

# THE LIGHTNING DRIBBLE

January 2017

## Our Club

We welcome people to join our family in a lifelong opportunity to participate in a fun, safe environment.

We provide a non-judgmental, inclusive environment, where playing as a team is the most important outcome. We believe in developing the whole person by having excellent role models, strong leaders and qualified coaches.

Basketball is a game that can be played by all ages and we provide opportunities across the junior and senior grades for all abilities. We support each other on and off the court and celebrate even the smallest of successes. Our club is about more than just the game.

## Registration

Register @ [www.darwin.basketball.net.au](http://www.darwin.basketball.net.au)

All players are required to pay a \$5 pre-registration fee.

All junior players must be registered BEFORE you play any games in the Challenge Season even if you intend to pay with the \$100 Sports Voucher (There is an option to select this during the registration process). Once you receive the voucher, please bring it into the DBA office for redemption.

All senior players must be registered BEFORE you play any games in the challenge season. Please be aware that if you are not registered by the first game, your name will not appear on the stadium scoring system. If you play unregistered, your team will forfeit (and attract a forfeit fee).

If you are transferring to a new club, please contact your new club to ensure a transfer has been completed prior to registering.

If you have any queries, please contact the DBA office on 8945 4666.

## Annual Club Fees

Club fees are due prior to the commencement of 4th round of the season. Please note, if you have not paid by this date, you will not be eligible to play.

Parents who coach will have the fees of 1 child waived. This is a rewarding experience and both our Club and the DBA offer assistance in the form of mentoring and training. If you are interested, please let us know.
