4. General Business:
* It was decided that each primary school zoned to Celtics needed a
representative. Megan Mueller will look after Orrvale PS, Hayden Lewis will

take care of St Mels and we will work on securing a committee member from Shepp East PS.

* The acquisition of new uniforms has been a success. Belinda Whitelaw will keep an eye on things as numbers increase in older age groups and the club will act accordingly.

* We need to purchase more sports bags for uniforms to be kept in along with training aids such as cones, ladder etc.

* The Victorian Health Grant is coming up in December – Belinda Whitelaw to look into it.

* We need a timeline for the lead up to each season – Annabel Thomas to look after.

* Our Sporting Pulse website that is connected to GSBA site needs the wording re done such as our policies on grading. Various committee members to review this.

* Each season all teams need to have a team manager (not the coach) so as to share responsibilities and to ensure jobs such as scoring are shared fairly between parents.

The President closed the meeting at 7.50pm.

Presidents Report

2015/2016

It is great to see that our club continues to grow in numbers. The summer 2016 season has grown to 150 players and the winter season was as usual due to other sporting commitments but we still had 100 players.

This year the club was able to cover the cost of hiring Deshawn Gibbons, a Big V import, to attend all the schools in our zone and it was great to hear that the kids made the most of his skills.

We also hired Deshawn to take some of our team training sessions which was beneficial for both kids and coaches.

This year the club has been in the process of purchasing new players tops with a new design being picked. This has been done for U10 and U12 players with the rest will be phased in over a short period of time.

As I have resigned from the Celtics Committee and my role as President, I would like to take the opportunity to thank all past and present committee members, coaches, team managers and parents for the support they have given me during my team with the club.
