Handy advice for first home buyers

Buying a home is an important decision and purchasing your first home, even more so. It can be a tricky and somewhat daunting process which is why it is essential to do your homework, have a plan and budget, and seek expert advice before jumping in.

Here are some quick tips to help avoid some of the common traps when taking your first step onto the property ladder:

- Be clear on what you can afford to spend to avoid looking at properties that are out of your price range.
- Work of the best home loan for you and check the ongoing repayments taking into consideration interest rate increases over time.
- Get pre-approval for your loan so you know exactly what properties you can afford to be looking at.
- Understand all your costs such as stamp duty, pest and building inspections, insurance and legal fees.

KICKIN' IT WITH KRISTEN

TEAMS FROM THE WEST READY TO FIRE

By KRISTEN ALEBAKIS

This weekend the WRFL will take on the Northern Football League as part of the WorkSafe AFL Victoria Community Championships.

Over the past few weeks, senior WRFL coach Anthony Eames and Under-19 coach Matt Dean have been busy preparing for this Saturday's clashes. Both coaches have selected the best players from across the league and are looking forward to the challenge of playing the NFL at Preston City Oval on Saturday.

In the latest episode of the WRFL Footy Show we speak to Under-19 coach Matt Dean about the team he has assembled and his co-captains, Deer Park's Mark Galea and Yarraville Seddon Eagles star Kevin Johnson. We also speak to Hoppers Crossing star Braden Ferrari about his experiences from last year's Interleague campaign and what it means to him to pull on the WRFL jumper. [Click here to watch the episode.](#)

It will be great to see plenty of faces from the west at the game, but if you can't get to Preston, the senior's game will be live streamed on the WRFL Facebook page and will be covered on WYN FM.

I wish both teams the best of luck, hopefully we can bring two trophies back to the west.

Finally, the Division 3 competition will continue on Saturday, with Division 1, 2 and Under-19 teams all having the bye.

Tarneit will go head-to-head with Parkside. The two unbeaten teams will play at Wootten Road Reserve. It should be an intriguing battle.

See you at the footy.

UMPIRES CORNER

READING THE PLAY OF THE GAME

By GRAEME HODGART

Umpires, like players, are encouraged to read the play. Experience definitely helps although even the most experienced umpires, and players, can be caught out.

The odd shape of our football doesn't help. All of us can remember seeing players out on their own with a paddock around them, but still unable to pick up the ball. For that frozen moment in time, the ball has a mind of its own as it bobbles and jumps as the two hands grope haphazardly and unsuccessfully. How many times have we seen a player stream forward with space ahead and they decide to bounce the ball before settling themselves for a kick downfield or at the goals? The ball then takes centre stage with either a very small rebound or the quick rebound that takes the player by surprise or bounces away from the player or occasionally takes off and clears the player's head. Field umpires are told and taught about getting in the correct position, but this can be thwarted by the unusual bounce of the football or more often than not, the poor skills of the local footballer.

Quickly, the field umpire must re-position themselves into (the next) correct position. And so on!

Boundary umpires probably have more chance to anticipate the flow of the game and run accordingly. Even so, there are times when logic recommends that the ball is headed in one direction, but for a variety of reasons that notion is put to bed by the bouncing ball or the disappointing execution of player skills.

Some goal umpires keep their fingers crossed and hope that their game is full of high shots on goal that go sailing spectacularly directly over their head. Sadly, their matches are usually full of a wide range of decision-making opportunities. These can include touched on the line, the wide ball sprayed towards the behind post, the kick from a tangle of players in the goal square, the banana snap from the impossible angle, the ball that barely evades the pack, and so forth. Reading the play, for players and umpires, can be a very challenging business!

Quiz

What happens when the non-controlling field umpire sees an infringement near the ball?

- (a) He awards a free kick where he is standing.
- (b) He awards a free kick where the infringement took place.
- (c) The controlling umpire bounces the ball where the infringement took place.

The answer was (b).

NEW PARTNERSHIP WITH RAWFORM COMPRESSION

THE Western Region Football League is pleased to announce a new partnership with RAWFORM Seamless Compression for the 2017 season.

During training, game day and recovery, players will feel the benefits of RAWFORM Seamless Compression, with overall exceptional support and pressure focused on hips, thighs, groin and rear with improved endurance and recovery.

WRFL Marketing Consultant Peter Harley said he is excited by the partnership which will allow players to purchase compression shorts direct through RAWFORM at a competitive price.

“We think this particular arrangement will work well with this type of garment as it enables individual players and, in the case of juniors, their parents, to order compression shorts online, at a competitive price and have them delivered directly to the players’ home,” he said.

RAWFORM General Manager Simon Hosking said RAWFORM shorts were reliable compression shorts.

“The shorts are the realisation of sports performance apparel we wished existed in the market,” he said.

“We just wanted compression shorts that did what they said they were going to do. Our sales pitch is simply just get people to try the shorts. We’ve tested the shorts from AFL to grassroots level and the feedback is always that they are the best compression shorts they have worn.”

The deal includes discounted products to WRFL players, their families and friends.

“We are passionate about local football, developing future AFL stars and looking after seasoned player’s bodies” Hosking said.
