LEST WE FORGET

NORWOOD and South Adelaide headline a huge Anzac Day slate of Premier League games.

Early-season men's improver South will take on the Flames, who opened their account on the weekend.

The Panthers' women will be aiming to bounce back from a couple of poor performances to spring an upset.

Elsewhere, Eastern Mavericks can continue their unbeaten start to the women's season against North Adelaide.

The Mavericks have started the season on fire, producing high scores and exciting basketball with a blend of young talent and experience.

In the men's competition, Forestville can also extend its unbeaten start to the season to four games.

The Eagles' offence has been close to unstoppable in the opening three rounds and Central Districts will be the next club to attempt to stop it.

The Premier League teams will pay tribute to the sacrifice of the servicemen and women of Australia who served in all wars and celebrate the Anzac spirit.

A Spirit Medal will be awarded to the player who shows the most overall team spirit from each game, as judged by the match referee.

ROCKETS V MAVERICKS

ALEX WILSON LEADS THE COMP FOR PTS

WOMEN'S PREVIEW

THE Eastern Mavericks will put their undefeated start to 2017 on the line against North Adelaide in an interesting Anzac Day clash.

Eastern has made a solid start to the season as it chases a return to the finals for the first time since 2013.

The Mavericks pulled off probably their best win of the season against Forestville on the weekend.

Eastern were tested in a big way but held on to win by three points.

The Rockets have recorded

two wins after a one-point loss to Woodville in the opening round.

North held off a gritty Sturt on the weekend.

The Rockets looked on their way to a big win in the opening half but were forced to fight in the second half.

Alex Wilson has been a standout for the Mavericks early this season, while Tayla Corrigan and Opal Mader have been solid for North.

North Adelaide Rockets v Eastern Mavericks

Hillcrest • Tuesday, April 25, 2017
Tip-off • Women: 1.30pm, Men: 3:15pm

MEN'S PREVIEW

NORTH Adelaide lost its status as one of the competition's undefeated sides after going down to Sturt on the weekend.

The Rockets were without three key players – Alex Starling, Darcy Aistrope and John Wernham – but managed to push the Sabres for three quarters before struggling to sink a shot in the final stanza.

Despite the outcome the manner that they pushed Sturt would have been pleasing.

More importantly though is how they rebound against Eastern Mavericks.

The Mavericks were no match for rampant Forestville over the weekend and are still searching for their opening win of 2017.

Lachlan Barker has started 2017 well for Eastern but will need more support against North.

The Rockets will be hoping to have Alex Starling back in their line-up.

Starling and Aric Miller (36 points last round) could be the most dangerous import pair.

TIGERS V WARRIORS

ALEX GREEN HAD 17PTS AND 5REB IN R3

WOMEN'S PREVIEW

THE Southern Tigers enter round four clash against Woodville on a high.

The Tigers have won their past two games – against South Adelaide and Central Districts – by a combined 139 points to sit second.

Woodville also holds a 2-1 record but was far less ruthless than Southern was a fortnight ago when it defeated South Adelaide on the weekend.

The Warriors trailed early before taking control of the contest.

25-9 in the second and 26-7 in the final period.

Jennifer Monroe (17 points and 12 rebounds) and Ashley Claussen (17 points and 10 assists) were terrific.

Southern will have to be switched on from the start after two easy wins.

Mollie McKendrick is in good early season form for the Tigers, averaging 18 points.

Southern Tigers v Woodville Warriors

Tip-off • Women: 1.30pm, Men: 3:15pm

MEN'S PREVIEW

THE Southern Tigers are starting to look like the imposing outfit they were last season.

Two straight wins have the Tigers up to third on the ladder with a 2-1 record.

Anthony Drmic – the AllStar Photos round three player of the week – is carving up and Michael Nwelue and Robert Linton are settling in well.

Southern have also added NBA and NBL veteran Luke Schenscher.

The Tigers can make it three wins on the trot against

Woodville in an Anzac Day clash at Morphett Vale.

The Warriors have been inconsistent early.

They will need a better shooting performance if they are to pick up a win against Southern.

Woodville made 24-of-83 shots in its 14-point loss to South at St. Clair.

Darren Ng made just two of his 13 field shots.

BEARCATS V SABRES

CAROLINE BURGESS SCORED 12PTS IN R3

WOMEN'S PREVIEW

WEST Adelaide and Sturt will look to keep touch with the top-five when they take on each other in an important Anzac Day clash.

The Bearcats and Sabres both hold a 1-2 record after three rounds and will want to avoid slipping too far below .500 in what is likely to be a closely-fought competition.

Sturt lost to North by 10 last start and West narrowly went down to Norwood.

The Sabres' field shooting needs to improve.

They shot 18-of-67 last week

and were lucky North did not shoot much better else it could have been a larger margin.

West were close to Norwood but did not quite have enough polish.

Ieva Nagy impressed with 21 points and seven rebounds.

Sky Langenbrinck continued her solid start to the season with 20 points.

Port Adelaide • Tuesday, April 25, 2017
Tip-off • Women: 1.30pm, Men: 3:15pm

MEN'S PREVIEW

WEST Adelaide enters its Anzac Day clash against Sturt in need of a win following back-to-back losses.

The Bearcats impressed on a round one win over Eastern Mavericks but have crashed back to earth with losses to Woodville and Norwood.

There was high hope ahead of the season with a pair of exciting imports but West is yet to put it all together for large periods as they look to return to the finals.

They face Sturt, who bounced back from a heavy loss to Forestville to end North's

undefeated start to the 2017 season.

The Bearcats have had recent success over the Sabres and this could be a very close game.

Dee Oldman has been in great touch but not many tests seem to much for the Sabres' young brigade.

JESS GOOD HAD 20PTS AND 13REB ON SAT

WOMEN'S PREVIEW

NORWOOD can put together consecutive wins for the first time this season when it hosts South Adelaide.

The Flames have defeated Forestville and West Adelaide either side of a heavy loss to North Adelaide.

Led by Jess Good – the AllStar Photos round three player of the week – Norwood held its nerve in a close contest against the Bearcats on the weekend.

The Flames were up three entering the final period and challenged multiple times by West before finding a way to

hold on and record a solid win.

Good's 20 points, 13 rebounds, nine assists and eight steals clearly made her best-on-court.

But there were plenty of helpers, including bench players Natalia Lalic (12 points) and Khaleisha Barnett (10 points).

South has suffered two heavy losses since a season-opening win against Central Districts and face a huge task today.

MEN'S PREVIEW

NORWOOD will aim to build on its first win of the new season when it hosts South Adelaide in an Anzac Day clash at ARC Campbelltown.

The Flames broke through for their first win against West Adelaide over the weekend on the back of 40 points from import Jerrell Sanders.

It was reward for effort for Norwood and Sanders, who had been around the mark in two games before it.

Daniel Webber also had a solid hitout, scoring 21 points at 57 per cent from the field.

South has shown plenty of improvement in two wins this season but struggled to really match defending champions Southern in round two.

The Panthers' big test is taking it to quality opposition.

With Eian Davis in stunning form, South have a real chance to prove they can mix it with the best today.

FORESTVILLE will look to return to the winners list when it hosts lowly Central Districts.

The Eagles went down by three points to first-ranked Eastern Mavericks in the Hills over the weekend.

It was a cracking contest and one that showed Forestville will be around the mark at the business end of the season.

But having come so close the Eagles would be disappointed.

They can put it behind them against a Centrals side struggling in the early stages of 2017.

The young Lions have copped a couple of heavy losses.

Olivia Thompson and Samantha Defrancesco will be hard to contain for Centrals.

The Lions are about small wins at the moment and will aim to match the Eagles one quarter at a time.

Forestville made 40 per cent (10-of-25) of its three-point attempts in R3

Forestville Eagles v Central Districts Lions

Wayville • Tuesday, April 25, 2017
Tip-off • Women: 3.00pm, Men: 5.00pm

MEN'S PREVIEW

FORESTVILLE sit at the top of the table as the only undefeated men's team.

They have done it on the back of exciting offence, averaging a league-high 100 points per game through the opening three rounds.

Majok Deng (28 points per game) is one of the league's hottest offensive talents and Antonio Garrett is providing plenty of spark.

Garrett scored 27 against Eastern last start.

Central face a difficult task to secure win number two.

But the Lions will take heart from the fact they pushed Forestville a couple of times last season, despite a gulf between the sides on the ladder.

If Centrals can get hot from the outside like they did against Southern, shooting 10-of-25 three-pointers, it could be a high-scoring battle.

TIGERS MAUL LIONS ON THE ROAD

SOUTHERN TIGERS 114 CENTRALS 36

THE Southern Tigers kept Central Districts winless with an emphatic victory at Starplex

A sloppy beginning of the opening quarter left the Lions vulnerable and it demonstrated on the scoreboard.

The Tigers were up by double digits early into the game and their defensive pressure helped them take a commanding lead.

On both ends of the court, the Tigers were applying that

pressure and demonstrated why the other clubs should be worried.

Despite the domination by the Tigers, the Lions cut the lead to 8-points and had the momentum to continue this before the break although were unable. At the first break, the Lions were down by only nine-points.

The night proceeded to get worse for the Lady Lions with poor passing decisions leading to conceded points

and turnovers. Central District turned the ball over 34 times compared to the Tigers' nine.

In turn this led to 31 points off Lions' turnovers.

Mollie McKendrick was her usual best finishing with 17 points in under 21 minutes of game time.

Tara Dodman also flirted with a double double, finishing with a game-high 18-points

NORWOOD TOO GOOD FOR WEST

NORWOOD 78 WEST ADELAIDE 72

In the highly-anticipated 2016 Grand Final rematch, it was Norwood who shared in the spoils at the ARC Campbelltown, defeating West Adelaide by six points in a very tight encounter.

The win was pioneered by a spectacular performance from Jess Good, who led from the front early on and never took her foot off of the gas, nearly earning a quadruple-double for her efforts.

She finished with 20 points,

13 rebounds, nine assists and eight steals, as teammates Shannon McKay (14 points, six assists) and Chelsea Brook (12 points, nine boards) provided ample assistance for the Flames.

Natalia Lalic (12 points, $\frac{3}{4}$ 3P) played a crucial role for the home side in the latter stages of the match, and was on hand to convert from long as the Flames took the lead from their rivals.

Strong defensive pressure

in the second term stifled West Adelaide, who found themselves struggling for scores, down 39-33 at the halfway point.

After what must have been a tense half-time talk, the Bearcats took it up to the Flames, fighting back through Nagy and Sky Langenbrinck (20 points).

But Norwood held on.

ROCKETS KEEP TOUCH

NORTH 60 STURT 50

NORTH Adelaide kept pressure on the ladder-leading Eastern Mavericks with a hard-fought 60-50 win over Sturt at Pasadena.

The Rockets surged to a 14-point lead by half-time and withstood an improved performance from the Sabres in the second 20-minutes to stay on Eastern's heels with a 2-1 record.

Opal Mader, Norrishia Victrum and Tayla Corrigan were

standouts for North Adelaide. Mader finished with 19 points and three rebounds, Victim 18 points and six boards, while Corrigan scored 12 points.

Sturt crashed to its second-straight loss as it shot just 26 per cent (18-of-67) from the field, despite 12 points from Caroline Burgess.

WARRIORS RUN RIOT

WOODVILLE 71 SOUTH 47

The Woodville Warriors' women had a solid 71-47 win against South Adelaide on Saturday night.

The Warriors and Panthers then traded baskets in the first as the Panthers got away to an 11-point lead, which the Warriors gradually clawed back.

Woodville had a great second quarter and went into the half-time break up by eleven, 36-25.

After half time the game was a much more even affair.

The Panthers tightened up their defence, and their passing accuracy, giving the Warriors less opportunities.

Jennifer Monroe, 17 points and 12 boards, was impressive for the Warriors.

EAGLES SOAR PAST EASTERN

FORESTVILLE 114 EASTERN MAVERICKS 70

THE Forestville Eagles maintained their unbeaten start to the season after taking down Eastern Mavericks 114-70 on the road.

The Eagles flew high with Muawut Deng and Majok Deng slamming through some impressive dunks and unfortunately for the Mavericks, they were unable to keep up with Forestville's speed and skills.

By the end of the first quarter, the Eagles already had a comfortable lead, and

throughout the game, they managed to keep it that way.

Lachlan Barker was the star player for Eastern, scoring a total of 20 points.

Rigby Aktanarowicz was also a standout with 10 points and five rebounds.

Forestville shared the ball around well and quite a few of the players were high scoring.

Antonio Garrett was absolutely exceptional.

He was everywhere and

managed to score 27 points and pick up 11 rebounds.

Majok Deng was also a highlight scoring a total of 23 points and 10 rebounds.

Jake Rios stood out and played the ball well, however his accuracy with being able to score was not up to scratch as he missed 15 shots from the 20 that he took.

SABRES SURGE HOME OVER NORTH STURT SABRES 77 NORTH ADELAIDE 64

STURT may not have got the fast start coach Paul Rigoni was after, but it did record an important bounce back win over North Adelaide on Saturday night.

The Sabres shook off their 42-point mauling at the hands of Forestville in round two to improve their record to 2-1 with a 77-64 victory at Pasadena.

Isaac White led Sturt against one of the competition's early pacesetters, scoring a team-

high 18 points and recording four rebounds and five assists.

Against a North Adelaide side down on numbers – without star import Alex Starling, Darcy Aistrope and John Wernham – the Sabres' trend of sluggish starts continued.

The Rockets raced to a 12-4 lead in the early exchanges.

In Starling's absence, Aric Miller shone and finished with a game-high 36 points at 48 per cent from the field.

North continued to go blow-for-blow with the home side throughout before Sturt took control in a dominant last, outscoring the Rockets 21-5.

North shot 2-of-20 (10 per cent) from the field in the fourth period.

Sabres' duo Hamish Burns (16 points and 10 rebounds) and Jan Warbout (10 points) provided support for White.

FLAMES TOO HOT FOR BEARCATS

NORWOOD 95 WEST ADELAIDE 88

IT WAS a Saturday night to remember for Jerrell Sanders, who collected a mammoth 40 points to lead Norwood to a seven-point victory over West Adelaide at the ARC Campbelltown.

Accurate shooting, from inside and outside, was the difference in a fiery affair.

The Webber brothers – Andrew and Daniel – collected 35 points and 13 assists for the Flames, while Dee Oldham went big for the visitors, with

30 points, eight rebounds, six steals and five assists.

Norwood were much faster out of the blocks, with Sanders daggering an early three to set the tone for his night.

Harold Ridgeway (18 points, 10 rebounds) converted a strong rebound for the layup and one to steady the Bearcats, but a huge dunk from the Flames import saw the hosts take a 21-18 quarter time lead.

Benjamin Janssan (15 points)

was utilised to great effect for Norwood.

The Flames showed great work-rate to begin the fourth period, but Lachlan Haufe was hot and shot another two from range to close the gap to eight.

The hosts trundled home on the back of yet another Jerrell Sanders special, running out 95-88 winners.

The South Adelaide Panthers men beat the Woodville Warriors 72-58 at St Clair on Saturday night to break a three-game head-to-head losing streak.

Eian Davis was good once again for the Panthers, sinking 22 points.

Last week against the Tigers, Davis had very little help.

Against the Warriors however, he had more support, with

Ryan Gardner and Shane Boal sinking fourteen points apiece and Jay O'Brien chipping in with nine.

All of this led the Panthers to an important 14-point victory on the road.

TIGERS TOPPLE LIONS

SOUTHERN 114 CENTRAL 87

SOUTHERN Tigers won the battle of the cats at Starplex on Saturday night.

Right after the opening tip, the Southern Tigers were on the prowl to get the lead and they accomplished this quite quickly.

Unfortunately for the Lions, their shots weren't falling despite the open looks.

Unfortunately for the Lions, any chance of an upset was

slipping away as they found themselves down 67-89 at 3 quarter time.

Despite the 22-point difference, the Lions didn't count themselves out and played hard to the end.

In the final quarter, the Tigers side had hot hands as nearly all was falling for them.
