**CANTERBURY SPORTS FOUNDATION
(Incorporated)**

ANNUAL REPORT - 2016

We have much pleasure presenting our Annual Report for year ended 31 December 2016. The year has been quiet one for the Foundation one Business Scholarship awarded, the annual Bernie Walker Award and four general grants. Details of the Scholarships and Awards are listed on the facing page. Our warm thanks to our business sponsors for their support. With this assistance we contributed \$6,850 to junior sporting activities in Canterbury during the year. This total is lower than in previous years and is a direct result of lower interest rates on investments.

Four Scholarships in conjunction with the NZ Racing Board have been announced and were presented at the Sport Canterbury Annual Awards on 3 March 2017. Other matters are as follows:

ADMINISTRATION

The Management Committee has met quarterly to approve grants and awards and consider future activities, projects and strategies. Meetings were held at the Christchurch Netball Centre and the use of this facility is much appreciated. Our main objective remains the promotion and enhancement of junior sport in Canterbury. This is done through our considerable support for the "grass roots" as in the past and the scholarship program which is providing additional assistance to those who have potential to go further.

Our website contains historical information, grant and scholarship application forms and other relevant matters. The address is www.canterburysportsfoundation.co.nz.

GRANTS

Four grants totalling \$4,850 were distributed during the year. Full details are set out in Note 2 of the accounts. This compares with six grants totalling \$7,400 in 2015. Total grants distributed by the Foundation since formation in 1978 is now \$497,543. 546 grants have been made over this period averaging about \$911 per grant.

In addition 31 Scholarships totalling \$64,000 and 11 B R Walker Awards totalling \$14,100 have been awarded, making a total distribution of \$575,643 to assist and support young sportsmen and women in Canterbury since the Foundation was formed in 1978!

The level of grants provided depends on a number of factors including the amount of income received. As a matter of general policy, all available income is distributed on an annual basis if possible.

Grant Application Forms are available on our website.

BUSINESS PARTNER SCHOLARSHIPS

2016 was the year of the Rio Olympics and it was very pleasing to note that no fewer than 7 of our previous business partner scholarship or Bernie Walker Award recipients were members of the New Zealand Olympic contingent.

Courtney Mc Gregor – Gymnastics – placed 41st
 Grace Prendergast – Rowing – Women's 8, placed 4th
 Emma Dyke – Rowing – Women's 8, placed 4th
 Emma Twigg – Rowing – Women's Single Sculls, placed 4th
 Nathan Flannery – Rowing – Men's Quadruple Sculls, placed 10th
 Natasha Hansen – Cycling – 9th Individual Sprint, 9th Team Sprint, 17th Kieren
 Dylan Kennett – Cycling – placed 8th in the Men's Omnium

Criteria and nomination forms for the scholarships and Bernie Walker Award are available on our website.

B R WALKER AWARD

The announcement for the 2016 award will be made shortly and will be presented at the AGM.

Star Davidson, rower

The award is covered by income attributed to the special fund set aside as the B R Walker Memorial Fund as shown in the accounts. This is part of the Foundation's total investments and is not supported by a specific investment. Movements in the balance of the fund include a donation received from Rowing Canterbury, interest received and costs of the award and trophy.

MEMBERSHIP

Membership remains an issue as there has been no growth and some natural attrition. Numbers are about the same but there is some difficulty developing contacts with potential new members in the current environment as well as remaining in touch with existing club and association members as committees and personnel change. It is particularly disappointing to lose contact with a club or association that has had substantial grant funding from us in the past. The continued support of members is important to us and we continue to look for solutions to these issues. We are fortunate to receive a number of donations and this additional support is much appreciated. New members are always welcome.

Association, club and school members can apply for grants. Many are heavily committed to coaching and development programmes for juniors on a voluntary basis at grass roots level and we encourage and support these activities. We keep members informed of their entitlements through our newsletters and the website.

In addition to grants, another important benefit of membership is the opportunity for all members, including individual and corporate members, to nominate candidates for scholarships and awards.

We have a donor member category for substantial donations. If you know of anyone who may be interested in making a contribution to the development of junior sport in Canterbury, this can be discussed in confidence with the Secretary.

FINANCE

The financial position remains satisfactory. We have recorded another deficit of \$1,383 in 2016 compared to a larger deficit of \$3,727 in 2015. Income is well down on 2015 but operating expenditure is steady and the deficit is due to the level of grants and awards allocated and a new cost of \$1,094 resulting from the Sport Canterbury Awards evening at which the 2016 awards were made. This is the cost of hosting the recipients and their parents. Committee members paid for their own attendance. Our standard policy is to distribute all available funds and aim for a break-even position but this is difficult to achieve due to a number of factors. This year again the amounts allocated exceed the net funding available.

Under income, subscriptions are steady and interest is down, due in the main to lower interest rates. No gaming income has been received. One applications made was declined and others investigated but the Foundation did not meet their criteria. Sponsorship for the business partner program is consistent with the scholarship arrangements with the Foundation providing an equal amount. Donations are also down. Last year, an anonymous donation was received to assist with the scholarship programme.

Operating costs have been kept to a minimum and expenses are similar to 2015. The secretarial fee has been unchanged for some time. The allocation of interest to the B R Walker Memorial Fund is based on its share of investments as mentioned (refer Note 3). A provisional budget for 2017 indicates the amount available for grants will again be tight unless additional funding can be obtained. However, the Business Partnership

Scholarship programme has received a major boost with the agreement of the NZ Racing Board to assist with 4 scholarships. These have been announced and the presentations made at the Sport Canterbury Awards on 3 March 2017. We are most grateful for the support of the NZ Racing Board in enabling an increase in the scholarships going forward.

As previously, the accounts are prepared on a GST exclusive basis.

The assets and liabilities of the Foundation at 31 December 2016 are set out in the Statement of Financial Position. Total funds including the B R Walker Memorial Fund are now \$177,156 (last year \$178,612). The cash position is satisfactory with reasonable amounts in the bank account or on call. There are no receivables apart from a GST recovery. Investments have changed with the IAG bonds repaid early. The rate on these bonds was 7.5%, but the money has been reinvested at current rates of 3.85% per annum. This will affect future income. Total investments are now \$138,296, but a further investment of \$25000 has been made since balance date of excess funds, bring the total to \$161,984 compared to \$154,984 last year. Full details of the current interest rates and due dates are shown in the Statement of Financial Position. Accrued interest is similar to last year. Accounts payable include accruals for and secretarial / office costs and a scholarship contribution received for a 2017 scholarship, yet to be awarded.

APPRECIATION

In conclusion, we extend our sincere thanks to everyone who has supported the Foundation in the past year and particularly the following.

Christchurch City Council for their representation on the Management Committee.

O'Sheas Public House for their assistance with social functions

Christchurch Netball Centre for the use of their meeting rooms.

Clark Boyce, Lawyers, for use of their meeting room and refreshments while the Netball Centre has been out of action for earthquake repairs.

Individual and Corporate members for their support of our aims and objectives.

Associations and Clubs for their contribution to the development of junior sport in Canterbury.

The Management Committee for their time and effort during the year.

Our special thanks to our Scholarship Business partner, **Commerce Club** for the tremendous contribution they have made and to all previous Business Partners for their support.

For and on behalf of the Foundation -

G P Dwyer - President/Chairman

P G Crowhen - Secretary

Independent Review Report to the Canterbury Sports Foundation (Incorporated)

To the readers of the financial statements of the Canterbury Sports Foundation (Incorporated)

Scope of Review

I have reviewed the financial statements and records for the year ended 31 December 2016. The financial statements provide information about the past financial performance and current financial position as at 31 December 2016. This information is stated in accordance with the Accounting Policies and Notes to the Financial Statements which form part of these financial statements.

Trustees' Responsibilities

The trustees are responsible for the preparation of the financial statements which give a true and fair view of the financial position of the Canterbury Sports Foundation (Incorporated) as at 31 December 2016 and of the results of operations for the year ended 31 December 2016.

Reviewers Responsibilities

It is my responsibility to express an independent opinion on the financial statements presented by the trustees and report my opinion to you.

Basis of Opinion

A review includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- The significant estimates and judgements made by the trustees in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the Canterbury Sports Foundation's circumstances, are consistently applied and adequately disclosed.

I conducted my review in accordance with generally accepted review standards in New Zealand. I planned and performed my review so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence that the financial statements show a true and fair view of the financial results and position. In forming my opinion, I also evaluated the overall adequacy of the presentation of information in the financial statements.

"I reviewed the financial statements of the Canterbury Sports Foundation (Incorporated) for the year ended 31 December 2016. A review is limited primarily to enquiries of the Trust personnel and analytical review procedures applied to financial data and thus provides less assurance than an audit. I have not performed an audit and accordingly I do not express an audit opinion. Based on my review, nothing has come to my attention that causes me to believe that the accompanying financial statements do not give a true and fair view."
