## **Treasurer's Report.**

It is with great pleasure that I present my third treasurer's report covering season 2011.

For all members we are again pleased to present a full set of audited results for this season, they are included for your perusal in this report.

I would like to highlight some areas regarding the financial performance of our club.

The final result shows a trading loss of \$25,003.

This season has been the toughest I have had as a Treasurer at any club and the daily reconciliations and money chasing to ensure that all our suppliers, players and others were paid was very demanding. However with the support of Quonny we got there.

The move to Hughes Park had a double effect. In round figures we lost \$10k in kennel club membership and our costs went up \$12k for Hughes Park costs. Also after match bar takings were down on normal Cheong home match days with player costs going up \$15k.

Bar – we are indebted to Kate Timms and all the volunteers who work behind the bar. The bar achieved a margin increase on lower takings.

Canteen – The canteen figures include match day, match day BBQ and Thursday night teas. Again we have wonderful support Kerryn Nixon and all Thursday night helpers and the "Burger BBQ Crew". The total result was a profit increase of \$1,841 over last season.

Social Functions – Here we must thank Tracey Adams for all her work in not only running the social functions but raising the standard in delivering quality functions for all members and players. Also special thanks to Fitzy and Disco for their wonderful work with the "Ipod Shuffle" night, which was a huge success.

Gate Takings - With the move to Hughes Park one area of improvement was the gate takings. We are indebted to Robin King and all his helpers for getting the fence up at home games. Gate takings were up by \$4,285.

Merchandise – Bryan King rules this area with an iron fist and makes a treasurer's job easy as he notes and collects everything, add to this the Toyota sponsorship the merchandise area had a good year – thanks Bryan.

NEXT season – I think we are all glad that 2011 is behind us and we can now come back home and give 2012 a real shake.

However, to be more successful in first division we need to raise the bar and find an increase in revenue that will help bring a consistent first division status. Also maybe a change of culture – "What can I do for South Croydon" rather than "What can South Croydon do for me".

Finally I would like to thank my wife Dianne, This season has not been easy but she has supported me all the way. I could not have continued as treasurer without her! – Thanks.

## **Social Report**

WOW what a year!

Due to relocating to Hughes Park, this year was very tough and exhausting on all committee members, however, we did manage to get through it.

**President Luncheon** – We had 1 luncheon this year with special guest speaker Ron Joseph, North Melbourne's 2002 Hall of Fame and former board member. Ron is a family friend of Travis Edmonds

**Ladies Night** – As we were playing at Hughes Park, we decided to do it a little different this year by having a Ladies Night. We had just over 50 ladies attending this year with a one man band/karaoke playing. I can't tell you much more because what happens on ladies night stays on ladies night.

**Gala Ball/Reunion** – Not only was it the yearly Gala Ball but it was the anniversary of the 1991 & 2001 Premierships teams. It was a huge night at the Karralyka Centre with 235 guests attending. It was great to see the past players and officials attending and celebrating the night away as if it was only yesterday they won the grand final. Everyone had a fantastic night.

**Lucky Raffle** – With 200 tickets sold it was another successful night. We had 5 prizes this year. Congratulations to the winners: 1<sup>st</sup> Billy/Hendo, 2<sup>nd</sup> PTR Plumbing, 3<sup>rd</sup> George Jones, 4<sup>th</sup> PTR Plumbing and 5<sup>th</sup> Ace.

**IPOD Shuffle Night** – I have to say a big thank you to Disco and Fitzy for organizing the night. With a full house the night was a huge success. It was great to attend a function and put my feet up and enjoy the night. Can't wait to see what ideas you have for next year.

**Poker Night** – With this night being postponed until after the season finished, we still ended up raising a small amount. Quonny and Shane Lewis were the last 2 in and with everyone standing around watching who was going to take out 1<sup>st</sup> place it sure made the night end on a high. Congratulations to Lewie on taking out 1<sup>st</sup> place, I hope you are enjoying watching your new Plasma TV and Quonny I'm sure you will find something to spend your \$250 wish gift card on.

**Presentation Night** – Was held at Linley Estate with 166 guests attending. With everyone letting their hair down, it was a great night to finish off the year.

I look forward to being back home at Cheong Park next year. Thank you to the committee for all their help and support.

## **Leadership Program**

Season 2011 saw the introduction of the "The Sports Leadership Coach" leadership program. The program set about achieving the fast tracking of our leadership group into becoming the best leaders they can be.

The leadership group for 2011 was Ace, Fitzy, Sticks, Danno, Kearney, Zac, Maxxy, Disco, Ozzie and Almo, nominated by the coaching staff. The group met each Tuesday night after training with either myself or Richard Maloney (from The Sports Leadership Coach) who facilitated the session. Minutes of each meeting were recorded to ensure that the actions agreed upon were delivered.

The program is designed to work with the group through a step-by-step program that includes activities both on and off the field. It is all about empowering the group and allowing each leader to contribute to the development of activities that are important to the leadership group and the club. These activities included; a mentor group for each of the leaders consisting of both senior and reserves players; developing a Facebook page for SCFC; recognising our volunteers; including all the Wives and Girlfriends

of the players in club activities; developing team rules and 30 seconds with Sticks each Thursday night. As well as setting targets for on-field team building.

A big part of the program was the introduction of the "Leader of the Year" award. Each week, each leader was asked to nominate a leader who had displayed all the qualities and actions of good leadership both on and off the field. ACE Costello won the inaugural "leader of the year" award which was a Tissot watch worth over \$500. Congratulations Ace !!!

The program was a standout success with many people around the club noticing the great contribution the leadership group had made during the year. The 10 leaders should be congratulated on their commitment and effort to improving the club and we look forward to even greater things in 2012.

John Strachan  
Facilitator/ Mentor

## **Senior Coach's Report**

With preseason starting in November, numbers were great (From season 2010, the major outs were we lost Matt Jones to Queensland, and Kyle Simkin, Travis Edmonds and Lucas Davies to retirement)

A huge thanks goes to all the support staff who has been to all the training sessions and games and assisted the boys in going about their job. Thanks also to Steve Higgins and his recruiting team who worked tirelessly in a very competitive market over preseason.

With Cheong Park being upgraded, we held training at Fred Geale oval and played at Hughes Park. Although this too time to adjust, I must say a huge thanks to the committee and support staff who make sure the coaching staff and boys have anything that is required for us to perform. For everyone that transport items from venue to venue, thank you for your huge efforts so we can continue to develop the playing list. Although a challenge for all, the end result of a new playing surface for Cheong far outways a little inconvenience for 12 months.

After a fantastic effort in season 2010 and a very solid preseason for season 2011, we were all excited with what a challenging 2011 could provide. Although we ended the season with only 4.5 wins, I believe that it may have been a case of a step backwards for the club to take two steps forward. We had 40 players experience senior football this year including 14 players playing their first senior game for the club. Although this is a larger number, it gives several players a taste of what first division senior football is all about and assists them on areas to improve on over preseason 2012.

The committee should be congratulated for thinking outside the square and investing time and money into a leadership program for our young leaders of the club. I am sure the club will experience payback, both on and off the ground, for many years to come.

Seeing the Arndale Cup return to the club in 2011 and back to its rightful place of resting, at South Croydon, was fantastic. To see older past players and the committee so satisfied after that win, promoted to our playing list, what an important game it is between the two clubs. Our list still has a young average age and is ever improving, and with a couple of additions for season 2012, the players are ready for a big year.

I believe that season 2012 is going be a positive experience for all concerned and cannot wait for the football season to start again.

Thanks to the trainers, support staff, match day staff, assistant coaches and committee for their support throughout season 2011 and I really appreciate what you all did for the team and club.

Until season 2012,

**Ben Delarue**  
Senior Coach

## **Colts Report**

Our first goal this season was to concentrate on a pre-season which would give us the ability to be competitive in 1<sup>st</sup> division and introducing a game style and skill level that would be at a standard of the other clubs. Having a big input from the U/16s coming up into the senior club was refreshing to see and the endeavour they all showed over pre-season was encouraging. We used the U/19 rule to the best of our ability as a club and believe these guys with commitment can play senior footy at South Croydon.

Winning three games for the season was a great effort by the guys however I'm sure after the talks we had over the season and the footy trip the boys realize opportunities missed as we lost five games by less than a kick or so. I send my congratulations to the junior club for producing a group of young footballers which I believe present the senior club with a bright future. Players such as but not limited to Coxy, Dyck, Bish, Brownny, Dekiljn, O'Toole, Whitey etc are ready for the next step up.

My disappointments for the season are the missed opportunities that could have snuck us into the finals and the same players not listening to instructions time and time again. The highlights, well definitely the three wins and also seeing the first year U/18s do so well over the season not just on the field but their leadership qualities also. Another highlight on the individual front, was seeing Brian Adams put the jumper back on and playing some good footy after some serious off field injuries in 2010.

Congratulations to Phil Dyck rucking unassisted in most games winning the B&F on 113 votes followed very closely by the always reliable Liam Cox on 111 votes.

Thanks to all the water boys throughout the season and Molly, the O'Toole clan, Brownny for doing the goal umpiring all season and Smithy for doing the boundary all year. Special thanks to Ash and Michelle for everything, words are not enough. Also thanks to JD and the committee for their continued support all season.

I wish our seven top age players leaving us the best of luck as they embark on their senior careers. To the rest of playing group remember the team that sticks together also wins together and look forward to a promising 2012 season. Embrace it, don't waste it!

## **Junior President's Report 2011**

The Junior club this year rebounded fantastically after a tough year on the field in 2010.

Our Under 16's played off in what was a brilliant Grand Final. Speed, intensity, courage and the "Mark of the Year" were all on display for the entire game, with our young pups finishing as runners up.

The Under 12, 14's & 15's all played in a finals campaign as well, with the 14's falling to the eventual runners up in the 1st week, and our 12's and 15's also playing great footy, but finishing at the 2nd week of the campaign. All teams represented the Bulldogs with pride all season, with the our 13's finishing the year with a fantastic win in the final round, a testament to the boys and the spirit at the junior club.

We did not have an Under 11's this year, and are already looking into options to fill this void for the next season.

Our Junior coaches all worked extremely hard, and most will be re appointed for the following year. Well done coaches, team managers and all volunteers that have donated there time during the season.

To our outgoing President, Andrew Triantafillou, our thanks for leaving the club in a terrific position, both financially and personal wise, and also to Warren French, Chris Spillane & Shay French who have worked tirelessly on the committee over the past years. Our new committee look forward to carrying on your hard work.

Our quest for season 2012, will be to teach our players the skills required to play the game to the best of their ability, and to represent our club, in manner that will become the envy of other Junior clubs win, lose or draw. All this, with the aim to develop them for the years ahead, and keeping all families involved in our already family friendly club.

We look forward to working closely with the senior club, with the objective to develop young players up thru the ranks and onto the Senior club, to enable the club to stay strong with home grown talent.

President  
South Croydon Junior Football Club

## **Veterans Report**

New year, new coach, new committee, No Home ground, this should be an interesting season!!

Preseason was going well with good numbers (for a change), under the new coach (Dale "Whitey" White) you could train without the pressure of having to play, which of course drew a couple more bodies down to training. Over the past few years we have had an average of 8 at training and this year the average was 17.

We picked up a couple of new young (32) faces at the start of the season and of course there were the old regulars.

Off field was going to be a tough year with Pete & Robbo taking the reins for the first time with the off field duties, just like the senior club they had to coordinate the season with no home rooms or training track.

**Round 1:** we picked up the BYE

**Rnd 2:** Sth Wantirna. away. A great turn out by the boys (we had a full team + a bench for the first time in about 6 rounds) this was a good sign for the year ahead. We came away with a 15 point win!! The boys were very pumped up and with a couple of the senior committee members on hand, there were a lot of smiling faces, this win had been a long time coming, the only down fall was Juzzy breaking his ankle.

**Rnd 3:** Boronia. away. OMG what a difference 2 weeks makes!!the regulars all turned up of course, but with ½ an hour to game time we only had 14 players & no coach (what a dilemma). Thanks to Ringa how came down to watch and pulled on a jumper. We went down by 123 pts.

**Rnd 4:** Bayswater. Home. This was a much better turn out with sth fielding a full side for the start of the game, Bayswater were shocked, Sth were up at qtr time, but they slow over ran us and ran off to a 9 goal win. The good point to take away from this game was that we were becoming competitive again.

**Rnd 5:** Mooroolbark. Home. We had to forfeit. We had more injured players than fit players.

**Rnd 6:** Kilsyth. Away. 10<sup>th</sup> Anniversary of the of the "Gappa Cup". This had become a huge event with organizational skills of Nick Maywald. He had turned this game into an event and a fundraiser for HeartKids. With that he also organized Glen Archer (Shinboner of the Century) to come a pull on a Sth Croydon jumper for the night. Glen is an ambassador for HeartKids!! What a game, What a crowd. A tight affair for most of the game, but with Kilsyth playing about 8 Reserves player they ran out victorious by 6 goals. Thanks to all who contributed, we raised about \$2000 for HeartKids.

**Rnd 7:** Forest Hill. Away. Although this was a flogging, the Forest Hills coach said that it was a well fought contest, But by ½ time we were decimated by injury. Even our ½ weapon (Maso) could not help turn this one around.

**Rnd 8:** Chirside Park. Away. Nearly, but not quite. Another game of 2 halves, with Chirny just kicking away in the last. The boys kept on fighting and playing hard until the siren went. Again a good competitive game by the boys.

**Rnd 9:** Nth Ringwood. Home. OMG qtr time we were 4 goals up, by ½ time Nth had closed the advantage to just 1 goal (What a game it was turning out to be). ¾ time Nth were 1 goal up in a very close tussle. Nth Ringwood eventually ran out victorious by 2 goals in what was a well great spirited game.

The season may have seemed a bit of a lose to an outsider, but to those who were involved, it was a fantastic season, we have a very tight knitted bunch of blokes that we can build on for next season.

Well done to Tim Kennedy who won the Best & Fairest in his first Vets season and Peter Delany for Runners Up, Rick Bell for most improved Player & Chris Lamb for the Ian Chatterton Award.

Thank you to Whitey for putting in all of his time, in what only could be called a horrible year personally for him and his family.

Thanks to the boys who turned up every week injured or not to help out either at training or on game day (without you the show cannot go on)!!

Bring on 2012

Go Doggies
