

## **Postponement of Annual General Meeting**

Unfortunately the club has made a decision to postpone the 2015 Annual General Meeting scheduled for Sunday 31<sup>st</sup> May.

This decision has been made following some concerns over technical issues surrounding previous Annual General Meetings being brought to the club's attention. These concerns could go back for many years. In the circumstances it was decided to postpone the Meeting until the matters had been investigated fully and resolved.

These issues in no way affect what parents or children will see from a day to day operational viewpoint of the club. From that perspective it is "business as usual"

Once these matters are fully addressed the Annual General Meeting will be re-scheduled at the earliest possible time. If you have any concerns please contact me via email ([wschild@au.tiauto.com](mailto:wschild@au.tiauto.com)) or mobile (041 125 2807).
