Year 2016 - 2017

Objectives

1. To foster and promote triathlon activities throughout the Republic of Palau.
2. To develop in the participants a love for the sports, fitness, and the principle of good sportmanship and fair play.
3. To protect and promote the mutual interest of its members.
4. To become affiliated with and maintain good membership in appropriate regional and international organizations and federations.
5. To actively support the improvement, development and maintenance of proper triathlon facilities throughout the Republic of Palau.
6. To engage in any and all other activities as is consistent with or reasonably related to the above purposes.

1. Continue to conduct monthly local events & annual Palau Challenge
2. Partnership with our sponsors, partners & volunteers (encourage, improve & maintain)
3. BTF has become affiliated with and maintain good membership with the Oceania Triathlon Union - OTU and International Triathlon Union - ITU.
4. Have established an effective communication network with OTU & ITU & other Triathlon Federation in the region.
5. Improve our Financial Management Operation – Financial Sustainability
6. Capacity building – Athletes, coaches, management, etc...
