President's Report

It's hard to believe how quickly this season went, and it's great to see that we all survived it. If you had told me this time last year that I would step into the role of President this year, I am sure I would have just laughed. At the end of a season where it seems you fit 12 months of work into 6, it is easy to feel tired and unmotivated to think about the next season, but at South Croydon I think there is a catch, it's such a wonderful place to be around that you suddenly find an energy you didn't think you had anymore and all of a sudden you are thinking about ways to help improve the club so that you can be a part of it and any of its successes.

Well at least this is what has happened for me, I completely stepped out of my comfort zone and challenged myself to make a square peg fit in a round hole. After all I'm no expert on how you play the game of footy, I can't kick or handball but I can be passionate and enthusiastic. To me this is what sporting clubs are about, pushing yourself beyond your own boundaries and this applies right across the club from players through to volunteers and even the supporters. It is so pleasing to see people who come along to watch and before you know it they have found themselves here more often and then they become more involved with the club. It is so important as a club to be inclusive of everyone and I think that is something we do well here. I have definitely felt well supported and I truly appreciate all of the help and encouragement that I have received throughout the season. So I thank you for this.

On field this year our teams have shown a lot of promise. I would like to thank our coaching crew. It has been fantastic to have Leigh Adams here this year and I personally have been most impressed with his vision and not deterring from what he knows will work. We all know that we had some very close games that could have gone in our favour and at times I am sure he must have found this frustrating but Leigh stuck to his game plan and as the season went on it was evident that it was working. The turnaround moment for the season was against Montrose in Round 13 where we won by 5 points with the help of our 'past players' crowd yelling from up on the hill. We finished the season stronger than we started it and it is looking promising going into next season. Leigh has full respect from the players and all members of the committee and club. It is going to be exciting to watch where he takes this group of players.

For Brad it has been a challenging year and at times he must have felt despondent at the lack of players he had to work with. But to his credit each week he worked with who was available and although the reserves would not have fielded the same team twice the players that showed up consistently each week

managed to have some good wins throughout the season. It makes you think with a full squad each week anything could be possible. I would particularly like to thank the Vets who stepped in to play.

Our under 19's coach Phil had a lot of young players to develop this year as well as integrating the players that came over from Ringwood into the side. All the boys have played well together and we have enjoyed getting to know them and their families better. It took until round 14 to get a win by a nail biting 1 point and from there they managed to get another 2 wins. There is a good future ahead for this team and hopefully they will all stick together.

Thanks to all of your assistant coaches, Noel, Ben, Andy, Gino, Graeme, Tim and Sam. Also big thanks to the team managers Carl and Fiona who also had help along the way from Michelle Cox and Mark McCormack.

The season finished with the following on field results:

- Seniors – 6 wins 12 losses
- Reserves – 6 wins 12 losses
- U 19's – 3 wins 15 losses
- Veterans – 8 wins 1 loss

We all know that week in week out that the operation of the club doesn't just magically happen, and here at south we are very fortunate to have so many wonderful, hardworking people who work tirelessly to make this place run like clockwork.

Our committee:

- Peter – the magician, he somehow manages to come in work his magic with the money and figures and always makes it look easy.
- Vince – or should I say invincible! Vince has the onerous task of making sure that we are following the rules and complying in an environment that continues to become more regulated by the minute. It certainly makes life easier knowing that we have a person who will actually read the fine print and ensure that we as a club are compliant. He also keeps very busy on game day helping out everywhere.
- Johnny - I think he would spend more time at the club than at home! He is always so easy going and it appears that nothing is ever a problem for him. Personally he has been a great mentor for me this year and if I don't know someone or know their history, I only have to check in with him for the info.
- Michelle - another person around the club who just gets the job done, Michelle is always so efficient and generous with her help.
- Steve – has been supportive with functions and looking at grants, running the boundary and has become quite the barman.
- Wendy - wonderful Wendy, what more can I say we all know how much she does for the club and how lucky we are to have her.
- Kev – always happy to lend a hand and is great at organizing Golf days and is definitely always a hit on the dancefloor!
- Shane Alderson – Shane has the difficult position of revenue raising a task that isn't always easy but is so necessary, so thank you Shane for taking this on.
- Dimma – what a busy season you have had, with all new coaches, and the introduction of the points system and salary cap it has certainly been a lot to contend with but you always have the clubs best interest at heart and for that we are grateful.
- Shane Lewis – has been very enthusiastic at getting the skills training organized with the U 17's and the junior club were very impressed with the players that participated in this program, so I will take the opportunity now to also thank them. Dano, Fitzy, Joey, David Del Papa, Sammy Cuthbert, Zach

Ward and Pierce. This was led and organised by Steve Dinnell. Thank you all for giving up your time and we will be building on this program next year.

- Tracey- our Social Director has done a wonderful job this year of organizing our functions. Thanks Tracey for being part of our club when you don't even have any boys, it's been great having you involved on committee.

Each Thursday night we have a wonderful team of people who provide around 100 meals each week. The majority of the work is done by one amazing lady, Karen Cali who spends endless hours organizing, making salads and meals. Karen you are truly appreciated by everyone at the club and for many it is their favorite meal of the week. A big thank you to your helpers, Damo, Wendy, Jen, Michelle Stone, Janine, Fiona, Michelle Cox, Gemma, Tracey, Terry and Gary.

One of our biggest assets at the club are our trainers. We are so fortunate to have such professional and caring people look after both our players and the occasional person like Billy off field as well. This team is led by Wendy. So thank you to Wendy, Damo, Molly, Jas, Ella, Monique and Kerrie. We know everyone is in safe hands with you all.

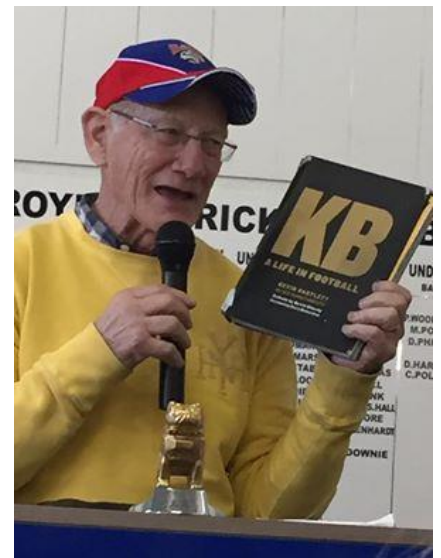

I would also like to acknowledge and thank Graeme Barnden who has come to our club as a Chaplin but he is so much more. He is at every training night and game and will always lend a helping hand to anyone who needs it. You have been a great addition to our club Graeme.

To our army of game day helpers and extra support people, we thank you. Diane Kaspar, Damo, Terry, Anthony Foley, Dave Saunderson, Dylan West, Hendo, Steve Tomlinson, Phil McDonald, Bernie Petrie, Norm, Steve Duke, Steve Schinck, Johnny, Phil Barnden, Andy Edis and Stuart. A massive thank you to Paul McConnell, Bryan, Steve Bibby and Quonny for all that you do around the club. A big thank you to Billy, Kerryn and Steve Nixon, Kiara White and Sophie Rooney, for running the bar and canteen and to all who help them throughout the season.

A big shout out to our Mudlarks Coterie group and thank you for organizing functions and fundraising through the year especially to Tubby, Ian Schofield, Peter Kaspar and Johnny. Also to Paul McConnell who runs our Kennel Club, both very important revenue streams for the club.

It has been great building on our relationship with the Junior Club this year and thanks to Peter White, Lynne Tull and the committee for all of their hard work.

I would like to congratulate our leadership group on how they have conducted themselves this year and for how helpful they always are. Also to our playing group who are the reason we are all here. You are all such a respectful, fun bunch and it is great watching you each week and especially awesome when we get to hear you sing the song.

The netballers had another good year and are more and more becoming part of the club. I am sure over the coming years that there will be more involvement from both netball and hopefully a woman's football team. Thanks so much to Wendy and Michelle for coordinating this.

Our club wouldn't survive without our fantastic sponsors, you are all very important to the growth of our club from our major sponsors right through to our player sponsors, we are truly grateful for your support for South Croydon and we hope to continue to build on our existing relationships.

In what was a Federal election year, I would also like to acknowledge the continued support of Michael Sukkar MP and also to the Labor candidate Tony Clarke for the interest he showed in our club. Thanks also to our local councilors for their continued support.

This year we unfortunately lost 3 genuine club legends who passed away, Michael 'Pretzel' Holloway, Terry Madden and Kevin Green, we are grateful for their contribution to our club and may they all rest in peace.

So in ending I would also like to thank all the support people in our families that allow us the time to commit to South Croydon.

I hope that I haven't forgotten anyone and if I have I apologise. I have loved my role this year and I am really looking forward to next season as I think it is going to be an exciting one that is full of potential. I think if we all commit on and off the field that we will continue to grow and will be rewarded the success we are striving for. We always welcome new people on committee and new ideas for the club.

Go Doggies

A handwritten signature in black ink, appearing to read 'Cathy White', with a stylized flourish at the end.

President

Treasurer's Report

It is with great pleasure that I present my ninth treasurer's report covering season 2016.

This season we managed to reach our year end with cash on hand without a need for any extra ordinary contributions. For me this is a fantastic result. We are still debt free and start 2017 with a positive cash flow.

This has been achieved with another increase in player associated costs of 16.7%.

The major contributing factors to our success have been the improved game day takings (up 25.2%), an improvement in memberships (up 12.5%), an increase in social function profit (up 15.7%) and an improvement in Thursday dinners (up 16.5%). The game day takings are due to an improved fixture and improvement in team performance. The membership fees are due to the decision to revert to all players having to be financial members of the club. The social functions are due to more functions spread across a greater period of time and Thursday night dinners are due to more patronage and improved buying.

Bar: we again thank Billy for his efforts in running a tight ship. Our takings were 23.7% up and with the changes made last season our margin was maintained and this flowed through to an increased profit. I would also like to thank the other helpers including Damien, Vince, John, Dianne, Bryan and many others who work behind the bar. I must also thank the boys on "Terry's Bar" on match days - a wonderful, consistent effort.

Canteen – a similar situation existed with the canteen. Sales were up 15.8% which led to a higher profit. We are indebted to Kerry Nixon and her band of helpers on match days. On Thursday nights we achieved a great result and I thank the tireless work of Karen Cali and all the Thursday night helpers – this area continues to grow and deliver a great result. I also thank the "Burger" BBQ Crew for all their work.

Social Functions: This year we welcomed Tracey back into the saddle and she seemed to continue from where she left off! The results speak for themselves. With Cathy's help the Social area is now a huge income generator – well done. I also thank the players for organizing the iPod shuffle and other events – we need the players support.

Kennel Club: Another great year for the Kennel club. This group again excelled with a wonderful effort from Paul McConnell in achieving a profit of over \$20k. This group's success is critical for the club and we all need to support it and push for growth.

Revenue: This is one area where we struggled to improve, however, we maintained our sponsors and I am indebted to Damian Degenhardt for his help and support during the season. We are also indebted to the playing group led by Fitzzy and Danno as our players raised over \$12k in player sponsorships.

Merchandise: This area had a good year by maintaining sales and achieving a better profit for the club. I would like to thank Michelle and John for their tireless efforts.

Mudlarks: We are indebted to the continued growth of the Mudlarks. They are now a necessity. Thanks to "Tubby", Ian and John for all their efforts.

NEXT season – I know I say the same thing every year but no doubt our player payments will increase again so we will need to lift (off field) by 10-15% this means \$30-\$40k.

I would like to thank Cathy on taking up the president's role. She is a joy to work with and certainly is like the "Energizer Bunny" she never stops. We are lucky to have her.

Finally, I would like to thank JD for all his support and endless coffees – his help keeps me sane and at the club. And on a personal note to Dianne, who now not only supports me but has decided to help the club as well. This season has not been easy for our family but she has supported me all the way.

A handwritten signature in black ink that reads 'Peter'.

Peter Kaspar
Treasurer

Social Report

It was a very busy and successful year on the social front!

Our first function was Race Day which was organised by Cathy White. Great day to start off the year. Round 1 we invited our sponsors to a Presidents lunch to meet our new and first female president.

Ladies day was a huge success with special guest Coach Kelly – just over 150 ladies attended. Thanks to Peter for being our MC. You handled a room full of ladies very well.

For our Gala Ball the players asked for a venue closer to the city so Carlton Brew House was the choice. We had a bus transport us to and from the venue. The food was delicious and the music was great. What a great venue, the players got what they asked for.

Lucky Raffle night was another great night. Great to see some locals win the prizes! Thank you to Vince & Cathy for assisting with the draw. IPOD shuffle was Chris's last function for the club and of course was another big night. Thanks to Chris & Tyson. Tyson has volunteered to help out again next year. For Presentation Night, this year we decided not to have a vote count beforehand, therefore we had a great turn out at the club rooms. Another great MC job Peter – love the last round suspense.

Last round we had another President's Lunch to finish off the year. Cathy made the delicious lunch. Our president is definitely multi skilled. We were also lucky to have WEFL dinner at our club this year. The rooms looked absolutely fantastic. We were so impressed with the caterers that we have made them our regular caterers.

For years, we have been talking about a Sports Persons Night, so finally this was the year. Cathy ran with it and worked very hard to make it a great and successful night. We had great guest speakers and a big thank you to the Cricket club for letting us use the rooms.

We are very lucky to have such wonderful helpers and I know I would not have survived without them. Thank you to the following people, Cathy White, Vince and Karen Cali, Wendy Langford & Damian O'Toole, Michelle & Kev Cox, Peter & Diane Kasper, Shane Lewis, John Dinnell, Chris Dinnell, Tyson Lacey, Billy Carter (bar & donations), Damon Hindmarsh (bar & plant donations), Steve Schinck, Shane Alderson (band for Gala Ball), Jenny Mason (donations & help on ladies' day) and Chloe & Amy Adams (putting up with me stressing and helping out when I needed them).

I would also like to thank those who donated gifts and vouchers for our functions it is hard to raise money without your generosity and support.

Thankyou

Tracey Adams
Social Director.

Junior President's Report

The 2016 season saw the club field ten sides in each of the EFL's junior age groups from Under 8s to Under 17s and support the South Croydon Auskick, providing a social and learning environment for the football development of over 250 kids each week aged from 6 to 17 years.

I'd like to congratulate all players on their performances this year and the way they represented our club on the field. For many players, this was their last year representing the Doggies. The Club wishes each player well for the future and every success in your football endeavours for those who transition into the senior level.

The club had mixed on-field success with two teams making the finals. Our Under 15s were knocked out in an elimination final, whilst our Under 11s made the grand final, resulting in an impressive come from behind victory, and became 2016 Premiers – well done. Apart from finals success, a pleasing outcome this year was the growth in numbers participating in our Under 8s and Under 9s. This provides a great platform for the longer term strength and success of the South Croydon juniors.

A big thank you goes out to all of the parents and other members who volunteer their time at the club and regularly drive players to training and games. There are many people who do an amazing job to ensure our kids can play a game of football each week. This includes all the current Committee members for the time put into the successful operation of the club and the ongoing work that at times goes unnoticed, but is highly appreciated. The strength of our Club and the foundation for a sustainable future is the quality and dedication of our volunteers whether they be coaches, assistant coaches, team managers, runners, trainers, boundary umpires, goal umpires, time keepers, BBQ cooks, canteen helpers or others who provide regular support. The club could not function without this assistance.

We had tremendous financial support from a range of sponsors in 2016 which allows us to minimise registration costs for families and purchase new equipment. In particular, I'd like to thank Adam Hellenen and Helicon Homes for providing a significant financial contribution to renew all our old playing jumpers.

The Club was also successful in obtaining an Australian Government grant of over \$13,000 to provide a new LED screen for Bensons Oval which will be installed before next season.

I would like to acknowledge the Federal Member for Deakin, Michael Sukkar for his strong support of this project and ongoing contribution to junior football in the area. The Committee has also been actively advocating the need to upgrade our deteriorating clubrooms and will continue to discuss our needs with council and local members of parliament to obtain future joint funding to provide a modern multi-purpose facility.

Finally, please take some time to consider how you could provide greater assistance with the operations and development of the junior club in 2017. Remember, the more people that help on a regular basis or provide financial assistance, the better the outcomes for our kids. I will be more than pleased to speak about how you can be involved and what opportunities are available to make a difference at your club.

Peter White
Junior Club President

Senior Coach's Report

Finishing with six wins and twelve losses doesn't sound like a very successful year on the field, but I believe that it was a very successful year, where we were able to improve in all of the main categories.

Looking at the raw number of 2016 versus 2015 we have improved in every area. We won two more games than 2015, moved up one position on the ladder, averaged an extra goal per game while averaging two less goals against per game and on top of that our percentage was 13.7% better. These numbers while not looking like huge improvements I believe are a sign that as a playing group we are moving in the right direction and with another pre-season of working on the game plan these numbers will continue to get better.

The highlights of the season for me were: Round 16 with all 3 teams winning versus North Ringwood, a great home win against Montrose with a huge crowd there to witness the win, and our last 6 weeks where we were able to win 4 out of our last 6 games while the teams around us on the ladder were going the other way. There were also some very close games against really good opposition in Rowville and Norwood that we just let slip, but once again were big improvements.

After many hours spent recruiting thanks to Dimma, we were able to bring in some really great additions to the footy club, all of the new players at the club were able to have a big impact on the field for us in 2016, but more importantly they were able to fit into the tight knit group and uphold the great club culture that is developing with a lot of those players helping to drive that culture. In saying that we still need to get more players in the door for the 2017 season as for a lot of the season we were not able to get enough players on the training track and at some stages were even struggling to get a full development team some weeks, without that depth coming through we were unable to create a competitive environment for spots in the senior 22 and I firmly believe that, that is holding us back from really challenging the top teams at the moment.

From not having the depth at the start of the year come opportunities for players to have an impact at senior level and let us as a coaching group unearth some new talent. We ended up playing 40 players for the season with 8 debutants and plenty of players who took their game to a new level this year with the future looking very bright with some outstanding seasons being had by players such as Jake Tucker, James Crowle, Dylan Marshall and the continued improvement of younger players Jason Fitzgerald, Riley McKernan, Tom Schinck and Harry George.

From an off field perspective, I cannot thank the committee enough for their generous support that they were able to give me as a first time coach and in particular to Cathy White, Vince Cali and John Dinnell.

To my coaching staff Noel King, Ben Osborne, Andy Greenall, Stevie Dinnell, Brad Neil, Damon Hindmarsh, Greg Stafford and Phil McDonald, thank you guys for your efforts this year, the amount of time and effort it takes from you to help get the players ready to play at their best is huge and to do it all for the love of the footy club is amazing and I can't thank you guys enough for your support.

When I first took this job I wanted to come back and coach local footy as I hadn't been involved in a local senior football club and wanted to be involved at a club that wanted to have success but also a club that enjoyed the company of the people involved and made everyone feel welcome. I couldn't have asked for a better club to become involved in, there are so many great people involved in this footy club from Karen and the ladies doing Thursday night dinners, Brian and

Sauce for all their hard work around the club, the O'Toole family, the Cox family, Billy behind the bar, the boys up at Terry's bar, the senior players who do so much around the club and my old mate Carl. Hope I haven't forgotten anyone. It is those people along with the great supporters we have at the footy club that has made me and my family feel so welcome and is a great trait in a football club that we all should feel proud about and never lose.

Last but not least a massive thank you to my beautiful wife Cass and daughter Audrey for allowing me to put the time and effort into a job that I love doing.

Thanks

Leigh Adams
Senior Coach

Development Squad Coach's Report

Can I start by saying that it has been a privilege and honour to be associated with South Croydon this year.

Coaching the 2s hasn't been a walk in the park but it's something that I have thoroughly enjoyed, not once having a full 2s side to pick from Rd 1-18; playing 69 players and most of the times not knowing my own teams line up until Saturday morning. But with the help and leadership of the Vets, U19s sometimes playing 2 games, and ex-players it has ended up being a successful year after being 1-9 at one stage and finishing 6-12, winning 5 of our last 8 games and 3 in a row to finish the season.

A lot of 2s players have been given a chance in the 1s this year, which will hold them in good stead for the future, the boys have been fantastic this year improving so much from the start of the year, a few times Vince and Graeme (dad) were telling me to settle down on the bench as at times it got very frustrating, but in the end I was just trying to help them to become better players which hopefully I have done even if only in a small way and in which will hopefully strengthen the club going forward with more depth.

To the boys, thanks for giving your all this season. I loved being involved with you, as every player who took the field this year improved week by week and was willing to listen and learn.

Also thanks to Patch, Cathy, committee, senior assistant coaches, supporters, members etc. for your help and encouragement throughout the year. Lastly thanks to Gino, Graeme and Vince for helping game day all year.

Brad Neil
Development Squad Coach

U19s Coach's Report

Season 2016 was going to be tough year for all us in the 19s.

With a lot of long term injuries to our senior players, a very young list and also with players moving up playing reserves and senior footy it was most encouraging to see the improvement in everyone and them striving to get the most out of their own ability.

I am extremely proud of all the boys in the way they represented the club and themselves throughout the season and especially the way they all supported me and all the other coaches when things got a little bit tough throughout the year.

We started the year with a very promising hit out against the Premiers Noble Park, even hitting the front in the last quarter to only fall short at the end. From there, we struggled a little in matching the sides with older lists and bigger bodies, but we kept working and with a little luck we could have sneaked a couple of more wins.

In the end we finished with only 3 wins, with our win in the last round of the year against Doncaster who played finals especially pleasing when we came from 2 goals behind in the last 3 minutes to win. To see all the boys and parent's reactions and pleasure after this win was priceless.

Congratulations to all award winners, with Jason Fabris winning the best and fairest, Harry George winning the runner up award, Dakota Cannon winning 3rd best and fairest. All other award winners, David Killen winning our most consistent award, Thomas Ondarchie winning the most improved award and Jack Kennett winning our coaches trophy. Special mention to our skipper, Lachlan Evans for winning the Zane Job Senior Rookie award also.

Congratulations to Harry George for playing senior footy and for being a part of some very important wins for the club.

Also to all the under 17s who trained and played with us towards the end of the season, I trust you all enjoyed this experience and hope to see you all for preseason.

Special thanks to Leigh and Barry O for their years' work and their support and guidance throughout the season.

Also, I would really like to thank the Committee and football department for their support and assistance. A massive thanks to all the volunteers, especially Wendy and her team of trainers, water boys/girls, the ladies preparing Thursday night meals, the guys behind the bar. Without all you, we do not have a club.

I would like to thank all the assistant coaches, Tim Mason for his outstanding assistance and loyalty and for taking the pressure off me at various times and also looking after our backs structure. Sam Cuthbert for all

his time and commitment in setting up our zones and looking after mids when we had a lot of injuries going through the middle of the ground. I also congratulate Sam on both playing ones all year and also being an assistant coach in the 19s; long day Sam. Alf Fabris for being our runner and providing invaluable assistance to all the boys, Steve Schinck for running the boundary every week and Gino Porcellana for his assistance in whatever we needed.

A big thank you to Fiona Schinck who had all us guys, parents and players organised every game, every week and anything else that needed doing, Fiona would just do this, no questions.

A special thank you to my family for your assistance and support.

To all the parents and families, thank you and hope to see you all back next season.

Lastly, thanks to all at the club and I look forward to bigger and better season 2017 for the Doggies.

Phil McDonald
U19s Coach

Veterans Report

The lead up to the 2016 season of the South Croydon Veterans was quite optimistic, we picked up some new players; Brett Buttfield, Brad O'Brien and Paul Mitchell all returned to the club after a career with the seniors and reserves, Chris Spencer made a comeback after having a year off due to injuries, George Azzam joined us from Olinda and Chris D'Astoli joined us late having previously played at Ringwood and Vermont, it was great to get some new faces into the group and all players impacted extremely well on the field.

Dave Williams also joined the group during the season and his contributions on and off the field was appreciated.

Brad Crossland stepped up his coaching duties this year and took a senior role alongside Dale White, they were supported by Ash Duncan and Lee Baker.

Unfortunately, we lost a couple of our long serving off field helpers in Neon Leon Johnson and Jay Campbell who had other commitments to attend to, we are hoping to have them both back and firing around the place for 2017!

The season proper saw us finish with 8 wins and 1 loss for the year, the loss came against

eventual premiers North Ringwood, they were the benchmark team for the year and with a large influx of talented young players they were hard to beat, our best wins for the year were against Eltham, Scoresby, Wantirna South and Bayswater.

Our finals series didn't quite go to plan, we played Eltham in the first final and going into the game we were confident that we could get the job done as we had beaten them throughout the year, Eltham were much too strong for us on the day all over the ground and they came away with a convincing win.

Congratulations to Chris Spencer on winning this year's B&F. Chris had a great season and was our main onballer throughout the season. Well done also to Travis Lambe on taking out 2nd place in the EFL B&F. Thanks to everyone that contributed to the group throughout the year, special mention to Cory McGrath who did a ton of off field work throughout the year his efforts didn't go unnoticed.

Looking forward to the upcoming 2017 season.

Brett Crapper
Vets Captain

Netball Report

The SCFC netball team consisted of 10 players this year with fill in support from our Social coordinator Tracey Adams. Michelle Cox was instrumental in getting everyone organized, registering the team and ensuring the girls were easily the best dressed team in the comp in the mighty red white and blue Bulldog dresses. Special mention also to Michelle for scoring each week and some very timely special coaching comments.

Each of the players made a huge contribution to the Bulldog team. Unlike many teams in the competition, the tradition of South Croydon continued, with all the players having a close connection to SCFC, both seniors and juniors.

Brydie Cox was the teams major goal scorer and up there with the leaders of the comp. She showed awesome accuracy in goals and demonstrated more evidence of the Cox talent pool. Maddie Currie was a strong midfield player, despite missing a couple of games with an ankle injury, Maddie bounced back to play some really good netball. Sammi Evans gave the team real versatility. She was a super goal support to Brydie and then showed her skills through the midfield and even played back in defense (not bad for the team's shortest player!). Cassie Godwin, was a great pick up for the team. She displayed a lot of toughness in the backline making it difficult for the opposition, and was also able to run through the midfield as required. Abbey Marshall gave the midfield real strength and speed. She was able to pinpoint goal targets, took many interceptions and made the most of every opportunity. Lizzie Mason was another of the team's tough defenders. She took no prisoners in her defensive efforts making the opposition work hard for their goals. Molly O'Toole was another great player who played in different positions. She was able to shoot some amazing long distance goals in the forward line with Brydie, and then could play both defence and attack in the midfield. Sarah O'Toole was the team's hard-hitting player. Despite receiving several hard knocks, verbal sledging and some extreme physical contact, she stood tough and took on all opposition, especially through the centre, giving the team great run. Claire Shallvey was another of the Bulldog girl's strong defenders. She had a great season and played on some of the comps biggest goalers never giving them easy chances. Wendy Langford was the oldest player in the team - probably the comp! Supporting Brydie in goals, taking on a midfield position, or supporting the defenders, she occasionally surprised supporters, and the players with some good passages of play! Not to mention taking on any opposition who tried to intimidate the Bulldog girls.

Every week the netball girls played their hearts out in true Bulldog spirit. Most games saw the team was in front at half time only to have a 3rd quarter fade and then have to play catch up netball. Results in the back half of the season were awesome with the girls knocking off 2 of the finalists! Fantastic effort in a tough competition.

To all the parents, siblings and boyfriends who braved the cold Friday nights, the occasional brother who came along to watch their sister, before their game on Saturday, and finally to Michelle Cox who scored each week and got the team on the court, a huge thank you.

Have a good rest over the season break.

GO DOGGIES!
