# TRIBUNAL NEWS

THE Mid South Eastern Football League Independent Tribunal met on Tuesday 11th August to hear a charge against Glencoe A Grade player Nick Martin.

Martin was reported by an officiating goal umpire for striking during an incident during the third quarter. Martin pleaded not guilty to the charge, however was subsequently found guilty of the offence and was given a 1 match penalty.

In other League news, Kongorong A Grade player Aaron Harding received a yellow card followed by a red card and reported for using abusive, insulting, threatening or obscene language towards an umpire. Harding was offered a two game set penalty which he elected to accept.

WELCOME to round 17 in the mighty MSEFL and what a finish we have coming up in the last two rounds. The equation to me appears to be that the Murphies will need to defeat either the Pies or the Mozzies to make the finals or pray for a miracle that Nangwarry do a number on the Tigers! In all other grades it appears that the finals are settled. Over in the netball world and even the sixth placed Eagles are still a mathematical chance of playing finals.

Last week yours truly travelled to Tantanoola with Big Robbie and Martin Pink for the game between the Tigers and the Mozzies. A big crowd was in attendance as the Tigers had a reunion for past premiership sides. As a contest the game was disappointing as the Tigers struggled to hold the Burr runners and in the end the Burr boys showed why they will take some beating for the flag. Mozzie Brodie Hennink played a great game for the visitors. If he is not one of the most improved players in the League over the last couple of years I'm not sure who is. A young fellow named Cory Gamble took my eye as well. The lad has evidently only played a couple of A Grade games and he showed a touch of class and once again the Mozzies are blooding a young fellow for the future. For the Tigers young Toby Pink continues to play way beyond his young years. I still think he should ask for a DNA test because with that amount of talent surely Michael could not be his father! His brother asked Cav to "go forth and multiply" late in the game to which Cav replied "I'll raise you 50 and see you in the goal square!" The game was played in good spirits although it is a little disappointing that players are still abusing umpires this late in the season. A very good crowd attended the presentations in the clubrooms after the game.

I wasn't aware until after the event but last week

at Port MacDonnell Neil Webber umpired game number 350. In typical Webb's fashion he didn't want to make a big deal of it. When you consider that he played a number of years with the Tigers this is an outstanding achievement. I'm not going over his record again because he may sack me but on behalf of the umpires panel, the players, officials and supporters of the MSEFL congratulations Neil on a wonderful achievement. How appropriate that he shared the game with another great servant of the League in Kevin Nobes.

Over in the very weird AFL world and last week they had four umpires in the Queensland Derby. No kidding why didn't the leaders of the AFL get a decent education! What the hell are they thinking? If they keep this up within five years we will have an umpire for every player on the field! Not much to say about my poor Port boys apart from could someone please pass the tissues? Speaking of tissues and the Aussie cricket side need more than tissues! In my humble opinion the players are wasting too much time on the short game because most of our batsmen do not appear to have an idea

how to bat in Test Match conditions.

Interesting to note that the words "acme thunderer" are appearing with monotonous regularity in the Kdoo notes. Yawn. Also of interest are the thorough B Grade notes from Port Mac. If his column gets much bigger we will all need a microscope to read his notes! And what has poor Cav done to his old mate Fred? I miss a column for one week only to be taken over by the Pink twins (or teacher's pet if the rumours are true) and Fred waxes lyrical about the great column they wrote. Talk about making a guy feel like he's on his first date with Maria Sharapova, totally inadequate! It's ok Fred as Cav did bowl an "underarm" at you last week. I'll give you a big hug next time I see you!

Thank you to John Barnes and Shane Ploenges from Nangwarry for pulling on the green shirts last week. Good to see Michael Jones pulling on the yellow gear last week at Glencoe. We hope you can join us on a regular basis next year Jonesy.

That's it for another week. Enjoy your footy and netball and be kind to each other.

Cheers, Cav.

# THE VOICE OF REASON

GLENCOE'S barn-storming run will continue all the way until the grand final at Robe on September 19.

The Murphies have won five of their last six games and they won't be beaten again in 2015.

They are just five wins away from a premiership.

In other words, all they have to do is win another 50 terms of footy and they will do it.

Glencoe won the first Mid SE premiership in 1936 and it has been a powerhouse club ever since.

With the young talent in the ranks, I predict Glencoe will make significant inroads in the coming seasons into the record number of A Grade premierships which is currently held by Mount Burr.

My original prediction of a maroon-and-gold flag back in March will be correct.

To finish the minor round, Keith Ransom's team will have easy wins against Kalangadoo (away) and Mount Burr (home).

In all likelihood, they will meet the Magpies again in the first semi and clean them up again.

Port Mac will inevitably run out of luck, won't play well in the finals and will lose the second semi and the prelim.

That means Glencoe will meet Mount Burr in the season decider at the seaside and will win the Wilf Sprengel Premiership Shield for the first time since 2007.

I haven't seen the Murphies for a few weeks but the reports are all positive.

They are achieving wins against the odds and without some key players like ex-coach Adam Price, utility player Clay Von Duve and ace forward Tory Weaver.

In many ways which I am not able to fully explain in this column, there is a burning desire in the Murphy camp to win the 2015 premiership.

Other MSEFL teams probably have more raw talent and are certainly paid a lot more but it will be the expert coaching and the good ol' fashioned G&D which will pay a dividend at the business end of the season.

My spies at the Robe game last week told me that Glencoe faced a season-defining moment midway through the last quarter.

The Roosters had again snatched back

the lead and everything, and I do mean everything, was going their way.

With the hopes of fourth place fading rapidly, the true Murphy spirit shone through and they kicked the last two goals of the match.

Do Port Mac, Mount Burr and Kalangadoo possess that amount of self-belief?

I think not.

Let's not forget that some senior Murphies were not available to play last Saturday and yet the young team still produced the goods.

It is the sharp end of the season and Glencoe is peaking at the right time.

Nothing in heaven or on earth will stop the Murphies from going top.

## ROUND 17 PREVIEW

The Magpies are up against their oldest rivals but it will be a bleak day for the black-and-whites.

Not even the home ground advantage will be enough to stop the Glencoe juggernaut from winning and winning well.

If Kalangadoo gets within 30 points of Glencoe today, I will be surprised.

Today's loss will be the first for the Magpies since June and will end a five game winning streak.

Mount Burr got well and truly back in the winners' list in round 16 and Kongorong won't present much of a challenge in round 17.

Cross-town rivals Hatherleigh and Tantanoola meet again and the Tigers will start as favourites.

There is a mathematical possibility of the red-and-whites reaching the finals but it will rely on Glencoe losing both of their remaining minor round games and that simply won't happen.

Without being unkind to Nangwarry, it will be a one-sided contest when Port MacDonnell visits.

## ROUND 16 REVIEW

Every week there seems to be a reunion and I wish I could get to them all.

I chose the Tantanoola reunion at Tigerland and saw lots of old-timers from their 1975 premiership team about the place.

Only a few are still in full-time work with plenty of retirement stories on offer.

Some of them should have pulled on the boots and a red-and-white jumper and taken on the Mount Burr Mozzies as they successfully did on grand final day 40 years ago.

The modern-day Tigers were undermanned and the visitors looked to be in control from the get-go.

In the other matches, Robe was not disgraced in being defeated by the team which I feel is certain to win the 2015 premiership.

After the grand final is over next month, the Roosters will appreciate how well they played to boot 16 goals on the home ground of the team which will win the flag.

I looked at the Hatherleigh team listed in The Border Watch on Friday and it looked pretty good.

As a result, I was gob-smacked to see the final scoreboard as they got a thrashing at the Bay.

The brightest point in Kongorong's big home ground loss to Kalangadoo was the 250th A Grade game from Mr Reliable Legh Jenkin.

He has had a fine career despite the way The Millicent Times, The Border Watch and this very Mid SE Budget has mis-mashed his name.

If he had a dollar for every time he was described as "Leigh Jenkins", he would be able to buy Coola station.

## LEAGUE HONOURS

All the paperwork should be in place for MSEFL president Peter Mitchell to be able to pin the League Life Members badge on Legh Jenkin on Mail Medal night.

After all, Legh has met the 250 A Grade game requirement to receive this honour in the Player Life Member category.

There are quite a few others who have well and truly joined this club but not yet been officially honoured with a badge and certificate.

They are current Mount Burr player Dale Bowering, retired Mozzie Scott "Mullet" Bevan and Nangwarry Saint Adam "Herman" Dinnison.

Another couple of recipients in the player/coach league life member category are current Hatherleigh coach Craig Skeer and retired Mozzie supremo Adam Wiese.

As I cast my eyes down the list of

the league player life members, there is still only one involved in A Grade footy in 2015.

Nangwarry co-coach Dion Dinnison has gamely pulled on the boots on many weeks as his beloved Saints face an ongoing player shortage.

Michael Jones has switched mid-season from playing to umpiring while Port Mac's Shannon Smith and Nangwarry's Trevor Fenn are active footballers in the Recesses.

Ben Young is an umpire life member and still going well.

Field umpires Kevin Nobes, Barry Nilsson and Neil Webber together with goal umpire Dave Gilbert are also in this category and they are also continuing to give great service to the Mid SE.

Nangwarry president Shane Ploenges is a player life member of the Mid SE and occasionally helps out with some field umpiring in the lead-up games.

The Mid SE life membership is one of the most highly sought after footy honours in this region.

## REGIONAL ROYAL COMMISSION

Some information is slowly trickling out about this proposed new body.

There are lots of questions about how it might work.

Will it be an advisory body or will it be a controlling body?

Will the South East Regional Royal Commission have the power to force clubs to merge or tell them where to play?

Who will decide if Millicent wanted to re-join the Mid SE after an absence of 69 years?

Would such a decision rest with the nine Mid SE clubs or the SE Royal Regional Commission?

Would Nangwarry be allowed to keep its jumper, colours and nick-names as they are the same as Millicent?

On the other hand, could the Mid SE's strongest clubs like Glencoe and Mount Burr be sent to play in the WBFL?

These questions might be hypothetical but answers are needed to such scenarios. If you are at all concerned make your feelings known to your club hierarchy and club delegates and league hierarchy.

NO chance of getting heat stroke at Kongorong but at least there was no rain and bugger all wind, as honours were shared on the day. All the best to young Kongorong bloke Wes Milne who suffered a medical episode during the Bees to put a bit of a scare in the camp.

The Junior Colts were close but not quite there and the Senior Colts ran out winners against the higher placed Kongorong side. The last round when the Senior Colts played the Hawks they gave us a traditional belting and it was great to see the lads turn the results around to run out convincing winners. The Junior Colts had 15 players with Matthew Davies and Leigh Redford unavailable. The Kongorong camp gave us three players and we thank Kongorong and the lads for donning the black and white. The Junior Colts were scoreless up until the last quarter when three goals were kicked and by the final siren the lads went down by 12 points. Goal kickers were Luke McIntyre, Tye McManus and Ethan Boyd with one each. Best players were McDonalds award Tye McManus, 2nd best Hungry Jacks award Sam Farrugia, 3rd best Video Ezy award Gaj Frost, 4th best Subway award Lucy Koch, 5th best Fastas Pasta award Charlie Box and 6th best Richie Rich award Wade Deland.

The Senior Colts played some of their best footy for the season with coach Jonny very happy with the effort. All players put in an excellent effort with some great team play and goals kicked. All supporters enjoyed watching a skilful, free flowing game. Goal kickers were Liam Carlson, Ben Casey and Liam Ousey with two each, Conner Jones, Adam Mulraney, Sam Von Duve and Bailey Kennet all with one. Best players were 1st best Krieger Cool Cash award Ben Stott, 2nd best Fastas Pasta award Lachy Farrugia, 3rd best Thursday Night Teas award Liam Hay, 4th best Ladies Canteen award Liam Ousey, 5th best

Bakers Delight award Brandon McMurtrie and 6th best Life Members award Joel Michalksi.

Both games were played in good spirits and were very well umpired, thanks umps. Great to see Leigh Redford get a third position in the national Karate title, well done mate.

As always a big thank you to all our sponsors, supporters and our volunteers. At the end of today's Senior Colts match all parents and supporters of players are invited into the club for a bite to eat and a drink and a quick chat about the 2015 season to date and plans for 2016. The junior club are doing club teas tonight so please make the effort to help out and support the club. And finally, if you have not paid your club subs of \$30 please catch up with Ro or Heidi.

Jarrad's Bees were looking down the barrel big time having to front up to the second ranked Hawks after a string of injuries to the senior sides required another patch up job from our champion colts. The first term was bearable with the Hawks five shots earning them three goals to a solitary point from the Doo. The smelly stuff started to hit the fan in the second as the home side booted a further six to another lone ranger point. A riveting half time speech from coach Jarrad saw our blokes produce their best footy for the day as blast from the past Wombat rolled through a goal that was only slightly bettered by Kongorong who entered the last twenty minutes a match winning ten goal leader. The Kongorong heads were not happy with this though as they unleashed a nine goal to zip last term to see the Doo boys keen to head in for a well deserved healthy club can. Best for our mob of battlers were Roids Jones, Big fella Stewie and at the other end of the ladder young Zac, our cats roots, shoots and leaves man in Wombat, Tyson and the Wild Wild West.

Most Hawks supporters appeared content at 2.10pm following this second billing of the day as opposed to the Doo cheer squad who were eagerly awaiting what magic senior coach Benny could weave from his depleted playing list. This problem was not evident with the Hawks as they

demoted five goals A Grade head John Simkin to the Bees where he doubled his previous week's effort. Meanwhile back in the Doo camp a few expressions of this being a danger game were muttered over an early can. Any concerns that we may have had were soon consigned to the rubbish bin. The Doo had a blonde moment with the first four heading two a piece to young Kriegs and even younger Sam McManus before Weapon Head and Supercoach closed out the quarter to see the Doo up by thirty nine points. The Hawks managed a couple in the second as the four Doo scorers found another seven. An interesting sequence of events had a Hawk seeing red and Killa bag a bonus goal on the siren, as our blokes went in seventy six up. Everyone was pumped to get out for the second half of the game. Everyone that is except for the umpires who were blowing bubbles in the spa bath, or something. I'm sure there would be something in the constitution about these blokes being fined for such an occurrence. Poor old goal umps, Gilbo and Swannee had to scholl their schooners to get out there, but probably had time for anotheree. Kriegs opened our scoring six in before the Hawks banged through the trifecta to have the Pie supporters wondering what the hell was going on. The natural order of things was soon re-established as Benny's boys bagged the last five to see us looking good 101 points clear heading into the last. Benny's switched on Pies had a six to one final effort to go in and sing the song 133 point victors. Lachy Jones, renowned magician showed us a few of his tricks to be named best along with the Great One, Free Willy Tommy, Kriegs, Reno and comeback kid from injury Brad Auld. Old mate Killa ended up with seven and amongst the other seven goal kickers Kriegs and Benny both bagged five, helping to inflict Kongorong with their worst defeat by far for the season. We will need to be switched on today with the Spudheads crossing the Auld dale Line, striving to have a crack at September action.

Missus Who had a bad case of claustrophobia

as she was surrounded by Hawks during the B Grade matinee show at the Kongorong Hospitality Inn before relocating to the Magpie Nest.

Meanwhile over in Mandurah BC was trying to keep his fridge stocked up and entertain his old man at the same time... no mean feat! The surprise was his bestie Gav not getting sniffed out on departure. Gav's home guard, the four legged Didack was well looked after by Missus Who with the TV left on for the Ashes. Kept the mutt entertained until Friday like the rest of us.

Young Frank Mules is having his childhood fast tracked as his old man has bypassed the Wiggles and gone straight to Justin Dropkick Bieber, ordering one of Aunty Kerry's limited edition jackets. The boy might still turn out to be 2035 Mail Medallist with reports of his beautiful ball handling skills at Church Sunday. Uncle Chrissy pinched bro, Here's Jonny's ride on with his estimated 1 stubby trip to the home block being spot on! Jonny could be a chance today if he gets over his troublesome itch. I am sure tonight's Mexican night will help to clear it up!

Dillbags has slowed down in his 'old age' after getting rid of his silver maggot wheeled Doof Doof Mean Machine, and now becoming cosy behind an ex Spud Head, only used for going to Church 'near horse drawn vehicle'. At least this should negotiate the speed humps.

Let's hope young Coggsy is on the mend, after copping an elbow in the throat during the Bees necessitating an Air Ambulance trip to Adelaide. The poor bugger was on an ice only diet without a bundy mix.

Fig nearly missed getting to Kongorong after a long wait at the Doo Hilton taxi stand finally saw Independent Owner Driver Case rock up in his ute to collect the fare (2 x 375ml cans).

## NETBALL

WITH only 2 games of the minor round left it is great to see how competitive all teams continue to be and hopefully with a lot of hard work and determination we are well represented in the finals series.

**Junior 2:** Great game by all 7 girls last week. We had a slow start but after that we worked hard and play was better! Great pressure on the ball, it works well as all the girls found out. Great running and reoffending Brydie received Aussie Takeaway award and Gabby great running in the centre position. Team award was also given for great use of their voices. Awards: Brydie and Gabby.

**13 & Under:** Very pleased with the manner of all girls who showed a very 'professional' approach whilst the Kongorong girls struggled to match us. Each of our players concentrated the whole game to achieve their individual goals. Awards to Keely, Alex and Jess Stone. Special mention to Keryl who showed great

poise and maintained her 'special' target over recent weeks. Awards: Keeley Jones and Alex Attenborough.

**15 & Under:** A very closely contested game with Georgia and Isobel working tirelessly in defence. Well done Shayla, Keely and Keryl for your hard work through the centre. Eliza continued to work well with all combinations and received some lovely passes from Jaimee and Sarah. Lucy continues to get hands to many balls. There are lots to work on over the coming weeks as we head towards the end of the season. Let's continue to work hard to get the results we are working towards. Awards: Georgia Duncan and Isobel Giddings.

**17 & Under:** Well this match confirmed that Jazzy is a much better defender than a goalie. While Lucy had a great game in every position she was put in. Georgia was always available through the centre and was a great back up for all her teammates. We have a few things to work on at training to try and take our game to the next level. It's hard to believe we only have 1 minor round game to go before finals time.

**B Reserve:** Inconsistency has plagued

our team all season and last Saturday was no exception! Awards to Jes for a sterling effort in defence! Emma while Melicia also played particularly well. Awards: Jes Cook and Emma Mulraney.

**B Grade:** Well done girls. It was a bit of a scratchy game but we got the end result we needed. Jamie played her heart out and Rhianna showed some true strength and accuracy. It showed some places to work on for the next couple of weeks. Our options and passes could use some tweaks, and we can cement our set plays ready for the finals. Awards: Jamie Ryan and Rhianna May.

**A Reserve:** A good game to regroup and work on our timing and passing decision making after last weekend's close little scare. Kelli stood up and took control of the goal circle and combined well with Tanya whose talk and direction in the ring was great to watch as well as Eb who due to a razor technical malfunction chose to pass off most balls into great space. Tara again had a great game chasing down all loose balls and just seeming to be everywhere and Narelle was again the rock of the defence

line causing headaches for the opposition whilst supporting the rest of the defence team well. Also another big thanks and great work by Jazzy, Georgia and Lucy who are all playing great netball when they hit the court. Muffin Break award: Kelli Williams; Fastas Pasta award: Narelle Ryan.

**A Grade:** A solid team performance from all 8 players against Kongorong last week! Our defensive efforts all over the court were much improved and we had more desire to win any loose balls. Sarah had a great half, holding strongly and making good position for rebounds. Jayde P had another great game causing lots of turnovers and driving hard into attack and Leah was again at her brilliant best. Schultzy continues to prove her versatility going from defence to attack and Jenna also adjusted well at GS shooting with accuracy. Miki got lots of touches against her experienced opponent and put lots of hand pressure over the pass. Two tough matches to go before finals; let's give it everything we've got! Margaret Street Meats award: Jade; Muffin Break award: Leah Ousey.

## FOOTBALL

A FANTASTIC premiership re-union was celebrated at Glencoe last week. We celebrated the 1950 Reserves, 1955 Senior and Reserves, 1985 Senior, 1990 Reserves, 2005 Junior Colts and 2010 Senior Colts premiership sides. There was a huge turnout at the game with the stubby booth and viewing room being full to capacity and it was the same again in the club after the game when presentations and speeches were made in regard to all of these great premiership teams. It was wonderful to see old mates back together again relieving and sharing the bonds that they made with each other many years before. They were great back then and even better last week especially after 6 or 7 frothies.

We started the playing side of

things off on a bit of a slow note but the Junior Colts were playing against the top side in the competition that have not lost a game all year. The Robe boys helped us out with a few players but we just couldn't match it with such a talented side and final scores were 22-11 to 0-0 (please remember the 10 goal rule – enough said) with the best players being Will, Jed, Aiden, Charlie and Byron. Keep at it boys!

The Senior Colts finally pulled off their 3rd win of the year over the 5th side, who unfortunately have suffered a huge injury toll of late. Our boys though can only play the opposition that is put out onto the ground and our coach did help out with numbers etc. Our boys came out on top 14-11 to 3-4. Best were R. McLean (in his first ever game of football and kicking a goal with his first ever kick), Daniel, Brado, S. Lock and Tommy.

The Reserves had a great win and hopefully are consolidating their place in the top 4. Robe didn't have great numbers but a huge thank you and congratulations to Brad Elven and Boyd Millhouse for putting their hands up and playing full games for Robe's reserve side. Boyd has played A Grade for Glencoe this year and Brad is a past Under 17 captain. Well done to both of you. Benny ended up with a lazy 10 and Ethan kicked 6 more than Riewoldt did for Richmond on Friday night. Seems like the Tiger Train has run off the tracks, yet again! Biggo was named best followed by Kingy, Benny, Bevo and Mishy.

The Seniors used their get out of jail free card for the second time in 2 weeks and ended up 13 point winners over a vastly improved Rooster side. It really was a great game of football to watch as was witnessed by our many slightly older

spectators/reunionists. We must keep winning and there is no bigger test than the Doo at the Doo when they are reigning premiers. So good luck boys, put your best effort forward as your destiny this year is in your hands. Best last week were Dorpa, Sauce with 6, Zacc, Giercschy, Truppy and Marto.

Special thanks last week to Craig Childs for organising the premiership reunion. You did a great job Craig and we really appreciate your efforts. Also a huge thank you to last week's home game sponsors The Earl Family Trust and Hunters Buses. Thank you so much for your sponsorship and for all that you do for us during the season.

Ted time – Symon asked Ted: "Why are you talking into that envelope?" Ted replies "I'm sending a voice-mail, ya idiot!"

Go the Mighty Murphies!

## NETBALL

A TOUGH day against Robe, but good to see a win for the B Grade and a great win for the A Grade to keep their finals hopes alive. Today will be a tough one against Kalangadoo but let's all give it our best shot. Congratulations to Kate Sealey who today plays her 150th senior game for the club. Kate has been a fantastic club person and we congratulate her on this milestone. Don't forget tonight is our Races Night. Should be a good night, look forward to seeing you all there dressed up in your finery!

**A Grade:** 60-50. What a fantastic game girls! Defensive pressure was great. Ebony played fantastically and got lots of rebounds (Laser Electrical) and Bec secured a number of intercepts. Jordy played her best game on the defensive wing and took a great intercept in the zone! Ashlea controlled the whole match through the centre. Alyce drove hard all game and played on a very rough opponent and Laura and Sarah worked beautifully in the goal ring.

Even Pinsky played for one and a half minutes and got two deflections! We have kept our hopes alive, let's be really confident today and come away with another win.

**A Reserve:** 38-62. Great team effort girls. Everyone played their positions well and backed up one another. Great defence in and around the ring. The score was not an indication of the hard fought game. Everyone should be proud of our efforts. Best players: Sarah Frew (Ferguson's Diesel Services), Chloe Watson and Caitlyn Tentye.

**B Grade:** 40-37. Great game girls – excellent team effort. We fought hard for all four quarters and didn't give up. There was great defensive pressure all the way down the court and we moved the ball well too. First best to Tammy for a great game in defence (DeGaris Lawyers). Second best to Abbie for good shooting and third to Emma for great pressure and driving. Well done girls, keep it up!

**B Reserve:** 15-36. Bad luck girls, unfortunately a loss means we will need to fight harder for a place in finals over the next two games. Great

defence in the circle, outstanding effort by Sim and Mel. We kept going all game but the results were not there. We started off strong in the first quarter but were unable to convert many turnovers. Better luck this week girls, chin up and stay strong. Best: Simone Block (Lake City Taxis), Melanie Kuhl and Erica Hurley.

**15 & Under:** 5-50. We came up against a strong opposition. We started off slow struggling to convert our intercepts and treasure possession of the ball. The second quarter was our best quarter with three goals being scored! Woo hoo girls! Great defence by Sarah, Chloe and Holly, stopping the other team from scoring multiple times. Great driving by Lucy. Awards went to Chloe Pfitzner (Red Rooster) and Sarah Edwards (Hungry Jacks). Two more games to go and then we can enjoy our fun breakup! Good job, keep the laughs up at training!

**13 & Under:** 10-62. With only four of our regular players we adapted very well to the other players in the first half. Alice at WD made many intercepts and

really put a lot of pressure on the opposition. With Robe being one of the top teams we struggled to get any consistency but we still tried hard the whole time. Tameka and Chloe were under pressure the whole time but still made the goalies earn their possessions. With limited opportunities our goalies shot well. Zoe ran hard at centre and presented well the whole game. Jorja tried really hard and made many good leads. We have another tough game this week, keep your heads up and keep going girls.

**Junior 2:** Great game girls! Thank you to Kate, Sophie and Alice for filling in last week due to sickness and people being away. Well done to Shae for playing her first game! It was great to see everyone helping each other out and making sure they were talking to each other. Great leading down the court but make sure you spread out all over the court. Best players: Jorja Burdon for great intercepts, Madison Schultz for reading the play really well and Shae Tweddle for trying hard in her first game.

## FOOTBALL

LAST week we travelled to Tigerland and with good weather for football came away with 2 wins. The A Grade has wrapped up first or second spot on the ladder which means we will host the first semi-final at Mt. Burr on Saturday the 29th August. We will be after many helpers on the day and also on the Friday to help set up. If you are available to help with setting up or able to help on the day please let someone from the committee know. This is a great opportunity for the club to showcase our oval and facilities and have a successful day catering wise as well. Don't forget the Mega Draw is on tonight in the club after teas so let's all go for a meal and see if we have any luck in the draw. Good luck to everyone who has bought a ticket in the 100 Club and tonight could be your lucky night.

**Under 11:** A really good game of under 11s last week saw two pretty even teams play against each other with some really good passages of footy on display. Once again we spoke about using the person in the best position and also concentrated on swapping the play if the option was there. I spoke to the boys about swapping the play to open the game up and to make sure they continued to lead and call for the ball. The boys received plenty of praise from the sidelines from all the supporters

and to hear this is a credit to them all. They have come so far this year it's been a pleasure to coach and teach them how to play footy; this is our last actual game for the year so let's all enjoy it and make it one to remember.

**Junior Colts:** The Junior Colts had a good win against a determined Tant side who certainly made our boys earn their kicks. After a first quarter where the players played as individuals instead of a team, they put their game together by giving the first option and moving the ball a lot quicker with some good handballs which opened up play. Also the forward line started to lead earlier which gave better options. The players had the opportunities to play in different positions which is good for their development and overall skills. Thanks to Jake, Mitchell H, George and Saxon for helping out Tant with numbers. Awards: Thomas Vanderhorst, Frazer Johnston, Jack Muhovics.

**Senior Colts:** The Senior Colts faced another tough challenge taking on the Tigers and with a few players out it was going to be a tough ask. Still the boys are confident they can cover missing players and after Tant jumped us early the lads clawed their way back and took control opening up a few goal lead led by their accurate kicking. However the Tigers kept coming back and we held a slender buffer at three quarter time. In the last they had

the momentum and we couldn't go with them and they were able to run away with it. Being our first loss of the season the boys were quite disappointed and they will be looking to make amends with the finals approaching.

**B Grade:** Once again we came up against a top 4 side with a depleted team and although we gave it our all and tried hard all game they were just too good for us. We have said all year we have a competitive team when we all get out there on a Saturday so this is something to work on for next year. Getting some run in the legs and playing together should be something we all challenge ourselves on over the summer. I truly believe we have the talent to play finals if we all commit and I look forward to seeing that next year. Better players from last week were M. Teagle, A. Ferguson, B. Robertson, Z. Wallis, C. Bowering and T. Butler.

**A Grade:** Last week we ventured down the road to Tantanoola where we were looking to respond from the previous week's disappointment. Conditions were perfect for footy with the ground being in good condition and there being no wind to speak of. Our boys relished in these conditions early managing to pile on seven goals in the first term. We were able to do this as our forward line functioned cohesively and the delivery from the midfield was on target. Tantanoola responded in the second term

as the contest developed into a bit of an arm-wrestle. A lift was needed in the third term and the boys responded in the best possible fashion by lifting their work rate and pressure right through the third term. This set up a great 11 goal victory and provided momentum which we will carry into today's contest. There were a host of good players across the day including Nick Morrison, Clint Gallio and Cory Gamble excelling in his senior role. We look forward to today's contest and hope to continue building on the road to September.

The club would like to thank Tim Whennen for donating his time and equipment to DJ the formal; this is just another example of our great supporters helping the club in their own way. We have many examples each year of our supporters helping in the club and it is your help that makes our club a great place to be around.

Once again thanks to all that attended the wood cut last Sunday. I believe this is the 4th wood cut the club has had and some people had been to them all! Thanks very much to all the people that have helped the cut in any way with the wood as this has helped us raise funds to improve the club.

## NETBALL

**Junior 2:** Another outstanding game by the girls. They listened and done exactly what was expected of them. I am extremely proud of how the girls encouraged the Tant girls to shoot goals and let them have a fair go. Zali is reading the ball very well and is able to intercept many plays. Kayla and Megan continue to develop confidence which shows in their game play. Well done girls. Voucher: Amelia, who showed outstanding sportsmanship and was encouraging of the younger girls in the Tant team.

**Junior 1:** Lovely game last week girls. We had some awesome defence all the way down the court. We also brought the ball down the court really well. We just have to remember to always dome front. Thank you Romona for umpiring. Thanks Carol for taking training. Awards Izzy (Toy Kingdom) and Jemma (Denton Sportspower).

**13 & Under:** Well done girls, you all

played a fantastic game and were very lucky to get the win. You all fought hard for the ball all down the court and all equally produced some great interceptions, passages of play and passing into the circle. Congratulations to Maddie Butler and Rylie for receiving the awards last week. Well done Rylie, your confidence has improved and really showed last week with some great interceptions. We still have a few things to work on at training, but overall, good work girls. Thanks to Leanne for scoring and Lara for umpiring. A huge thanks to Grace for coaching, you did yourself proud.

**15 & Under:** What a tough hard fought game by everyone! You girls deserved that win. Your movement and defence all over the court was great helping to create many turnovers. Sophie G, Anna, Ruby and Ella ran hard in the mid court all game. Courtney and Sophie F's movement and shooting was amazing. Aimee and Sophie W took some great intercepts. We just need to slow down when coming out of defence and steady our passes. Thanks

to the under 13s for filling in last week and playing a great game in the positions I put you in. It was great to hear voices on the court and everyone calling for the ball. Keep this up girls! Awards: Fasta Pasta – Sophie F, Absolutely Anything – Aimee.

**B Reserve:** After a shaky first quarter we managed to pick up our game and had some good passages throughout the court resulting in a much much better score than last time we faced Tant. Only 2 games left to play. We just need to work on our strong passing and driving to the ball to finish the season on a high. Chelsey Leigh-Hawke and Tamara got the rewards.

**B Grade:** Not a bad run considering we had 3 players come in at the last minute. Tant got the better of us last week but we still have a chance at walking away with a win against Kongorong and Glencoe. If we train hard and work on our fitness we can get this together and continue enjoying playing together.

**A Reserve:** Another tough battle against a quality side. They were very accurate in goals, even when Hannah and

Amelia (Ignition award) constantly pushed them to shoot from long range. Katelyn and Lara demonstrated versatility when capably playing in different positions. Courtney again drove and passed well at WA. Thanks must go to our beautiful juniors in Courtney and Amy. Your dedication to the club playing numerous games a week is greatly appreciated. You both played well. It was great to welcome Amy to our team, fitting in seamlessly at centre. Gino's award – Lisa Scott.

**A Grade:** A great game of netball for all spectators last Saturday with unfortunately nothing appearing to go our way – tipped balls, rebounds, intercepts! It was just one of those days. Some excellent passages of play and overall from both teams tenacious and persistent defensive pressure. Hayley Agnew received the Bompas at Beachport award and the Fasta Pasta award went to Laura Schultz. Thank you Amelia and Aimee for sitting on the bench and also to Courtney for taking on the manager's role for the game. Well played team!

## FOOTBALL

**Junior Colts:** Better conditions for football than previous weeks seen us at home against Kalangadoo which was going to be a danger game but one we needed to win to cement our position in the top 4. It was an interrupted start to find out just before the bounce that they were short on numbers, we lent 3 players to get 18 on the field. Well done to Alex, Bryce, Will, Ronnie, Joe and Ray for going across to play for Kalangadoo and still having a great go. Best player was Aaron Shepherd who was unwell all week but put in a fantastic 4 quarter game. Trent Mahony was everywhere and his 2nd and 3rd efforts were excellent and his voice could be heard all over the ground. Brayden Olds consistency over the last couple of games has been great and is demonstrating how important he is to our team. Fourth best went to Seth Lock

who controlled the backline very well by backing himself in and showed very clean skills. Bryce Redman who also played a half for Kalangadoo didn't hold back at any contests and chipped in for his first goal for the year. Josh Kranz rounded out our best with another solid game in the middle. Award winners: Green Triangle Electronics – Trent Mahony, Club Tea – Brody Bisnov, Subway – Alex Dethmore, Video Ezy – Cooper Von Stanke, Smith Family – Lachlan Smith. The boys are looking forward today to play a solid 4 quarter game against the Burr.

**Senior Colts:** Another disappointing game which was reflected by the amount of missing players from the team due to work and injury. Let's get everyone out on the track for our last 2 games and finish the year off well. Best players were Michael Deanfield, Phil McInnis, Jarred Neshoda, Robert Kilsby and Brodie Moy. Many thanks to Brody, Will, Jairus, Ray, and Bryce for filling in

from the Junior Colts, without you boys we would not have been able to put a team on the track.

**B Grade:** With a giant injury cloud hanging over the club, we scratched up another team to take on the Maggies. A fairly slow first quarter got a few of the senior members of the team fired up. The boys responded, but not before the injury fairy paid another visit (sort of) and took Wezza out of the equation. We were starting to get a few goals on the board, and after three quarter time the boys kicked away comfortably, with no one more influential on the ground than Brad Cordy (Park Hotel). Seth Baker (Park Hotel) has been a great addition to our side, and his work rate is something else! With ten goals to his name, John Simkin (Video Ezy) kicked himself back into some good form that we never get sick of watching. Matty Lucas (Club Tea) had a different role last week, but it doesn't matter whether it's up forward, down back or in the middle, he gives

his all every week. Nick Bowd's hard working game got him a mention also, most likely not his last one for the year! Hopefully the injury fairy has had enough of black and yellow, and we can get some more fit players on the field.

**Seniors:** Not much to say about last week's game. Played a very good side and we were unable to match their intensity, run or skills. Legh Jenkin played his 250th and showed why he has been one of the club's very best. It is a marvellous achievement and although we were well beaten the guys tried to show Jenks how much he means to them. Unfortunately we were outclassed which was disappointing for Legh and the team. It is not often players play that many games and the club is extremely lucky to have someone of Jenks' calibre to help the young group. Onwards to the Burr and we look forward to getting some well earned respect back.

Carn the Hawks!

## NETBALL

**Junior 2:** Fantastic game by all players. We showed great movement down the court and strong defence by all players. Every player showed they listened at training. Awards go to Darcie (club teas) and Evie (McDonalds).

**Junior 1:** Good game girls. We had great flow down the court and good defending pressure in the opposite end. We allowed our defenders to bring the ball down the court and we got good goals. The awards went to Charity (club tea) and Zara (Arena Sports Store).

**13 & Under:** Excellent try girls. We knew that it was going to be a hard game but you all did really well and had a really good crack at it. We must remember our passes and to get in front, this will go a long way to getting us that little bit closer each week. Good work. Awards went to Maddy Sutherland (Fasta Pasta), Ebony Curtis (McDonalds) and Georgia Bald (Shes Apples).

**15 & Under:** Outstanding effort from all you girls! Our defensive pressure all over the court has improved greatly and to come up against a strong side it really shows. Jess and Waiata combined well in goals with some great feeding in from

Sophie and TeMania. Best players Emily Lightbody (RSL) and Waiata Jennings (Maccas).

**17 & Under:** Great team effort girls against a very strong side. We had a full court change at quarter time and you all adjusted well. You fought the game out to the end. We need a lot more talk on the court and stronger passes. Goalies need to practice outside of training to improve their percentages and accuracy. Courtney played a brilliant game in defence pressuring every pass. Emma started in WA and then went into goals and moved well. Good luck this week girls.

**B Reserve:** We started the game off a little slow but then once settled we played well and everyone contributed to the win. Great to have Cathy back in the side (no more cheese for you). Best players were Monique Pink and Rachael Perry. Hope coach Monique enjoyed her trip to Melbourne.

**B Grade:** We should be proud of the netball we are playing even though the score might not indicate just how good the game went. Everyone worked really hard for four quarters and we certainly made them work for every goal they got. Tahlia celebrated her 50 games with the club and was in great form getting

her hand to a lot of the ball in defence. Sarah held well in the circle and backed herself to shoot extremely well.

**A Reserve:** Great effort girls. We worked hard through the game, although we were two girls down, we went out strong and finished off strong. Everyone worked hard through the four quarters. Best: Nicola Batten (EFM Health award) and Chloe Ashby (EFM Health award).

**Other items** (milestones, social functions etc): Congratulations to Tahlia G (below left) for playing 50 games. This year being a great player and asset to the B Grade team. Congratulations to Emma S (below right) for playing 100 games. This year being a great player for the 17&U side, hopefully making her mark in a senior side at the Kongorong Netball Club.

## FOOTBALL

LAST home game at the club today. Wow hasn't the season gone fast. Don't forget the Major Goods & Services Auction tonight kicking off at 8pm. You will find an auction list in today's budget. Some great items/services will be up for grabs.

**Junior Colts:** In the car early, yawny heads and off we go, it could only be our annual trip to the Bay. This was second y third, our Eagles win and second place at the end of the minor round is looking good, drop this one to the Bay boys and it could all come down to percentage, a very complex situation given our league's peculiar rules about how much you can win by. Anyway on with the game. The first quarter and we had plenty of it in our forward 50 for the first 5 minutes, but we were not able to put the scores on the board, only registering one behind for this time in attack. Then the Bay machine got up on the plane and sailed right by us to kick 3 majors and go into quarter time looking the goods. We shuffled the magnets to try and find an answer in the second and we held them a bit better but by half time we had not put a dent in their lead. The third quarter and we continued to get pummelled around the ball, however we

had some excellent efforts from our backs led by Jack O, Maxy and Langy who attacked the ball and stopped plenty of forward thrusts. Our young fellas Tommy and Paddy showed plenty of spirit and attack on the ball which was great to see. The last quarter and Brownie called for us to man up, talk and keep running. We played our best quarter and bagged a couple of sausage rolls through Reilly and a great first goal for the club to Acky. We drew the quarter which showed a lot of character from the lads. Well done to Pt Mac. Best players: 1st Tommy G (Dentons), first year player knew no fear and busted a gut all day. Second Maxy (Stumpy), put his body in and was cool in a crisis in rebounding the pill. Third Jack O (Pete Walters) another defender who continued to take the game on generating plenty of run off the half back flank. Fourth, Will (HFC Ladies Committee) battled, scrapped and didn't give up. Fifth, Langy (Sport & Rec steak), attack on the ball, plenty of run is what you get from Langy. Unlucky to miss out were Sam and Fabbo. So put this one behind us and get ready for the Tigers at home.

**Senior Colts:** A disappointing end to the game after the boys playing a good 1st half with the game even at half time. 2 early goals to Kade was excellent but our big forwards didn't seem to be ripping down any big marks. Another good performance by Ben Leopold

showing that being on the defensive side of the ruck contests help us out a lot. Hopefully in the next few weeks players out of form can train hard and get up to scratch before finals. Other better players were Lewis on the wing which was good to see him getting a lot of it against quality opposition, Clayton's hardness at the ball and Alex growing in confidence all the time. We have showed both against Mt Burr and Port Mac we can mix it but both times not quite being good enough on the day. Best players: Ben Leopold (Dentons), Lewis Walker (Subway), Clayton Skeer (Stumpy), Kade Bradley (HFC Ladies Committee) and Alex Buhlmann (Sport & Rec steak).

**B Grade:** Best players: Ben Lang (Prince of Wales), Tim Merrett (Somerset), Dan Sutherland (Millicent 4WD Systems), Lewis Walker (Ginos).

**A Grade:** A great day greeted us at Port Mac last Saturday and with a few players returning to the team, we were hoping for a good show. The first 20 mins we played great attacking football, and with our defence on top, kicked 4 goals to none. The Bay then responded with three of their own late in the quarter. We battled away in the second but couldn't put scoreboard pressure on while Port Mac kicked a few to lead by about 2 goals at half time. The loss of Caolan didn't help our cause. We were right in the game and all our

general stats were matching or better than Port Mac. The second half was much the same that has happened for a lot of games, that is our opposition slowly getting the better of us and injury to Haskett just before half time was also telling. Pt Mac's Dylan Bromley was proving a headache and as the results showed he kicked 13 big ones against our smaller defence who never gave in. Best were... you guessed it – Mat Faulks (Beachport Hotel) continuing his great form pushing himself to exhaustion. Jase Bateman (K&S Fuels) had his best game for a while, Jack Sully (Tony Egans Mensland) racking up the possessions again. Matt Fab (Ginos) solid as ever and Brett Sneath trying his heart out as usual. Speaking of Brett, it was his 150th game for the Eagles and what a great player he has been for us. Tough and skilful, with a great constitution he has the respect of all that play with him and follow him. Well done Snork and I know you will cherish your 2 premierships. Others to mention were Hole with his first game back, Fish in the ruck and Gilbo shut his opponent out of the game after quarter time. Our last home game today and I believe we can win it.

Calcutta results: 1st Mat Faulkner, 2nd Jack Sullivan, 3rd Jase Bateman.

Upcoming events: Saturday 15th August – Major Goods & Services Auction.

## NETBALL

**Junior 2:** Early start this morning down at Port Mac. Another great team game girls, lots of great leads and passing down the court. Great watching of the ball with loads of super intercepts from all players. We used the court space really well which kept the ball moving smoothly down the court. Thanks to Tori and Edie for filling in, we really appreciate it and hope you had fun. Awards: Saige Gibson – ladies committee, Emma Lang – Bank SA drink bottle. Wishing the girls a speedy recovery and hope to see you back on the court soon!

**Junior 1:** Great to see you all play well after such a long break. The passing into space and strong defence looked good with feet then hands. Lacey fitted in perfect with some nice passes into the goal area. Laura Chester (Hatherleigh Sport & Rec award) drove well in attack, strong passes and also defended well. Nice team effort from all players.

**13 & Under:** We lost by a small margin, due to some extremely accurate Port Mac goalies. However, there were a lot of positives out of our game girls. It's great to see how much you have all improved whilst I was away proving that we could keep up with one of the top teams. Michelle Pulmer played an awesome game with a bit of fire she was able to take some great intercepts. Michelle was also crucial to bringing the ball down court from defence. Ruby Coote also played a great game, driving well to receive the centre pass and delivering some great passes into the

goalies. Then once Ruby was moved to goals her accuracy and movement in the goal circle was essential to our attacking success. It is great to watch you all improving each week and as a team we are able to keep up with some of the best teams in the competition. With only two more games left for the year, let's enjoy our final few trainings and work hard to get the last two wins that we deserve. Awards: Ruby Coote and Michelle Pulmer.

**15 & Under:** Great game last week girls. Natalia came forward to the ball and combined well with Lara in the goal circle. Courtney created a few turnovers at the WD position. After re adjusting our centre pass option Melita used her speed and agility to present as an option for every centre pass and Meg ran hard and defended often in the C position. Our defence was spot on, Georgia gave it her all for the entire game and Millie really standing out with her rebounds. Macey, the ever quiet achiever, took on a new position with her positive attitude and ran at C for the last quarter. Well done girls, you should all be very happy with that result. When you put in at training it really does carry over to the game on Saturday. So continue to work hard and see if we can't finish the season with some solid wins. Ladies Comm – Natalia Marshal, Denton – Millie Smith.

**17 & Under:** Another good win against a strong team in the 4. We made changes at every quarter and it was great to see that everyone adapted very well. It took us two quarters for us to shake Pt Mac off with our 3rd quarter being our best quarter. Annabel's

precise passing and defensive pressure and Maddie working hard in defence saw us deliver to our goals much more. Abby didn't let us down, scoring 14 in the quarter and this gave us a good break going into the 4th. Only a few weeks to the finals girls so let's keep the commitment and the intensity up. Awards: Maddie Pulmer and Annabel Brooks.

**B Reserve:** Pt Mac started in a flurry, however the girls rallied together in defence to pick up some timely rebounds and turnovers. We brought the ball down the court smoothly and passed into the goalies with accuracy. The second quarter saw Fee work tirelessly in defence to cause extra pressure. The goals didn't drop but the passing around the circle was spot on. To Pt Mac's credit they put the pedal on the gas and we had a hard time trying to match them. The girls fought hard and didn't give in their endeavour. It just wasn't our day. Awards: Somerset – Karen Bowman, Hath Sport & Rec – Fiona Jackman.

**B Grade:** Things definitely didn't go our way last week and unfortunately this was out of our control. Our first half of netball was great, with everyone working hard and was great to have Casey and Lucy back in our midcourt. We were only 1 goal down at half time, but our 3rd quarter saw us with some errors and only managed to shoot 6 goals. Our 4th was better but we were consistently penalised which didn't help matters and to go down by 12 was very disappointing. Keep your heads up girls as this week is another game and we know that we have the goods and hope things will go our way, not against us. Awards: Somerset – Lucy

Cooper, Hath Sport & Rec – Casey Merrett.

**A Reserve:** We scraped away with a one goal win and at the end of the day that's all we needed. Hopefully it didn't come at too bigger cost with injuries to 4 players! Sarah continued her stellar season working hard in centre earning her the Somerset award. Emma has grown in confidence in the goal circle earning her the Sport & Rec award. With second spot up for grabs now is the time to knuckle down and committing 100% at training.

**A Grade:** Great to see Keston back on court, didn't take her long to pick up where she left off. Whilst Kelsey quickly slipped back into top gear, wouldn't have known you had 5 weeks off for a overseas holiday. Great to have you back. Once again we let the opportunity slip with a drop in concentration in the second term to give Port MacDonnell too many opportunities. From that point on we turned our game around but catch up netball is tough against a quality opponent like Port MacDonnell. Very pleasing we managed to win the second half with better execution, good choices and more determination with full court defence. This certainly shows you can match your more experienced opponents, let's keep working on the consistency. Annabel Brooks fought out a tough 4 quarters running hard and working tirelessly to give us turnovers. Kelsey Bromley (Somerset award) great shooting in particular second half. This is the form we need to take into today's match against Tantanoola. We know the 4 quarter effort is there, we just need to continue to push each other to get there!

## FOOTBALL

**Junior Colts:** Another week down and again it was a great effort by the boys against bigger and older opposition. The scores don't show how much effort the boys put in each week and the improvement that I can see each game. Last week the boys went back to chasing kicks instead of staying in their positions. When they did play in their positions they were able to move the ball freely and work together to manage a couple of goals for the game. It's always pleasing to see the joy on the boys' faces when they get a goal, and it's reward for all their hard work they put in. Keep working boys and the results will come. Awards: Donna & Hanny – Ethan Telfer-Scott, Jaxon Cushion and Bradley Yates, Radley Plastering – Jack Cytrowski, Subway – Sam Jennings, Ladies Committee – Corey Baker, McDonalds – Cody Vanderhorst. Best: Bradley Yates, Matt Nelson, Jaxon Cushion, James Lucas, Sam Jennings, Ethan Telfer-Scott. Goals: Bradley Yates 1, Saxon Altschwager (Mt Burr) 1.

**Senior Colts:** A great win by the boys up against the undefeated side. The lads

played a real team game with everyone contributing. Being 20 points down at half time they dug deep with eyes only for the footy. Another tough game today up against Hatherleigh. I'm sure we can play that style of footy and bring home the points. Best players were hard to pick with everyone playing well. Awards: Radley Plastering – Toby Pink, Fasta Pasta – Jack Radley, Tony Egans – Bryce Patzel, Ladies Committee – Adam Gregory, KFC – Jordon Gould. Best: Toby Pink, Adam Gregory, Corby White, Stephen Moreland, Jacob Bell, Marc Roberts. Goals: Adam Gregory 5, Ethan Glass-Reilly 3, Jordan Gould 2, Stephen Moreland 1.

**B Grade:** A glorious day for footy with plenty in the crowd due to the many reunions being held at Tigerland and the boys came out firing in the first quarter scoring 8 goals to 1. Some great football in the first three quarters saw us hold the Burr to 1 goal with some great team footy and usage of the ball really opening the game up. The lack of fitness showed through in the last quarter with the Burr outscoring us due to our lack of run. Best for the day were the Sprinkler in everything, second Pilly back after injury, third Big Benny McRostie

who rucked tirelessly all game, fourth Flick who ran all day after playing a full game of Colts, fifth the Big Nose finishing with 7 goals and followed by the two big units down the back Hammer and Benny Cairns. Off to Hatherleigh this week. Good luck to all grades in football and netball.

**A Grade:** Last week we were given another challenge against the first placed Burr after they had their first loss of the season the week before. We knew it was going to be a tough one as Dawery laid down some challenges to individuals and reminding the team the importance of the game. Unfortunately we just left it in the change rooms even though we kicked the first goal the Burr's hard running and teamwork made us look very second rate as they opened a healthy break at quarter time. While it was always going to be hard to get back into the game our second and last quarters were excellent as we competed well against a very well drilled and confident team. In the end we went down by 11 goals but being down 6 in first quarter it could've blown out a lot more. Best players were Toby, Dylan, Winny, String, Troy and Patto. This week is like a final as we sit outside the 4 now so boys let's be confident and try

to get ourselves back into finals contention.

**General:** Tonight we head back to another of our valued sponsors in the Somerset for presentations. Get back and have a meal or even just a drink. A big thank you to Sassi, Gino's, Denton's Sportspower, Millicent Chemist, Somerset, Absolutely Anything, It's a Celebration, KCA and Gambier City Pharmacy for their donations towards our quiz night, it was very much appreciated.

Winner of the \$100 Ducky's Voucher on the gate raffle was Tom Fennell.

100 Club break up is tomorrow starting at 1.00pm. If you haven't got a ticket make sure you catch up with a committee member today before it's too late. There is some great prize money up for grabs so well worth the money. We would also like to say thank you to another sponsor in Coopers for the donation of an awesome esky that we are raffling off and will be drawn at the 100 Club break up. Make sure you have plenty of tickets because this is a prize that you want to win!

## NETBALL

**Junior 2:** Great game from all players. A big thank you to the Mt Burr team for their awesome display of sportsmanship. It is so great to see everyone helping each other out and encouraging each other. We really need to work on coming in front and leading to the space. Let's finish off our last 2 games with a bang, train hard and keep up the good work. Awards went to Georgia J (Fensom Family \$5), Ebony (Maccas) and Georgia H (Hungry Jacks).

**Junior 1:** Full credit to our girls for not giving up against a much taller and older side. Your dodging and moving was excellent. SMK Electrical Encouragement Award – Lacey Whitty and Macca's – Tayla Rowe. Enjoy your last game of the season girls, you've all been a pleasure to coach.

**13 & Under:** After a slow start we worked our way back into the game only to let it slip away in the third quarter. Our last quarter was a beauty that saw us claw our way back from a 10 goal deficit to just a narrow 4 goal loss. With only 2 games left before the finals start it's time to start working on consistency over 4 quarters. Leah and Maddi once again worked hard in defence, and Georgia and Emily shot well. Brianna and Chloe worked hard in the mid

court. McCourts Cafe award – Leah, Hungry Jacks – Georgia.

**15 & Under:** A disappointing outcome last week with the talent and skill we have in this team where the last few weeks we have yet to have shown this! We need to realise that we cannot reach our peak and be completely prepared for finals unless we are all on the same page, there is positive encouragement, communication and coming together as a TEAM! So let's work hard at training this week, time is ticking away with 2 games left!

**17 & Under:** Great work girls. Everyone listened and went out hard from the first whistle, working together to get a good lead on the scoreboard. We still need to remember to come in front against the harder teams, because going over is the easy option and won't work when we come up against the tougher competition. It would be good to see everyone working hard all game and looking like they want to be out there because I think our team would have potential if everyone put in the hard yards, but a win is a win. Good work girls! Let's all try and get out to the last few trainings as a team to finish the season on a good note! Awards went to Alex, Noelle and Che for all working together and pressuring their opponents.

**B Reserve:** Excellent game by all. It was great to see everyone actually put on

the court what we have been working at in trainings. Erin killed it in a new position she has never played and owned it with beautiful front cuts and driving onto the ring, while also combining brilliantly with Danni. Tiana stepped up to another position out of her norm. She worked tirelessly and gained many intercepts, whilst shutting down her player and keeping her out of the game. Another congrats to Jodes for stepping into GD. This girl can play anywhere. Jodes and Kamari combined well in defence and created many turnovers. With Kamari's eye on the ball and her player she had hands to nearly every ball and shut down the goal circle. Great work girls. Hope the ankle is healing well Krystal and hope to see Jules back next week (I'm running out of defensive players haha).

**B Grade:** Fresh conditions and some sloppy skills against Mt Burr. I was really impressed by Krystal's game having a crack at every ball and providing great drive down the court. She has put together a string of solid games the last few weeks and picked up the Millicent Chemist voucher. Morgen was reliable once again in the goal circle and positioned herself well. We need to work together as a team coming into finals and keep our eye on the prize.

**A Reserve:** No complaints about the weather last week as it was a perfect day for netball. Our attack settled early

and made the most of every opportunity presented. Ash and Nic shot beautifully all game and were well fed by Alana and Bec. It was great to see our plays coming into effect on the court and everyone striving to give 110%. Our defence once again worked hard, limiting the opposition's scoring opportunities. Our consistency over 4 quarters is improving each week and we are finding our stride as a team and adjusting well to positional changes when they are made. Wishing a full and speedy recovery to Jo and hope she is back on the court ASAP. Ash – Caltex, Alana – Denton's Sportspower and Nic – Subway.

**A Grade:** A solid performance from all girls. Our first quarter saw us a little slow to get into our work rate resulting in an even first quarter. Kate B and Simone picked up pace after quarter time and provided us with plenty of drive out of defence. Kate S and Jami found space in the circle and the shots were dropping. At times we lost sight of our game and allowed Mt Burr to push us wide, resulting in some scrappy forward moves. When we let the ball go and used our speed the game opened up for us. Still a few lapses in transition but solid effort overall. Special mention to Emma Gould coming on in the last quarter and putting in a strong performance at GK. Calcutta and RSL award – Jess Bell, RSL award – Jami Walker.

# NANGWARRY SAINTS

## FOOTBALL

OUR last game against Hatherleigh resulted in very average results for the Saints with the opposition recording four very easy wins.

The Junior Colts struggled against a very well drilled opposition who dominated from start to finish. As hard as the young Saints tried they were never in the game. Still there is always today to try and get back to the winners list

The Senior Colts also suffered the same fate as the Juniors when easily beaten with a depleted side. Thanks to Hatherleigh who helped us out with players.

The Seconds had a real go but were just outclassed by Hatherleigh who were in control from start to finish and as a result won easily. Not much relief today when we play the top side.

The Seniors also were outclassed as the opposition dominated from the start and

increased their lead at every change. The Saints certainly tried hard but lack about 8 players to become at least competitive but with the new salary cap and points system in place it is not possible if you stay within the rules.

A great Auction Night two weeks ago that proved to be an outstanding success with a great crowd in attendance. Well done to all involved in preparing the meal. It was greatly appreciated by all. Well done to auctioneers Tilbs, Brad Maney and Aidan

Mills who helped the club to raise funds to support both football and netball.

Tonight is the Gold Cup night with a good night assured. Make sure of your presence to support your club, with all players expected to attend.

Today it's Pt Mac and all we can hope for is that we give 100% in all games.

## NETBALL

NANGWARRY Netball Club is proudly sponsored by Chemist King, GJ Gardner, Noel Barr Toyota, Steelene, McKinnon's Affordable Mowing, UFS Chemist and IGA Penola.

**Junior 2:** Well done girls. Thank you Hatherleigh for a great game. Lara and Shayla once again played excellent and got so many intercepts. Tanisha rebounded strongly which was great to see. Holly, Belle and Skye were just missing out, they knew the ball was coming and put hands up but the ball would just go over their heads. Next year we will be able to get those ones. Sophie wasn't keen to play but lasted four quarters so well done. I hope we enjoyed the break and we are eager and meet the ball today against Pt Mac.

**13 & Under:** Bad luck girls. After a close first half we let the game slip away. We had a few

positional changes and those girls adjusted quickly, however we all need to remember to drive down the court and drive on the inside of our player not behind them as this is where many of the opposition's turnovers happen. Best player was Gemma.

**B Reserve:** Whoa bad luck girls. Even though this was a loss you guys did not give up and gave 100% throughout the whole game right to the very end so hold your heads up high to that. Once again the whole defence worked hard and was good to see Stevie and Rhi really coming together. Alyce was so strong in goals, pulling in some tough ones and even coping a hit in the face but still continued on, great work Alyce. Only a couple of games to go and I wanna see us giving our all because we have nothing to lose. Best players Stevie Judd and Rhiannon Johns.

**B Grade:** Well done girls on a well fought for win. We were

4 goals down after the first quarter but we worked hard to gain the lead and come away with a 2 goal win. We didn't drop our heads and we didn't let the fact that we were down affect our game. We went back out there with a positive attitude and worked even harder for the ball. We really wanted it and that showed on the court. Thank you Emma for sitting bench for us. Best players Kristy Neale and Alex Reilly.

**A Reserve:** Don't be too disappointed girls in this game, you all played really well. Defence, movement and attacking down court was so much better than previous weeks. Tahlia and Ange combined well with finishing off most shots which is awesome. Tamara and Fi fed well to them. Jazzy got her first A Res full game and proved herself with some great defence work, and did exactly what we practised at training. Overall we had a good

game, just some silly little errors let us down, but great job girls. Thanks to Alex for helping us out, much appreciated. Let's finish the last two games on a high.

**A Grade:** Great first quarter girls, to be in the lead by 1 forcing Hatherleigh to make some changes. Second and third quarter saw us go backwards once again allowing Hatherleigh to get back on top. Tammy had a fantastic game in GS and our defence worked overtime. Last quarter saw us re-group and the Ploenges girls entered the court we settled and with Tammy on fire in the ring we again outscored Hatherleigh 19 to 15 so just think if we played four quarters of netball what we could achieve. Hope you enjoyed the week off and let's see if we again come out firing against Pt Mac. Thanks girls for filling in and Rhiannon for umpiring – good job. Best players Tammy Smith and Suzanne Crowe. Fasta Pasta award Suzanne Crowe.

## FOOTBALL

**Junior Colts:** With the boys having their photos taken, we had a full team with six on the bench and playing the second team in the comp who beat us last game. I knew the boys were keen after their couple of trainings last week, and how loud the boys were in the change rooms before the game. A well played game by the whole side, our tackling pressure was great and our shepherds and little hand balls were good. Best players were Noah, Parker, Zac, Jayden, James and Tre.

**Senior Colts:** In our last home game for the year we faced a Hatherleigh side, looking to cement a finals spot and our boys trying to hold second place. And Hatherleigh came out to play, jumping us early and putting pressure on the boys turning our mistakes into scoring shots. It took us 10 or so minutes to settle and we ended the quarter with a couple of much needed goals. After quarter time the boys realised they had a game on their hands and started playing a lot better footy, locking down from the back and making smarter decisions with the ball, which gave us more opportunities to score and at half time it was all tied up. The third quarter was by far our best for the day and I thought it was when we started to break the opposition's kicking 3.2 to 0.3 for the quarter but it just wasn't the scoreboard pressure but the pressure all around the ground which was very pleasing. Again in the last quarter our pressure was very good only to waste a few good chances around goals, but we always believed we would run the game out well and in the end that is what we did. Really good hit our coming into finals. Great work by all the boys.

**B Grade:** What a big change in a week, from the frosty mountains of Mt Burr to the tropics of Pt MacDonnell, well tropics may be a stretch but considering the weather of the past month or so it seem liked the tropics. From the outset round 16 against Hatherleigh seemed like it was going to be a great day, dry conditions, a big crowd and it was. As always the coaching staff had the Thursday tradition of navigating through the availability through romantic weekends away, bucks shows, injury and the dreaded A Grade call up and by the time it had been balanced up another good looking side had been selected for the big game. As the Saturday morning arrived and the team gathered the good news continued with everyone arriving including sleeping beauty himself Karl Brooker after last week's alarm after night shift incident. As the people that regularly read these notes, and I am sure there are plenty, the big interest pre-game is the arrival of the second box and we were not disappointed again with the arrival of the second box but wait there was more, the arrival of the third box, a

## NETBALL

PORT Mac Netball Club would like to congratulate Georgia Pratt on playing her 50th game this week. Georgia is part of the 17 & Under side as well as filling in for the B and B Reserve this season. We hope that this is a first of many milestone games that you play at our club.

A thank you to all the netball players that attended Red and Blue Ball. A great night with shots selling out fast! Also a big thank you to Ian and Sharon Perryman for donating the wood for our raffle and also to everyone who worked the gate selling tickets. The winner was Vivian Telford. We are still seeking expressions of interest from kids aged between 5-8 who would like to do their Mini Deb Ball, pls msg 0418 939 712 to register.

**Junior 2:** Awards – Kayla and Sophie J. Last Saturday was a hard game, but we always seem to be playing our best netball by the last quarter. Our defence was tiresome, and this led to some great

3 box day – how could the day get any better? When the coach arrived it was noticed that he was missing his Richmond hat that was proudly on his head the week before, not sure where he put it? Perhaps the kids hid it on him, thankfully the missing hat didn't dampen his mood and he was able to deliver a spot on address to the team to have them ready to run through walls for the 150 gamer Chris Driver who always looks ready to run through walls before a game or training sometimes even before he goes to bed. As the team took to the field they looked rather good with the guns oiled and the hair combed this might may have been for the team photos or because the Hatherleigh netballers were in town. As the game got underway everyone looked switched on, moving the ball with great skill and controlling the play. Only place that the domination was not shown was on the scoreboard but still the team was able to take a 5 goal lead into the quarter time break. After a quick meeting with the think tank the coach went out and addressed the team and asked for more of the same and the scoreboard will look after itself. As the second quarter started the standard continued to be very high with the scoreboard starting to reap the rewards with 9 goals being added. Again at the half time break the coach was happy with what he had seen from his chargers, still he asked for the standard to continue. In the third quarter the team continued to respond to their coach's words, with another big quarter both in play and on the scoreboard kicking another 9 goals to take a strangle hold on the game. At 3 quarter time the coach came out and was still happy with what he had seen so far but still with the final looming he wanted the high standard to continue. The last quarter was a mixed bag. With a little flat spot during the first part of the quarter the lads came back hard in the last part of the quarter with some great play to kick 8 goals to round out a good win. Best for the week was a rare sight in the Bs – James McGregor who had plenty of the ball and kicking 3 goals, not to mention showing great leadership on the field, seemed the Bull also enjoyed what the Bs could offer especially on a 3 box day. Second best was Jack Cawthorne who again had plenty of the ball. He may have had to go to hospital to get the leather poisoning removed. Third best was Shannon Smith who wound back the clock kicking 10 goals and was heading out to celebrate with a surf. Fourth best was a regular contributor to the best Jake Simmonds who again took plenty of intercept marks and had heaps of the ball and lifted his stocks supplying box 2. Fifth best was another regular in the best Kieren Dooley who again had plenty of it and he also contributed box 3. Last best and by no means least Josh Smith who gave plenty of run on the wing and added plenty of defensive pressure. He also looked a treat in the canteen making the sandwiches. Ladies, a man that can cook

passages of play down the court. We must use our voices more often and call for the ball. Our passing also deserves a little more concentration, to make sure it gets to where it is supposed to be going! Keep up the wonderful effort girls and remember to keep having fun!

**Junior 1:** Well, with last Saturday being our last game for the year you all played so well. Was a great effort by everyone. Best players to the whole team.

**13 & Under:** Fantastic win girls. The combination of Tanz and Halle in goals worked very well. Defensive pressure again was outstanding. We just need to limit our passing errors. Let's go out there today and enjoy our last game of the season.

**15 & Under:** It was great to see everyone implement the things we work on at training, we worked hard all game unfortunately things didn't go our way. You have all improved so much since the start of the season and if you keep working hard as a team you will see the rewards on the scoreboard. Keep up the great attitude and finish off the season strong. Best were Shylah Fosdike, a very consistent game all down the court and Tia Taylor for working

is a keeper. Next game we move on to the timber town of Nangwarry for the final home and away game. Let's hope for a good effort to finish out the season to be fine tuned for the finals. Before I go I must print a small retraction after outing Tommy Lampard as a short wearer in the shower, he is not a short wearer in the shower or so he told me.

**A Grade:** Last Saturday saw us have a visit from the Hatherleigh Eagles. Last time we met they jumped us at the start of the game and got away to a flyer. Facing an Eagles unit that on paper looked stronger than the first round when they were in the middle of a horror run with injuries, we saw this as a danger game and the first obstacle to overcome was to nullify their fast start. Alas it was not to be. Halfway through the first quarter we were looking at a substantial deficit, and I reckon if the breeze was favouring any end it was towards the changerooms which is the way we were kicking. The boys did stop the flow of goals and had pegged them back by quarter time and even though we were still behind by a goal, that deficit was manageable. Later when I sought his words of wisdom, coach Leroy said "It was a bit like the first time we played them, almost a carbon copy. We just couldn't get our hands on the footy and their onballers were. Caolan Buckley kicked three of the first four." Although Leroy had stressed before the game that we could not afford to let them get away to a fast start, and that we needed to be switched on from the first bounce, it was obvious that things had not gone as planned. However, Leroy was optimistic at the end of the first quarter. He said, "We settled, and it was good to go in at quarter time only a goal down." The second quarter was a bit of an arm wrestle, with neither side able to gain the upper hand, so it was pretty even at half time. As the players adjourned to the changerooms, I decided that I would not head that way, instead searching out my old mate from the West Coast, and now part of the Hatherleigh furniture in Reffo and we headed for the viewing shed to partake in a few cold frothies and relive our adventures as the mainstays of the backlines of the Western United Tigers in the mid 80s. The banter between the supporters of both sides was flying thick and fast, and as is usual with the Hatherleigh crowd, it was all in good fun. That is one part of our great game I hope never changes, that is you can stand right next to a bloke you don't know, argue with him for two hours on the ability of the players, and also quite likely the umpires, and at the end of it you are drinking beers together and vow to meet again and go through it all again the next time the two teams meet. The second half started and we cracked another can, the banter continued and I was trying not to turn and have a look at the TV as the Doggies were flogging the Power! We managed to gain a good lead in the third and extended it in the fourth to run out comfortable

tirelessly all game. Well done girls.

**17 & Under:** Last week's game was a great game to watch even though we didn't get the desired result we really gave it our all. Goalies moved and shot well and defensive pressure was great the whole way down the court. Once again consistency is what is letting us down so in the coming weeks we will be fine tuning and training hard to prepare ourselves for finals. Best players Maddy Telford and Megan Hein.

**B Reserve:** Good start to the game girls. We all worked hard. Kel, Patty, Tina got some nice touches and rebounds. Tan, Sai read the play well and were there for the drive. Bank, Kel, and Eb persisted and work hard all day, by making the most of the goal opportunities. Let's keep up the support for each other and stay focused for the whole 60 minutes of the game. Best players Bank and Kel Hab.

**B Grade:** Well fought out game girls. It was a tough start but once we got going and started working together we managed to come out with a win. We do need to treasure our turnover more than what we do! Although we play as a team we need to have more talk and encouragement on court. Let's finish off the

winners. As Reffo and I were still consuming cans at a fast rate at the end of the game, I did not get over to the changerooms to hear Leroy address the players straight after the game. I did catch up with him a bit later in the clubrooms and we had our usual chat. He was very happy with the second half of the game. As I had had a few by then I was writing down his every word so as not to misquote him. What he said was, "Very good. Seven in the third and six in the last. It was a good way to finish off. We ran the game out well." I must say that I had to agree with Leroy and we spoke quickly of the looming finals as we have certainly cemented our spot in the four. We still have some things to work on but we're in pretty good shape and hopefully we can continue our recent good form, apart from the minor hiccup against the crew from the Doo a few weeks back. On the finals Leroy said this, "We're a good chance. We've got second spot and anything can happen from here." On that note I left Leroy to enjoy his night out at the Red and Blue Ball. Best players from last week saw Dylan "Bomber" Bromley lead the way. The big fella had a day out up forward bagging thirteen of our twenty goals. His radar was certainly set pretty right as he only booted one behind to go with his bakers dozen. Second best was Tommy Sullivan who is back to his best after dropping back to the Reserves the other week. Third was Ryan "Dog" Fox who did a great job down back and provided plenty of rebound all day. Fourth was Justin "Jut" Bromley who has had a very consistent year and is showing his true value as a forward marking option or back up ruckman to big Will. Fifth best was Luke McIntyre who has had a new lease of life since coming back into the side after the Robe game where he kicked sixteen in the Reserves. He might not be kicking as many goals but he is a team player and does what is asked of him. As already mentioned Bomber had a day out and kicked thirteen. The only other multiple goalkicker was Mal "I've still got the best smile in the business, but now my nose is all crooked!" who got two and if he continues putting his head in the way of people's fists and elbows may very well end up as a poster boy for a plastic surgeon! Singles were scored by "Jut", Wade Chant who was up again from the U17s, Scotty Enderl, big Will and Lukey. Today we are at Nangwarry. We know they are struggling, but they are a proud club and do not seek or want sympathy. They are determined to stand on their own feet and be a part of our League. In respect of them, and coming in to the finals, we have to be ruthless and not give them an inch. They will respect us more as a team and a club if we play that way and not just go through the motions. Go you Demons!

season with another win and come into finals on a high. Good luck girls.

**A Reserve:** It's always disappointing to lose but to lose by 1 is even worse. We need to want to win and be more determined. We need to treasure our turnovers, watch our passing and continue to move and create space and call each other through. Ady played a ripper of a game providing strong drives and some great passing. Welcome back Marz, who played a tight game of defence with Narelle and provides many turnovers. Best player: The Real SlimAdy Neshoda!

**A Grade:** A great game last Saturday. We regrouped after a disappointing loss the week before. We had some great passages of play but still needing to minimise our own silly errors and balancing out the court. It was great to see the court plays we've been practicing at training finally being implemented on Saturday. We really need to listen and work hard at trainings coming into finals so we can play the games we all know we are capable of. Best went to Tonz for excellent shooting and moving in the circle with great talk on the court.

# INDEPENDENT UMPIRES FOR MSE NETBALL

SIGNIFICANT change for Mid South East Netball has occurred in recent weeks with independent umpires gracing our courts in the minor round matches of the A Grade competition.

The first game to be involved was held at Mount Burr against Port MacDonnell on Saturday 1st August.

Independent umpires are being sought from within and outside our Association to umpire the 'Game of the Round' as selected by the MSE Executive. A Grade coaches and club presidents are also welcome to request independent umpires for particular minor round games if desired.

Independent umpires are being sought each week to umpire two games on the day and are receiving equal remuneration in line with the MSE football umpires.

Anyone seeking information or interest should contact MSE Netball Umpires coordinator Bec Scanlon on 0408 232 458 or MSE Secretary Tammy Auld on 0439 421 420 or [msenetball@live.com.au](mailto:msenetball@live.com.au).

# 150 SENIOR GAMES FOR KATE SEALEY

THE Glencoe Netball Club congratulates Kate Sealey who today plays her 150th senior game for the club.

Kate began her competitive netball career for Glencoe in 1996 and played all of her junior netball, totalling 94 games, with Glencoe before graduating to the senior ranks. Since that time Kate has established herself as a prominent defensive player well known throughout the Mid South East as a constant voice for her side, tenacious and never giving an inch.

Kate spent a season away from Glencoe in 2004 and had time off in 2009 and 2014 due to the impending births of her children. Kate was a member of the Committee in 2007 and 2008 and took up coaching in 2009 when she led the B Grade side, before taking up the position of playing coach of the A Reserve side in 2012. In 2010 Kate was a part of the successful A Reserve premiership side. This season Kate is the captain of the A Reserve side.

Kate provides a huge amount of leadership on court and her knowledge and encouragement has been invaluable to the younger members of her side in particular.

Well done to Kate on reaching this milestone and thank you for your commitment to the Glencoe Netball Club both on and off the court.
