Handy advice for first home buyers

Buying a home is an important decision and purchasing your first home, even more so. It can be a tricky and somewhat daunting process which is why it is essential to do your homework, have a plan and budget, and seek expert advice before jumping in.

Here are some quick tips to help avoid some of the common traps when taking your first step onto the property ladder:

- Be clear on what you can afford to spend to avoid looking at properties that are out of your price range.
- Work of the best home loan for you and check the ongoing repayments taking into consideration interest rate increases over time.
- Get pre-approval for your loan so you know exactly what properties you can afford to be looking at.
- Understand all your costs such as stamp duty, pest and building inspections, insurance and legal fees.

KICKIN' IT WITH KRISTEN

BRAD TO BREAK SUNSHINE RECORD

By KRISTEN ALEBAKIS

On Saturday, one of Sunshine's favourite sons will break a longstanding milestone of the club.

Brad Connor will play game number 428, surpassing the previous club games record set by Darren Green.

I spoke with Brad earlier this week and he said it's been an honour and a privilege to pull on the Kangaroos jumper for more than 20 years.

What an incredible achievement.

It's not very often you hear that someone has played more than 400 games and at 34-years-of-age, he potentially has another few years left playing.

I wish Brad all the best in Saturday's clash.

This week, the WRFL's junior stars also began their AFL Victoria Metro Junior Championships campaigns. This year the league will field two Under-14 teams, two Under-15 teams and an Under-15 girls side.

The representative teams will go head-to-head with some of the best junior in metropolitan Melbourne. The first round of matches were played on Wednesday night (head to the WRFL website to see all the results).

The next round of matches will be played over the Queen's Birthday long weekend.

I want to wish all the players, coaches and volunteers the best of luck

throughout the championships. I'm sure you will represent the WRFL proudly.

See you at the footy.

UMPIRES CORNER

THE ROLE OF CLUB VOLUNTEERS

By GRAEME HODGART

Two weeks ago there was a serious shortage of available field umpires. This meant that most, if not all, Division 3 reserve games had to be played without any official field umpires. It caught many people off guard and created a few headaches throughout the WRFL. It was a situation that had not really happened for a number of years.

To begin with, clubs had to find suitable people to volunteer and fill the role of the field umpires. It is not an easy task to find such people. Unless they have had previous experience as a field umpire then undertaking such a role is not an easy job to do.

There were also concerns from within the umpiring ranks. This was because young and inexperienced boundary and goal umpires would need to officiate games where the fill-in field umpires were umpiring. Would this be an ideal situation? Quite a few of the umpires themselves were concerned with what might happen. Who was in control of the game? (Under the laws of football it is the field umpires but in this situation they were club field umpires.) Who would do the paperwork? Who would fill in the Green Sheet? (Some of the club field umpires would never have seen a Green Sheet before, let alone know how to fill one in!)

Now, a couple of weeks later it is possible to evaluate the whole situation. The information that was passed on by the boundary and goal umpires and some umpiring officials who attended the games was pleasing. One official went so far as to send an email to one of the coaches of the WRFL umpires complimenting on the performance of two teenage goal umpires. Hopefully this situation was a rarity and will not happen again but one never knows. It is great to know that when faced with a crisis there are those within the WRFL (both official umpires and club volunteers) who are willing to step up and out of their comfort zone for the sake of others and our great game.

Quiz

A player has the ball and kicks a goal a fraction of a second after the siren sounded. The controlling field umpire fails to hear the siren but the non-controlling umpire heard the siren before the ball was kicked. What happens?

- (a) No score is registered and the quarter ends.
- (b) The player is given another kick on goal.
- (c) The controlling field umpire signals all clear and a goal is registered.

The correct answer was (a).

NEW PARTNERSHIP WITH RAWFORM COMPRESSION

THE Western Region Football League is pleased to announce a new partnership with RAWFORM Seamless Compression for the 2017 season.

During training, game day and recovery, players will feel the benefits of RAWFORM Seamless Compression, with overall exceptional support and pressure focused on hips, thighs, groin and rear with improved endurance and recovery.

WRFL Marketing Consultant Peter Harley said he is excited by the partnership which will allow players to purchase compression shorts direct through RAWFORM at a competitive price.

“We think this particular arrangement will work well with this type of garment as it enables individual players and, in the case of juniors, their parents, to order compression shorts online, at a competitive price and have them delivered directly to the players’ home,” he said.

RAWFORM General Manager Simon Hosking said RAWFORM shorts were reliable compression shorts.

“The shorts are the realisation of sports performance apparel we wished existed in the market,” he said.

“We just wanted compression shorts that did what they said they were going to do. Our sales pitch is simply just get people to try the shorts. We’ve tested the shorts from AFL to grassroots level and the feedback is always that they are the best compression shorts they have worn.”

The deal includes discounted products to WRFL players, their families and friends.

“We are passionate about local football, developing future AFL stars and looking after seasoned player’s bodies” Hosking said.
