

## **How to register Junior Players for both leagues in 2017.**

**Local Interchange Permit** should be selected when requesting the player from juniors and the end date should be 30 Sept. This will allow the player concerned to play for both sides even in the same weekend if the leagues concerned policy allows.

Note there must be a signed permission sourced and forwarded to the NPFL registrar.

The WACFL By-Laws clauses:

- 2.26 A player registered with a junior country league is able to qualify for a Local Interchange Permit to play in a senior WACFL League provided the player is playing for a senior league within the same district as their junior one, and subject to player welfare and Bylaws 2.2 and 2.20. The League that has the player's primary registration will be given precedence in the event of any disputes.
  
- 2.4 The minimum age for any player in a senior grade (League, Reserves) with a club in an affiliated League is 15 years of age in the year of playing. However, should there be no suitable junior competition to accommodate the player; the minimum age is reduced to 14 years in the year of playing. Any player 15 years of age or younger must wear yellow shorts identifying him/her as underage.
  
- 2.2 Any official form (e.g. permit, registration or transfer form) signed by a player under the age of eighteen (18) years will not be considered valid unless it is counter-signed by their parent or legal guardian.
