## Basketball Club

Basketball is intended to be a recreational activity for enjoyment and health.

This Code of Conduct has been developed by the Ballam Park Boomers Basketball Club in association with Basketball Victoria to give participants, and all those associated with the game, a guide of what is expected of them by our club. It is intended to assist everyone to obtain the maximum benefit and enjoyment from their involvement in basketball.

As a result, the quality of participation can be improved so all those associated with the Ballam Park Boomers and those around us are more likely to start and continue their involvement in basketball.

Please remember, this is junior domestic basketball, not the NBL.
