-rounder Keith Miller, who was from Victoria) are on the lists of both clubs.

Well done to the club historians for their work.

# FOOTBALL & NETBALL CLUB NOTES

## GLENCOE NETBALL

A WONDERFUL day against Mt Burr to finish off the minor round with wins in all of our senior grades and some great performances by all of our juniors. Thank you to each and every player for their efforts throughout the season. Thank you to everyone who has been involved in the Glencoe Netball Club this season. To Cassie and the committee for their tireless efforts, to Laura and Sarah for setting up the clubrooms each week, to Donna, Jessie, Bonnie, Keryn, Ashlea, Bridget, Naomi and Ange for doing a wonderful job of coaching our sides, to all of our scorers, timekeepers, team managers and to all of those involved in the Glencoe Football Club. We are a wonderful, family friendly club that is great to be a part of. Best of luck to our B Reserve side who are flying the Glencoe flag during finals today. Also best of luck to both our A Grade and B Grade football sides. You have all done our club proud just to get there and we are proud of you all. Give it your all and hopefully we can push forward a bit further!

**A Grade:** 53-45. Fantastic game to finish on last week. Finishing fifth was a wonderful effort and a credit to you all for a great season. Thank you to all of the girls – Sarah, Laura, Alyce, Ashlea, Jordy, Pinky, Bec and Ebony, you were all fantastic and all improved so much throughout the year. I loved coaching this side – we got along so well, had fun and played hard. Thanks to all of those who scored and huge thank you to Mum for being our team manager and most importantly Ruby's babysitter once she was out! Hopefully we can stick together and keep moving forward next year.

**A Reserve:** 55-39. Great way to finish off the year girls. It wasn't an easy task but we got there in the end. Thanks for a great year girls.

**B Grade:** 45-33. Excellent game girls – a great end to the season. The whole team played well for the four quarters. A great way to show how much we've improved during the season. First best to Brooke (DeGaris Lawyers award) for great driving at WA. Second best went to Emma for a great game in defence. Third best to Nic for great running at centre. Thanks for a great season girls!

**B Reserve:** 77-20. A great game to finish off the minor round. We were consistent all over the court, with turnovers at both ends. We are heading into finals next week and that consistency will need to be present if we are going to come away with the win. Best players: Maddi Klatt (Lake City Taxis award), Mel Kuhl and Ange Tweddle.

**15 & Under:** 24-30. Really good game girls! It was an excellent season where you all improved greatly. Thank you for being a great team to coach and listening to everything I told you and putting it into your game. Fantastic season girls! I hope to see you all out playing next season!

**13 & Under:** 11-71. Well done girls for a very challenging year – you all improved so much throughout. Considering we were only able to put out one game with all of our 13 & Unders. Every game we had a couple of

Junior Ones fill in, who adapted very well. We ended up having two wins for the year and improved against most teams in the second half of the year. I hope you all enjoyed your year and see you all back next year.

**Junior 1:** Well done girls. You all had a wonderful season and improved greatly throughout. There are certainly some very talented and promising netballers in this side and we look forward to seeing you back again next year.

**Junior 2:** Well done girls! What a great game to finish the season off. You all played well in every position that you were put in. I hope that you have all enjoyed the season as much as I have, we have all had a lot of fun, but I also hope that you learnt something as well. Best players went to everyone because you all rock!

## HATHERLEIGH FOOTBALL

**Junior Colts:** So go the best laid plans of mice and men, all week the planning had been for a tough game with the Hawks, we were third they fourth, win and we finished second, and the first semi awaited us. I woke up to a beautiful sunny winter's morning, then the texts started... one player vomiting crook, another text... 2 players, 3..., 4..., 5..., 6 players! Suddenly there were a few gaps in the magnets on the whiteboard. So our 21 players became 15. Anyway a great challenge for our remaining lads to really step up to step into the ring and have a swing. Kongorong lent us a couple of players (thank you) and it was siren time. The first quarter and we were fairly under the pump with the ball spending most of its time in the Kongorong forward half. We were a bit disorganised and the Hawks capitalised to bang on a couple and have plenty of shots at goal. Quarter time and we made a few changes and sent the boys back out. The Hawks had their tails up and by half time we were down plenty. Great efforts down back from Jack O and Spence battling bravely. The second half and we rallied and showed some steel with the mids getting on top through Cass dominating the hit outs to Doug and Frazer with first year Tommy in the guts as well. We managed to get a goal on the board and drew the quarter. The boys looked absolutely stuffed at 3 quarter time but Brownly called on them to play one more good quarter. The lads responded and we narrowly won the last quarter, but the damage had been done in the first half and we lost by plenty. The effort however was first rate and the lads showed a lot of character. Best players – First: Jack O was tough all day down back, kept competing, backing himself and stopped plenty of goals. Second best: Cass, dominated the ruck and ran down Hawks like a semi runs down roos. Third: Doug on the bottom of the packs, getting belted but kept getting to the contests and presenting. Fourth: Tommy G first year in the guts and showed no fear. Fifth: Frazer, had a little vom prior to going on and played feeling pretty crook, contributed and showed courage. Special mention to Jett playing his first game for the Colts. Coming up through the U11s, Jett ran hard, got plenty of kicks (nearly a goal!) and

never stopped smiling; and also to Zak Bowering from the Under 11s playing his first Colts game, and getting out there and giving it his all. So we face the Hawk boys again today at the Burr, it's win or dust off the cricket gear so go Eagles!

**Senior Colts:** With the dreaded gastro going through both Junior and Senior Colts and a few colts being rested with injuries cooperating with Kongorong we played a limited number game which seemed to work well. It seemed to open the game up and our boys moved the ball really well after quarter time. Good to see the likes of Angus, Hamish and Alex marking the ball strongly up forward. Lewis, Jed and Sam continued their great form giving us lots of drive through the centre. Harry Coote and Pat Fabris playing well in defence. Best players were Lewis Walker, Jed Telfer, Alex Buhlmann, Angus Altschwager and Sam Kent. After some season ending injuries to several of our key players and the twins soaking up the good weather in NT, I have all the confidence in the world that if the boys all play 4 consistent quarters of football we can get across the line with a win today. The side we have picked has a good mix of experience as well as some first year players showing good form lately. Best of luck to all others teams playing finals today.

**B Grade:** In our last game for the year we needed a few Senior Colts and fill ins to get a team together, this took the total players used for the year in B Grade to over 50! A big thank you to all who have filled in this year which has enabled us to field a team each week. Our last 3 games have been against the top 3 teams and again we were comprehensively beaten by a well drilled team preparing for finals. To the boys' credit we managed to score a couple of goals to Drissa and Dan Sutherland and win the last quarter. The backline had plenty of work all day and a couple of Senior Colts really battled away all day and showed that they are ready to make the step up to senior football next year. Thanks last week to 4 lads that played 2 games. Best players were Tom Pegler (Prince of Wales), Tom Waring (Somerset Hotel), Matt Childs (Millicent 4WD) and Nathan Stratford (Gino's). 1st Incentive Jason Bowering who was the only one to play every game of B Grade for the year and 2nd Incentive Tom Pegler.

Calcutta results: 1st Todd Watson, 2nd Matt Faulkner, equal 3rd Jack Sullivan, Brett Sneath, Jack Skeer.

## HATHERLEIGH NETBALL

**Junior 2:** A strong game to finish an awesome season. We are so proud of how you guys work together as a team. You always back each other up and keep it really positive. A huge thank you to Kathy, Sarah and Jill who have umpired all season for us. We couldn't have had such a great year without your help. A fantastic season with a beautiful and talented group of girls.

**13 & Under:** Well done girls! What an awesome way to finish off the year! You showed everyone how far each of you have come and we moved the ball cleanly and

fast from defence to attack without a problem. We were able to make some fun changes for the last half and allow our defenders to have a go at scoring the goals, much to Lucy and Zoe's delight! It was great to see you all play with a smile on your face and finish off the year well. Thank you all again for giving us the opportunity to coach such a fun group of young girls. Can't wait to go out with you all Friday. HFC Ladies Committee – Tess Doecke, Bank SA Drink Bottle – Zoe Widdison.

**15 & Under:** Wow it's hard to believe another season has finished. I would like to take this opportunity to thank you all for your commitment to the team. I've enjoyed watching you all grow as players and hope to see you all in the blue and gold next year. To all the parents, family and friends thanks for doing all those jobs that need to be done each week for the girls to take the court, whether that be supporting on the sidelines, scoring, timing, or being the PC. Many hands make light work so thank you. A big shout out to Millie Smith who polled highest for the MSE league votes, on behalf of the team I want to congratulate you for this achievement! Well done Mills! Although we didn't reach our goal to be playing finals I hope to see you all out there supporting our A Reserve and 17s in the next few weeks.

**17 & Under:** Great wins girls! It was a good team effort from all girls. It was good to see us increase the scoreline every quarter. We had some great movement in the circle from Abby, Halle and Maddie finding great space and finishing off with some lovely shooting. Ellie, Georgia, Sophie and Belle worked hard through the midcourt with some nice driving and precise passing into the goalies. Belle, Leila, Sophie, Bailey and Maddie played strong solid defence getting hands to many balls causing numerous turnovers with good controlled transition down court. Awards: Denton Sportspower – Halle Whittaker and Ellie Leopold, HLC – Georgia Gray and Bank SA Drink bottle – Bailey Hateley.

**B Reserve:** Sadly our last game for the season. The first quarter saw the ball transitioning smoothly down the court and the goalies amazingly shot accurately to see us in the lead by 4 at the first break. The 2nd quarter was a closer tussle, however Fee and Lucy in defence worked hard to create turnovers. Elle drove the ball out of defence and was a back up option. The attacks found it a little difficult to get into the goalies although they kept working hard to create movement. The wind didn't help at all. In the third quarter with more positional changes the lead was spread further apart. In the last quarter Tina went back into her favourite GD position (being her 350th game for the club) and proved her defensive skills. But going down 38-22 in the end. We have a lovely team of 10 this season and hope everyone has enjoyed it. Awards: Somerset to Tina Smith and HSR drinks to Fee Jackman.

**B Grade:** A good way to finish the season girls. All be it a little bitter sweet as each and every one of us would prefer to be playing finals. Captain Casey played a great game last week with well timed passing into the circle

earning her the Somerset award. The slight change up in our defence didn't pan out but was rectified in the last quarter. We thank you all for your "have a go" attitude you brought to your game when required to play an unfamiliar position. And to Frizey we wish you a speedy recovery. We would like to take this opportunity to thank you all for a fun filled season. A big shout out to Suzie Skeer who scored for us all year and to Tina and the B Reserve team who were always available to fill the gaps. Our slow start to get the points on the board certainly cost us this year. We hope you all enjoyed the season and hope to see you back out at pre-season next year. Congratulations to newby Lucy Cooper who was our top vote getter for the MSE league this year, well done Cooper!

**A Reserve:** The first half was a great effort, restricting Kongorong to 3 goals. Solid games by Maddie and Sarah once again leading from the front. Cate adapted to the 3 positions she played, understanding the need for some last minute changes leading into finals. Last week was the last game of the lead up to finals, the thing we have been striving for all season. We have the ability and the desire to win so let's all give this final series a real crack and strive for the ultimate. Awards: Millicent Chemist – Sarah Haines, Sport & Rec – Massie Redman.

## KALANGADOO FOOTBALL

TALK about a great day by the seaside with the Doo copping a trip to Robe for the final home and away of the season in near Pommy summer conditions to indicate a change to the seasons cannot be too far away, as wins on the day were split fifty fifty.

Another great day of footy with games played in excellent conditions with the sun shining and hardly a breath of wind and no rain.

The Junior Colts played the top placed team and did themselves proud but in the end the Robe team were too good. We matched it with them for skill and endeavour but they had more run and goal scoring options. We only had 15 players and the Robe team spotted up two players for each quarter and we thank them all very much for helping out and having a red hot go. Reece was the coach for the day with Darren being away. Reece asked the team for a big last quarter and they didn't disappoint. In fact for the last quarter there were two goals kicked by both sides with the boys and Lucy playing some great footy. Final scores were 9.13 to 2.0. Goal kicker was Luke McIntyre with two last quarter goals. Best players were Gaj Frost receiving the McDonalds award, 2nd best (Hungry Jacks award) Tyrone May, 3rd best (Video Ezy award) Tye McManus, 4th best (Subway award) Nathan Reilly who spent the last half in the ruck and did a great job, 5th best (Fasta Pasta award) Mitchell Varcoe and 6th best (Richie Rich award) Thom Jerome.

The Senior Colts match was an absolute ripper with it being one of the best matches the supporters have

watched all year. The skill level, intensity and endeavour the game was played at was great. We led for most of the match and had our chances to win but it wasn't meant to be and Robe won a nail biter by 5 points. Crouchy and I watched the last quarter from the car and Crouchy made the comment half way through the last quarter "we've got it now Ro". I don't think we scored a goal after that. Thanks Crouchy. Final scores were 12.8 – 12.3. Goal kickers were Liam Carlson with four, Stephen Just with three, Tye McManus and Ben Casey with two each and Adam Mulraney with one. Best players were 1st best (Krieger award) Adam Mulraney, 2nd best (Fasta Pasta award) Ben Casey, 3rd best (Thursday Night Teas award) Liam Hay, 4th best (Ladies Canteen award) Ben Stott, 5th best (Bakers Delight award) Liam Carlson and 6th best (Life Members award) Dylan McMurtrie.

Both games were played in good spirits and were very well umpired, thanks umps.

As always a big thank you to all our sponsors, supporters and our volunteers. Lastly, a reminder that the Junior Football and Netball Clubs are holding their presentation day on Sunday 13th September at the clubrooms. Lunch will be served at 12 noon and proceedings commencing at 1pm sharp. We look forward to seeing all players, parents, sponsors and supporters there.

Robe's Bees came out full of purpose as they unveiled their new recruit in the shape of Wombat. Wombats are particularly plentiful in this neck of the woods and the grand-daddy of them all donned the Rooster red and white, on loan for the day from the Doo, fully kitted out in jumper, shorts, socks and jocks. The home side came out full of purpose in the first term to have our boys under the pump, coming up slender leaders by two goals. Old mate Warren could have helped out the Rooster cause a tad more but his effort only managed a point. Going into the second the Pies picked up the slack somewhat to see themselves in front by seventeen points. It took until the second half before Jarred had his boys on song to gain a forty three point break going into the last. Wombat allowed himself the honour of kicking a couple of sausage rolls for the final club of his stellar career as the Doo boys finally stamped their authority on the game. Jarred's boys finished the season in fifth posy and a bloke is left to wonder what could have been but not for injuries and a resultant lack of endeavour. Best were Reece who continually booted the boys into attack with three goals, Tyson, Gully, Jesse, Matty and Emmsy who ended up with four goals.

Benny's boys knew that Robe were going to throw everything but the kitchen sink at them in the home side's final hurrah on their sponsor day. A day that heralded the unveiling of the Roosters' new SANFL approved sticks that will surely be put through their big test come granny day in three weeks time. Doo flag waver for the seniors in Gilly was most impressed reckoning that it will need an almighty kick over the sticks to confuse the issue with these big buggers. A few

of the Doo supporters were a tad confused as Robe did indeed find that kitchen sink and a couple of urinals to chuck at Benny's boys in the opening half of footy. Robe won the first seeing themselves to a handy seventeen point lead after getting the first inside a minute before Killa bagged his first followed three minutes later by a group of three from the home side. As the quarter rounded out Kreigs bagged one followed by another by a Rooster who was cockadoodle to be in with a chance. The tough encounter continued despite the Pies beginning to hit their straps as they added four to a single from Robe in the second. Killa found a solitary during this period as tensions mounted on his quest to become league senior goal kicker. Benny's boys went into the rooms having fought their way back to a slender point up. Robe were still full of endeavour in the third although you could see the Pies fitness beginning to take its toll on them as Killa found another four including a morale boosting effort on the siren to see the completion of the third quarter showing the gap now opening out to six of the best. Kriegs got the opening goal in the first minute as the result of a yellow card saw Robe short changed for the next fifteen. Of our five goal kickers for the term that saw eight goals added to a single from Robe, three of these came courtesy of Killa with his last at the eighteen minute mark gaining our dreadlocked champ the "unofficial" 2015 Mid SE leading goal kicker award with 78 (at the time of writing these notes). Well done Killa you champion. Young gun Kriegs also kept his tally gong with another four for a high of forty one for the season. Benny was named best along with little Bro Jonny, big fella Dallas who is having a stellar season, Banno, old mate Killa and James Davies. Special mention also to Killa's four legged legend Bucks Kilsby who got shanghaied by a group of Rooster players who whacked a Robe guernsey on the prized woofa and let him loose in the Doo rooms where he wagged his tail at his bemused master.

Ace seconds goal ump and former 1984 Rooster Gavin Rowe fresh from a sandgroper trip with his bestie Benny Who left the Robe party after the Bees, for a bit of a roll at the Robe links. The Who having invested a quid or three on a new improved set of balls, to have Gav a tad jealous.

Reports are in of prodigal son Brian beating 400 in the beep test to secure a firey job in Perth.

Fig sought safety in the Hatherleigh Hire Robe Sponsors tent after his bro, The Silver Fox and himself were shat on from a great height by local Johnathon Livingston Seagulls. All was well but after Pres Mister B Jaw drew out Benny's winning wood number.

Change of key personnel saw Swannee Opie back rubbing eucalyptus oil (do they still so that?) and Gilly spending the day at the seaside waving flags, with Carlton groupie Feathers back in the Doo crook.

Westy, our champion Bee boy looked the part in his high vis jumper as he appeared in the Watch accepting an invite to Wolf Creek from true blue Aussie John Jarratt.

My missing reporter Crouchmeister did a boomerang for the final home and away reporting that Fig checked out the balcony view from room 7 of the Robe pub.

Chandeline's taxi operated a six pack shuttle service to Beachport with Benny leaving baggage in said taxi.

Jarrad wowed the Robe crowd and his assembled Doo groupies, league leading goal kicker Killa and his 'cuz' Jarrad Kilsby did a fine rendition of 'Khe Sahn'. The Meister was most impressed.

The Doo resident basketballer cum footballer Dallas achieves his 50th for the Magpies today. A great career choice for both parties. Well done big fella.

Teas back at the Kdoo Hilton tonight. Keep the Black and White Ball in mind come seasons end.

Thanks to Rohan for his weekly contributions of the Junior notes.

## KALANGADOO NETBALL

GOOD luck to all teams going forward and playing over the coming weeks, we wish you all luck and hope that you enjoy the experience of playing in finals and represent the club well.

And we would again like to thank all our sponsors for the 2015 year being: Muffin Break, Collars & Cuffs, Gambier City Chem-Mart Pharmacy, EMU Sportswear, Penola Recycling, Penola Takeaway, Penola IGA, Lynch Financial Group, DK's Coffee, Federal Hotel, South Aussie Hotel, Metro Café, Fasta Pasta, Wendys, Red Rooster, Subway, RSL, Margaret Street Meats, McDonalds, Hungry Jacks, Civic Video, Active 8, Glow Body & Brow Studio, Malony Markets and MGA Insurance.

**Junior 2:** What a fabulous last game at Robe, all of the girls have improved so much this year it was awesome to see! A big thank you to all the parents that bring their children out to play and learn netball skills and also the outstanding sponsors that donate vouchers or gifts each week. I hope to see you all around next year as well as hopefully some new players. Awards: Rachel Jerome, Emma Jerome and Brydie Lewis.

**13 & Under:** Well done to all of the girls for playing well with a different coach! Keeley and Shayla stepped up and played half a game in goals each and both combined well with Jess Solly. Well done to the defensive end with Jess Stone, Chelsea, Emmason and Alex all working well together to get lots of stops and hands to balls. Thank you to Sophie for sitting bench and helping out and also Judy for helping me with my first attempt at coaching. Lynch Financial Group award: Chelsea Croser, Fasta Pasta award: Emmason Isley.

**15 & Under:** We started strongly with great defence all over court, movement through the mid court and feeding into the goal circle, unfortunately however due to Robe's tight checking defence the rest of the game did not go our way as there were a lot of running away from the ball instead of leading into the space which caused crowding and that along with some bad decision

making with our passes enabled them to push out the lead as the game progressed. The defence line of Isobel, Georgia, Lucy and Chelsea battled hard all day getting many hands to balls and creating turnovers which we need to ensure we look after going forward into the finals series. Awards: Isobel Giddings and Lucy White.

**17 & Under:** Congratulations girls on finishing as Minor Premiers for 2015! Now we just have to take it that one step further. It was a great game to finish the minor rounds on. All players, even those that were sick, gave it 110% which was great to see. Once we started to be more patient it was easier to get the ball down the court and we limited our unforced errors. Georgia ran hard all game in C and her defensive pressure created many turnovers. Jazzy and Jade were at their best in defence and will take their great form into finals. Sarah was once again the focal point in the goal circle and was very consistent. Gambier City Chemmart award: Georgia Hunter, Fasta Pasta award: Sarah Croser.

**B Reserve:** In what was a close game for the entire match you girls only went down by 4 goals in the last few minutes. Robe managed to convert turnovers when it counted. Best was Jes and Felicity in defence who worked hard for the entire game creating numerous turnovers. We had our chances to take the points but just fell short at the end of the line. Awards: Felicity Dowdell and Jes Cook.

**B Grade:** A bit disorganised but it was the win we were after. As usual we started well but lost a bit in the third and fourth. Fitness is still lacking and our feeding and passing let us down. Jamie pulled a solid performance with lots of strong drive and great intensity. Rhianna fought all game for her space, while Jess played consistently and Ashlie had a great game with a lot of intercepts, but like a lot of us struggled to convert our hard work. We need to lift and be ready for a tough game. Work at 100% all game for the finals. Thank you to Judy for always scoring and making my job a little easier throughout the season. Awards: Rhianna May and Jess Kilsby.

**A Reserve:** A great way to finish the minor rounds with a great game by the whole team. Jade stood up in the defensive end in the absence of Narelle and listened and took instruction well creating numerous turnovers and combined well with Jazzy that was able to play half a game. Ebony also had a really strong game making plenty of space where needed and supporting all those in the attack line, while Tara's tussle was great to watch and see her give 100% all game. Let's now focus on what we have been aiming at all year and make sure from here on in we play as a team, support each other and give our all till the final whistle goes. Fasta Pasta award: Jade Lythgo, South Aussie award: Ebony Cunningham.

**A Grade:** A strong performance from all players against Robe last week to finish out the minor round! Jade Opie got her hands to lots of balls and took some great rebounds, whilst at the other end, Sarah and Jenna

combined beautifully and shot accurately. Thanks to Kara for sitting bench and Jade L for coming on and playing a great game after Miki went down with an ankle injury and we hope Miki has a speedy recovery. Body Glow award: Jade Opie, South Aussie award: Sarah Croser.

## KONGORONG FOOTBALL

**Junior Colts:** The last round of the year was at our home ground against possible opponents for the first final. As mentioned the week before, we were keen to show to others that we have improved enormously over the year and this was the game to show it. Unfortunately, the dreaded bug hit some of the players from Hatherleigh, so a big pat on the back to Joe, Xavier, Hamish and Alex who went over and helped out so we could field full numbers on the field. To all the boys that have donned opposition jumpers this year, I commend you by the way that you have done this without any issues. So after some very late second changes we were underway and started off extremely well kicking 6 goals to half time without Hatherleigh scoring. Best on ground was Brayden Olds who showed what he is capable of, taking some great marks and bringing all of our forwards into the play. Second best went to very consistent Josh Kranz, showing his high fitness level by covering all of the ground and he also chipped in for a great goal. Our ever reliable Will Vickery who often does not get noticed was again fantastic by controlling the backline and running off and delivering the ball well back to our forwards. 3 goals (could have been more) to Aaron Shepherd showed his exceptional pace and how dangerous he is to the opposition. 5th best went to Bryce Redman who was up against a very good opponent, he never gave up and showed fantastic workrate around the ground. Kaidyn Weber rounded out our best players, he is playing way above his age and is so exciting to watch. There were many others to mention as it was very difficult to pick out 6 of them, which is very pleasing for the team. Award winners: Green Triangle Electronics – Bryce Redman, Club Tea – Kaidyn Weber, Subway – Brayden Olds, Video Ezy – Lachlan Smith, Smith Family – Hamish Allen. A huge thanks to Susie as my Team Manager, which is the most important job for any team. Graham Dowie has been a massive help this year as assistant coach and team runner. I'll also mention Chris Smith for filling in sometimes at short notice, it is much appreciated. A big thanks to all the parents/guardians who have assisted the boys throughout the year, I hope that we are able to show you what we are capable of and reward you for your efforts. Congratulations to all teams in the finals.

**Senior Colts:** Last game for us for the season, seen us confronted again with a shortage of players with only 12 available. Again, thanks to Hatherleigh lending us enough boys so we could finished the year with a competitive game. Best players were Jared Neshoda, Brandon Kranz, Michael Deanfield, Cooper Sanderson, Nathan Farrell and Brody Moy. It has been a tough year for us but we can hold our heads up high by being very competitive for a majority of the year especially with a bulk of the players new to the club having not played with each other. There is another high quality mix of boys moving up to senior footy next year, adding to the talented pool of young players that the club already has. We wish you all the best and thank you for your support of junior footy at the club. Massive thanks to Spotty for all his time and effort this year in passing on his fantastic footy knowledge to the boys, which I'm sure they are truly indebted. Thanks to Terry for taking on the Team Manager role and to all parents/guardians, Junior Colts and volunteers who have supported the boys in a relatively tough year, it is greatly appreciated.

**B Grade:** A good way to end the home and away season with a win at home. Hopefully we can carry that form into the finals. Sean Farrell (Park Hotel) got the nod as best with a solid four quarter effort (again). Michael Deanfield (Park Hotel) played another ripper. Tom Glynn (Collins Court Butchers) didn't let much past him. Marty von Stanke (Club Tea) is working into some good

form at the right time of year. Nath Farrell is another junior putting his hand up regularly, and is a consistent contributor. Curtis Schiedl got back into the swing of things in the middle, and around half back, and always makes a huge difference in our side. A huge thanks to our sponsors, volunteers and supporters for getting behind the lads each week, it certainly is appreciated.

**Seniors:** Tough year but one that should be looked back on as a stepping stone to better things. It is very rare that a side has more than 12 players almost every week that are 20yo or younger. For a lot of the year we had 1 maybe 2 players that were over 25. These aren't excuses just a fact. Good teams have a mix of youth and experience. The fact that we were so competitive in so many games seemed to be overlooked in some circles and seen as a failure. The bigger picture is that the club now has a solid group of players that with some added experience could become a very strong team. Players have learned lessons about what to do in certain situations and the level of commitment required to be successful. It is hard to be patient when success has not been forthcoming over a long period of time, but the only quick fix would mean dollars and what that does to a culture is debatable. I want to extend a big thanks to Mark Kranz, Dave Boyle, Rob Baker, Mandy and Dave and anyone else who has helped out on match day or during the week. Callum Hudson has been an outstanding assistant and friend during a tough year. Even allowing for early morning phone calls. Spotty and Matt Von Stanke have also been a great support and have done an outstanding job of coaching in their own right. All the best to those sides in the finals. Cheers, Plugger.

The club congratulates the B Grade football, Junior Colts football, B Reserve netball and 15&U netball teams for making finals. All the best and let's bring home the silverware! Carn the Hawks!

## KONGORONG NETBALL

**Junior 2:** We had good moments and not so good but it was great to finish the season with all girls hitting the court. You all have started to really take to the loose passes and get in the middle of the big loopy passes for the intercepts. It has been a pleasure watching you all improve in your own ways each week. All players received a McDonalds award.

**Junior 1:** Another tall team last week but we put lots of defensive pressure on and were able to get a lot of intercepts thanks to Charity. We only managed to convert 4 goals for the whole game but the play was continuously moving back and forth from end to end. Awards went to Makenzie (Fasta Pasta) and Issy (club tea). All players were also awarded a McDonalds voucher.

**13 & Under:** Excellent game girls. Fantastic defensive pressure from Ebony, Maddy S and Georgia, with some great offensive play from everyone else at our own end. It would have to be one of our top 3 games for the year and you should all be very proud. Hopefully we can keep the momentum going forward for next year. Congratulations on a great final game for the year. Awards went to everyone as everyone did very well, with best players Georgia Bald and Maddy Sutherland (Kongorong Sportsmans Club).

**15 & Under:** Great result girls, and what an awesome finish before we head into finals. You should all be very proud of yourselves to finish off the minor rounds in style. Good luck in the finals!

**17 & Under:** A big thank you to all the 15 & Under players who have filled in for us throughout the season, and to Soph for playing and Jess, Amber and Brit for benching. I have appreciated the efforts of all my girls this season with their never give up attitude, just disappointed for you that we didn't get a few more wins on the board. Maybe next year is your year, all the best.

**B Reserve:** Congratulations to Bel and Hannah on your 450 games! It was nice to finish the season with a win – let's keep this momentum rolling for this week. Special thanks to our cheer squad (led by Rob) and particular thanks to assistant coach Adam and our super

scoreman Dwayne for being there each week for us. Good luck to the 15&U this week in the finals too!

**B Grade:** Great game to finish the season off girls! Unfortunately we didn't come away with the win but we certainly gave it a good go! Aleisha and I would like to thank you all for your persistence and dedication throughout the season. We didn't get as many wins as we would have liked but we did get very close and put the wind up a few of the stronger teams. Let's finish the season off with a ice cold drink and we'll see you ALL back next year.

**A Reserve:** 19-47. Tough game girls. Thanks to all the volunteers and benchers throughout the year. Great effort from our girls all season, we have had a rocky start with injuries and illnesses, holidays etc. etc. but we have come out strong in the end. Best: Bri Fuller and Nicola Batten.

**A Grade:** Great to finish the year with our full side – great driving by Pre. Great defence by Kaylah and Sarah combined well together after many games being apart. Not the end we wanted but look out 2016.

**Other items** (milestones, social functions etc):

Sophie Modra – 50 games: Sophie started playing netball at Kongorong in the J2 team and played the 2009 and 2010 seasons. She played J1 for the next 2 years but also played 13 and Under in 2012. In 2013 she played 13 and Under, taking out runner-up best and fairest at the end of that year. Last year she had a dream year in 13 and Under, taking home the club Best and Fairest, winning the Highest Junior League Votes and taking out the League Runner-Up Best and Fairest. 2015 sees Sophie playing 15 and Under, filling in for 17 and Under and looking forward to playing finals. Congratulations on making it to 50 games Soph.

Hannah Goodridge – 200 games: Our records begin for Hannah in 2000 playing 13 and Under and winning the Coach's Trophy that year. She again played 13s in 2001 but took out the Best and Fairest at the end of that season. In 2002 and 2003 she played 15s winning the Coach's Trophy in '03. Hannah played 17s in 2004 and 2005 winning Runner-Up Best and Fairest both years. She stepped up into seniors in 2006 into the B Reserve team winning Runner-Up Best and Fairest. 2007 saw Hannah promoted into the B Grade team winning the Best and Fairest and the Coach's Trophy. In 2008 she played A Reserve and 2009 she played B Grade. 2010 saw Hannah back to the B Reserve winning the Best Team Player award at the end of the season. She had a break from the club and returned in 2013 to the B Grade team and last year she played in the B Reserve team. Hannah is playing in the B Reserve team this year and looking forward to playing finals. Congrats Hannah!

Belinda Allen – 250 games: Our records begin for Bel in 1992 playing in the 15 and under team where she also played in the same grade the next year. In 1994 she stepped up into 17 and Under. Bel had some time away from the club to get married and have kids, and returned in 2004 into the B Reserve team. All Bel's senior netball has been played in the B Reserve team which she has been a strong contributor in defence over the years. She has played for the last 11 years having only one year off in that time and has been lucky enough to play in finals

# FOOTBALL & NETBALL CLUB NOTES

and premierships. In 2005 she played 100 club games and took out the Best and Fairest trophy. In 2007 she won the Best and Fairest and took out the Most League Votes. Bel played 150 club games in 2008. She won the Runner-Up Best and Fairest in 2009 and in 2010 she had a year off. In 2011 she co-coached the J2s as well as playing. 2012 saw Bel play 200 club games and win the Runner-Up Best and Fairest. Last year she took out the Runner-Up Best and Fairest trophy and this year sees Bel playing and stepping up into the 15 and Under coaching role. She will be looking forward to coaching her girls in the finals and also playing in finals in the B Reserve team. Congratulations Bel on playing 250 games.

## NANGWARRY NETBALL

NANGWARRY Netball Club is proudly sponsored by Chemist King, GJ Gardner, Noel Barr Toyota, Steeline, McKinnon's Affordable Mowing, UFS Chemist and IGA Penola.

**Junior 2:** Great end to the season girls. Thanks Tant for lending us a player. It was a friendly game and a great way to finish off the season. See you all next year.

**13 & Under:** Well thank you girls for a great season. We finished the season with 6 wins and that is all a coach can ask. We had an array of talent – some netball, some beauty and some comedian which made for an interesting team and year. Our last game wasn't our best but it did show each and every girls improvement. Best players for the final game were Gemma and Nat! I hope you all come back next year and give it another go. A few more wins and you could make finals!

**15 & Under:** Thank you to five of the 13&U girls for playing last Saturday. We wouldn't have been able to play and all through the year without you girls. I hope you all have enjoyed playing this year as much as we have enjoyed coaching. Also a big thank you to Amanda and Tracey for all your help this year. See you all next year. Best players were Hailee Barnes and Gemma Johns.

**17 & Under:** What a way to finish the 2015 season! A 1 goal victory! It was a fantastic team effort with everyone doing their bit to secure our final win. Abby Whitehead was outstanding at centre. Her passes into Brooke Holmes and Tayla McKeon were exceptional. Best players were Abby and Tay. Congratulations girls. It has been my pleasure to coach you girls this year. See you all in 2016.

**B Grade:** Well! I don't think I need to say much about the game. We had a great first half with a convincing lead. Then we all switched off. I think we all know how disappointing the last half was. We rushed our passes, there were no names on the ball, and we made a lot of silly mistakes. Let's train hard and work on doing the little things well. We have what it takes to win the flag, we have proved this throughout the season. We just need to play our own game and make the most of our possessions. C'mon girls we can do this.

**A Reserve:** Not the way we wanted to finish and I

hope Carly has a speedy recovery. We have had some good games this year and some not so good, but once again we have improved this season. We dropped off a bit when we lost Sim but had many great quarters. Thanks girls for you dedication this season. It's been most enjoyable and thanks to my helpers this year, Sue, Dave and Amanda. Let's enjoy the end of season with presentations and the netty trip. Hope to see you all next season.

**A Grade:** Last game girls, well done. We again had passages of good play with defence working overtime against a very quick attack line. Cassie, Kayla and Suzy managed to get hands on numerous occasions. All the best Cassey, hope the injury is ok and good luck in the finals. Thanks Fiona for umpiring and to all the 17&Us who have filled in every week. Thanks for your effort. Look forward to seeing you all next year. Best players were Cassie Dinnison and Kayla Gray.

## PORT MACDONNELL NETBALL

THANK you to all the ladies who donated bras for charity, the response we got was amazing. I would like to congratulate all the Port Mac netball teams for their efforts this season. I hope everyone enjoyed themselves and hopefully we can see you all back in 2016. To all our sponsors, thank you for your support each and every week. It's greatly appreciated.

All the best to all the football and netball teams who have made finals. Hopefully we can come away with a few wins, but either way it is a great achievement to make finals. All the best over the next few weeks. Go Demons.

**13 & Under:** A fantastic way to finish off the season. Unfortunately we've just missed out on playing in finals but you should all be very proud of yourselves. Each one of you have improved throughout the season and it would be great to see you all back next year. Thank you to all the parents and families for your continued support throughout the season with scoring, timing, helping in coaching and general support on the sidelines. It's very much appreciated. And a big big thank you to Megsy for your assistance all season. Good luck to all the Bay teams in the finals.

**15 & Under:** 62-24. Wow what a way to finish off our season, well done girls – awesome game. You should all be really proud of the improvement you have shown throughout the season and everyone showed it by playing so well and gave 100% all game. Thanks to Rilz for stepping up to be our eighth player this season and Tanna and Keish for benching every week. Best players were hard to pick. Hanna Fry applied pressure all game and had hands up over every ball which resulted in numerous turnovers. Keisha Facey stepped in to WA and showed patience with the ball feeding beautiful into goals and applied pressure in our centr third. Shylah Fosdike gave it her all for the entire game, all down the court creating so many turnovers. We'll done girls, it's been a pleasure coaching you all.

**17 & Under:** Great game to finish the minor round girls. There were a few hiccups to begin with but you stood strong and fought it out to the very end. I couldn't be more proud. Goalies worked hard all game moving well in the circle while defensive pressure all over was great utilising every opportunity. There is a tiny bit of fine tuning left to do but looking forward and focussing on finals is our next step. Best players Georgia Pratt and Hannah Isaacson.

**B Reserve:** Our last game for the minor round took us to Nangwarry. The Nangwarry girls were doing a great deed collecting bras for the Uplift project, where old bras were being sent all over the world to women in need. With the girls donating old bras to charity you could feel the sistership bond bringing us even closer together. After a superb chicken steak and team sharing we were finally ready to hit the court. It was not one of our best games despite all our warm fuzzy feelings but we won and that's what counts. Yes we had many positional changes and you all still adapted to these, and showed some great passages of play. We now need to regroup as its the business end of the year. Which you have all worked hard as a team for. So let's train hard. Support each other as I know you do and reap the rewards. Best players: Tina Collins and Patty Lomas.

**B Grade:** A disappointing end to the season girls. Although we started off with a fighting attitude we failed to finish with one. Defenders and goalies had a tough game against the height and it proved to work for them. Let's come into the finals with a winning attitude and show them what we've got!

**A Reserve:** Finally we found some beautiful weather down at Nangwarry, maybe a little too hot for some, but much more enjoyable to play in. It was nice to finish the minor round off with a good win and good court structure. Let's keep that open space, drive hard and be sure of our passes this week. Now is the time to minimise our errors and cherish every turnover. We can do it girls, let's believe in each other and give it our all. Best players: Sal Morgan and Narelle Lewis.

**A Grade:** We had perfect weather conditions for netball. We had some great passages of play throughout the game and our defensive pressure was great but we had far too many silly errors and forced options, we need to learn to adapt to position changes as everyone should know what each position is required to do on court. Excellent driving from Marie and feeding the ball into the goal circle. Tegan had great defensive pressure all over the court and gain some valuable turnovers. Let's work hard over the next few weeks coming into finals. Best players: Marie and Tegan.

## ROBE FOOTBALL

**A Grade:** The match at Robe last Saturday could have been a showcase of two teams who play hard contested fast football and for the first half that was the result. Robe were able to move the ball quickly and with accurate ball use pierce the Magpie's defensive

zone to easily score. The second half of the match was a different game as Kalangadoo, who had more to play for, switched up a gear while the mainstays of the Robe team were gradually worn down by a fitter more determined team. Kalangadoo were trying to ensure that their key forward Kilsby won the association goal kicking and with selfless football made sure that this occurred. The season ended on the wrong note for Robe and while no player waved the white flag the heart had gone out of the contest and the supporters were left wondering what Robe may have been able to achieve had injuries not robbed the side of its best players for the middle section of the season.

**B Grade:** The home and away season came to an end for the Reserves with perfect weather conditions and they managed to put a full team on the park for the occasion, but not without the help of another player loaned from the opposition. And a handy inclusion Telford was, kicking 2 goals for the Roosters. Telford was the eighth player loaned to the Reserves this season. An indicator of how the team had gone this season was the fact this was only the sixth game in which they played with a full team of 20 players. It's been a struggle all year and a credit to those who have stuck by the team all the way through. Despite the lack of numbers the Reserves managed to secure 2 wins, which was a 2 game improvement on last year. A big thanks to Dean Burgoyne and Paul Kurray who filled the roles of time keeper and goal umpire respectively nearly every week, making the team manager's job so much easier. Many thanks also to the Robe Hotel who donated a carton to the team every other week. But back to the last game and Robe was confident going into the game that it was one that was winnable and started the game positively. After the last month it seemed strange almost like there were too many on the field! Robe were able to win the ball a lot of the time and quickly got the first goal on the board, but most of the time they were unable to finish off the good work, doing the hard things only to turn the ball over easily and Kalangadoo were able to capitalise on some of the mistakes, making the Roosters pay on the board. The second quarter was a marked improvement, however the Pies were able to go goal for goal with the Roosters. The Robe boys never stopped trying, but Kalangadoo were just too good for the rest of the game, the lack of training and hence skills and fitness telling on how the game finished off. However it was far from a walkover. Coach Troy Newton tried a few different moves but nothing made a significant difference to the game. The boys in the backline had their work cut out in the second half and the situation wasn't helped by both Adam and Brendan Brooks having to come off injured in the third quarter. The usual 4 players were in the first 4 best with Antony Kokiousis, Glynn Brooks, Tristen Ling and James Kokiousis getting lots of possessions between them. Unfortunately the team expects it will lose Tristen to Adelaide next year because he is now working there. And then there are 5 players over 40 who have been playing consistently almost every week who can't keep playing forever. Troy Newton, Brendan Brooks and Jacob Nicholson with some help from President Ling put a lot of effort in to ensure there was no repeat of the round 4 situation at Port MacDonnell. Rest assured the club officials are going to be busy in the off-season doing their best to make sure the club doesn't have a repeat of this year's situation. We expect the club to only move in one direction next season. Thanks to everyone who has supported the Reserves in one way or another this season, whether it be filling in for a game, helping with off-field jobs or just being there at the game. In the meantime, congratulations to the Junior Colts on taking the minor premiership and all the best to those young lads in the finals and to all netball teams that have also made finals. Keep flying the Rooster flag.

**Senior Colts:** Robe 12.8 (80) def Kalangadoo 12.3 (75). Goals: J. Sneath 6, T. Wilfred 3, J. Tomlinson 2, A. Clements 1. Best players: J. Tomlinson, J. Sneath, L. Fennell, A. Clements, S. Altschwager, M. Hansberry. The final match of the season resulted in the Robe

Senior Colts winning a hard fought contest between two evenly matched teams. The Robe team, as it has done all season, struggled for numbers and was bolstered by 6 Junior Colts players who ably filled in as they have done each week. A special thanks to you from the Senior Colts' players for if you didn't step up and play two matches each week Robe's Senior Colts and our opposition teams would not get a game. The game was an even contest and Robe ran out the winners in the final minutes of the match because the players concentrated on the little things, smothering, tackling, spoiling and using the ball to our advantage and it is in tight matches that the little things become very important. The best players for Robe were Sneath, Tomlinson and Fennell with the rest of the players all doing what they had to do when they had to do it. I would like to thank the players for the behavior during the season, their willingness to listen, improve and play to the team rules. I would also like to thank the many volunteers who have assisted me during the year and with 8 wins and 8 losses and fifth on the table I believe we have had a good season. Roger Sweetman, coach. Incentives: Steve's Surf – J. Mullan, Robe Junior Football Club – J. Tomlinson, Robe Mobil – J. McMartin, Polly's Fish N Chips – T. Joseph.

**Junior Colts:** Robe 9.13 (67) def Kalangadoo 2.0 (12). Goals: R. Bigmore 1, H. Gould 2, M. Keane 1, A. Weir 3, T. Wilfred 2. Best players: A. Weir, E. Dutton, B. Legoe, H. Bigmore, T. Gould, T. Wilfred. Last game of the home and away season saw us play Kalangadoo. The young Rooster boys now have a good understanding of the game plan that we are going to take into the finals. The boys started off very inaccurate in front of goal which was due to Kalangadoo's good defensive pressure. In the next 2 quarters the boys hit their straps and played a good brand of footy and opened the game up, and came away with another good win. Congratulations on going through the year undefeated, however we now know that the hard work now begins over the next few weeks. Langers, coach. Incentives: Robe Junior Football Club – J. Robertson, Robe Seafood and Takeaway – J. Kellock, Polly's Fish N Chips – M. Keane, Elders – R. Bigmore.

## ROBE NETBALL

A TOUGH last round against Kalangadoo, congratulations to Hayley Smart who played her 50th senior game on the weekend. Good luck to all netball and football teams who have made it through to finals. Thank you to our sponsors and supporters.

**Junior 2:** Sponsored by Nampara Cabins. We finished off the season strongly with one of our best games yet. The improvement over the season in each individual player is remarkable. All 8 players are strong defensively and our attacking game is getting better and better. I am such a lucky coach to have a group of talented, enthusiastic and dedicated players. Thanks for a fantastic season. I am proud of you all. Incentives: Ruby Schubert (Mat's Plumbing) and Tilly Yeo (Sea Vu Caravan Park).

**Junior 1:** Sponsored by Robe Licensed Post Office. A big challenge last week being short on regular training for the last month and also losing players due to both injury and illness. All girls went out and gave it a go for the last game and tried to hold leads. A big thanks to Ruby Schubert from J2 for stepping up and assisting but also getting out there and having an impressive game. Incentives: Olivia Cooper and Rani Legoe.

**13 & Under:** Sponsored by Hilton Rural. Robe 15 Kalangadoo 44. Not our best game girls. We need to work on our systems this week. We can do this. You have to have faith in each other. Let's go out this week and give it a red hot go to keep moving forward in the finals. Incentive went to Kristen Nunan (Polly's Fish and Chips) for a strong game played as always.

**15 & Under:** Sponsored by Integrity New Homes. Robe 48 Kalangadoo 24. What a great way to finish the last game for the round. Like most weeks our first quarter is our slowest and we tend to make too many errors on our centre passes which we need to work

on, so that we score every centre. It was great to see everyone put in 110% and made sure that they backed each other up. Let's keep the great work up and the impressive skilled netball we have been playing for the final round. Best player went to Jess Venn (The Cleaning Bloke) who moved well in the goal circle and Incentive went to Lucy (KB Chiropractic) who worked hard all game at GD. Thanks to all the volunteers this year who have umpired, scored, timed the 15&U matches and a big thanks to all the girls who have sat the 15&U bench throughout the year.

**17 & Under:** Sponsored by Mat's Plumbing. Robe 33 Kalangadoo 64. A game played in 2 halves. For the first half we were focused, controlled and had our mind on the job. In the second half injuries, illness and emotion from the week caught up with us and we let the game go. We are people first, netballers second and we are all entitled to have a bad day at the office now and then. Let this one go and look forward to our contest with Port Mac in the first final. We are a far better side than what we showed last Saturday and keep that thought heading into finals. Best went to Ellie (Pure Lux) who battled hard throughout the game and Incentive went to Keely (Pizza Project) who showed she can control her emotions and produce disciplined netball under duress. Bring a clear mind to training on Thursday and the rest will follow.

**B Reserve:** Robe 26 Kalangadoo 22. Incentive: Tamara Jess (Integrity Homes), Calcutta: Holly Cushion (Pizza Project).

**B Grade:** Sponsored by Thirty 3 Hair & Beauty. Robe 26 Kalangadoo 52. Incentive: Emilee Cooper (Steve's Place), Calcutta: Jane Hayes (Robe Plumbing Services).

**A Reserve:** Sponsored by Kiri Birchall/Wild Mulberry. Robe 43 Kalangadoo 60. Great effort from this team all year and to just miss out on finals is a great achievement considering we had a different line-up for a few weeks. We had our chances against Kdoo last Saturday but we just lacked the composure. Al and Demi had some great passages of play together and Tekura (Robe Hotel) driving hard all day. Kate had another consistent game earning her the Calcutta. Jane and Keryn (Polly's Fish and Chips) worked really hard to pump up the pressure and earned themselves the Incentive. Nat had her work cut out for her and changed her game to get some great hands to balls. Thanks to Kristen for sitting bench and special thank you to Trish Nunan for being our fill in team manager. You have been a pleasure to coach girls and all got around each other well. Lastly my condolences to the Flannery family, we mourn with you on your tragic loss and our thoughts are with you.

**A Grade:** Sponsored by Holiday. Robe 45 Kalangadoo 61. It was always going to be a tough game. We have the potential to be up there with the top teams, but to go further in finals we need to play 4 good quarters! We have great passages, but need to be more consistent and get rid of our unforgotten errors and silly mistakes. We can do it girls! Let's put it all together this week! Calcutta went to Chloe (Robe Electrical) and Incentive went to Flip (Westley DiGorgio). We also had the Monika McLaren Medal, which went to Flip for a great team game.

## TANTANOOLA FOOTBALL

**Junior Colts:** The last game of the year saw us come up against a big Nangwarry team. To the boys' credit they battled hard as they have done all year. Well done to Ellis and James who kicked the goals. The boys have improved out of sight from the beginning of the year. Hopefully these boys stay together and in a couple of years have some more success. Thanks to all the people who have helped out each week with the various duties that come along every Saturday morning. All the best to Ryan, Brad and Alec who all make the step up next year and good luck to all the teams playing finals. Also thanks to Paul Serle and the junior committee for all the support the last couple of years. It has been a blast coaching these kids and hopefully we see most of them playing senior footy at Tant in the years to come. Best: Alec Roberts, James Lucas, Kai Malseed, Cody Vanderhorst, Bradley Yates and Matt Nelson. Goals: Ellis

Cushion and James Lucas.

**Senior Colts:** A great team game it was good to see everyone getting involved and sharing the footy around. Onto the finals now. We have played some good footy all year so let's carry that form onto and hopefully deep into finals. Awards: Radley Plastering – Jacob Bell, Fasta Pasta – Toby Wing, Tony Egans – Kyle Abrahamson, Ladies Committee – Tyler Bevan, KFC – Jordan Gould. Best: Jacob Bell, Zane Walker, Leon Wing, Jordan Gould, Tyler Bevan and Stephen Moreland. **B Grade:** Great conditions greeted us for our last home game and last game before finals against Nangwarry, after a sluggish start the boys kicked 6 goals in the first quarter, we're starting to play the game that Donk wants us to play. We finished off winning by 33 goals and probably played our best 4 quarter game of the season. Best players were Kym Dodd, Trace, Sil, Benj, Coop and Zeke. Today we go to the Burr to take on Glencoe in the first final. Good luck to all Tant football and netball teams playing today. Also congratulations to Sticks on taking out the league leading goal kicker for the year. Nice work old son. Go Tiges.

**General:** Good luck to all our teams competing in the finals today. Hopefully we have a successful day. There was a fantastic turnout for our band last game and there were some great outfits. I'm sure everyone had a great time. Don't forget to put your name down to help out with the gate for the finals even if it's only for an hour or two – see David Fensom for more details.

Dates to remember: Best & Fairest Court – 6th September; Junior Presentation Day – 13th September; Senior Presentations – 25th September.

## TANTANOOLA NETBALL

**Junior 2:** A great game to finish off the season. All 9 girls played so well with awesome defence all over the court. Our leads were into the space and we finished off with some amazing shots at goals. It has been great to see the improvement from everyone from the start of the year to now. I hope to see all of you back out at Tant next year. Awards last week went to everyone for an amazing end to our year!

**13 & Under:** Another strong performance from all girls, just what we needed coming into finals. Georgia was on fire in the circle shooting from anywhere with ease. Chloe and Leah played great games in defence and Ffion didn't get called for stepping once yay! I must say a big thank you to Tayla Rowe for sitting bench, coming on at 3/4 time and doing a fantastic job. Time to put all we've been working on for the season into the upcoming final, if we do that I'm sure we'll push deep into September. Hungry Jacks awards – Leah and Tayla.

**15 & Under:** A great game to finish off the minor round! Now we get ready for finals! All the girls played well and we are so proud of how far you have come this season. We had a bit of a swap around with positions and all of the girls adapted well and enjoyed themselves. Award went to Georgia.

**17 & Under:** Well well well, that just goes to show that we can't go in to the game thinking we have the game won. Everyone needs to work on playing their game and not wait for the umpires' calls, because they aren't always going to be there. To the girls' credit they battled out all game and worked well without the players

that were out with injury. Thank you to Lauren and Chelsea who stepped up again to help us out when we needed. Awards went to Victoria, Demi and Julie. Thanks for such a good season girls and I hope to see you all out playing next season. Good luck to the girls that move onto seniors.

**B Reserve:** It was great to see you all back to playing as I know you can. You created space all over the court, which opened it up for some great drives. The flow and movement in the goal circle in both defensive and offence was fluent. The mid court drove hard hitting the ring with precision. Defensive pressure all over the court was strong causing many errors and turnovers. Great game by all on the court, it was good to see the fight and determination back just in time for finals.

**A Reserve:** After a disappointing game the previous week we really set the pace last week with a great win heading into finals. All 7 players played consistently over the course of the game, with Bec having a great game at WA, setting up plenty of opportunities for the goalies. Jac played a cracker 250th taking intercepts everywhere and playing some great defence. Congrats on an amazing milestone. Best of luck in the first semi, approach with a positive mindset and play 110%. We deserve to be there.

**A Grade:** A comfortable win in the end but if we want to continue into September our starts will have to improve immensely. 13-12 was not the start we wanted. Talana had a blinder taking intercept after intercept and shutting down Nangas' drive to the circle. Everyone picked up their workrate after half time which was pleasing. On the down side our pocket rocket Casey W went down with an injury. Not what we needed but maybe the spur we need to push on. Get better soon Chutts. Better players were Casey Arney (Calcutta) and Jess Bell.
