## HALE PLAYS 100<sup>TH</sup> SENIOR GAME FOR TIGERS TODAY

TODAY Chris Hale plays his 100th senior game for the Tantanoola Football Club against Nangwarry.

Chris, better known as "Minky" by his teammates, started his footy with the Tigers back in 2003. He went on to win the Senior Colts league leading goal kicker trophy in 2007 and in 2010 won the club Senior Colts Best and Fairest playing in a premiership in that grade the same year. Also in 2010 he started his A Grade career and played mostly as a defender for the early part of his career showing how versatile a footballer he can be.

In 2013 Chris won the A Grade Best Team Man trophy and has been selected in the Interleague team the past 3 seasons, unfortunately injury ruling him out for the 2013 match. In our ANZAC Day match this year he won the John Rogers Medal for best on ground.

Chris is a hard, no nonsense footballer who always likes a challenge, playing multiple positions and always puts the team first.

The Hale and Chapman family are a huge part of the Tantanoola Football Club and we thank Chris for continuing the great and long association of the family with the club and wish Chris all the best with this week and hopefully many years to come.

## 50 SENIOR GAMES FOR FINNIS AT GLENCOE

THE Glencoe Football Club would like to congratulate Jayson Finnis on playing his 50th senior game for Glencoe today.

Jayson has played all of his football at Glencoe and came up through the juniors. "Chic" was the vice-captain of the 2005 Junior Colts premiership and played his first senior game for the club in 2012.

The club wishes Jayson all the best for today and hope that he achieves many more milestones with the Glencoe Football Club.

# 150 GAMES FOR "COBBA"

CONGRATULATIONS to Jacob "Cobba" Nicholson who played his 150th game for the Robe Football Club on July 25th against Tantanoola.

"Cobba's" football debut was with the Robe Football Club in 2002 after being recruited from the front bar of the Robe Hotel at the age of 29.

Since then, "Cobba" has worked tirelessly for the Robe Football Club over the years as a committee member, secretary and more recently, the Reserves team manager. He is always one to lend a hand and an asset to the club.

Although into his late 40s, "Cobba" continues to run out with the Reserves every week and enjoys a beer with teammates after the game.

The Robe Football Club congratulate "Cobba" on his milestone and thank him for his contribution to the football club.

## McRAE TO PLAY 50<sup>TH</sup> A GRADE GAME TODAY

THE Glencoe Football Club would like to congratulate Michael McRae and playing his 50th A Grade game for Glencoe today.

Michael came to the club from North Gambier in 2013 and took out the A Grade leading goal kicker award in his first year. Michael is once again leading the club in goals kicked this season even though he has been played more up the ground for most of the season.

We hope Michael and his beard play many more games for Glencoe and wish him all the best for this milestone.

## BUDGET REQUIREMENTS FOR FINAL SERIES

WITH the end of the minor round today, football and netball clubs are reminded that team photos are needed for publication in the Budget during the final series. Team photographs should be emailed to [budget@setimes.com.au](mailto:budget@setimes.com.au) with names.

All football and netball senior team photographs will be required along with all other football and netball team photos competing in the final series.

All competing A Grade sides need to also submit a brief player description for use during the final series. All sides competing on Grand Final day will also need to provide a player profile description. Clubs can choose to submit player profiles now, as this will lessen the workload required in the week of the Grand Final.

Football Club Presidents Reports will also be required for the Grand Final edition of the Budget.

Deadline for team photos is 12noon Monday 24th August, with the deadline for Presidents Reports 12noon Monday 14th September.

## PRESENTATION FUNCTIONS

THE Mail Medal and Senior Presentation Night for Mid SE football and netball will take place on Monday 31st August at 7.30pm at the Millicent War Memorial Civic and Arts Centre.

Master of ceremonies for the evening will once again be Frank Brennan.

The junior count for both codes will be held at this venue on the previous day, Sunday 30th August with proceedings getting underway from 2.00pm.

The host club for both functions this year is Glenoce.

It promises to be an exciting weekend with the first semi-final being contested on the Saturday at Mount Burr.

WELCOME to the final minor round game for season 2015 in the mighty "Family League" and we still have five sides trying for four spots in the finals. Rumour has it that the Glencoe lads have been coaching the Nangwarry lads this week and offered all sorts of incentives for them to defeat the Tigers. Form however would suggest that the Tigers will take fourth spot.

Last week yours truly ventured to Kalangadoo for the big clash between Kalangadoo and Glencoe. I was joined by fellow Port man Gavin Motley. We were to have been joined by "Emu" Chant but he was also struck down with the dreaded man flu. I was under the impression that only good looking Port supporters got man flu! A good crowd was in attendance and the weather Gods were nice to us with calm conditions and no rain. The game was of a pretty good standard and at half time the Pies led by some five goals. After half time the home side put on a display of skilful footy kicking 18 goals to 5 from the Murphies. For the home side young Michael Krieger kicked eight goals and it is hard to believe he was a colt player not that long ago. For the Murphies, Matt Kasparian once again showed his class with some very good ruck work and marking around the ground. Thanks to the guys for playing in the right manner although two players well lucky to stay on the field after they decided to have a "horizontal dance" behind play. Probably a good time to

remind all players that if you get reported and miss a final you will not only let yourself down but your teammates as well.

Over in the crisis prone AFL world and... well let's give it a break for a week. We are all confused by them me thinks. Onto my mate Fred and I think you need to see Clarrie to improve your maths (on second thoughts maybe see someone else). Last week Demon forward Dylan Bromley had 63 goals to his name and Fred wrote in the local media that the lad only needed a lazy 27 goals to reach the ton. Unfortunately the poor fellow only managed 12 against the poor old Saints but 75 goals in the minor round is 75 more than Cav kicked in a distinguished five year career at Jamestown!

In the world of tennis and I think it is time for young Nick Kyrgios to seek some help. Perhaps he could do worse than seek out a real nice guy in Jason Day who this week won his first golf PGA Championship. Jason lost his father at a young age but he has put this behind him and worked his butt off to become one of the world's best golf players. The tears Day shed after he won displayed what it meant to him to have success without resorting to absurd outbursts against his opponent. Hopefully Kyrgios (and his family) realise that showing a bit of humility and sportsmanship may save his career before it is too late.

Back to reality and the Vanderhorst family have had an eventful couple of weeks. Dion, Kate and family were looking forward to a holiday in bikini clad Bali and flew out of Australia only to be turned around one hour out of Bali because of the volcanic ash. The family stayed in freezing Adelaide for a couple of days and then headed back to the sunny

South East. At last report they were heading off last Sunday but if they didn't get to Bali I would suggest a world record for swearing may have been broken by the guys!

Neil Webber may want to find a new hairdresser after his head appeared to have been invaded by aliens last week (no Cav, not Benny Hill's aliens). Evidently something went wrong with the clippers when they were applied to the lads head and report suggests he was lucky he wasn't decapitated. Or was it the work of one lovely Kathy, Webbs?

No names for this one but which of the twins melted his umpire's jacket at Tigerland recently? Rumours suggest the lad had a couple of raspberries and was rendered a bit groggy (okay pissed if I can use that word) and was very close to the open fire. What happens when plastic makes contact with very hot metal? Sort him out Alison. I have unfortunately had occasion to mention boundary umpires in a negative light this season. So credit where it is due. I have been informed that the four fellows who ran for Kongorong and Mount Burr last Saturday did an excellent job. Well done lads. Thanks to Trevor Ling from Robe who helped out with the green shirt last week. As the season draws to a close it is time to thank all of those guys who have pulled on green shirts this season. We sincerely thank all clubs for helping out and we hope the guys have had a positive experience when umpiring. We look forward to some of these guys going on to umpire A Grade in future years.

That's all for another week. Enjoy your footy and netball and see you all at Mount Burr next week for the start of what promises to be a ripper of a finals series. Cheers, Cav.

# THE VOICE OF REASON

IT will be a bitter-sweet moment for Tantanoola as it will defeat Nangwarry but still miss a place in the top four.

Glencoe will hold on to fourth as they will defeat Mount Burr.

The Murphies are a five goal better team at home, Nick Martin will be back from suspension and Al Kennedy will be much better in his second game back after a mid-season break.

This is truly a dead rubber for the Mozzies as they have little to play for.

There is also a theory that they might lie down today and allow Port MacDonnell to claim the minor premiership.

After all, Mount Burr had this honour in 2014 and then lost both finals.

Craig Skeer should end this coaching stint with a win at Kongorong while Kalangadoo will find it hard to be motivated at Robe.

As the Magpies are stuck in third, it might be tough to overcome a fresh Rooster lineup.

It all points to a meeting of the Magpies and the Murphies in the first semi at Mount Burr in a week from now.

## ROUND 17

Glencoe suffered a bit of blip at Kalangadoo but I attribute that chiefly to the inconsistency suffered by young teams.

Port Mac had a slow start at Nangwarry but finished well in the final three terms.

I had a bit of business to do at Mount Burr and the home side looked the goods against Kongorong and especially in the last term.

It is a couple of years old now but I just love the new Can Hill set-up.

Ask any Mozzie and they will tell you that not one cent of government money went into it.

The Tigers missed a chance to play finals when they went down to the Eagles.

## WHO WILL WIN?

As the 2015 season draws to a close, the likely identity of the Sunday Mail Medal winner is invariably kicked around.

We only have about nine days to see if the thoughts of the many armchair

experts in Friday's edition of The Border Watch are proved correct.

For the eighth consecutive year, former Wattle Range District Council chief executive Frank Brennan will be the master of ceremonies at the annual Mail Medal count of the Mid South East Football League (MSEFL) and MSE Netball Association.

Frank is also Chief Commissioner of the new South East Regional Royal Commission.

The function will be held at the Millicent Civic Centre on Monday, August 31 and will be hosted by the Glencoe Football Club.

The Murphies are always good hosts but one table of dignitaries are thought to be getting VIP treatment.

Instead of the standard supper of cocktail pies and cream horns, the combined table of media representatives and independent tribunal commissioners are rumoured to have a special treat in store.

It would not surprise me at all if the Glencoe Football Club arranged for Mayura Station Tasting Room head chef Mark Wright to prepare their supper of prime cuts of beef.

## SUNDAY MAIL MEDAL

For the past 82 years, the Adelaide newspaper has donated a medal to the best and fairest footballer in country leagues across South Australia.

The awarding of the Sunday Mail Medal in the Mid SE was in our first year of post-war competition in 1946.

In the pre-war years, I have a feeling the Mid SE B&F was awarded the Dean Medal and it was donated by the Kalangadoo people who had Koorine.

The late Tom Walker was the first winner of the Sunday Mail Medal in the Mid SE and he played for Millicent in the club's sole and premiership-winning season in the Mid SE.

I predict that Port MacDonnell ruckman Will Macdonald will again grace the winner's podium and claim a record fourth Sunday Mail Medal.

Whether it is taking contested marks around the ground, winning the rucks, booting goals or doing the ground-work of a small rover, Macdonald would

always be in the play.

His raw talent was obvious a few years ago when he joined the Bay boys as a teenager from the Casterton Cats.

In the course of the past eight seasons, Macdonald has matured in his play and now captains the club.

His form in 2015 has been superb and he has been named in the best players in 12 of the club games so far this season.

The Bay boys can thank him for reaching the major round after a dip in 2014.

Macdonald is one of just six ex-Sunday Mail medallists who are still playing in the Mid SE.

Clint Gallio (Mount Burr, 2014), Ben Mules (Kalangadoo, 2000), Matt Faulkner (Hatherleigh, 2001) and Tim Stringer (Tantanoola, 2008) are still playing A Grade along with Robe's Ryan Dew (winner in 2005).

Michael Jones (who won the 1987 and 1988 Sunday Mail Medals at his home club of Glencoe) began the season with Kalangadoo but left the club in June and is nowadays an umpire.

Dylan Gamble won the Sunday Mail Medal with Mt Burr in 2012 and then moved to Adelaide.

He came back for one match with the Mozzies in 2014 and again this season.

The Mid SE lost three Sunday Mail medallists during the off-season with a fourth staying in retirement.

Kalangadoo's Brian Casey (2002-3 and 2009) moved to Western Australia over summer, Bronson Saffin (Kongorong, 2011) quit the Hawks and transferred to South Gambier while Brett Lindner (Nangwarry, 2007) has opted to wear a Penola jumper in 2015.

It seems that Adam Wiese (Mt Burr, 1995) has really hung up the boots after being coaxed out of retirement for a handful of games in the Mozzies Ressies last season.

Multiple medallists are not rare in the Mid SE but only one has won a hat-trick of Sunday Mail medals.

That was the late, great Kym "Chook" Smith with Robe from 1982-4.

Likely minor premiers Mt Burr should poll the most Mail Medal votes with the name of reigning Sunday Mail Medallist Clint Gallio heading the list.

Others in the mix will be Jonny Agnew and Tom Renzi.

Injured recruit Callum Hudson will lead the Kongorong list as he is a class act.

Tantanoola will not finish in the top four and it could supply the Sunday Mail Medallist.

Teen Jack Dawe was seldom out of the best players until he injured his shoulder at Glencoe in round 13.

The few Hatherleigh players who have been outstanding on a consistent basis in 2015 have been Matt Faulkner and Jack Sullivan.

Robe again has some of the pre-count favourites in Jack Kelly and Nick Cane.

Both have played at league level in the SANFL; have the footy smarts and all the skills.

A Grade regulars Dylan Coxon, Jaryd Dawson and John Dunn have all borne a heavy load for the undermanned team.

With around half of the Glencoe side having fewer than 50 A Grade games to their credit, the ball-getting ability of senior players has been crucial.

The best performers have been skipper Zacc Cocks, Dylan Childs, Edward Trupp, Matt Kasparian, Clay Von Duve, Tom Edwards and Alex Hentschke.

The Nangwarry Football Club has had a crummy year and there will be few Sunday Mail Medals

As has been the case for the past five seasons, Matt Fatchen has again been Nangwarry's best player.

I don't think 2015 will bring as much joy for the Magpies as 2014 did.

Mules, at the age of 32, will lead the Kalangadoo voting yet again but it won't be enough to claim a second Sunday Mail Medal and the title of the second oldest ever medallist.

I reckon that accolade belongs to Nangwarry's John Neshoda who was well into his thirties when he won his second Sunday Mail Medal in 1999.

His first had come with the Saints nine years earlier and he shared it with Kongorong's Andrew Bromley.

TIP: Macdonald will win the Sunday Mail Medal and will be followed in the voting by Mules and Gallio.

# ROBE ROOSTERS

## FOOTBALL

**Junior Colts:** Robe 22.11 (143) def Glencoe 0.0 (0). Goals: H. Gould 1, T. Gould 3, R. Legoe 1, D. Nunan 2, A. Weir 7, T. Wilfred 8. Best players: E. Dutton, B. Legoe, A. Weir, T. Gould, T. Wilfred, J. Kellock. Our second last game of the home and away year saw us travel to Glencoe. The boys dominated the whole game in every position on the ground. Winning the ball out of the middle of the ground, this gave our forwards every chance to kick a big score. All the boys got their hands on the ball at some stage of the game, and with seven individual goal kickers it was great to see. Well done boys, keep pushing yourselves and each other. Langers, coach. Incentives: Denton's Sportspower – B. Legoe, Robe Seafood and Takeaway – J. Kellock, Polly's Fish N Chips – L. Hurst, Elders – V. Legoe.

**Senior Colts:** Robe 3.4 (22) lost to Glencoe 14.11 (95). Goals: J. Tomlinson 1, T. Wilfred 2. Best players: J. Tomlinson, A. Baker, S. Altschwager, H. Hooper, M. Hansberry, J. McMartin. The match between Robe and Glencoe should have been a close tussle between two clubs who have found it difficult to find numbers during the season, however Glencoe had the upper hand as Robe had suffered injuries against Kongorong the week before and were four senior players down on the weekend. Fortunately Hooper and Baker were back from college and helped fill positions within the team but on the flip side

a valiant Jack Sneath took his place in the team but struggled to compete due to injury. The Robe lads did not get into the game and battled hard to contain Glencoe and minimise the damage as Glencoe moved the ball quickly and played direct football. Special mention to the Junior Colts who assisted the team and the Glencoe lads that played for Robe during the game. Best players for Robe were Tomlinson, Baker and Altschwager with everyone else trying their best which is all that can be asked for. Roger Sweetman, coach. Incentives: Steve's Surf – J. Tomlinson, Denton's Sportspower – A. Baker, Robe Mobil – S. Altschwager, Polly's Fish N Chips – H. Hooper.

**B Grade:** Conditions for football were perfect when the Roosters travelled to Glencoe for Glynn Brooks' 100th game, but unfortunately the Reserves were struggling for players as usual. A bit of wishful thinking on Thursday evening had suggested the team might have 18 without a bench, but those hopes were quickly dashed because A Grade were very short also. Several players who played Reserves at Glencoe were called up to A Grade this time. So it was that only 14 players could be mustered for the Reserves game, although not the worst that has happened this season. Glencoe themselves had only just scratched together 20 with the inclusion of some colts, however they were happy to loan Robe 2 players so that a 16-a-side game could be played. Many thanks to Glencoe for helping out this way. It would be the third time this season that the

opposition have loaned players to the Robe Reserves, great to see clubs working together to create a positive outcome. Glencoe started the game winning the ball out of the centre lots and so quickly got the first goal on the board. The Roosters defence was repelling many Glencoe attacks and finally managed to get the ball inside the forward 50 where Jacob Nicholson was able to snare a surprise goal. This gave the Roosters some renewed confidence, because if Cobba can get a goal, anyone can. However Glencoe continued to dominate, keeping play in their half of the ground most of the time. The Roosters' best players list told the story of where most of the play happened, with 2 backmen and the on-ballers making the list. The coach made a few moves to try to win the ball out of the centre which did make some difference, but Robe couldn't capitalise enough when they got possession. The boys never gave up and just kept battling all game and it's been a credit to the backline how hard they have worked because in general the opponents haven't made as big a score against Robe in the second half of the season as they did in the first half. No sooner had the game finished when Trevor Ling, Glynn Brooks and Andrew Clarke were all asked to play a second game in the A Grade. For a change there weren't any serious injuries to come out of the game and there are several players to come back in, so hopefully combined with the week off, the Roosters are able to field 2 full teams against the Magpies and finish off the season on a positive note.

**A Grade:** Those who travelled to Glencoe witnessed a great game of football with both sides playing attacking football and scoring in excess of 100 points. Unfortunately for Robe it could not contain Glencoe and lost the match by 17 points. Both sides were desperate in their attack on the ball and the foot skills of both teams made for a fast open game. Robe had a purple patch in the first and third quarters but went missing in the second quarter which allowed Glencoe to get back into the game, with the last quarter being a hard fought contest with no quarter given or asked for. Robe was well served by Dickerson at half forward, Cane at full forward and the midfielders of Kelly and Woods who worked hard in the packs to get the ball moving forward. Robe was also well served by Coxon in the ruck who played his 100th game for Robe. Dylan has been a loyal servant for the club, puts his body on the line every time he plays and makes his teammates walk taller. It was interesting to note that Robe suffered no serious injuries which was the first game for the year that this occurred and it is anticipated that the team should not have suffered any more injuries last week when it had the bye. The last game of the year for the Robe boys is today at Robe against the "Doos" so make sure everyone gets along and shows the players and coaching staff support.

PS: Football clubs are built upon commitment and effort – Tom Gould played Junior Colts, Senior Colts, boundary umpired the Reserves and boundary umpired the A Grade. Well done.

## NETBALL

**Junior 2:** Sponsored by Lampara Cabins. A good even contest with our girls having to work really hard to get in front. Incentive: Georgie Wirth (Mats Plumbing) who led and passed well all day. Ella Birmingham (Pizza Project) won the other Incentive for her excellent defensive effort.

**13 & Under:** Sponsored by Hilton Rural. Glencoe 10 Robe 62. A great game to try our combinations to prepare us for finals. Thanks to Grace Hooper for filling in. Great to see you enjoyed it. Some great passages of play down court. We need to still watch our passes as when we come up against the tougher teams as now this will be crucial. Defensive pressure down court making it harder for our opposition will pay off. Keep up the good work girls. 1st Incentive went to Sophie Hurst (Polly's Fish and Chips) for a great game stepping up and 2nd Incentive went to Maya Keane (The Shak) for a great game in goals.

**15 & Under:** Sponsored by Integrity New Homes. Glencoe 5 Robe 50. It was a pleasure to fill in and coach these girls. Great bunch of girls that play exceptional netball for their age.

From the start they played strong from the defence all the way into the goal circle. Our wings were very strong, Kate (WA) took some great intercepts in the 1st quarter, followed up by Belle (WD). With a change of positions at half time to give the girls a freshen up proved to be a good move! We saw some great goals by Joey, great defensive work by the defenders and Chloe (Steve's Place) played well in all her positions for the day and took out the best player for the game. Incentive went to Belle (Robe Plumbing) for her turnovers and great talk and encouragement throughout the game. Well done girls and good luck in the finals! Keep up the talk and positive drive to do so well and you will go all the way!

**B Reserve:** Glencoe 15 Robe 36. An outstanding win and a great team game. A team that extends beyond the 7 players on the court, but to a squad of players that are committed to giving the best to achieve these kind of results. Every player that has hit the court this season has contributed to the success we have today – and that is the truth. While captain Trish avoids the ash cloud in Bali, we enjoyed another week with Amanda and Holly as goal defenders – great stuff to

watch. The persistence and perseverance of our mid court continues to strengthen, with all players backing each other up. Our goalies have been practicing all week and showed a determined front that got the goods. Well done to Lily in the last quarter – you looked right at home. There were times when we rushed a little because we were so keen to win the game, but there were also times when there was not one, but two or three players with defensive hands all the way down the court. Awesome stuff. But we are not done yet. With a bye and a last game against Kdoos, we still have finals to chase. And chase you will. Calcutta Amanda Culley (Westley DiGiorgio) many thanks for your contribution to all B Grades over the last few weeks, and Incentive to pocket rocket Nikki Cryer (Robe Hotel) for her impact at WD.

**B Grade:** Sponsored by Thirty 3 Hair & Beauty. Glencoe 40 Robe 37. A great team effort, lots of positives to take out of the game to finish the season on a high. Calcutta Jessie Wehl (Carters Robe Foodland and Cellarabration), Incentive Jane Hayes (Mahalia Coffee)

**A Reserve:** Sponsored by Kiri Birchall/ Wild Mulberry. Glencoe 38 Robe 62. Another

great game girls. After a solid start from Glencoe we settled down into our own style of netball. We found more space in the second half which allowed us more opportunities to score. Defence had their work cut out for them and we will work hard over the next couple of weeks to step it up a notch. Alison (Caledonian Inn) had a great game with some fantastic passes into the ring earning her the Calcutta. Jane (Lakeside Tourist Park) got many an intercept at WD and created lots of turnovers for us to capitalise on earning her the Incentive.

**A Grade:** Sponsored by Holiday. Glencoe 60 Robe 50. We played a great first half, with Keeley Mason absent, Keely Venn stepped up and shot really well. Our passing in and around the ring was good and we kept with Glencoe. Our second half wasn't as good, as we had many unforced errors and made some really poor decisions, in and around the ring. Flip kept the talk up, and everyone needs to continue to use their voice, especially when we need to add pressure. We have the potential to beat the top sides but need to put in for four quarters. Calcutta went to Keely Venn (Robe Plumbing Service) and the Incentive went to Indy Deane (SE Excavations).

## FOOTBALL

HOPEFULLY the last 2015 game at Footy Park was witnessed by Benny's boys and supporters as we roll on to the final series. As alluded to by old mate Milo and Hooker there is a smell of finals in the air. This of course is all the more exciting if you happen to be involved in them. A good crowd on the hill ensured and arvo of quality BS between the Doo and their neighbours.

Another great day of footy with games played in excellent conditions with the sun shining and hardly a breath of wind and no rain. The Junior Colts were on fire and played an excellent team game against a Glencoe side that tried all match. Final scores were 22.15 to 0.0. The match was arguably the best for the season with coaches Darren and Reece very pleased with the way the team played. Darren moved the team around all match giving players a chance to play in positions they wouldn't normally play. All players have showed great improvement this year and it was really evident that the skills level have increased. Goal kickers were Luke McIntyre and Tye McManus with six each, Josh Telford with three, Gaj Frost and Leigh Redford with two each and Lucy Koch, Mitchell Varcoe and Nathan Reiley all with one. Best players were Tye McManus easily best on ground receiving the McDonalds award, 2nd best Hungry Jacks award Luke McIntyre, 3rd best Video Ezy award Matt Davies, 4th best Subway award Josh Telford, 5th best Fasta Pasta award Leigh Redford and 6th best Richie Rich award Gaj Frost.

The Senior Colts put up a good effort going down 14.9 - 6.7. Goal kickers were Joel Michalski and Ben Stott with two and Liam Carlson and Adam Mulraney with one each. Best players were 1st best (Krieger Cool Cash award) Ben Casey, 2nd best (Fasta Pasta award) Ben Stott, 3rd best (Thursday Night Teas award)

Conner Jones, 4th best (Ladies Canteen award) Liam Carlson, 5th best (Bakers Delight award) Lachy Farrugia and 6th best (Life Members award) Stephen Just.

Both games were played in good spirits and were very well umpired, thanks umps.

As always a big thank you to all our sponsors, supporters and our volunteers. It was a big day for the Junior Club with it being our turn to run the gate and wood raffle. Thanks to all those who did their bit with this great fundraiser. There was good attendance at the Junior Club luncheon and the Junior Committee thank all parents for attending. The Junior Club put on a casserole night that was well attended by all and thanks to all families who donated a casserole and thanks to Trudi Carlson, Kim Telford, Darren and Leah Ousey and Tara Jefferies for being on serving and clean up duties, well done ladies. A final reminder if you have not paid your club fee of \$30 please catch up with Ro or Heidi.

The Glencoe Bees were firmly entrenched in the four with their run beginning when we fronted them in the first round as the Doo boys fell over by SFA. Jarrad's Bees had a couple of blokes back for their second to last game and were pleased to get out of the game injury free, apart from John Kilsby who got a TKO helping out the Bees. Captain Pud watched from the safety of the boundary after his highly prized wisdom teeth were yanked. The Spud supporters started to gather early for their main game as Jarrad's Bees lost four from Thursday's named side. Three goals down at the first bell only to be eight down the schizenhausen going into the half break that shunted the Doo boys eleven down the gurgler going into the last. The Spuds on the hill were getting horned up for the main game as their B Grade Spuds pilled on another five to a big fat zero. Young Westy continued his good form to lead the pack and was ably assisted by big fella Stewie McLaughlin who will be a MIA today in our last outing as he kisses his bachelor days goodbye before a Fiji beach wedding bash

on our first semi. Veteran John Kilsby was a worthy recipient of a prize after getting a Glencoe dinged award. Others to contribute were Reece, Camo Auld and Craig Redford (3 goals).

The Murphies were expected to put up a bit of a fight after being elevated to the four and this was possibly the case in the first half as they opened up the scoring before young Kriegs booted two including a rock and roll to knock the spud goal ump arse over head. Coming into the second seven points up our blokes managed six that included three from coach Benny to the Spud's three to see the Doo boys sucking their healthy club oranges thirty one points up. With super coach Benny's boot laces touching the ball before the siren sounded and the ball sailed through the sticks. Glencoe opened up the second half strongly getting the first two goals before the Doo replied with the next four. Chrissy said "Hello Glencoe" to the Spuds growing on the boundary after he copped a fifty metre and came off. Young free Willy got a back to back as the Doo boys rolled onto a looking good eight goal break. It took five minutes before the Doo slotted their first goal of the final term to indicate the opening of the flood gates. Kriegs found three to round out an eight goal game complemented by another seven goal kickers to have the Doo boys sneak over the line by one hundred points. Best were Jimmy Davies fresh from a candle blowing episode the previous week, Chrissy, Micky D, Free Willy, Kriegs and Mister Magic Lachy, Killa got four.

Auntie Kerry was looking like she had won the lottery after the game making the bold prediction that her canteen days as Chief Poohbah were over. Our Florence Nightingale of the kitchen has strung a few together answering Bulljaw's plea for help in this much sought after position (she also didn't like to see a grown man cry). Early betting is on young Cocko Carlson Reece putting his resume in.

Mystery surrounded her last shift with reports of a snake problem after the Doo canteen

resident snakes were found with their heads bitten off. Turns out that young Frank Mules was the culprit after getting a bad case of the munchies the previous Sunday when he raided Auntie Kerry's lolly larder whilst enjoying being a free range kid under the eagle eyes of his old man. The job will be that much easier Benny when number two rocks up.

Late reports in of Uncle Jonny being marooned in the Mount after helping Matty cut his cake at Shadows.

Early morning gravy stirrer and A Grade manager Troy gave a visual display on the effects of the Indonesian volcano using a ciggy lighter and cardboard boxes by making sure wind conditions would not allow the ash to settle on the hallowed Nethead surface.

Mrs Who and Carol who are surviving quite well without the man about the house. One thing that she reckons she doesn't miss is his bloody snoring.

The Mexican night went a treat with Tequila and Sombreros taking over the Magpie Bar as Sandy Corner tried to keep all the banditos behaving themselves. Pancho Kilsby (middle name Jarrad) copped Sandy's evil eye as the evening wore on. Mariska went home blind after leaving her glasses (including a schooner glass) at the Doo Hilton. Hubby Gazza welcomed her home. Nice lot of happy snaps of Micky D and family in their Indian costumes from the previous week. The Spuds all racked off for their Glencoe Cup with background music from The Pretenders. Sorry to bore old mate Cav with my infrequent Acme Thunderer references, but only 4 weeks to go bro and you won't have to worry about me anymore.

Thanks to sponsors Fenshaw Consulting and South East Shearing P/L. Please support our valued sponsors.

## NETBALL

WELL here we are, the final game of the home and away season and what a great year our club has had with 6 of our 7 grades making finals and actually finishing top 2 so advancing straight through to the second semi-finals so congratulations and good luck to all those teams going forward.

The Netball Club Committee would also like to take this opportunity to thank all those that supported or helped the club in any way this year, from coaches, umpires, scorers, timers, first aid people, players as well as their family and friends as without the help of each and every one of you we wouldn't be as successful as we are.

**Junior 2:** Thank you to Glencoe for letting us use one of their players since we had only 6 because number 7 had to fill-in for J! All played an excellent game last week with smiles and laughter on court was awesome to see. Tegan was switched on and moved well, and Allara did a great sticking to your opponent. A big thanks goes to Scott Chuck's mum for the

supply of soft drink cans which were greatly appreciated by all the girls after a warm day on the netty court! One more game left for the season, let's enjoy it. Red Rooster award - Tegan, DK's Coffee award - Allara Chuck.

**13 & Under:** With Glencoe underrmanned and forced to use smaller players this game proved to be difficult for both teams. Pleasing to see our team focus on the basic skills, seldom penalised for stepping, contact or obstruction (even our goal shooting was consistent from all 8 goalies). Shayla, Jaimee and Keeley were named best with awards to Jess Solly, Jaimee and Emmason. Awards - Jess Solly and Jaimee Ryan.

**15 & Under:** Great defensive work from all girls, with Eliza getting many turnovers! It was terrific to see Emma back on the court and look forward to seeing the team settle in the coming weeks. Sarah followed all instructions given and was rewarded with the IGA Penola award. Once again it was pleasing to see our 13&U players (Jessica, Alex and Emmason) all perform well in a higher grade. It is pleasing to see the girls embrace the challenges of new positions that they haven't experienced much previously. Your support for each other is great and I can't wait

to see how much more we can improve in the coming weeks. Hungry Jacks award - Eliza Hunter, IGA Penola award - Sarah Opie.

**B Reserve:** Patches of good and patches of bad! Several times during the match we clawed our way back into the game only to let the scores blow out again. Felicity played her usual determined game and was well supported by Kate. Chemmart Gambier City award - Felicity Dowdell, RSL award - Kate Sernus.

**B Grade:** Good game girls. We started strong and kept the intensity up for most of the game. The last quarter saw us not convert as much as the first three but we all played good attention to the umpire and adjusted quickly, but if we want to win, we must keep focused for 4 whole quarters and have belief in our team and individuals. Positive chatter and loads of talk all game. We need to be even more disciplined and play to the whistle. Start to get our heads ready for any possibility. It's going to be a tough final series. So heads down ladies! Awards - Rebecca White and Caitlin Blackmore.

**A Reserve:** A really solid team effort from everyone on court including all the juniors that again fit effortlessly into the positions they were put. Kelli again moved well and once she found

her rhythm shot with great accuracy and was well supported by Tan, Eb who both found some great space around the ring, and fed nicely Kara, Georgia and Lucy. Jazzy and Jade down the other end of the court got some great hands to balls and took instruction well in the goal circle to cause many turnovers. One last game to go girls so let's keep working hard on all the small things that ensure we are 100% ready for finals. Chemmart Gambier City Pharmacy award - Kelli Williams, Fasta Pasta award - Lisa Ilsley.

**A Grade:** With new combinations, it was a great performance for all four quarters. Our defence in Narelle, Mikala and Jade created many turnovers with tight pressure. Great rebounding from Jade and driving down court from Mikala and Narelle, it was pleasing to see our transition all the way down the court was controlled and open. Well done to Sarah (Active 8) and Jenna (Gambier City Pharmacies) for great movement and strong positioning. Tara's hard work and excellent delivery to our goalers was rewarded with exceptional shooting. Gambier City Pharmacy award - Jenna Pitt, Active8 award - Sarah Croser.

## FOOTBALL

OUR trip up the road to the Doo last week didn't get off to a really good start with the Junior Colts failing to trouble the scorers against a very good side. It hasn't been a great year for our boys but to their credit they have battled hard all year and all players have improved their skills over the season. Fonzie, Robbie and co. have given their all for these boys and girl and as they all get a year older and a bit bigger next season I am sure that we will see improved results next year.

The Senior Colts had a really good win to clock up their first back to back wins of the season. Ben and Alex have got these guys playing more confident football and they have done a really good job with this group this year. We won't end up playing finals but the future looks good for next year as we won't be losing many players to senior ranks.

Simon's side continued on their winning way recording a 15 goal win

in the Reserves. These boys have now consolidated their place in the final four and no matter what the result today they will be playing in the 1st semi-final next week against Tantanoola. The boys are playing really good footy at the minute but will need to take that up to the next level and really commit on the track over the next few weeks because as we all know the pressure in finals increases greatly but I am sure the boys are up to it.

There wasn't much fun to be had when the Senior side ran out and apart from a few passages of play there wasn't much to take out of the game. Unfortunately we haven't been able to match it with the top 3 sides this year and in reality we have been very lucky over the last few weeks to get away with some of the wins that we have. Amazingly we are still a chance currently sitting in 4th place thanks the Hatherleigh knocking off Tant last week. The task ahead is a huge one as we need to beat Mt Burr today which will not be easy as they are a very good side. They haven't

sat on the top of the ladder all season for nothing! Unfortunately in reality we have only won 2 more games this year than last. We all know that the Seniors are a better side than this and if we all give it our best we are good enough to mix it with the big boys. We just haven't been able to do that consistently this year. Let's have a fair dinkum crack this week boys and play team football and if you can achieve the unexpected the reward is huge.

Race night was a huge success last week with all at the trackside enjoying a fantastic night at the races. I would like to thank and congratulate Brad and his social committee for all that they have done this year for the club. Our social side has remained strong again this year and this group have worked tirelessly to ensure that we all can have a good time after the football and netball is over.

Our weekly sponsors this week are SE Electric Motors and KC & MR Boulton. We at Glencoe would like to thank all of our sponsors for their support again this year and we hope that you have benefited from our

partnership and that your support will continue in 2016.

**Ted Time:** Ted called his wife one day and said, "Liz I have been asked to go fishing in Pt Lincoln with my boss and several of his friends. We will be gone for a week. This is a good opportunity for me to get that promotion that I've been wanting, so could you please pack enough clothes for the week and set out my rod and fishing box? We're leaving from the office and I will swing by and pick my things up." "Oh! Please pack my new blue silk pyjamas." The wife thinks this sounds a bit fishy but being the good wife she is, did exactly what Ted asked. The following weekend Ted came home a little tired but otherwise looking good. The wife welcomed him home and asked if he caught many fish? Ted said, "Yes! Lots of Salmon, some King George Whiting and some Snapper, but why didn't you pack my new blue silk pyjamas like I asked you to do?" The wife replied "I did Ted. They're in your fishing box!"

Go the Mighty Murphies!

## NETBALL

IT'S always a tough day against Kalangadoo but a huge congratulations to our B Reserve on their win which all but secures them a spot in the top four. Well done! Today we celebrate another milestone with Sarah Edwards playing her 100th club game. Sarah is one of our most talented young juniors and a real asset to our club – congratulations Sarah! Today is also our last game of the minor round and for most of us the last game of the season. At this time we say a huge thank you to all of our committee, coaches, scorers, timekeepers, umpires, volunteers and supporters for the huge effort you put in to allow players to get onto the court and finally to all of our players for their commitment and efforts throughout the season. Let's finish off today with some solid wins and build on towards next season.

**A Grade:** 37-68. Last week was

one of our worst performances. We really did not play well and unfortunately we won't get another shot at finals. However, we have had a very successful season and need to put that behind us and ensure that we finish off the season in style this week. Thank you all for a wonderful season and for all of your efforts. You were a truly wonderful group of girls to coach and we had a lot of fun. Thank you xx.

**A Reserve:** 29-67. Bad luck girls. We always knew it was going to be a tough game. Kate played a fantastic game at goal defence which earned her best player (South Aussie Hotel award) and Sarah fought hard under the ring to earn second best. Great passing by Deb in and around the ring for the encouragement award. Let's get out there today and smash them girls and finish with our last hurrah!

**B Grade:** 20-53. Bad luck girls. We knew it was going to be a tough game – very frustrating at times. Let's put that game behind us and focus

on this week. First best to Tammy (DeGaris Lawyers award) for great hands in defence. Second to Emma for great driving out of defence and third to Brooke for good running all day.

**B Reserve:** 34-25. Excellent win girls. Strong but slow start in the first quarter. We started to settle in the second quarter which resulted in even strong play, giving us the lead. The changes at half time created more opportunities, increasing our lead. Great talk all the way down the court – 100% effort by everyone. Ashlee Kuhl scored the Lake City Taxis best player award with Melanie Kuhl second best and Simone Block third.

**15 & Under:** 10-52. Another tough game but we improved immensely throughout the match. Our last quarter was definitely our best with some fantastic intercepts taken and great passages of play! Dakota showed some great movement in the goal circle and earned herself best player. Kayla Medhurst was second

after playing both ends of the court and the encouragement award went to Lucy for once again driving well into attack. Let's work hard this week at training and go for a win!

**13 & Under:** 3-79. With only three under 13 players available all we tried really hard against the top team who had too many good players. Our four fill-ins tried hard and never gave up even though three of them were much shorter than their opponents. Emily tried hard in goals for very limited opportunities. Our defenders, Tameka and Chloe, never gave up and kept giving their all. Alice, Amber, Jorja and Kate from Junior One had opponents double their height but still managed to get intercepts. Our last training and our last game this week, let's have some fun girls.

**Junior 2:** Fantastic game girls. So many goals scored today! Great sportsmanship shown with three of our girls having a run with Kalangadoo. Best players to Alyssa, Zoe and Caitlyn.

## FOOTBALL

A COLD morning led to a nice day to play footy last week when we won 2 and lost 2 against the Hawks. It was great to see our sponsors enjoying themselves at last week's sponsor's day. We are very lucky to have such a great group of dedicated sponsors that support the football club the way they do. I again ask all our players and supporters to shop at our sponsors' establishments and let's help them as they help us. Today is the last game of the home and away rounds and as you would all know we are hosting the first semi-final on Saturday, August 29. Please let the committee know if you are available to help out in some fashion on the day and you will be placed on a roster. Anne from the canteen is after people to make cakes, slices, basically anything sweet for the day. If you are able to help with food for the canteen please let the committee or Anne know.

**Under 11:** A really good game of competitive football last week against the Hawks who had good numbers, which allowed us to play on a big oval. I was so pleased with the way everyone has listened and improved this year and the way we played last week certainly proved we have improved a lot this year. Today is the last game of Under 11s for some so let's all get together and enjoy our last game for the year and play some really good football. I would like to thank Briony for being a great team

manager and washing the jumpers each week, Chris for doing such a good job of umpiring our home games, the guys that have helped with trainings this year when I haven't been able to make it, all the parents, grand parents and families of the kids. Thanks to Jonny and Kerry for supplying the drinks to the kids at every home game and last but not least to all the kids you have been a pleasure to coach and to watch you grow and improve has been fantastic. Thanks all.

**Junior Colts:** The Junior Colts were beaten by a good Kongorong team who played more as a team for longer periods, our players were keen to see if their brand of football would stand up to a top team and even though they came up short it was important for their development to challenge themselves and set those goals. At times their ball movement was good with their forward leading and kicking skills as well as sticking to the fundamentals. Award winners: Brad Scott, Geordie Whennen, Noah Cutting and Thomas Vanderhorst.

**Senior Colts:** The Senior Colts were looking to bounce back against the Hawks after their first lost the previous week. Unfortunately Kongorong only had ten players but with the help of our guys we were able to play 16-a-side. The first part of the match the Burr was a bit scrappy but as their skills improved so did the scoreboard. In the last quarter we gave them six first choice players and they were able to kick a number of goals for the opposition. Everyone contributed and every player helped

the opposition out. Best players are irrelevant now as we are one strong team with each player as valuable as each other, but special mention to T. Hales who kicked 13 including 5 for the opposition. Well done to the group who will finish on top and secure that valuable double chance. They have trained really hard over the course of the year. Well done lads.

**B Grade:** We came up against another good team in Kongorong and we tried and pushed them for a while until their better players came to the fore. There are certainly signs there that we too can be a team that can play finals if we all stick together next year and commit to each other. This week is our last chance to defeat a top 4 team. Let's all give it one hell of a crack this week and see what happens. Can I remind all players that we have the first final so if you can help then please let someone from the committee know. Thanks guys for a good effort again, better players from last week were D. Lambert, B. Robertson, B. Millard, M. Teagle, W. Lowndes and A. Butler.

**A Grade:** Last week we hosted Kongorong in what was a fantastic day for football. The oval was in perfect condition and there was no breeze to speak of which allowed us to get off to a positive start. The opening term was played on our terms; however, we were a little scrappy with our disposal but managed to kick away to a handy 4 goal lead. Decision making was the topic of discussion at quarter time and

the boys responded, managing to kick away throughout the second term. The boys managed to increase their run and work rate as the second half progressed, all leading to a 13 goal final term and a very well deserved team win. It was great to see a consistent four quarter team effort whereby everyone executed their roles. Players who shone included Jake Dowdy, Dylan Ridley and Brodie Hennik. Today we face another challenge and look forward to improving ourselves as we hope to finish the minor round season off on a positive note.

Congratulations to Taylor Redden who plays his 100th game this week. Tay has been involved in multiple senior premierships and is playing his best footy ever right now. It's great to see the young guys reaching milestones and to be playing the best football of their careers is fantastic. Well done Tay, we all wish you the best and hopefully there are many more games for the Burr to follow.

Congratulations to Kate and Dion for winning the 100 Club Mega Draw and well done to all the other winners. This being the last round we will have the Senior Colts and A Grade playing in the second semi-final at Nangwarry on Saturday 5th September. Good luck to all the guys involved in the finals as well as the netball girls. As supporters let's get to all the netball and football wherever it's played and support the players the way the Burr people do.

## NETBALL

**Junior 2:** Well done girls, great job. We are all improving and I see it in our game play. We share the ball well as a team against a much smaller Kongorong side. Last game today and it has been my great pleasure being involved with this team and their families. We have lots of talent in this team and it will be great to see the girls develop into strong netballers. The future looks great for our netball club.

**13 & Under:** Well done girls. Lots of changes and we all played to those changes. Great shooting and defence by girls who normally don't go into the

circle for those roles, and doing a great job. Thanks to Emma for umpiring and Bec for timing and Nat for scoring. Awards went to Anna Fox (Bompas), Lucy (Absolutely Anything) and Anna B (Mt Burr General Store).

**15 & Under:** Great work girls! Everyone listened and worked hard from the start. Our defensive pressure all over the court was great. We still need to slow down when we get a turnover and make sure we capitalise from them. With such a versatile group of girls you all adjusted to the changes I made. You girls are really showing what you are capable of in the last few games with everyone putting in 100%. Thanks to Maddie and Anna for filling-in and

both playing a strong game. Let's finish the season off on a high and come out strong for the last game. Awards Courtney and Shantelle.

**B Reserve:** Great result last week girls, totally smashed our last score against Kongorong. With every week we have improved so much as a team over the season and with just one more game to go, let's finish the season on a high.

**B Grade:** A little disappointing that we didn't get the result we were after with our season having had its ups and downs. But we still have one last crack at walking away with a win. So let's pull together, work hard and get that defence happening all through the court

and finish the season with a win.

**A Reserve:** We are definitely improving. We just need to all play an amazing game on one day. Great defensive pressure all over the court gave us many opportunities to score. I also like the versatility of the team, adapting to different positions when required. Let's enjoy our last game for this season and continue to work hard to get that win we so desire. Well done Lara on being awarded the Bompas voucher.

A big reminder to all players and their families that we host the 1st semi-final next Saturday. We will need all the help possible, you will be contacted from one of our committee to help.

## FOOTBALL

**Junior Colts:** An exciting time ahead for these boys knowing that they have snagged a finals berth which allows us to start to concentrate on settling the team without throwing it around too much. Then, easier said than done, we had an disturbed start only to be notified after the bounce that the Burr were short on players, so a quick scramble to hand over some players to give everyone a fair go. Thanks to Ray and Jairus for turning the jumper inside out and having a good crack with the other team. A slightly better showing on the scoreboard, but we still have an enormous amount to improve on which is very exciting. Best player was the electrifying Trent Mahony who is in great form at the right time of the year. His coverage of the ground was enormous. Second best was our reliable backman Brody Bisnov, whose runs down the wing were excellent to see and he always finished off well with his foot skills. Captain Josh Kranz put in another solid effort in the middle, he reads the play very well and repelled many forward thrusts into our backline. Joe Miller played one of his best games this year, his second and third efforts were fantastic and exactly what we encourage all the

boys to show. Ronnie Wighton was very solid down back and is showing great confidence coming into the important end of the season. Rounding out the best players was Alex Fitzgerald who played a great team man's game, he pushed up to help teammates, always attempted shepherds which shows that he is developing into a smart footballer. Award winners: Green Triangle Electronics – Bryce Redman, Club Tea – Alex Fitzgerald, Subway – Jairus Curtis, Video Ezy – Ray Phillips, Smith Family – Seth Lock. A huge game today against the Eagles and it is time that we show the rest of the top four that we are not intending to be spectators during the finals.

**Senior Colts:** Not much to say about last game, with only 10 players to select from makes is near impossible to have any structure to the team. For those that did play, you all can hold your heads high by the way that you went about it by playing out all four quarters and by giving it all at every contest. Thanks to Mt Burr for lending enough players to have a game. Best players were Jared Neshoda, Brandon Kranz, Jason Gordon, Nathan Farrell, Tyson Modra and Ryan Vickery.

**B Grade:** The Bs got off to their now customary slow start, but with big Jase Gordon putting his body on the line, the guys got their act together

and banged on a few quick ones before quarter time. Although we had plenty of space on the scoreboard, we weren't getting it all our own way, but when the Burr boys lifted, our boys responded with a few more quick ones, with Rosco's goal a highlight! It was a similar story in the last half with Mt Burr getting plenty of the ball, but couldn't capitalise, but our lads rebounded well time after time and managed to score reasonably easily. The list of award winners last week could've been a long one, but Andrew "Noddy" Telford (Park Hotel) rebounded time and time again, proving how hard he's working when he's away at work. Shaun Sutherland (Park Hotel) was another one full of run, at one stage marking the ball at full back, passing off and ran all the way forward to have a kick at goal! Jase Gordon (Club Tea), as the youngest bloke in the team, did everything right throughout the game, and it was great to see him do the little things so well. Sean Farrell (Video Ezy) did most of the grunt work in the middle as per normal, but with a bit more polish last week. Jacky Miller was giving his opponents nothing, and continues to impress every game. Wayno continued his mini battle with Simmo, kicking seven and six respectively, and a special mention to the "Chief" Jason Watts, playing his first senior game. This week our focus

is getting over the Eagles as the home and away season draws to a close, and the business end of the year looms near.

**Seniors:** So we come to the end. It has been a tough year, the last few weeks especially. Looking back on it, it has not been as bad as our win/loss suggests. Becoming competitive was the first step towards the goal of success. It has been an issue with us over the years and apart from a few occasions we have been in games for most of the year. With a young list consistency is a minute by minute thing. Decision making at this level needs to be earned through experiences and hopefully the group can learn the lessons from heartbreaking losses and when in those situations again come out on top. To be the best you have to do every little thing right. Talent will only be rewarded when constant work has been put in. It is my belief that this group has the ability to be successful, hopefully they do the work to see it through. Thanks to all who have played a part, you will all get the individual recognition at the right time. All the best to all sides today and to the lucky ones who get to play in the next month when footy is at its best. Cheers Pluggers.

Carn the Hawks!

## NETBALL

**Junior 2:** We played a much taller side which didn't help our short girls but when we were able to get the ball we did our best. We just need to work on passing as well as getting them passes out a lot quicker. Awards went to Thalia (RSL) and Eliama (McDonalds).

**Junior 1:** We played a much taller, stronger, faster team. We did have some good passages of play and adjusted better in our second half but tried to play at their pace a lot of the time instead of taking our full 3 seconds to make our passes. Emily did a good job getting in front and she won the Fasta Pasta award. Charity shot well in goals and drove the ball in when in the wing and won the RSL award.

**13 & Under:** A very pleasing effort girls. Everyone gave 110% and should

be very proud. Some great netball on the court which was great to see. It all seemed to come together this game. Whilst we didn't win, I think it was a game that each young lady should be proud of. Brilliant defence work in the opposition circle from Ebony and Maddy assisted by Brianna in WD. Excellent mid court efforts from Keeley, Maddy K and Georgia. Osian did a great job in the offensive circle for us too. Awards went to Ebony Curtis (McDonalds), Keeley Formosa (Fasta Pasta), Brianna Bellinger (Kongorong Sportmans Club) and Osian Weber (Kongorong Sportmans Club).

**15 & Under:** 41-19. Bad luck girls. Best players went to Emily Lightbody and Makenzie Robb.

**17 & Under:** Awesome game by all players. Thank you to Sophie and Temanaia for filling in from the 15s and playing a fanatastic game in at C and

WA. Beautiful shooting from Emma and Stacey with greatly improved accuracy. Lauren, Tayla and Courtney worked tirelessly in defence putting pressure on the opposition goalies. Kelsey was given a job at the start of the game and put in 110% effort creating multiple turnovers and assisted in bringing the ball down the court. All girls received awards last week from OK Pie Shop, Sportscene, Arena Sports Store, Evolve, EFM, Fasta Pasta and the RSL. Great job girls, all your hard work fell into place. Thanks Brittney for benching.

**B Reserve:** What a fun game. Who knew we had such a versatile team. Fantastic shooting by Gracie, Belinda, Mon, Cath, Carla and Rach. Congratulations to Mt Burr on scoring over 20. We had a great fun game against you. Best players to all of you.

**B Grade:** Excellent game ladies! A great 4 quarter effort and lots of

confidence from everyone. Sarah was our superstar shooter who barely missed a goal and was rewarded with the Margaret Street Meats voucher for her efforts. Kate McIntyre was welcomed back into the team after a couple of weeks off and shone at WD, she got the coach's award. Tireless work in defence from Kayla, Nikki and Tahlia and great running from the girls in attack. One game left to round out the season, let's finish it on a high! Go Hawks!

**A Reserve:** 59-21. Great work girls! All round superstars! Sian, Callie, Bri worked hard in defence, creating turnovers and bringing the ball down the court. Courtney, Emily and Nic worked hard all day giving 110%. Great shooting to Dana and Chlo. Couldn't fault anyone, we pulled it together and played exceptionally well! Best: Sian Goodridge and Sarah Eustace.

## FOOTBALL

**Junior Colts:** Glorious winter sun greeted us at the Eagles' nest for our round 17 clash with the Tiger lads. The team was keen to get off to a good start and apply the basic early, tackle, talk, run and lead. We got onto the scoreboard early and had plenty of contributors all over the ground. The Tant lads were running and making us work for possessions so we had to be on our game to get scores on the board. Jack O was rucking for the first time and acquitting himself well, feeding our mids of Will, Sam and Frazer who kept the supply up to Doug and Liam up forward. Our backs were also working well with Maxy taking big grabs and Langy covering plenty of country and getting a heap of touches. For the rest of the match we continued to apply ourselves and put scoreboard pressure on. One more home and away round to go and we are

away today to Kongorong in what will be a close hard fought match. Best: Sammy (Dentons) in the guts all day and extracted the pill at will. Second best: Doug (Subway), started up at CHF and presented well with 3 majors. Third best: Will (Stumpy), normal game of effort and skill on show. Fourth best: Our skipper Louis (HFC Ladies Committee), dangerous in the middle or up forward with three majors. Fifth: Maxy (Sport & Rec steak), clunking the big grabs all day up forward and down back with goals to boot. Unlucky to miss out, Jack O and Langy who had pearlers as well.

**Senior Colts:** After once again making a good start against a team above us on the ladder, we let Tant dictate the game after half time. With it being inevitable that we will face Tant in the finals we need to turn things around quick smart. It was good to have Angus back as a taller option up forward as our goal scoring has all but dried up over the last couple of weeks. We need to really work on that because it will be crucial that

we score and score quickly in the finals. A solid effort by Sam Sutherland keeping one of their major goal scorers down to 2 goals was also promising. Also another good performance by our onballers was creditable. As we are representing "our club" come finals on behalf of the players I can guarantee a much better effort than what we showed on the weekend! Best players: Jed Telfer (Denton's), Sam Sutherland (Ducky's), Sam Kent (Stumpy), Ben Leopold (HFC Ladies Committee) and Pat Fabris (Hath Sport & Rec). PS: A big thanks to Kelly Brown for many reminders sent out and being patient waiting for my Budget notes, she does a great job.

**B Grade:** Best players – Tom Pegler (Prince of Wales), Josh Gordon (Somerset), Mat Childs (Toyota/Beaurepaires), Jack McDonald (Ginos).

**A Grade:** A great effort by the boys last week with a gutsy win against Tant, a team striving to play the finals. We have been playing well for a half or so but last

week played consistently over 4 quarters to achieve our result. A few positional changes, a few players being a bit fitter, and a real desire to prove that we can compete with the better teams resulted in the recipe for success. Big Tom Aggs saved his best game for his old side and kicked 5, Brad Wight up forward dominated his player with strong leads and marks ending up with 4. Telf went down back and gave a real contest and plenty of run, and big Fish played a ripper. Watto is also enjoying running around the oval. Best players given were Jack Sully (Beachport Hotel) with the only thing slowing him down was a poke in the eye, Watto (K&S Fuels), Brad Wight (Millicent Golf), Faulks (Ginos) and Telf and a lot more could have made them, we all see it differently. Today it's Kongorong and we hope we can finish off strongly and sing the song again.

Calcutta results: 1st Jack Sullivan, Tom Agnew, Todd Watson.

Upcoming events: Saturday 22nd August – Trivia Night.

## NETBALL

WELL our last game for a lot of us at Kongorong today with only our 17s and A Reserve making the finals. Probably one of the first times for a long time not having majority of our teams in the finals. A rebuilding year for a lot of teams and look forward to a stronger year next year.

Also today we celebrate the milestone of Tina Smith who will play her 350th senior game. Tina has not only played, umpired and coached but has been heavily involved running our ladies committee for some years. We wish her all the very best for today!

A big thank you to all of our sponsors, committee, players, coaches, parents and supporters and we look forward to seeing you all again in 2016.

**Junior 2:** Another fabulous game girls. The defence work the whole way down the court is awesome to see. We are backing each other up and chasing up those loose balls which is helping us to score off the turnovers. Great shooting by all goalies. An awesome team to be a part of. Awards: Lillie and Ella (Bank SA), and Indi (Ladies Committee). Have a great trip Lillie!

**Junior 1:** Another good game by all girls. Great to see all things we have been working on coming out on court. Our game is flowing well from defence to goals, ball movement and turnovers were effective through good positioning in defence. So pleasing to see all girls chasing hard after any loose balls. Remember to use communication, keep the voice on court, just like break time. Hath Canteen award to Gemma Skeer, nice running in centre. Well done on the theory test last

week, makes it very rewarding when you can tell me how things work. Last game today, let's go out with a bang!

**13 & Under:** Tantanoola had some very strong goalies and attacking pressure. But too our credit our defence did a great job and got multiple turnovers, unfortunately we couldn't put it all together and score our goals. Congratulations to Lilly Hateley for making the South East Regional Netball Academy Team. Lilly has been our dominant GA this year. Seeing her improve each week has been a pleasure, her willingness to listen and take on every piece of advice is great to see and is why she won the Denton's Sportspower award last week. Lucy Chant also had a great game getting lots of hands to balls and she has improved so much. It was great to see her thinking about the game and where she could get the next turnover from also combining well with Zoe to get a lot of impressive turnovers. One more game left in the season, let's go out with a bang today girls! Denton's Sportspower award – Lilly Hateley, Ladies Committee Award – Lucy Chant.

**15 & Under:** Bad luck girls, although we didn't take the points there were still a lot of positives to take from your game. A few changes last week with Melita having a good run at WD and Lara had a good match up with Tant's attack line. Meg went to WA and Macey had another run a C. Although we matched them in the first we were unable to do what it takes to run out another 3 quarters. Let's finish season 2015 by playing four quarters of focused netball. I know you want it! You deserve it. You just need to bring it!

**17 & Under:** Well done girls, it was a good game to re-group and work on our

timing, passing and decision making. It was also a good opportunity to once again show the versatility we have in our team. Let's continue on strong today as we head towards finals. Thanks to Millie and Georgia for sitting bench. Awards: HLC – Abby Wight, Dentons – Leila Buhlmann.

**B Reserve:** Although the scoreboard didn't reflect the first quarter, everyone strongly contested the ball. Elle again showed WD is a position she gets many turnovers and hands to the ball. Considering many bib changes we managed to pull the score back within 6. This was actually in the "manager's" opinion the best team game this season. With everyone rallying and playing and giving 100% effort all over the court. A tightly contested last quarter and a final score of 25-30 down. Awards: Somerset to Emma Webber and HSR to Lucy Newsom.

**B Grade:** Well guys, with a depleted side last week only having 4 of our own players, we weren't sure on how we were going to manage to fill a team but thank you to our wonderful B Reserve girls in Karen Bowman, Di Loveday, Nicole Skeer and Fiona Jackman and our 17 & Under Halle Whittaker who came up and took up the challenge and contributed massively to our team. We gave Tant a fair run for their money being up at the first break and only a few down in the second. We worked hard and had lots of turnovers and some strong rebounds by Di, Karen and Fee but unfortunately we made too many passing errors and this was to Tant's credit who put on a mid court press and we couldn't manage to escape it even though we knew what we needed to do. To lose by 10 didn't really reflect the game as it was only the last few minutes of the last quarter that we struggled and Tant drew away. Casey and

Lucy ran hard and had to work tirelessly in the midcourt and Kathryn as usual worked her butt off in goals and also her defensive pressure down the court has kept us in the games most weeks. With one more game to go, let's finish off the season with a win. Awards: Somerset – Kathryn Blacketer, Sport & Rec – Karen Bowman. Also congratulations Karen on 100 games!

**A Reserve:** Once again we started off strongly, dominating the first half. Holding a strong lead at half time. Tantanoola made changes and unfortunately we didn't adapt. Cody shot well in the first half and combined well with Emma. The defence end worked tirelessly for the whole game. Lauren's last quarter was a standout, defending all the way down the court and causing many turnovers. Sport & Rec award Lauren Walker and Somerset Hotel award Emily Nettle.

**A Grade:** Nearly there but just not the 4 quarters we needed to get over the line. Tantanoola quickly jumped on our errors in the first term to get away to a match winning lead, which we fought hard to narrow. As we know catch up netball is tough. Sally and Annabel produced a great defensive effort to create turnovers and rebounds, but we just couldn't capitalise at the important times. Sally stepped up for the challenge – well done (Somerset Hotel award). So pleasing to see you have the confidence to back yourself. Thanks once again to our bench back up, Maddie Redman and Sarah Haines. Special mention to all girls who have supported as interchange all through the season, your willingness to back up the A Grade hasn't gone unnoticed. Thanks also to Marie Watson, Lynn Houlihan for timing and Keston for all your first aid support.

## FOOTBALL

**Junior Colts:** Well done boys, another great effort from everyone. We came up against a strong team in Hatherleigh who have some great talent – all the best to them for the rest of the year and finals. We had a few boys playing in different positions and done a great job. All the lads gave it their all, putting in 100% all over the ground and never gave up. Get out to training this week for our last game for the year and give it ya best shot boys, proud of you all. Awards: Radley Plastering – Ellis Cushion, Subway – Corey Baker and Matt Nelson, Donna & Hanny – Kai Malseed, McDonalds – Sam Jennings. Best: Kai Malseed, Kody VanderHorst, Will Scanlon, Bradley Yates, James Lucas and Sam Jennings.

**Senior Colts:** After a great game the week before the boys knew they were in for another hard match. After a slow first quarter the lads found their straps and got going. We got back to our run and carry and worked together as a team. Once they manned up and put pressure on Hatherleigh we were back in control. Now we have to keep the good form going into the finals. Awards: Fasta Pasta – Roy Osborne, KFC – Toby Wing. Best: Toby

Pink, Adam Gregory, Campbell Serle, Zane Walker, Jacob Bell, Marc Roberts. Goals: Toby Wing 3, Adam Gregory 3, Jacob Bell 2, Ethan Glass-Reilly 2, Toby Pink 1, Stephen Moreland 1, Marc Roberts 1, Corby White 1.

**B Grade:** Beautiful conditions greeted us at Hatherleigh and the lads came switched on with a 7 goal first quarter. In the second quarter we had a lapse but finished off strong after half time eventually running out victors by 23 goals. We must start working better as a unit and not having so many negatives on the field if we are to go deep into finals. Best were the Sprinkler with 9 goals, Trace was in amongst everything, Big Nose another 9 goals and has nearly sewn up the league goal kicking – well done ole fella, Brodes, Wazza and Milky – well done lads.

**A Grade:** Round 17 gave us another challenge and an opportunity to again cement a finals spot but as we have done in the last 3 weeks we didn't take it when we had our chances. Like most weeks we had our selection dramas with team changes but we showed the team can play good footy when we switch on. We started well kicking the first few goals and confidence was growing but again we give our opposition the chance to get back into the game late in the quarter as

they kicked the last couple – something we have done far too often this year. The second quarter was a mirror image of the first as we started on fire getting 4 goals in front but then letting our hard work down letting Hatherleigh back into the contest only leading by 9 points at the main break. At the break Dawery reminded the group what was at stake and wanted a lift from a few. In the 3rd quarter we again started well but just couldn't get a break and it was an even contest with both sides trying to get on top. With 1 point only separating the sides at 3 quarter time it was down to who wanted it most and as we had more to play for unfortunately we couldn't deliver. We have been in this spot before but we are just lacking the will and hunger to win the close games. We can make excuses with injury but we still have 21 players that need to find the want to win. While the game was close all day we were disappointed as we lost by 15 points even though we led for 3 and a half quarters. Best players were Winny, Minky, Toby, Darcy, Patto and Wiggly. Now it comes down to last game as we need to win and hope Glencoe lose to the Burr to play finals.

**General:** Congratulations to Chris Hale who today plays his 100th senior game

for Tant, well done. Hopefully we can get a win to help you celebrate. Thank you to everyone who helped out with the 100 Club break-up last Sunday, it was a successful day with a great turnout. Winners are posted on Facebook. Tonight we have local band 'Blind Eye' playing to party the night away. As this is the last minor round Budget I would like to thank our numerous volunteers who without their help the club would struggle to run. This also goes for all our sponsors who without their valued support we would struggle to be the club we are today. We have also been successful in winning the gate tender for finals so if anyone has a spare hour or 2 for any final please put your hand up and see a committee member to get your name on the roster. Our Coopers esky raffle has been successfully run by Dong and the winner was Jenno. Good luck to all teams in the first semi, I think we could end up with only two grades in the club missing out so head out to the Mount Burr next week and support our teams.

## NETBALL

**Junior 2:** Great game by everyone, even against a super tall team no one gave up. A super big thank you to Bethan and Sophie for filling-in for their first game for Tant! A massive thank you to all parents who have helped this year with umpiring, timing and just getting the girls to the games. Let's finish up strong for our last game! Awards went to Keelie (Fensoms Family), Ebony, Becky, Georgia J, Demi, Montana, Bethan and Sophie (Hungry Jacks and Maccas).

**Junior 1:** Well girls that's our season over. Hope you've all enjoyed yourselves and even learnt a little along the way! It was a tough game against taller opposition again but we still continued to give our all until the end. Awards: Ella (Maccas), Dakota (SMK Electrical) and Sarah (Hungry Jacks).

**13 & Under:** A strong win from the girls, just what we needed leading up to finals. Georgia and Emily moved well in the goal circle and shot some lovely goals. Leah and Maddi worked hard in defence

and created many turnovers. It was good to see everyone meeting the ball strongly, something we must continue to work on. All up a solid team performance. Courtyard Cafe award – Chloe, Hungry Jacks – Leah. Special mention to Bri for 4 hard fought quarters.

**15 & Under:** Fantastic effort from all players last week! It really goes to show the potential we have when we play as a TEAM! We have moved up to 3rd and we really need to secure this last win, experiment and prepare for finals! Outstanding defensive pressure by all players and in particular Abby Loader, scoring 1st best last week. Your aggression at the ball was excellent. Up the Tiges! Let's keep this team work up.

**17 & Under:** Good effort girls. I'm proud that everyone put in for all four quarters and fought hard, even if we had players unwell. Thank you to Lauren and Chelsea for stepping up and helping out when we needed them. Let's go hard today and finish the season with a win. Awards went to Che, Victoria and Noelle.

**B Reserve:** First half what a game. I could not fault a thing, but in the second

half we lost our momentum, drive and communication which let us down as a team. Kirsty killed it, intercepting many balls and shooting with absolute precision. She moved brilliantly creating space and drove hard to get the ball exactly under the ring where she wanted it. Kamari stepped up in the goal circle and once again shut down her opponent with her on her toes all game forcing her shooter out of the ring. Welcome back Jules – you had a brilliant game with great communication and drive. A big thank you to Demi for sitting bench and playing the 4th quarter. She gained every rebound and drove the ball out of defence brilliantly. Big congrats to Tiana for her 100th game. As excited as she was she still brought out a stellar game and stuck hard with her opponent.

**B Grade:** Good job girls on a good win! Hatherleigh really came to play and we took a while to settle. We really played a team game in the last quarter to bring it home.

**A Reserve:** A very disappointing start to the game last week, which put us behind for the remainder of the game. Our errors in the first half were high and we

let our opposition determine the way we played. We regrouped at half time and our positional changes proved to be effective, outscoring Hatherleigh in the second half. A positive of the game was not letting the scoreline blow out and also recognising that this is not a position we would like to be in the next few weeks. Alex played a great half of netball while Bec and Kristie were consistent for 4 quarters. Bec (TFC ladies award), Kristie (Egan's Mensland).

**A Grade:** Well I think we can finally say we're in the 4 and looking forward to the challenge of playing finals netball, something that's relatively new to most of the girls. Not one of our better games of late but we'll take the win. Our ball release was slow and hesitant at times which allowed the Eagles to put pressure on our ball carriers. First option girls 9 times out of 10 is the best option. Once again our defensive pressure was first rate, now we just need to put all the pieces of our game together for 60 mins. Casey W's work rate at WA earned her the Gino's/RSL and Calcutta, Subway award went to Simone. One to go, let's finish the minor round with a big performance.

## FOOTBALL

ANOTHER difficult day for the Saints against Pt Mac last week when we failed to win a game but the Junior Colts nearly caused an upset against the second side going down narrowly.

The Junior Colts played their best football for the year to push Pt Mac and get within a few points at the final siren and with a bit of luck could have won. A great effort by the team and gives the club hope for the future. A very entertaining game that could have gone either way in the

last quarter.

The Senior Colts were once again outclassed and suffered a big loss but they kept trying until the final siren. After a difficult season, today sees our last game so let's see all players turn up and support their teammates.

The Seconds came up against the best Seconds side and the score at the final siren said it all, a big win to Pt Mac. Although the Seconds gave their all, it showed what a big gap there is between the top four sides and the rest. Let's see if we can cause an upset today in our final

game for 2015.

The Seniors played probably their best quarter of football for the season in the 1st quarter against Pt Mac but after that it was all downhill as Pt Mac showed why they are second, by completely dominating the last three quarters to score a big win. While the Saints battled out the game it showed a big gap between the two sides.

Today is the last for the season so let's see if we can be competitive against Tant.

With the club hosting the Second Semi-Final, all players will be

required to help during the day for an hour or two. Make sure to be available that day.

Finally, with the new salary cap coming into force next year, how the bottom sides can improve will be nearly impossible with all sides capped at the same amount of money. If all clubs stick to the cap, which is unlikely, some clubs in the three leagues will struggle to survive. Not too well thought out.

## NETBALL

NANGWARRY Netball Club is proudly sponsored by Chemist King, GJ Gardner, Noel Barr Toyota, Steeline, McKinnon's Affordable Mowing, UFS Chemist and IGA Penola.

Congratulations to Jade Gartside, winner of our wood raffle and thank you very much to Aidan Mills for obtaining the wood for us.

Thank you to Heather Reilly for taking all the netball and football photos. These fabulous photos can be seen at reillyphotographics. Be sure to go to the site and have a look.

**Junior 2:** Big thank you to Kerrie for timing and Jade for umpiring. Your support is greatly appreciated. We didn't play our best girls but we have improved since the start of the season and next year we will be a great team, as a year older will make a big difference. Lara had a great game and is getting more confident every week. Sophie and Holly had a run at centre and really proved they can be vital members of the team so well done. Shayla and Skye were excellent in defence. Tanisha and Belle moved well in attack and got in front – great effort. Last game girls, let's have fun. Thank you to all parents for their support which makes the coaching job easier. It has

been a fun year. Hope you all have enjoyed it. See you all next year.

**13 & Under:** Bad luck girls. We started so well and if we had of continued at that pace we could have had an upset. Our first quarter had it all – great pace and drive down the court, everyone getting in front and meeting the ball. But as the game went on we slowed down, it's the one percenters that win games like being on our toes, watching the ball and our opponents and also chasing loose balls. Best players went to Maggie for her drive, rebounds and continuous effort. Second went to Gemma for running all day and giving it her all. We only have today's game left so let's go out with a bang.

**15 & Under:** Was a good game all round. We all tried hard in each position. Kristy had a go at WA and with a little more work could be a new found position? Monique and Adrienne combined well and worked overtime in defence. Jordy shot with sharp accuracy and worked hard for rebounds. We wish Breanna all the best and was a pleasure having her part of our team.

**17 & Under:** We started the game with confident passes and strong leads. We ended the first quarter with a 7 goal lead, however, when changes were made by Pt Mac, it caught us on the back foot.

Brooke Holmes played her best game of the year at goal shooter. Nicole Domaschenz and Jasmine Disselbach once again combined very well in defence with Abby Whitehead controlling the centre court with composure and maturity. Amber Smart has continued to improve at wing defence. Great game Amber. Tayla McKeon kept her head held high and led well as captain. Lily Lobley moved well and made space at wing attack. Best players were Nicole and Brooke.

**B Reserve:** Not the best game we have played ladies. Not the best performance we have given either. We need to remember the way we say things to each other is seen off the court and is an impression we don't want to give. Pt Mac was a very tough team and it certainly showed that we weren't used to a team that played on us so tight, that our frustration came out onto the surface. Great effort by Deb who ran centre for three quarters of the game and put in 100%. Let's regroup and make sure we have fun and enjoy the last game and get back to being the team we usually are. Best players Deb Hicks and Stevie Judd.

**B Grade:** Going into the first quarter goal for goal we were sure we were in for a tight game. I cannot pick a fault in the way we all played.

You all did exactly what we talked about at training, we worked as a team, and we didn't stop putting in 100%. To come away with a 34 goal win against a team sitting just below us, we should all be proud of ourselves. Let's put in the same effort and come out strong against Tant, and finish the round on a high before going into finals.

**A Reserve:** Definitely a better game this time against a quality side. We had some great passages of play and the score didn't indicate how good the game was. We just need to remember to play our own game and not theirs. Everyone had great patches all down the court, great to see all the improvement this year. One to go, let's give it all for the last one. Awards Chloe and Carly.

**A Grade:** Another good effort girls against another polished side. Cassie ran hard in the centre all day and our young combination of Tayla and Abbey in goals did a fantastic job so well done girls, looking good for next year. Thanks Carly for filling-in once again. Our third quarter was our best with everyone contributing. Defence never gave up all day against a very quick attack line. One game to go girls, let's all give it 100% today, you never know what could happen. Best players Cassie Dinnison and Tayla McKeon.

# 100 CLUB GAMES FOR SARAH EDWARDS

THE Glencoe Netball Club congratulates Sarah Edwards who today plays her 100th club game.

Sarah has played all of her junior netball with Glencoe and is one of the club's most successful, talented and decorated junior players. Sarah has numerous Club Best & Fairest awards to her name and was the MSEN 13 & Under Best & Fairest in 2012 and the MSEN 15 & Under Runner-Up Best & Fairest in both 2013 and 2014, when she was also awarded the MSEN Junior Consistency award.

Sarah made her A Grade debut in 2014 at the tender age of 13 and has been a strong part of the A Grade side during 2015 where she has made her presence felt on the court and often outplayed established A Grade players. Sarah is also an integral part of her 15 & Under side where she controls the defensive line.

Not one simply to do well on the court, Sarah is a committed club person. She, along with her sisters, has readied the courts at Glencoe home games for a number of years and is a regular umpire being part of the Green Shirt Program over the past two seasons.

Congratulations Sarah and we look forward to your continued success at Glencoe!

## CUSTOMS HOUSE CONTINUES TO WORK WITH MSEN 13 & UNDER AS A MAJOR SPONSOR

THE Customs House Port MacDonnell and the MSEN 13 & Under have worked together in 2015 to improve our association. Funding provided by the Customs House has helped our teams attend the Country Championships Carnival in June, assisted in the purchase of our very professional new association uniforms and helped subsidise the running of umpire training sessions and coaching courses.

The Customs House is owned and operated by Grant and Emma Fensom. The family has been involved with the Mid South East for over 25 years in almost every aspect of netball and football life. With daughter Natika playing netball, Grant features as a keen netball dad holding the scorebook most weeks for his daughter's team.

The MSEN 13 & Under encourages all our members, supporters and families to show their appreciation to The Customs House by considering the venue for their next luncheon, corporate function, birthday or other special occasion. Unique B&B style accommodation is available for a short getaway too. The Fensoms will happily tailor a package to suit your needs. As the weather improves you can even make the most of a function on the lawn or in the courtyard. Given the history of the building and surrounds, the Customs House also provides a unique location for a photo shoot. So the next time you visit the Bay, drop in and catch up with Grant and Emma to discuss your function needs, or just enjoy a milkshake or a plate of scones.
