

U15, U17 & U19 Waitaha/Canterbury Combined National Qualifying Teams & Metro/NC Mainland Squads-

The U15 & U17 National Qualifying teams selected are for the National Qualifying games in Ashburton on May 19th & 26th. The U19 National teams are selected for the BBNZ U19 Nationals over Queens Birthday. The Metro & NC Mainland Squads are selected to train until final Mainland teams will be selected 2nd June to go to the Mainland tournaments July 8th – 10th. For the National Qualifying teams, the national qualifying games will be used to determine which teams from the Canterbury region go to nationals (2 qualifying spots available) and will part of the selection process for the Basketball New Zealand National teams. The national teams will be re-selected after the qualifying games including the possibility of selecting loan players from associations within Canterbury region who don't qualify for Nationals. The purpose of this is to allow the best 20 players from throughout the Canterbury region to represent at the BBNZ Nationals. The U19 teams are Canterbury Combined teams representing the entire Canterbury Region (Metro, NC, Mid, Sth). For this reason there will not be a qualifying process and they will immediately beginning preparing for BBNZ U19 Nationals over Queens Birthday.
