CITATION

RAINBOW PRINT SCHOLARSHIP MAY 2011

DYLAN KENNETT (CYCLING)

Dylan is a 16 year old with considerable promise and potential in cycling. He comes from Waimate and joined the St Andrews Cycling club in 2008. In the short time since he has demonstrated a natural aptitude and talent for the track, breaking a NZ record at the 2010 Age Group Track National Championships and winning several titles. He has also performed very well on the road, achieving a bronze medal at the 2010 Under 17 Road National Championships. Last November he represented NZ at the Oceania Championship in Adelaide. He was the youngest member of the team but performed well winning a silver medal in the team pursuit and doing well in the omnium.

In January he raced against some of NZ's best at the Canterbury Track Carnival and achieved good results. After that he dominated track racing at the 2011 Waimate Caledonian Sports, won 3 titles at the 2011 Canterbury Track Championships with three other top finishes and won 4 titles with three other top finishes in his age group at the NZ Track Championships. He now has 9 NZ age group titles and is eligible for the same age group next year.

Dylan has now been selected to represent NZ at the World Junior Track Championships at Moscow in August. This recognises the considerable potential he has shown and the experience will assist his future development.

Dylan has a friendly and likable personality and gets on with people of all ages. He is committed to his sport and is working hard to achieve excellence. He is a very worthy recipient and the award will assist with her development. We wish him well for the future.

Our thanks to Rainbow Print Group for their assistance with this award.
