Handy advice for first home buyers

Buying a home is an important decision and purchasing your first home, even more so. It can be a tricky and somewhat daunting process which is why it is essential to do your homework, have a plan and budget, and seek expert advice before jumping in.

Here are some quick tips to help avoid some of the common traps when taking your first step onto the property ladder:

- Be clear on what you can afford to spend to avoid looking at properties that are out of your price range.
- Work of the best home loan for you and check the ongoing repayments taking into consideration interest rate increases over time.
- Get pre-approval for your loan so you know exactly what properties you can afford to be looking at.
- Understand all your costs such as stamp duty, pest and building inspections, insurance and legal fees.

KICKIN' IT WITH KRISTEN

THE FINALS RACE HEATS UP

By KRISTEN ALEBAKIS

We are edging closer and closer towards senior finals, with only a handful of rounds remaining before finals begin.

In Division 1, Deer Park made a statement last week, defeating Spotswood by a huge margin. Could they make it five straight premierships wins?

The fight for the final five is also heating up. Altona are two wins out of finals contention. If they lose to Spotswood on Saturday, their road to playing finals will only get tougher.

In Division 2, the Yarraville Seddon Eagles defeated North Footscray and now sit on top of the ladder and in Division 3 the premierships race is open with Parkside, the Wyndham Suns and Tarneit all battling it out.

This Saturday, the WRFL, will be live streaming the match between Hoppers Crossing and Werribee Districts. You will be able to watch the game live on the WRFL TV Portal on our website.

The Division 1 clash will also be broadcast live on 88.9 WYN FM. You can also catch the call on the WRFL Live app.

To stay up-to-date on all the latest news, stay connected to all the WRFL Social Media channels.

See you at the footy.

UMPIRES CORNER

MID-SEASON UMPIRE REVIEW

By GRAEME HODGART

Last week the umpiring group had its monthly group session. As usual it was led by Mark Westgarth who is the Director of Umpiring in the WRFL. It's a time where the field, boundary and goal umpires come together to discuss relevant issues.

The main focus of the meeting was to have a brief mid-season review of the 2017 season. A short list of the positive and negative aspects of the year was compiled and discussed. On the positive list were, the new training venue and facilities at Hanmer Reserve, the changed training nights as in previous seasons the main training nights were Monday and Wednesday while this season they are Tuesday and Thursday. More observations of game day performances mainly through video reviews and many new umpires have joined the WRFL umpires.

On the negative list, there were delays in the arrival of the new umpiring outfit and less finals this season due to only one Under 19 competition.

A number of match day scenarios were then proposed and individual umpires were asked to explain what they would do in each case. Most of the examples set involved teamwork between the different umpiring disciplines.

An example was: When there is a set shot for goal what do the various umpires do? The field umpire indicates where the man on the mark should be and also lines the player up in relation to the goals. The boundary umpire sprints to the post but when passing the player taking the kick needs to run backwards to the behind post. When they arrive at the post they should verbally inform the goal umpire of their arrival. The goal umpire then acknowledges each boundary umpire both verbally and with a wave of the hand. The goal umpire should be preparing themselves for a shot on goal.

Then other information was clarified including three important points. In the WRFL there is no 30 second shot clock. Deliberate rushed behinds are not penalised. Deliberate out-of-bounds are not free-kicked unless the player kicks, handpasses or taps the ball deliberately over the line from a position that is at right angles to the boundary line. The player also needs to be under no pressure from within five metres.

Quiz

A behind has been scored in a WRFL Under-15 game. The goal umpire signals a behind with his hand. As he goes to get the flag, a defender in the goal square, taps the ball onto his foot (without it being clear of hand and foot) and plays on out of the square. What happens?

- (a) The goal umpire waves the flag as play continues.
- (b) The field umpire calls for a ball up at the end of the kick off line.
- (c) The field umpire directs the defender to kick off again after the flag has been waved.

The correct answer was (c). In all junior WRFL games, the ball cannot be brought back into play after a behind has been scored until the flag has been waved.

NEW PARTNERSHIP WITH RAWFORM COMPRESSION

THE Western Region Football League is pleased to announce a new partnership with RAWFORM Seamless Compression for the 2017 season.

During training, game day and recovery, players will feel the benefits of RAWFORM Seamless Compression, with overall exceptional support and pressure focused on hips, thighs, groin and rear with improved endurance and recovery.

WRFL Marketing Consultant Peter Harley said he is excited by the partnership which will allow players to purchase compression shorts direct through RAWFORM at a competitive price.

“We think this particular arrangement will work well with this type of garment as it enables individual players and, in the case of juniors, their parents, to order compression shorts online, at a competitive price and have them delivered directly to the players’ home,” he said.

RAWFORM General Manager Simon Hosking said RAWFORM shorts were reliable compression shorts.

“The shorts are the realisation of sports performance apparel we wished existed in the market,” he said.

“We just wanted compression shorts that did what they said they were going to do. Our sales pitch is simply just get people to try the shorts. We’ve tested the shorts from AFL to grassroots level and the feedback is always that they are the best compression shorts they have worn.”

The deal includes discounted products to WRFL players, their families and friends.

“We are passionate about local football, developing future AFL stars and looking after seasoned player’s bodies” Hosking said.
