ELLISTON

40¢

Saturday - JUNE 5TH 1982

Whilst today's match is between the two bottom teams the winner will move into the four. At this time of the season Wudinna and Kyancutta appear certain of playing in the finals but the battle for 3rd and 4th positions, makes today clash of the utmost importance to both teams. Defeat could well mean the end of finals aspirations, victory a chance to be playing in the finals.

In their first meeting of the season Elliston ran out winners 21-10 to Warrambo 16-11, but since then Elliston has failed to record a victory whilst Warrambo soundly thrashed United a fortnight ago. The return from injury of Peter Dolphin and Wayne Dolphi has added more pace around the ground and with Kyle Collins playing well at the goal front (27 goals this season), the Blue and Whites look capable of reversing the earlier result. Elliston, however, will be just as eager to record their second win and with players of

the calibre of D. Murphy, J. Kelly, C. Penna etc the game should be of a high standard with the result in doubt until the final siren. For Warrambo to win this match they must find more avenues for scoring goals - it is essential that rovers and forward flankers pick up 2 or 3 goals per match. Elliston rovers did this in the first encounter and unless closely checked are quite capable of doing the same today.

As mentioned earlier the incentive is there for both teams, but with the home ground advantage I expect Warrambo to win.

Thank you.....

The Warrambo Football Club would like to thank Cooper's Garage, Elliston for their sponsorship this season. It is very much appreciated by the Warrambo Community.

Netball News

Our committee this year consists of the following people-

Pres. Dianne Sampson
V. Pres. Colleen Sampson
Sec. Heather Dibben
Ass. Sec. Jan Skinner
Treasurer. Caryll Sampson
Junior Mum- Denise VandeVorstenbosch
Snr. Players Rep. Sue Hoare
Fund Raising- Caroline Eime, Ros. Carrick.

After a very hectic year fund-raising last year, it was decided that we would include two people on the committee whose specific responsibility would be organization of fund raising activities for the 1982 season - best of luck girls!

After having started negotiations for new Netball courts at the beginning of the 1980 season we have finally been able to start the 1982 season on a newly top dressed court, with our new court although usable, still not completed. Many thanks to Peter Irvine for his time and efforts.

Once again we have fielded B, C & Junior teams. I know that all girls are keen to succeed in their respective teams and I wish them all the very best for this season.

As in all clubs the success of the club depends on many people. Within and around our club there are many people who help us out by scoring, time-keeping, babysitting or by just watching. A big thank you to those people.

Like all sports, Netball should be enjoyed by the players and the spectators. Team spirit and good sportmanship, play an important part in determining how much enjoyment we get from our game of Netball. If we want to experience the feeling of being in a successful team or club, we must be prepared to work with effort and determination towards this goal.

Good luck in your efforts for the 1982 season girls and welcome and best wishes to the Elliston girls in their matches today.

Dianne Sampson,
President,
Warramboe Netball Club.
