Proudly sponsored by AOKY TAKEAWAY

WELCOME to round fourteen in the mighty "Family League" and haven't the Murphies thrown a bit of a scare into the Tigers camp? Will the Tantanoola Tigers hang on to that fourth spot or will Keith "Hooker" Ransom perform the biggest miracle for a long time to take Glencoe to the finals series? Buckle yourselves in folks because we have five big weeks to go.

Last week yours truly stayed in bed on Saturday afternoon instead of joining Stumpy at Glencoe as the dreaded man flu hit me like a ton of bricks. Thanks to Kevin Nobes who filled in for me at short notice. The way things are going if we get any more illness or injuries we may be back to the good old one umpire system!

Obviously I didn't get to see any games but a quick check of the scores saw Kalangadoo inflict a horrible loss on the poor suffering Nangwarry lads, Robe gave a pretty good account of themselves against the Port Mac juggernaut and Hatherleigh managed to get within eight goals of Mount Burr. The real shock of the round was the ease of the win by Glencoe over the Tigers. You would have got huge odds before the game that the Murphies would take them to the cleaners to the tune of thirteen goals.

A little whisper from that game was that my mate Stump may have had intentions to send a player off, only to discover that he had forgotten his cards! Oops. The B Grade game at Glencoe went down to the wire when Brodie Dodd let go with goal from outside 50 as the Tantanoola boys got up by one point.

In the AFL and what a classic game we witnessed at Adelaide Oval last Sunday as the Crows and Power fought out probably the best Showdown ever. It was a great game of footy with the record crowd getting their money's worth in a high scoring shootout. Although the Port boys only lost by three points I think it would have been an injustice if Port had got up for a win. The Crows were the better side all day and deserved their win. I'm sure the late Phil Walsh would have had a big smile on his face if he could have seen the game because if you put good attacking footy like that on every weekend people will flock to the games.

I'm sure the guys at Sportspower won't mind me sharing this story. A couple of weeks ago I went into the Mount Gambier store and it was quite busy. Glencoe player Kingsley Clark was serving and asked the woman in front of me what she was after. The woman then proceeded to tell Kingsley in fine detail about a padded sports bra she was after. Poor old Kingsley was looking none to impressed when his partner in crime Port Mac netballer Tegan Merrett came to the rescue. I've never seen a guy so pleased

to see an umpire standing in front of him. Kingsley jokingly said he hoped I wasn't after a bra!

Two weeks ago the umpires had a farewell dinner for Denis and Shirley Mathews at the South Aussie Hotel. The guys have sold up and are off to Ballarat for retirement. Denis has made an enormous contribution to umpiring in the South East after starting his career in the seventies! He was made an Umpire Life Member of the MSEFL some years ago and had continued to umpire up until the last couple of years when injuries started to take their toll. Denis has also had a wonderful career in tennis in the South East winning numerous premierships. Behind the scenes of course is his lovely wife Shirley who has been there to support Denis in all he has achieved. To Denis and Shirley on behalf of the Umpires Panel and the whole of the MSEFL we thank you both for your wonderful contribution to our League and we wish you a happy, peaceful retirement in Ballarat.

Thanks to Jack Mullan and Aaron Lightbody from Kongorong who pulled on the green shirts last week. Welcome also to David Todd who has joined the panel. Welcome to the panel David and we hope you stick around for a while and enjoy your umpiring.

That's it for another week. Enjoy your footy and netball and stay away from the dreaded flu. It's not pleasant.

Cheers, Cav

# THE VOICE OF REASON

GLENCOE are back in the finals race and will return to the four tonight after winning by at least 10 goals at Kongorong today.

The 2015 season was starting to get a bit on the boring side but the competition is well and truly alive.

Meanwhile, there is a guaranteed blockbuster down at the Bay today.

How will the super-shrewd Kalangadoo coach Ben Mules approach this match and will he risk the not-so-fit Magpies against one of the competition's other heavyweights?

When you look at the premierships table, it is a pretty safe bet that his team will be playing off in the first semi final.

It can't finish any higher than third and it can't finish any lower than fourth.

To my mind, this will be the last time Magpies and the Demons will meet in 2015, and not in the preliminary final on September 12.

That is, Glencoe will defeat Kalangadoo in the first semi while Mount Burr will defeat Port Mac in the second semi.

Having said all that, today's match just comes down to bragging rights.

At Tigerland, Tantanoola would be looking forward to another win to stop Glencoe reaching the finals.

It won't happen as Robe will win and the Tigers won't get back in the top four.

With all respect to Nangwarry, Mount Burr coach Frazer Scanlon will be looking to rest some of his ageing players and give his colts plenty of game time.

There are plenty of keen young Mozzies who should be given a full two hours on the Nangwarry Oval today.

It would make good sense to give them leading roles in the pivot as they might be needed in September.

Along with Port MacDonnell, Mount Burr has had a charmed run with injuries this season.

That good run of luck could soon end and a squad of 26 game-hardened players is needed to mount a successful major round campaign.

For the next month or so, teams like Tantanoola, Robe and Kongorong will chiefly battle it out for the title of best team out of the four.

## ROUND 13 REVIEW

There were lots of one-sided results but I saw a finals-quality outfit in Glencoe take Tantanoola apart.

Make no mistake, anyone watching the Murphies on Saturday would think they were premierships material in the first, second and fourth terms.

Mind you, the Tigers were weakened when they lost a trio of players inside the ten minute mark.

Glencoe went off the boil in the third term.

From all reports, Port MacDonnell's lucky run continued at Robe, Mount Burr had a sweet win over a struggling Hatherleigh while it was the Killa Kilsby Show as Kalangadoo crushed Nangwarry.

## REGIONAL ROYAL COMMISSION

There is still not much about the mysterious workings of the proposed South East Football Netball Regional Royal Commission.

Nonetheless, people with a good knowledge of the mighty Mid SE form half of the membership.

That is, we have three of the six Regional Royal Commissioners and they have close ties with the Kongorong, Kalangadoo and Hatherleigh clubs.

Firstly, we have Robin White who is an ex-playing coach of the Hawks in the 1990s.

He could not get them into a grand final but he was good value as a player and coach.

Professor Google tells me Mr White is 54 years of age and was 177cm tall and weighed 80kg during his playing career.

However, it does not tell me he was a hard-at-it defender.

As a teen, he was recruited from West Gambier to play with South Adelaide in the SANFL.

Back then, the South East zone was tied to the Panthers.

Under inspirational coach Hayden Buntun Junior, White was a member of South's last grand final team in 1979.

After a few more years with the Panthers, he joined Melbourne in the then Victoria Football League.

Once again, I am indebted to Professor Google for telling me he made

30 appearances for the Demons in the 1985, 1986 and 1987 seasons.

Going from memory and without the benefit of Professor Google, I reckon Robin White came back home to coach West Gambier and then headed out to Kongorong.

There are huge gaps in this snapshot in the career of Mr White but, suffice to say, there is no one among the 100,000 residents of the South East with a better footy pedigree.

The Kalangadoo connection with the six proposed Royal Commissioners comes from Tim Heysen.

Other than being a semi-regular spectator at Magpie games, I am not aware of a direct connection with football.

Nonetheless, the Heysens have a connection with the Derrymore property at Kalangadoo which dates back to the pre-war years.

Mr Heysen is a successful potato grower, media savvy and an accomplished public speaker.

His involvement with such industry groups as the South Australian Potato Growers Association and the family trust which operates "The Cedars" art studio in the Adelaide Hills would give him an insight into the dynamics of community activities.

Former Hatherleigh A Grade player Frank Brennan has a high public profile and it has not diminished since he retired as the District Council of Wattle Range supremo a few years ago.

Since then, he has been appointed the chairman of the South East Drainage Board and the NRM board.

Mr Brennan is the master of ceremonies of our annual Mail Medal night at the Millicent Civic Centre and was the president of the Mid SE Junior Football Committee about a decade ago.

In partnership with president Norm Facey and coach Richard Hill, Mr Brennan was one of the masterminds of the sole Millicent Football Club flag in the Western Border Football League.

He was the club secretary of the Saints when they went top in 1984.

One of the Millicent committeemen in that era is now set to join the ranks of the Regional Royal Commissioners on the South East Football Netball Regional

Royal Commission.

Bill DeGaris is a leading South East lawyer, a golfer of note and a former opening batsman with the Prince Alfred Old Collegians Football Club in the Adelaide Turf Cricket Association.

Some of his best work for the community was done about a decade ago when he chaired the South East Regional Health Service.

That was no easy task and Mr DeGaris will bring his diplomatic skills and legal knowledge to his role as a Regional Royal Commissioner.

I am not aware of Mr DeGaris having any close involvement with the Mid SE.

His younger brother Richard (also known as Dick) played some games at Hatherleigh.

The sole female on the SEFNRC is Dr Helen Macdonald who has been at the helm of the Naracoorte Lucindale Council since 2011.

Her girlhood home was a mixed farming property at Marcollat as her father, Malcolm Macdonald, was the long-time general manager of the Willalooka Pastoral Company.

Her CV lists her education at Keilira Rural School, Seymour College and Flinders University.

The academic sphere of Dr Macdonald is Applied Ethics and she has completed an Arts degree with Honours and a Doctorate of Philosophy.

She has worked as a waitress and in a smallgoods factory, been a university lecturer and has served in senior roles with the Newmont mining company in Australia and overseas.

I have precious little knowledge of the sixth member of the SEFNRC.

It is Brendon Smart and he is well-known as a player and administrator in the KNTFL.

Does anyone else get the feeling this is all happening in the background and all of a sudden we, the general footballing public are going to get hit with a whammy we may or may not like, the latter I would suspect.

More about the plans of the SE Football Netball Regional Royal Commission will appear in the coming Budgets.

A traditional, full-strength lager, Carlton Draught is crisp on the mid-palate with a good malt character and smooth full-bodied flavour.

Clean hop bitterness gives the brew a slightly dry finish.

# PORT MAC DEMONS

## FOOTBALL

**Junior Colts:** A great effort by the boys. We only dropped our heads for about three minutes of the game and I think that's what lost us the game even though we only played two and a half quarters. The boys' tackling pressure was excellent up against a strong and talented side. I wish the young fella from Robe all the best with his recovery, as I think he broke his leg. It is hard to watch especially when it's a young player and how easy it can happen, but that's football. Best players for the day were Brodie, James, Lachy and Parker.

**Senior Colts:** Last week we made the trip over to Robe and were greeted with perfect conditions for footy. With Robe being short on numbers we sent a couple of players over each quarter and played 16-a-side and with the big Robe oval there was a lot of space. Robe came to play early and attacked the footy hard making it hard to settle. In the second quarter we played a lot better footy lowering our eyes going forward and using the ball more efficiently around the ground. After half time we started playing our best footy and put on 6 goals to 2, applying great tackling pressure around the ground. In the last quarter I was pleased with the way the boys ran the game out. All in all a very good game. Hats off to the boys that volunteered to go over and give Robe a hand and played very well when they did.

**B Grade:** Round 13 is one of my favourites on the Mid South East circuit. The other lovely seaside town of Robe, for some reason I always find the weather and the oval pretty good even in the depths of winter and again Robe didn't let us down again and it was especially pleasant considering the weather of the last week. Finally a little good news on the Thursday night on the selection table with a few players starting to come back and we even had the luxury of an emergency. We were even further blessed with the return our inspirational coach Fox after his mid-year sabbatical, or it could have been because he was relaxed after a morning staying by the seaside without the kids, mind you he would be to professional to do too much before a game. I am sure it was nothing more than a walk on the beach holding hands with Mrs Fox. As the team assembled prior to the match everyone seemed to be on song, usually as the way on our longest road trip someone is always late or takes a wrong turn but this year everyone arrived even on time. Things got even better for the second week in a row when the second box of beer appeared which lifted the team to a new level. The power of the second box should never be underestimated as this is what binds the team together as one, go out play to the best of your ability and back into the change rooms to have a couple of beers where after a few the ability that you showed on the field and off the field the previous Saturday night usually improves. Before the joy of beer can be enjoyed there was some business of

some B Grade footy to be dealt with. The importance of this was not lost on the coach who brought everyone together as one ready for the game ahead. Part of the inspirational speech was the announcement of 50 games to one of our great team men Jarred (Fizzle) Dempsey. No B Grade team can survive without a Fizzle who always puts 100% on the field, who is always at training, always available after a game to be on the BBQ and if he isn't playing for some reason will be first to put up his hand to be waterboy/runner or time keeper. For those who don't know Fizzle is a personal trainer as well who likes to hit the gym and seems fairly happy with his own rig and likes to put a little baby oil on the guns to get them glistening in the sun. Not sure if he uses the same technique on a Saturday night when he is trying to lasso a stray. Well done Fizzle, wonderful effort and I hope you have another 150 games ahead of you. The sun bathed the oval as the siren sounded to start the game and the team reacted well enjoying the fact for the first time in a few games it wasn't raining or hadn't been raining before the game and this allowed us to fly out of the blocks, moving the ball around with precision managing to kick 9 goals to none to take a very handy lead into the quarter time break. As the coach brought everyone together at the quarter time break he was happy with the performance so far but still he asked for no one to take the foot off the pedal and keep the intensity level up across the 4 quarters. As the second quarter started the good form continued with the ball being moved up and down the ground with great skill and control and they were hitting the scoreboard with great accuracy kicking a further 7 goals 4 to one point. As the team headed back to the huddle feeling happy with themselves they were quickly brought back to earth. It appeared the coach saw some things that he was unhappy with and in no uncertain terms did he lay down his expectations to the team and ask for improvement for the rest of the game. With their tails between their legs the team headed back to their positions to start the third quarter looking to make amends for the coach. Amends they made as they blew out of the blocks taking the game on at a time when they could have become complacent, kicking a very impressive 12 goals to none to take control of the game. As the team headed back to the huddle you could see them looking for the approval of their coach and they all looked a little more relieved when he gave them his nod of approval, however he still was not completely happy and he set the group a set of KPI's to fulfil before the end of the game. The last quarter, as it can be with the type of game, turned out to be a little scrappy as fatigue set in, but the team battled on skillfully to close the game out with a 10 goal to none quarter to take out a very comfortable win against a very hard trying opposition. Best for the day was our inspirational captain Gus McGregor who came out from the first siren and look liked Stewart Loewe and clunked everything that came his way. Second best was Luke McIntyre who had a day out with 16

goals, he couldn't miss (well only one) and even when he shanked one it went straight through the middle. Third best was Adam Taylor, married life seems to agree with him as he hasn't been out of the best since his nuptials. Fourth best was Tom Sullivan who came back from the As searching for a run and run he did, everywhere collecting plenty of ball along the way. Fifth best was Jay Drakeley who was set a task and stuck to it beautifully and also ended up with 5 goals. And last but not least was Raymondo Stanton who played a great game getting into dangerous spots and showed great leadership on the field. A big shout out to Robe who are going through some hard times with player numbers at the moment but managed to fill a side and kept battling on to the final siren, so well done to those boys and I hope you can get a few blokes keen to help out. On to the next big challenge Kalangadoo who are on the cusp of the final 4 and will be looking to take a top 4 side down on their way to the finals. Let's hope we can have another good week on the track and let's hope the good selection dramas continue on Thursday night.

**A Grade:** Last Saturday saw us take our longest journey for the year when we ventured up the coast to take on our seaside cousins at Robe. The further we got away from the Mount the better the weather got. By the time we got to Robe it was a perfect day for footy with the sun shining and the ground looking immaculate. Before talking about the senior game I would like to pass on the best wishes from everybody associated with the Port Mac Footy Club to the young fella from Robe who went down with a serious leg injury during the Junior Colts game. I have just found out that his name is George Dutton and he is a terrific kid who loves his footy. Many people who were at the game said they heard a loud snap when he went down so we hope his injury is not too bad. I did hear that the young fella was in a lot of pain and no one begrudges him the tears that were shed, but the kid is apparently a bit of a goer, and when he realised he had done something serious, and through the tears and pain, he asked how many games he was going to miss! We hope he has a speedy recovery and does not miss too many. Now on to the big boys! It was obvious that Robe had come to play as the pressure was on from the first bounce. They were having a fair dinkum crack and had a manic attack on the ball and man. There was some heavy bodywork going on and some big hits being handed out. All in all it was hard, tough, old style physical footy and I was loving every minute of it. I can tell you that it didn't let up in the second quarter, but I did think to myself that it would be very hard to sustain for the full four quarters, and that is about what happened. We went in to the half time break having kicked 10 straight goals, with a rushed behind blotting the scoreboard. For the pressure that had been applied we had come out with a good result, and coach Leroy was happy with the position we were in as we were a few goals up. He praised the boys during the break for the way they had accepted the challenge put forward by the Roosters, and I reckon

he wouldn't have minded being out there in the thick of it, at least his mind would have allowed it even if the body wouldn't! Leroy's message for the start of the second half was quite simple – protect the little guys, and now that you've absorbed the pressure, break out and go for it! The second half was a more free flowing game than the first, but there was still a fair bit of pressure on the man with the ball. Both sides gave a good account of themselves and we were able to come home with the win. It may not have been the prettiest of spectacles, but it was a good game of footy and I for one thoroughly enjoyed it. Best players for the day were not all the big bodied blokes, but two of our biggest did lead the way. Dylan "Bomber" Bromley led from the front and has hit a purple patch of form. He is also kicking straight! Next in line was, you probably guessed, big Will Macdonald who is having another stellar year. Mark Smith may not be a big bodied player but he does not lack get up and go, and he played another solid game to be judged third best. In a game like our last one, the defenders seem to lift a notch, and Matty Roscov had a good time. He is not a big bloke, but he is all over the opposition forwards like a bad rash. Zac "Zooka" Williams always gives a good account of himself and although not the rash of Roscov, he plays close and tight and rarely gives an inch to his opponent. Both led the defence well all day. Sixth best was Kyal "you can knock me down but I will get up!" McClean who took his fair share of heavy knocks on the day. He got cleaned up just before half time and I'm told the Rooster who got him was impressed that he was able to get up. I was okay with it as I love the tough footy, but his mother was anxious for a few minutes worrying her boy might have really got hurt this time. Bomber got right amongst it on the scoreboard, contributing six for the day. Brother Justin "Jul" Bromley played a nice cameo resting forward bagging three, Benny McGregor chipped in with a couple as did James "Bull" McGregor and Smithy, and Mal "I've still got the best smile in the business!" Lewis got a single. Good kicking is good footy and Leroy mentioned how our kicking for goal has improved. He was really happy with the four quarter effort of all the boys, including first gamer Riley Rolph who found out pretty quickly that the tempo of A Grade is a lot quicker than Senior Colts. He acquitted himself well and did not get overawed by the solid bodywork going on around him. Leroy said he believed this win was our best for the year so far due to the intense pressure of the opening stanza and because it was such a hard physical game. He said he was pleased that our boys appeared to settle a bit better than the Roosters after the first ten minutes and were able to absorb everything they threw at us. I know there have been a few sore bodies around, especially early in the week, but the boys will be ready to do battle with the crew from the Doo today. Another top notch game of footy is on the cards. Have a good one and stay safe. Go you Demons!

## NETBALL

COMING into the last few games of the season it's great to see so many of our teams in the top 4. Continue working hard girls and let's reap the rewards in September!

**Junior 2:** What a fabulous game. All players on the court played their positions exceptionally well and tried their hardest. This led to some wonderful passages of play where every player had a hand in moving the ball down the court resulting in several goals being scored. Great driving into space through the middle and into attack from Sophie L, Edie and Ruby. Tight defence and many interceptions from Bridie, Jayde and Sophie J. Super movement and leading in the goal third from Kayla and Imogen. A fantastic effort - great work girls.

**Junior 1:** A beautiful day in Robe with perfect conditions. Everyone played well. We need to work on our passing and getting in front.

**13 & Under:** Great work girls and a good team

effort. Many turnovers were made by defence all over the court. Just need to capitalise on them. A tough game this week. Let's try and work on doing the basics well and go out and give our all.

**15 & Under:** 62-17. The score didn't reflect how much of the ball we had. With lots of changes with injury and illness we adapted well and all of the under 13 players stepped up and did an awesome job - well done girls. Our passing let us down and continually passing over instead of coming in front, we need to work on clearing out and finding your own space so we're not on top of each other. Good job girls. Best players - Samara played a great game putting everything we have practiced into her game - well done Sammy, and Montana being thrown from one end of the court to the other with no complaints and gave her all for the whole game - well done Tanna.

**17 & Under:** What a game. Unfortunately it wasn't the outcome we wanted but you girls really showed them what we are made of. We had some absolutely outstanding passages of play unfortunately

it wasn't consistent enough to come away with the win, something we have been struggling with all season. Nevertheless we showed everyone that we are not to be taken lightly come finals time! Outstanding effort to my three bests last week Amy Feast, Tayla Stark and Paige Tilley.

**B Reserve:** Started a bit slower than we should have trying to find scoring options. We can't afford to do this. Once we settled and were patient with each other things started to work. Strong rebounds, choosing our best option and not putting ourselves under unnecessary pressure. Tan got her hands to many great balls. Defence never gave up, mid court kept applying pressure and goalies worked hard. Well done Georgia for coming on and slotting in perfect for us, much appreciated. Tanya and Kel Hab best players.

**B Grade:** Not one of our best games girls. Even though we came out with a win we are better players than this. We need to pick up our game now and show everyone why we deserve to be in finals. Fiona, Jordan and Taylor played a great game in defence. Let's keep

working as a team and play some good netball!

**A Reserve:** Great solid team effort. Another new combination in the defence end, which worked beautifully, welcome to the team Kim. Solid effort again through the middle Dee, thank you for the last 2 weeks, your talk and determination on court will be missed. Fantastic rebounding both ends of the court. Awesome work giving and going Ady. Thanks to Candice for filling in, you slotted in nicely.

**A Grade:** Not our prettiest game. We must learn to adjust and recognise the play when things aren't working. I think we can all walk away and learn something from this game. In saying that I will applaud your final quarter desperation, things could of been much worse but we shouldn't get ourselves in that position to start with. Plenty of great individual efforts - Tegz your defensive work rate was fantastic, and Brooke your never say die attitude was a stand out, earning best players. As we come to the serious end of the season, we must regroup, learn from it, move forward and work hard as a team.

# KALANGADOO MAGPIES

## FOOTBALL

WELL the Doo boys achieved a rare clean sweep as the visiting Nanga Saints graced Footy Park on a fine albeit cold day. No joy in the results however after the Doo Magpies having already been there and similarly unachieved for a long hard season.

A great round of junior footy at Kalangadoo against our close neighbours Nangwarry. The Junior Colts game was an absolute ripper with the lead changing on a number of times with our boys eventually running out victors by 10 points. Our goal kickers were Luke McIntyre with 3 very intelligent goals, and Tye McManus and Leigh Redford with one each. Best players for Junior Colts were 1st best (McDonalds award) Tye McManus, 2nd best (Hungry Jacks award) Matt Davies, 3rd best (Video Ezy award) Leigh Redford, 4th best (Subway award) Luke McIntyre, 5th best (Fasta Pasta award) Mitchell Varcoe and 6th best (Richie Rich award) Nathan Reiley. Well done boys, 4 wins for the year is a great effort and hopefully 2 or 3 more will make the 2015 season very successful.

The Senior Colts dominated from the first bounce running out victors by 24 goals. The game was played in good spirits with plenty of banter amongst the Kdoo boys and Dylan McMurtrie who pulled on the mighty Saints' jumper and played the whole match for Nangas. Well done Dylan. Goal kickers were Liam Carlson and Adam Mulraney with 6 each, Braiden Ousey with 4 in the first quarter before being rested for A Grade duties, Ben Casey with 3 from centre half back and Ben Stott, Sam Von Duve, Conner Jones and Lachie Madzia with one each. Best players were 1st best (Krieger Cool Cash award) Sam Von Duve, 2nd best (Fasta Pasta award) Adam Mulraney, 3rd best (Thursday Night Teas award) Brandon McMurtrie, 4th best (Ladies Canteen award) Conner Jones, 5th best (Bakers Delight award) Liam Carlson and 6th best (Life

Members award) Ben Casey. It's great to see some of our recruits in Sam Von Duve and Adam Mulraney being named first and second best respectively and Lachie Madzia kicking his first goal ever, well done lads. As always thanks to the central umpires for doing a great job.

A big thank you to all our sponsors, supporters and our volunteers. The Junior Club will be responsible for cooking teas on the Glencoe home match (August 15th). Heidi Boyd and Ro Carlson will give everyone a reminder closer to the date and if each junior player family can make the effort to assist and spend the evening at the club it will help out massively.

A great day for the Bees with Wild Wild West Des finally racking up his 100th for the Doo after cracking his first in senior company with tit puller Pratt's Pies way back in 2005. Dessy also smiled for the occasion as the sides shone their pearly whites for the camera on the occasion of team photos. Jarred's boys whacked in old man Kriegs and Joycey to replace Reece who took up duties replacing Durbs in the seniors and Jesse in the Bees. Our first term showed the Doo Pies thirty eight point leaders which was extended to eighty eight going into the half break with the scoreboard indicating that the visitors were yet to score a goal. Old mate Timberlink Ploenges lubricated his acme thunderer in the third quarter as Nangas managed two goals to six from the Doo. More of the same venturing into the last quarter as the Saints found another goal to seven from the Doo, as we saw man of the moment Dessy chaired off by the 150 point winning Doo side. Best for a switched on group of individuals were our go to man up forward in Brendon Emms who found himself eight goals, slamming Sam Casey relishing a bit of latitude in the centre with four goals, old mate Viney, young Dunny who must have looked a couple of feet taller to his opponents with the endeavour that he showed, comeback kid Jags Pratt who showed every indication of returning to the seniors after a long term injury and Matty who May have played one

of his best games against his old Nanga mob. All the good work was to nought as young gun Brad Tiller did his collarbone and required an ambo old trip. All the best Brad with you #60 now on hold till 2016.

Benny's boys opened up with seventeen shots that resulted in nine first quarter goals, five of which came from Killa to a single from Nangas. Our blokes helped themselves to another nine goals in the second whilst Nangas found two at the half time break indicated the Pies had thirty three shots to three and auditions for the fat lady to sing all over by half time. The highlight of our third term was Killa bringing up his 10th for the game as the Pies went marching on. The pain in the arse from the Burr would have got a flat battery horning up the final term with the Nanga blokes running out of puff as Benny's Pies ran out fourteen goals to the previously advised SFA. Killa's last quarter goals for a career high sixteen earned our dreadlocked champ best player status as well as current front runner on the league goal kicking ladder. Hard to pick best in a great team effort but others to shine were Brad Auld, young Kriegs (with nine goals), Jonsey of the Lachy persuasion, Chrissy (you got any spare boots Mules?) and up and coming son of a gun Sam McManus.

All in all a great day out but today it's a case of meanwhile back at the ranch with a chance to exorcise our Demons.

Dexter in training for the cricket season decided to resign our footy coach Benny with a personal visit in the wee hours of the morning. Leaving no stone unturned he invested 25 bucks of the Hilton's choice chockys to sweet talk Lydia. Our wannabee Willy Wonka nearly wore them as he vacated the premises post haste. Sidekick Dill is under notice.

Aunty Kerry had a couple of hungry boys in the shop and gave them full access of the cooking facilities. Master Chef Matty had things spitting away nicely until he failed to crack the free range Wepar hen eggs. Near impossible old

cock if they happen to be already hard boiled! Not that apprentice kitchen hand Aiden would notice, given that he was busily praying at the porcelain altar. Our two likely lads were a picture of health during the team photo shoot and Nangas game.

Retired nail banger Deano set up the special Jack Lepley Stand on Benny's Hill in readiness for the boy's contribution to the arvos hill hilarity. Jack was a non-starter however preferring to rack off to the Coast with Lilly and Janeen for Justin McManus' 50th. Deano soon dismantled the Doo Gum construction and consigned it to the Hill 10,000 degree foot warmer.

The Crouchmeister was spotted putting his Groomsman through their paces during a 'dry run' at Footy Park before next year's nuptials.

Old mate Pirate Thorn knew where his Buckaneers were but not his Bucken shoes after his sleepover. Reward is offered.

Congrats to young Benny on his 18th. No reports, so everyone must have been on their best behaviour. Tommy Williams and Reece Carlson also blew out candles.

Hunts rocked up at the Doo Sunday to collect mate Trent's wheel and motor back to the Mount. Little bit more involved though for the good samaritan with Trent's limited edition 'puff ignition' pulling him up. An hour at the club bar drinking coke finally saw the boy get the all clear to crank the beast up.

A couple of unplanned departures from our little township during the week including the passing of Col Carlson. Col had been a long-time supporter of the Kalangadoo Football Club with not many of his generation now left. Condolences from all at the club to wife Mickey, Michelle, Andre, Rohan, Travis and families.

Thanks to sponsors Ryans Conveyor Belting Service, SMB Civil, Sportscene, Steeline. Please support our valued sponsors.

## NETBALL

JUST a reminder to all families that next weekend the 1st of August we have 'Netball Night' at the club so if all netballers could plan to stay around for teas and the activities that are set to follow to ensure it is a successful night that would be much appreciated.

Also please remember to support the following businesses that are supporting us as sponsors for the 2015 season: Muffin Break, Collars & Cuffs, Gambier City Chem-Mart Pharmacy, EMU Sportswear, Penola Recycling, Penola Takeaway, Penola IGA, Lynch Financial Group, DK's Coffee, Federal Hotel, South Aussie Hotel, Metro Café, Fasta Pasta, Wendys, Red Rooster, Subway, RSL, Margaret Street Meats, McDonalds, Hungry Jacks, Civic Video, Active 8, Glow Body & Brow Studio, Malony Markets and MGA Insurance.

**Junior 2:** What a great game! All played an awesome game and was good to see great

sportsmanship from both teams having a go and learning netta rules of netball. Today all played well and showed their stuff off. Best players were Skye Peterson and Tegan Lythgo for great defence and shooting by both. Let's keep up the good work - only 5 games to go! Molony Market award - Skye Peterson, McDonalds award - Tegan Lythgo.

**13 & Under:** Well done to all players, you have continued to concentrate on the tasks set for you with pleasing results. Shelby played her first 13 & Under game and showed she is well and truly ready to take the next step. The support and encouragement from the whole team was excellent. Penola Recycling award - Emmason Ilsley, award - Keeley Jones.

**15 & Under:** After a congested start to the game we started to flow better down court. Well done to the girls for adjusting to different positions and for Emmason and Jess who fitting in nicely. Great defensive pressure from all. RSL award - Eliza Hunter, Subway award - Lucy White.

**17 & Under:** It was pleasing to see everyone

work together and support each other on court. Our spacing through the middle looked a lot better but there is still room for improvement. Jade and Jazzy had a great first quarter with numerous intercepts in defence and was well supported by Monique and Lucy. Georgia is back in full swing now and had a great game in C which is great to see. Glow Body award - Alannah Wright, Fasta Pasta award - Jade Opie.

**B Reserve:** The intensity was there, so now we have to concentrate for four quarters. Sami did a sterling job in Jess's absence and Chandalin was probably our most consistent on the day, hope Summer makes a speedy recovery, at least your 100% accuracy for the first quarter remained intact! Collars and Cuffs award - Sami Collins, Margaret Street award - Chandalin McElroy.

**A Reserve:** With a full team finally including Tan for her first game of the season it took us a little while to find our rhythm and adjust some of our passing, however once we managed this we again had some lovely passages of play. Kel combined well with both goalie combinations

and also fed well when given a chance to play out of the goal circle and Tara played her usual slick game causing many turnovers down court and chasing up any loose balls. The defensive end of the court also combined well with any combination put on court. Thanks to Anthea and Rosie for their continued support of the team and also to those that help out in other roles from week to week. RSL award - Tara Jeffree, Gambier City Chemmart award - Lisa Ilsley.

**A Grade:** It took us a while to find our feet and to assert ourselves on the game last week. However, the second half saw us play with a good level of defensive intensity and limit the scoring opportunities for Nangwarry. Jade Opie got her hands to lots of balls and pulled in numerous rebounds to earn her the award. Jenna stood tall despite lots of pressure and continued to work hard to cut in front. Sarah shot accurately again at 85% and got some great strong balls. Let's keep working hard on all areas of our game. Thanks Georgia and Jazzy for sitting bench. Gambier City Chemmart award: Jenna Pitt, Metro Bakery award: Jade Opie.

# TANTANOOLA TIGERS

## FOOTBALL

**Junior Colts:** What a great team effort. The young Tiges all put in 100% and played their best game of the year so far. Only the second win for the year so far to date but good to see the young ones keeping their heads up and keep pushing through each week. Great to see the goals getting shared around with 7 different goal kickers, great work Bradley Yates for his 4 goals top scoring for the team. A big thanks to young Kaden Malseed for the last few weeks filling in, a great young footballer this kid will be. All the best for him in his future. We would like to welcome young Josh Parker to the club for his first game in the red and white, a great game last week to you Josh. Looking forward to seeing this kid play in the future, he has a lot of talent and wish him the best. Awards: Radley Plastering - Ethan Telfer Scott, Donna & Hanny - Josh Parker, Denton's Sportspower - James Lucas, McDonalds - Xander Copeland. Best: Bradley Yates, Kai Malseed, Alec

Roberts, Jaxon Cushion, Matt Nelson, James Lucas. Goals: Jaxon Cushion 2, Bradley Yates 4, Corey Baker 1, Cody vanderHorst 1, Xander Copeland 1, Alec Roberts 1, Kai Malseed 1.

**Senior Colts:** A great game by the boys. They started well with some great team work and continued the team play through the whole game. It was great to watch and also makes it hard to pick best players. Best players were Corby White, Jacob Bell with 9 goals, Ethan Glass-Reilly, Steven Moreland, Leon Wing and Adam Gregory. Congratulations to Ethan who played in Adelaide at the country champs.

**B Grade:** Wow what a finish to a very tight game! Brodes kicking a goal on the siren to win the game for us. We knew it was going to be a close game and it was, but to the boys' credit they worked their butts off and came away with a great win. Best players were Brodes, Pidge, Patto, Coop and Silly. Good luck to all teams this week against Robe, hopefully we can come away with another win.

**A Grade:** We headed over the hill last week to play Glencoe hoping

to secure 4th spot and with a few out with injury the boys were still confident. Unfortunately this was as good as it got as the first 5 minutes resembled a war zone with guys going down. First was Jack going down with what looks like a serious season ending shoulder, then Darcy and String playing smash up derby with a huge collision sending Darcy into another world. Glencoe definitely turned up to play as we were under the pump trying to reshuffle our side. At half time we reloaded playing a very good quarter of footy giving us some hope only down by 4 goals. With no rotations on the bench we knew our guys were running on empty and this showed as we gave nothing in the last quarter getting comprehensively thrashed. We can't take a trick at moment but all clubs go through it and we still fill a side each week we expect to perform at their best. Better players for day were Minky, Troy, D Tinks, Whinny, Varx and Toby. This week again is a massive challenge at home so let's give our all to keep in hunt.

**General:** Skits night is on tonight

so why not stay around and have a good laugh. Quiz night is next week after the Kalangadoo game (after presentations at the Tiger) so see Brydie Merrett to book your table. \$10 a head with a maximum of 8 per table BYO snacks. John and Sharon Haines will be our quiz masters and it is sure to be a great night. 100 Club tickets still available so see a committee member. Also team managers need help so any job you can do see one of them, don't make them chase you to make everyone's Saturday a little more enjoyable.

There have been numerous injuries throughout the year for both our club and opponents needing an ambulance. SA Ambulance cover is \$76 for a single and \$151 for a family for a year (cheaper for pensioners). It is well worth the money as you never know when you will need it. **Junior 2:** Awesome game from all 9 girls. After not playing for 4 weeks everyone was super excited to be back on the court. It was great to see everyone trying to come in front and leading for the ball. Our timing with our leads was so much better and our defence was awesome all over the court with lots of arms up to defend. Keep up the great work girls! Awards went to Georgia H (SMK Electrical \$5), Keelie (Maccas), Caity (Hungry Jacks) and Jade (Hungry Jacks).

**Junior 1:** Girls, it was great to see what we were working on at training implemented into our game. We are finally using our lanes and not all crowding like seagulls! Our foot work and passing are still letting us down so let's hope we work hard on this at training and Tarrah doesn't

have to use the broom on anyone. Awards went to Madi (Fensom family encouragement award) and Brianna (McDonalds).

**13 & Under:** Another solid win from the girls, who are playing some good netball, which is what we need in the lead up to our string of tough games. We need to turn a couple of those narrow losses into wins to really sew up second position. There's still plenty of room for improvement so we need to keep listening and training hard. Gino's award Georgia and Maccas award Tori.

**B Reserve:** Great game girls. We need to remember to come forward and not to run away from the ball. We had a little trouble getting the ball into our goal third, but with forward leads to the ball this can be resolved. Danni ran hard all game and hit the circle hard. Jules worked tirelessly

in the defence getting her hands to many balls. We still need to keep the talk up on the court and put names on the ball.

**B Grade:** Very pleased with such a solid win! Every player did a great job individually and it was fantastic to see the team really click. Impressive full court pressure saw lots of turnovers which the goalies really capitalised on. Morgen held her space to her advantage picking up the Denton's Sportspower award. Nat played a consistent game grabbing a tonne of rebounds earning the RSL voucher. Great job ladies - let's keep pushing and finish the season off well.

**A Reserve:** After taking time to adjust from not playing together for nearly a month, we slowly clawed our way out front where we stayed for the whole game. Jo was fantastic again and well assisted by Lucy and

Krusty in defence, causing Glencoe's attack to work very hard. Bec showed great patience in our attack, with good feeding into the goalies. Nic and Ash combined well, and received good direction from Larni. We are combining well and our best is yet to come!

**A Grade:** The sore legs, the aching drivers, the dreaded Sunday morning stat text, in general all the hard work all seem worth it when you put in a performance that had the spectators ooing and arring at times. Not only did we beat a more fancied side, we leap frogged them into the 4. Now we need to continue in this vein of form to ensure we stay there. All 8 girls put in 4 hard, fast quarters of netball and it was Kate S that came away with the TLC award and Calcutta, closely followed by Jess B with the McCourts award.

# ROBE ROOSTERS

## FOOTBALL

**A Grade:** A great day for football at Robe saw an entertaining match between Pt Mac who will be featuring in the finals campaign and Robe who while not being in the final series would like to upset a few teams that will be. The match was played at a cracking pace and there were many hard contests with each side playing hard contested football. Pt Mac had two forwards who were providing a handful for the Robe backline while Robe's on-ball brigade of Woods, Dunn and Kelly were continually winning the ball from the clearances and sending Robe into attack. At the long break Pt Mac's accurate kicking and Robe's wastefulness in front of goal saw the Demons with a six goal lead. Coach Jess gave the Robe players two options, they could both drop their bundle and let Pt Mac win by plenty or show some fight and determination. After the first two quick goals after half time it looked as if the first option was going to be the one chosen by Robe but they rallied and while they didn't win the second half saw a tussle right to the end of the match with Pt Mac retaining their half time lead. Special mention to the four Senior Colts who fronted up for the second match of the day. Robe was well served by Agnew at half forward who continually presented, Dunn, Woods, and

Kelly who were in and under and gave a tight contest and Coxon who had a great tussle with Macdonald. If Robe can keep this group of players together and free of injury the team should be looking to bigger and better things in the 2016 season.

**B Grade:** Well miracles really do happen! No, not the Reserves beating the Bays, we're talking about Charlie Bainger being dragged out of the surf to play footy after almost 10 years. It's most likely he'll be back on the board this week though instead of out on the wing. He keeps his feet better on a board anyway. As for the game, it was very one sided with Robe battling to win much of the ball in the middle. Consequently the bulk of the play was in Port MacDonnell's half of the ground. It showed on the board and people were left with no doubt as to why the Bays are on top of the ladder. They played a much more polished style of football. To the Roosters' credit though, they battled hard to defend as best they could all game, never giving up. The scoreboard could have been far worse but for the effort of the Robe defenders, the score not reflecting how hard Robe tried and how many potential Port Mac goals they stopped. Coach Newton made a number of changes through the game, but ultimately nothing was able to stop Port Mac from taking out a very handy percentage-boosting victory. On the road to Tantanoola this week where it would be great to see another game like we saw there last year. The coach

has hinted that he may have a pocketful of tricks for this game. He just has to find which pocket they're in. And poor Benny Copping can't go without a mention again. He would do well to keep his helmet on when he's on the bench, because it can come in handy when you stand up suddenly in the coach's box! Good luck to everyone at Tantanoola this week.

**Senior Colts:** Robe 5.3 (33) lost to Port MacDonnell 15.11 (101). Goals: W. Chant 1 (Port Mac.), T. Gould 1, G. Hutchesson 1 (Port Mac.), J. Mullan 1, S. Stoios 1. Best players: J. Sneath, J. McMartin, H. Hooper, J. Tomlinson, L. Fennell, J. Mullan. Robe went into the match with three of their senior players unavailable which gave some of the second tier players the opportunity to step up and take a more important role in the team and also gave five of our Junior Colts the opportunity to get some experience at a higher level. Robe appreciated the cooperation from Pt Mac who also were down on numbers due to the school holidays and both coaches were able to organise things so that the juniors played each other and the senior players from both teams were mindful of their attack on the ball when junior players were involved. Pt Mac also lent the Robe team three players who acquitted themselves very well and would have pleased their coach with their attitude. The juniors for Robe played well and grew in confidence as the game progressed and their commitment to our team is appreciated for if the juniors didn't play then

no one would have played on Saturday due to a shortage of numbers. While the senior players continued with their good form it was pleasing to see Hooper, Fennell Tomlinson and McMartin give strong performances. It is also pleasing to see that even though five of the colts also knew they were going to play A and B Grade later in the day they still gave their all when playing in the colts team. Looking forward to next week at Tantanoola. Roger Sweetman, coach. Incentives: Steve's Surf - H. Hooper, Denton's Sportspower - J. McMartin, Robe Mobil - G. Hutchesson (Port Mac.), Polly's Fish N Chips - N. Hurst.

**Junior Colts:** Robe 5.3 (33) def Port MacDonnell 2.0 (12). Goals: A. Weir 2, T. Wilfred 3. Best players: A. Weir, H. Bigmore, T. Wilfred, E. Dutton, T. Gould, N. Hurst. Round 13 clash against Pt Mac was a huge game for our boys with a win in this game would secure a double chance and that we did. For the second week in a row the boys started very slow with Pt Mac kicking the first 2 goals. The game was cut short by 1 and 3/4 quarters because of a bad broken leg to one of our star players in George Dutton. But to our boys' credit when the game restarted they hit the ground running and had all the play and came away with a great team lifting win. Langers, coach. Incentives: Denton's Sportspower - H. Bigmore, Robe Seafood and Takeaway - M. Dell'Antonio, Polly's Fish N Chips - H. Gould, Elders - P. Fennell.

## NETBALL

**Junior 2:** Sponsored by Nampara Cabins. It was a really even contest last Saturday, and there were some fantastic passages of play. We moved the ball quickly down the court, leading in front and great passes between the players. Our goalies Ella and Shay worked so hard in the first half against really tall girls, and tried really hard to get in front, and had some excellent attempts at goal. Lexy and Georgie moved well and were able to convert a few goals in the second half which was exciting. Defence by Tilly and Poppy, once again against much taller girls was excellent with them taking many intercepts. Sienna was strong as always in the centre court having great impact. It is a pleasure to watch these little stars play week after week. Thank you to Bille for sitting our bench today, much appreciated. Incentives: Ella Bermingham (Polly's at the Marina) and Georgie Wirth (Denton's Sportspower).

**Junior 1:** Sponsored by Robe Licenced Post Office. Great effort girls. We struggled being down 3 players but it really didn't show on the court. There was space created, which we have been working on with minimal crowding and the ball moved well, getting the front position really came together well this week. Brilliant job to Libby, once again you played a beautiful game and good job Billie,

you always go hard and put in 100 percent. Thanks to the Port Mac girls for helping us out by letting us borrow a player for each quarter. Incentive 1: Libby Yeo (D&P Robinson), Incentive 2: Billie Carter (Robe Electrical).

**13 & Under:** Sponsored by Hilton Rural. Robe 8 Port Mac 20. Incentive 1: Maddie Wirth (Carter's Robe Foodland), Incentive 2: Masie Hayes (Robe Hair and Affair).

**15 & Under:** Sponsored by Integrity New Homes. Robe 62 Port Mac 17. Another great game by all players, a few errors in the first quarter by bad passing and throwing into our opponents' hands meant the next 3 quarters we had to improve on. It was good to see all players listened and made sure they came forward, put the ball into the space and if we did lose the ball the one on one pressure was strong. Great shooting by Jess and Chloe, Kate and Asha led strong through the mid court and Lucy, Belle, Kolby and Joey defended hard and got lots of intercepts. Best player went to Asha (Westley DiGiorgio) and Incentive went to Joey (Mahalia Coffee). Thanks to Kristen and Kolby for sitting the bench.

**17 & Under:** Sponsored by Mat's Plumbing. Robe 45 Port Mac 42. Some days it's just about getting the job done and that's what you guys did. Not our best win of the season but the points are ours and we needed that. We again showed our versatility with Emilee stepping straight into GS after being

on holidays and Lily playing at WA instead of defence. Ellie and Kolby had their work cut out for them on bigger opponents but playing in front made all the difference to their game. Keely's accurate shooting kept our score ticking over and a tactical change on the tall defender worked for both of our goalers. Ciarne showed us again how gutsy she is at C. Jasmine (Sails at Robe) played the best game of her season and virtually cut the WA out of the game and received the Incentive for her effort. Ellie (SE Excavations) got best for a determined game at GD. We need to now step up and play some high intensity netball if we are going to be there in finals. Thanks to Asha and Johana for sitting bench.

**B Reserve:** Robe 31 Port Mac 49. Great game girls, thank you for coaching Rose. Calcutta: Trish Yeo (Caledonian Inn), Incentive: Teghan McMartin (KB Chiropractic).

**B Grade:** Sponsored by Thirty 3 Hair & Beauty. Robe 38 Port Mac 44. Great game girls, lots of great work, played it out right up to the final whistle. Nothing was left on the court, so hold your heads high. Thanks to Emily for filling in. Calcutta: Jessie Wehl (Robe Plumbing, Incentive: Megan Onody (Loaves & Fishers)).

**A Reserve:** Sponsored by Kiri Birchall/ Wild Mulberry. Robe 40 Port Mac 50. Excellent game of netball by this group of girls. We didn't get the win but with 3 girls out and a new look line-up you all played like a team. We started

with Ellie and a nervous Tekura in goals who combined well together with excellent feeding by Rachel in WA who hasn't lost her touch. Nat and Alison had their work cut out for them trying to stop accurate goalies in defence. We had a lapse in the second quarter which saw us go down by 10 but that is where it remained. Half time saw us change AI back to GS and Ellie to GD and Kristen come on to WA. Kristan and AI combined excellent together with great passing to each other. Jane ran the C effortlessly all game and steadied the ship. Ciarne had a cracker of a game at WD, applied pressure all day and scored numerous turnovers and combined with Ellie and Nat in defence making it hard for their goalies to find clear space. Big thank you to Jessie whose support on the bench was fantastic. Well done girls. Incentive: Ellie/Ciarne (Pizza Project), Calcutta: Ciarne (The Cleaning Bloke).

**A Grade:** Sponsored by Holiday. Robe 52 Port Mac 47. What an excellent team game, we came out really strong and fighting from the start! Everyone drove down the court well and put on lots of pressure! Keeley Mason and Keely Venn shot well, Hayley and Kim drove and fed well! Camille put lots of pressure on their WA and Chloe and Indi put lots of pressure on their goalies and got lots of rebounds. Thanks to Tekura and Ellie for sitting on the bench. Calcutta went to Chloe (Robe Hotel) and Incentive went to Keely Venn (Steve's Place).

# KONGORONG HAWKS

## FOOTBALL

TODAY we welcome long-time rivals Glencoe to our club with all our grades looking to have a clean sweep.

**Junior Colts:** A trip to our neighbours at Tant with an expected Arctic Storm coming was not the ideal game to look forward to. This game we found ourselves tested with 8 of the boys away and up against a very improved opposition. It was a game that was not going to improve anyone's percentage, which went down to the last kick of the day to decide the outcome. I was very proud of how the boys played four quarters of footy and also how our young guns performed which will hopefully get our confidence back to where it should be. Best player was our captain Josh Kranz who showed very clean skills considering the conditions and did not stop running all game. Brody Bisnov had his best game for the year controlling the backline by repelling many incoming entries and also chipping in for a great goal when playing up forward. Third

best was one of our younger boys in Kaidyn Weber. Wow what a future this young lad has, at an age of 10 and being able to contribute and win the footy against opponents 4 years older is a pleasure to watch - remember this name! Fourth best went to Seth Lock who played a very consistent 4 quarters who backed himself in, to run off when required. Alex Dethmore playing the whole game in the midfield was fantastic for fifth best. His endeavour, 2nd and 3rd efforts were great. Sixth best went to Luke Neshoda who never lost a contest against his opponent and delivered the ball up forward with precision. Award winners: Green Triangle Electronics - Alex Dethmore, Club Tea - Declan Wright, Subway - Zavier Banfield, Video Ezy - Kaidyn Weber, Smith Family - Campbell Graney.

**Senior Colts:** A few players missing for this game and required the assistance of a few of the Junior Colts to step up again who contributed well. Thanks boys! We stuck with Tant for the first part, but then found ourselves

chasing players for the majority of the game. We know we can match the top teams but just need everyone on the track to prove this. Best players were ever reliable Phil McInnes, Josh Kranz, Brandon Kranz, Brodie Moy and Nathan Farrell.

**B Grade:** With more ins than outs this week, the Bs were starting to resemble the team we had early in the year. Tant are always a very competitive side, especially at home, and this game was no different. Both sides were in the game right from the start, with only a few points separating us at half time. Our ball use was slightly better throughout the game, and that's what got us over the line in the end. Marty Von Stanke (Park Hotel) played arguably his best game for the year. Geoff Hay (Park Hotel) gave us a bit of a flashback, rebounding out of his back pocket on a regular basis. Seth Baker (Pick Ave Deli) continues to impress with his fantastic work rate. Kieran Wiestra (Pick Ave Deli) was the best ball user on the ground played a good four quarter game. Riordan

Walker showed us he hasn't lost touch in his first game back for the club, and young Matty Lucas was probably the difference between the two sides, doing the bulk of the hard work in and under the packs. A big thanks to Jase Gordon and Michael Deanfield for stepping up and filling in, they both played a great game. Another hard one next time when we take on the Murphies who are hitting their straps at the right time of the year!

**Seniors:** Felt like Groundhog Day, with added rain, against Tantanoola. Competitive and in the game, but a lapse in concentration cost us dearly and we leaked a flurry of goals. Can't question the endeavour of the boys, just need to make the right decisions in big moments. Sam Baker, Jason Phillips, Zeke Best, Paul Ellis and Aaron Harding got the awards.

Thank you to all that assisted with our major social event of the year - "Coola Cup". We again thank the Ellis Family for their very generous hospitality!

Carn the Hawks!

## NETBALL

**Junior 1:** Thank you to Eliama for playing for us against Tantanoola. You did a really good job in GS, even shooting a goal and getting some rebounds, and played good defence in GK and WD. We were still not driving in front as much but everybody was clearing and making space. Charity won the Arena Sports Store award, Emily got the McDonalds and Mackenzie the Fasta Pasta. Well done girls.

**13 & Under:** Not the best conditions to be playing netball, though we put in a good effort but just couldn't turn it to our advantage. Great defence work by both Ebony (GK) and Georgia (GD). Brilliant centre court work, giving us lots of turnovers and chances though we threw these away with our passing which is something

we need to work on. Hopefully we can continue the good efforts and this will see us continuing to improve in future games. Awards went to the defenders Georgia Bald (Subway) and Ebony Curtis (McDonalds).

**15 & Under:** 35-29. Great team effort girls. You worked well together even though we had a lot of sickness and injuries to contend with. It goes to show that you girls can adapt and challenge yourselves when it really counts. Jessica and Waiata earned themselves the best players for their fantastic work together in goals.

**17 & Under:** Great first quarter girls, we played brilliantly. Our second quarter let us down but with only five original team members we still held our own. Emma played a beautiful, confident game and shot like a legend. This won her the Holiday award. A special mention to an injured Brittney Allen who played a full game in 15s

then played a full game for us. She showed grit and a lot of determination by doing this, EFM award to Brit. Thanks to Wais and Tim for filling in as well.

**B Reserve:** Awards: Hannah Goodridge (Holiday) and Tamika Mullan (RSL).

**B Grade:** Bad luck girls. We lifted our heads and got some fire in our bellies in the 2nd quarter after a slow start and brought the score back to 1. From there we had a patchy second half and played catch up for the rest of the game. Confidence is the key to our game. If you drop the ball, miss a shot, have a bad pass lift your head, take a deep breath and get back in there and try twice as hard to get it back. We all know we are capable of doing it! Best players were Kayla McInnes for a standout game at GK and Jess Von Stanke for a consistent game at WD.

**A Reserve:** 19-34. We started off slow in the first quarter, but picked up throughout the game. Defence held well together, turning over plenty of rebounds. Great game Callie and Chlo! Sian also changed her play to suit the game, which worked well! Attack, there was some good patches of play, throughout the day but there are still some aspects we need to work on. We had the bye last week so we should be recovered from Coola by now! Best: Chloe Ashby and Courtney Pink.

**A Grade:** Not one of our best games, but we can take out some positives. We need to focus on the last half of the season and what we can do to turn it around. We can do it. Well done to Kaylah and Ash in the circle, for working together in the circle. Great fill in effort from Callie and Pinky. Awards: Alli (RSL) and Callie (Holiday).

## FOOTBALL

WHAT a great win by the Senior side last week. That makes 3 wins out of the last 4 games and it keeps us alive for a chance to possibly play finals this year. Still a long way to go and we have to keep winning games but the boys are starting to take ownership of their side and are still a chance. To record an 85 point win over Tant is no mean feat and it is a 128 point turnaround from our last game against them back in Round 4. Clay was awarded best on ground by the coaching staff to take out the Versace Home Builders / Quicckmix Concrete best on ground award, Zac was 2nd best, followed by Kasper, Tory with 8 big ones, Dylan and Kingy. Let's hope the boys can keep that form going today to come away with another good win against Kongorong.

The Reserves probably thought they had the win in the bag with only

seconds remaining on the clock but it was not to be and we have now given up 3rd spot on the ladder to Tant. It doesn't get any easier this week but it's not impossible and if we play 4 full quarters we are a big chance. Best were Blue Tooth Giersch, Kinger, Ali with 5, Bator and Biggo.

The Senior and Junior Colts both struggled against top opposition but still had good moments and most of the players are showing improvement each week. Keep at it guys as the club and our supporters are right behind you all. It was great to see our newest Junior Colt player, Chloe Murphy making the best player list in her very first game of football. Keep at it Chloe, the flowing locks certainly make you stand out.

Our congratulations to Donna and Jezza on the birth of their daughter, Ruby Kate. Ruby was born on Wednesday 15th July and therefore her Mum couldn't perform her usual role as A Grade netball coach as she had a

slightly more important role to play. I'm sure that they will both be on the bench this week with Gran Cassie not too far away to help out, not to mention all the Uncles and Aunties.

The Auction Night was a great success and the club would like to thank all of our wonderful sponsors that donated goods for the night. Also thanks to all that attended and put their hand up (especially Jill). Tonight is our biggest social night of the year as we celebrate 'Variety Night 2015'. I'm sure that as per normal we will have some great acts on show. So make sure you come along and have a great night.

Our congratulations also to our club legend Adam Price on playing his 200th A Grade game today. Adam is a great bloke and player and there is not much that you haven't achieved as a player and coach at Glencoe. We hope you have another great game Rang as you always do. Also congratulations to Matt Kasparian on reaching your 50th

senior game today. Your form this year has been really good and I'm sure that this is just the start of many wonderful milestones for you at Glencoe.

Ted time: The Kalangadoo copper was staking out the Kalangadoo Hilton one Saturday night for possible drink drivers. At closing time he sees Ted stumble out of the bar, trip over the kerb and try his keys in five cars before he found his. Then Ted sat in the front seat fumbling around with his keys for several minutes. In the meantime everyone else left the bar and drove off. Finally Ted starts his engine and begins to pull away from the kerb. The copper pulls Ted over, reads him his rights and submits him to a breathalyser test. The results show that Ted's reading is 0.00. The copper looks puzzled and demands to know how that could be. Ted replies: "Well you see officer, tonight I am the designated decoy."

Go the Mighty Murphies!

## NETBALL

A DISAPPOINTING day on the courts against Tantanoola where we unfortunately were unable to get any wins on the board. Netball Teas were a huge success and thank you to the committee and those that helped out. Tonight is our Variety Night – looking forward to seeing all netballers out there, seeing all your wonderful acts and enjoying a great night! See you there!

**A Grade:** 46-66. A good start and there were some good passages of play but we let ourselves down by choosing the wrong option and making bad passes. We need to apply a lot more defensive pressure all down the court and make sure that we treasure and convert our turnovers. Bec put a lot of pressure on her opponent and took some really good intercepts (Laser Electrical award). We need to put that game behind us now and really focus for the remainder of the season now in order to have any chance at finals. Let's work really hard at training this week and come out strong today.

**A Reserve:** 33-52. Great game girls, everyone played the full four quarters which was fantastic to see.

We played a very controlled game from defence down to the attacking line. Great defence in and around the ring and great patience passing the ball into the ring. A big thanks to Kylie for filling in, you slotted in nicely. Best player to Deb – great game in WD (Ferguson's Diesel Services award). Second best to Sarah and encouragement to Madeline (Video Ezy).

**B Grade:** 22-55. Good try girls. We kept up with them for the first half and then dropped our heads and let them have the run on in the last half. First best to Leona (DeGaris Lawyers award) for great defence. Second to Emma for great hands and third to Nic for trying all game, congratulations on your 200th game.

**B Reserve:** 41-51. Bad luck girls. Tant played a very fast game last week which made it hard to convert any turnovers. Concerted effort by everyone all game and nobody dropped their head and we never gave up. We made some needed changes at half time which took a bit of time to settle into, however in the end we played stronger, winning the last quarter. Keep up the good work and let's come away with a win today. Best: Ashlee Kuhl (Lake City Taxis award), second: Tanya Rasmussen, third: Erica

Hurley.

**15 & Under:** 12-39. Bad luck girls. It was an excellent team game with everyone playing well. We had lots of the ball and got lots of turnovers we just couldn't convert. The defence did extremely well all game to earn them the awards. Sarah was great all day taking heaps of intercepts and driving down the court. Holly has been playing fantastically in the second half of the season, taking intercepts and applying lots of pressure. Chloe is improving each week, denying her player of the ball. Great team game girls!

**13 & Under:** 13-53. Very slow start to the game girls. First quarter we tended to lead away from the ball instead of coming forward. Second quarter we started leading to the ball and opened up the court a bit. Zoe at WA really opened up the game and fought for the ball and picked up some loose passes. Alana at GK and GD worked hard all day and tipped many balls and got a few intercepts and worked well with Tameka. Paris and Emily combined well in goals and took their opportunities when they arose. Jorja and Alice played well at WD when they came on and Beth tried hard at centre for the whole game. More work

this week at training and have a really good game this week.

**Junior 1:** A great team game girls with everyone playing their positions well. Great running and chasing of the loose balls by Kate saw us score from many turnovers. Some great defending in the circle by all defenders, which was very pleasing. Our use of space and coming forward allowed us to score regularly with all goalies balancing and shooting accurately. Very hard to pick best players as you are all improving so much and able to play all positions effectively. First best: Kate Edmonds, second: Jorja Mitchell and encouragement award: Alice Tentye. Keep up the good work girls.

**Junior 2:** Excellent game girls! It is awesome to see everyone listening to your instructions and playing well. You are all playing well in your positions and learning more and more each week. It is great to see you spreading out across the court and not going into each other's space on the court. You are all leading well towards the ball and making sure you aren't calling until you are in front. Best players went to Jorja Burdon (Gambier City Bowl), Montana Biggins (Hungry Jacks) and Caitlin Bignell (McDonalds).

# NANGWARRY SAINTS

## FOOTBALL

A VERY ordinary day for the Saints when we failed to win a game, with only the Junior Colts getting close, against a very strong Kalangadoo club.

The Junior Colts looked to have a chance in their game but late goals to Kalangadoo saw them win by that margin in an entertaining game. Still, a very good effort by the young Saints and hopefully they can be competitive again today.

The Senior Colts once again

were outclassed but continued to give their all, but at present they lack the depth and talent to compete with other sides. Stick with it boys and give all you have.

The Seconds were easily beaten by an impressive Kadoo side who were in total command from start to finish. Although the Seconds tried hard over four quarters, and managed to score a few goals, Kadoo were simply too good.

The Seniors suffered their worst defeat all season, and possibly for many years, when Kadoo completely overwhelmed

the Saints to dominate all four quarters and record a huge win. With 9 players already having played a game in either Senior Colts or B Grade, due to injuries and player unavailability, the Saints were never ever going to compete with a full strength opposition side and the result was inevitable. While the result was very disappointing the Saints will continue to struggle to improve but it will be hard with the new salary cap, which will make it nearly impossible for bottom sides to improve. How any side can

recruit 5 or 6 players plus pay the other 14 or 15 players and keep it at \$3000 for a game can be described in two words, BLOODY IMPOSSIBLE.

Don't forget today is the last day for nominations for the Gold Cup. See KD or club bar person for forms. No late entries can be accepted.

Today it's Mt Burr and four tough games are ensured.

Sponsored by Green Triangle Recyclers Mount Gambier, The Pines Hotel Tarpeena and L.V. Dohnt Nangwarry.

## NETBALL

NANGWARRY Netball Club is proudly sponsored by Chemist King, GJ Gardner, Noel Barr Toyota, Steeline, McKinnon's Affordable Mowing, UFS Chemist and IGA Penola.

A reminder to everyone to make sure that all raffle books are returned by due date (1st August). Coaches could you please follow this up. Also as we have only two more home games it would be nice if players could stay behind and have tea at the club and enjoy the atmosphere.

**Junior 2:** Nice game girls. We tried hard and had some lovely patches of play. We need to remember to get front position and push our passes. Shayla had a brilliant game getting every second pass and many interceptions. Well done Shayla. Lara again showed she has a natural defending ability. Best game I have seen from Tanisha and Holly both chased any

loose balls and worked hard to get in front. Sophie became more aware of the ball and received a few passes so good work Sophie. Skye and Belle used their voices calling loudly and continued to run and always be an option. Thank you Kerrie for umpiring, it's great to have an umpire to help direct play and talk to the girls. Thank you. Also thanks Kalangadoo for a great friendly game.

**13 & Under:** We knew Saturday's game was going to be a challenge, but not all of us were up for it. There were some good patches of play and when we made leads, played in front and played as a team we scored. Girls you need to listen to me as your coach and when I ask you to try something at least give it a go. Best players were hard to pick for numerous reasons but it goes to Alana for doing as I asked and giving it a go and Simone for her consistent 4 quarter game.

**15 & Under:** Good effort girls, was good to try some different

combinations. Top effort by Adrienne, you worked hard all day and gave it your all when put into a totally different position getting several turnovers. Megan slotted in well to attack creating lots of space for the goalies - great job. Nat ran hard at centre for the first half. Kristie used her voice throughout the day which was great to see. Lily and Mags moved well within goals. Keep it up girls, we are seeing improvements each week and hopefully a win is just around the corner. Award went to Adrienne.

**B Reserve:** Well done girls on your win. It was a great team effort. You all played a consistent 4 quarters, kept your heads up and stayed positive. You all listened to my advice and implemented it on the court, which is all I asked of you. Nice win girls. Best players Emma Holmes and Jade Gartside.

**B Grade:** Unlucky girls. We had a slow start to the game, letting Kalangadoo gain an early lead. We worked hard in the second half,

caused a few turnovers and really lifted our game. Unfortunately we left it too late, and weren't able to catch up. Let's come out strong against Mt Burr, work hard from the first centre pass and really want the win. Best players Leonie McKeon and Alex Reilly.

**A Reserve:** Great start to the game girls, just again some trouble converting. We need to do some extra work and practice the little things. Great defence every week, very consistent and improving. Let's just be positive and keep working on things and they will eventually fall into place. Best players Carly Ploenges and Ambah Hunter.

**A Grade:** A great start girls. Cass played one of her best games this season. Our front cuts and passing let us down. Everyone had good patches. Let's come out firing today girls with everyone having a red hot go. Best players Cassie Dinnison and Kayla Gray.

## FOOTBALL

A NICE day for football last Saturday for our first game in quite a while and it was pleasing to come away with 3 wins from 4 games. The football club would like to thank all the volunteers that take time out to help on Saturdays, your continued support is greatly appreciated and you should be proud of the way the club is run and presented. If things go the way we hope we will host the first semi final meaning we will be asking for many people to help on the day. Please make yourself available when asked if you can as this will be a day we want everything to go to plan.

**Under 11:** Finally we got back to playing some footy and didn't the boys love it. We were a bit undermanned because of injury and school holidays however the boys that did take the field can certainly be pleased with the way they played. To play against opposition that have a few more numbers and to keep persisting and moving the ball forward was great to see. I was really pleased with the way we played and did all the little things like shepherds, tackling, talking and leading. The boys are improving each

week and taking steps to get ready for the next level. Well done to everyone, great effort.

**Junior Colts:** A much improved effort from the Junior Colts from their last game where they came with purpose to win the contested ball and apply defensive pressure to the opposition which had been lacking lately. They were able to get good possession which got the ball forward for some scoring opportunities but then Hatherleigh showed why they are one of the top teams by tackling in numbers and applying a lot of pressure which resulted in goals for them. Credit to our boys they didn't stop trying and the leaders of the team led by example. Award winners: Jake Whitty and George Wimshurst.

**Senior Colts:** The Senior Colts had the opportunity last Saturday to play a top team and cement our spot on the top of the table. We knew it was going to be a tough game and on the back of us not playing for a while we wanted to come out running. We were able to do that in the first quarter and to have 8 scoring shots to nil we could have put the game to bed then. The 2nd quarter was a bit like the first in the fact we have many opportunities to score however we weren't able to convert them opportunities into

goals finishing with 5.10 at half time. The rest of the game was a bit of a slog for us and we tired and it showed we lacked a bit of match fitness and game play. Overall 21 scoring shots to 7 tells the tale of the game. Better players for the Burr were J. Wallis, C. Gamble, T. Jackman-Tilley, B. Delbridge, D. Vanderhorst and L. Collyer.

**B Grade:** You beauty! Finally a win for our efforts against the Eagles. It was pleasing to see some of the footy we played and how we moved the ball. We flew out of the blocks with 5.1 in the first quarter to 2 goals then followed this up with another good 2nd quarter to go into the long break 16 points up. It was a different story in the second half as once again fitness was a factor but we were still good enough to get the win by 16 points. Thanks to the Senior Colt's boys for playing and playing really well, we are blessed with talent in the Senior Colts which is a great position for the club to be in. Better players from last Saturday were A. Ferguson, Z. Watson, J. Wallis, D. Lambert, D. Broad, and S. McKay.

**A Grade:** Last week we took on Hatherleigh at home as we looked to continue our unbeaten run at home. Considering the previous week and a half of weather, conditions were pretty

good for footy except for a bit of slippery surface which caused issues for both sides throughout the game. It took our boys a little while to get going after our break but we managed to kick away to a handy 8 goal lead into half time. It was great to see Jack Gregory and Taylor Redden back in the side and contributing to the scoreboard. There were a host of good players across the four quarters, however, Brodie Hennik, Johnny Agnew and Nick Morrison all stood out. Today we take on a determined Nangwarry outfit and the boys must remain focused in order to come away with the points.

The wood the club is selling is going great guns and as a result we are having our 3rd wood cut this weekend, Sunday the 26th of July. Once again we ask all players, supporters and anyone else to come along on Sunday and help with the wood cut. We have about 10 orders to deliver Sunday so please bring a trailer and the normal tools along. We have changed the social club calendar slightly so please check the social events list in the Budget and look around the club for posters detailing what's on and when.

## NETBALL

**Junior 2:** Well done girls. Hatherleigh gave us a great game and it was great watching both sides have fantastic skills and it is exciting to watch them develop those skills. We do need to work on getting in front of our players and spread out all over the court. Good job girls, glad to see you all enjoying your netball every week. Thanks to Kelly for coaching.

**Junior 1:** Great game girls. It's great to see every one improving every week and going out on the court to have fun and learn the whole game, which is what junior grade is all about. You all impress us every week with the skills that everyone is showing. Thanks Amelia for filling in and we wish Skye a speedy recovery. Thanks Romana for umpiring, Kerry and Jonny for our yummy fruit boxes every week and the encouragement from our parents on the sidelines. Awards: McKenzie (Toy Kingdom), Alice (Maccas) and Hayley (Subway).

**13 & Under:** Well done girls. We have had a long break and we did a great job

in last week's game. Our pressure on the ball all over court is improving with each game. Lots of changes again and we adjusted well to all of them. Maddie Butler and Ava combined well in goals with great feeding by Madi Bowering, Ella and Lucy. Anna and Anna B caused many turnovers and played strong defence together. Sophie played strong at WD and created many turnovers. Great job girls. Thanks to Trish for scoring, Carol for timing and Emma for umpiring. Once again great support from all our parents. Awards went to Maddie Butler (Toy Kingdom), Lucy (Fasta Pasta), Anna B (Lah De Dah) and Anna Fox (Anne-Marie donation).

**15 & Under:** After having 2 weeks off it took us a while to settle into the game. We need to remember to slow down the play, come forward to the ball and stronger passes. Thanks to Kasey and Maddie for filling in. Awards: Aimee (Lah De Dah), Sophie F (Millicent Florist).

**17 & Under:** A solid effort from everyone. We had a change up of positions on the court and it made us settle a lot more. Molly worked really hard in defence, making it hard for opposition

to score, earning her the Ignition Fitness award. Kaylah shot accurately and moved swiftly around the circle earning her the La De Dah award. Overall girls you did a fantastic job down the court. It was great to see a positive attitude. We have a few creases to iron out at training, looking forward to the game against Nangwarry today.

**B Reserve:** Tough game last week after having more than 2 weeks off and coming up against a tough competitor. However we did do a great job considering and can only work harder and strive to do better this week. Fantastic shooting from both Tamara and Bri to finish off turnovers from the defence of Hannah and Chelsea. Sal, Jaz and Cass combined well through the middle of the court and are moving with more confidence. We are getting better and better every week as a team. Good on you girls. Sal (Subway), Tamara (Somerset).

**A Reserve:** Another tough game against quality opposition. I like that we are able to more consistently open up the court and look long to move the ball quickly out of defence. We still need to

work on timing our leads to make our game flow for the duration of a quarter. Our defensive efforts are continuing to keep us in the contest and I encourage everyone to keep working hard in this area. Ignition Fitness voucher - Lisa Scott.

**A Grade:** Like a train gathering momentum and power we are on our way! It will only be a matter of time when there will be no stopping us. It was great to see our consistent commitment to the ball both in defence and attack. Fantastic game and athletic prowess from Megan who took away the La De Dah award. Laura was wonderful in centre and provided the bench and many of the spectators with her persistent physical skill creating doubt in her opponents time and again. Once again Ebony was strong and a real focal point in our attack line earning her the Fasta Pasta award. Still waiting for the dance! Overall another great team effort.

A big thanks to Trevor, Dayle and Chungsy for helping us clean the courts from leaves last week. The courts looked fantastic after that big effort, also Lisa and Carol for coming out so early.

# 350 GAMES FOR JODIE CUSHION AT TANTANOOLA

TODAY, 25th July 2015, Jodie Cushion will play her 350th senior netball game for the Tantanoola Tigers – a massive achievement.

Jodie started her netball career with Tant as an 8 year and has continued as a loyal club member. A dominant mid courter, Jodie has played most of her netball career at centre position, although she would love a crack in goals!

Over her career, Jodie has won 7 Club Best and Fairest awards, 4 Runner-Up awards, Mid South East Netball Best and Fairest and Runner-Up, 2013 Senior Consistency and has represented the Mid SE at Country Championships.

Her highlights have been playing in the B Grade premierships teams in 2001, 2003 and 2007 and B Reserve in 2013 and 2014.

Jodie has also assisted with coaching and is currently a member of the Netball Committee.

Jodie is supported by husband Luke, her children Jaxon, Ellis and Molly and also her mum, Lorraine.

Congratulations Jodie!
