Handy advice for first home buyers

Buying a home is an important decision and purchasing your first home, even more so. It can be a tricky and somewhat daunting process which is why it is essential to do your homework, have a plan and budget, and seek expert advice before jumping in.

Here are some quick tips to help avoid some of the common traps when taking your first step onto the property ladder:

- Be clear on what you can afford to spend to avoid looking at properties that are out of your price range.
- Work of the best home loan for you and check the ongoing repayments taking into consideration interest rate increases over time.
- Get pre-approval for your loan so you know exactly what properties you can afford to be looking at.
- Understand all your costs such as stamp duty, pest and building inspections, insurance and legal fees.

KICKIN' IT WITH KRISTEN

JUNIORS READY TO SHINE ON FINALS STAGE

By KRISTEN ALEBAKIS

Fourteen weeks of Junior football has come and gone and now the WRFL's junior stars will get to showcase their talents on the finals stage.

The 2017 Finals Series will begin on Sunday, with 68 teams across five different venues in the west kicking-off the Junior Finals Series.

The dream of holding the Premiership Cup aloft is now firmly in the sights of players, coaches and officials.

More than 150 teams across the league began the season and now half of those teams will go into battle during finals, with 21 different clubs represented.

Over the next four weeks, junior finals will be played at Galvin Park (Werribee Centrals), Hogans Road Reserve (Hoppers Crossing), Wyndhamvale South Oval (Wyndhamvale), Burbank Oval (Williamstown) and Dempster Park (North Sunshine). Check out the WRFL website each week to see who will be playing who and where.

As part of the lead up to the Junior Finals, juniors from across our competition came together earlier this week to create a special video.

The video was created to remind players, coaches, supporters, umpires and officials to have fun and enjoy the game, regardless of the result.

Head to the WRFL website or Facebook page to watch the video and see what our youngsters have to say.

A big thank you to all those who played a part in creating the video.

Finally, I want to wish all the competing teams in this year's finals the best of luck over the next four weeks. Win, lose or draw, all players, coaches and volunteers should hold your heads high and be proud of your achievements in 2017.

To all the teams whose seasons have ended, your contributions to our competition and effort to compete each week do not go unnoticed. I'm certain that all teams will come back bigger and better next year.

Mum's, Dad's, sisters, brothers, grandparents and extended family members also play a vital role throughout the season, whether it is driving their youngsters to training and games or cutting up the oranges for the quarter time break. You all play an important role, thank you for all that you do.

See you at the footy.

UMPIRES CORNER

UMPIRES SET FOR EXCITING JUNIOR FINALS SERIES

By GRAEME HODGART

Here we are at the start of the junior finals.

While there will be some great relief and a fair amount of congratulations for those teams that have made the finals, we should not forget the many teams which failed to qualify.

Those teams have gone out each week, intent to do their best and, in most cases, have put in a lot of time, energy and effort during training and on match days. All teams, whether participating in the finals or not, have been supported by parents, siblings, club officials and supporters since training first began very early in the year. The finals have eluded some teams, but hopefully the experiences during the season of home-and-away games have been positive ones for everybody involved.

Umpires, on the other hand, are a little more fortunate. The opportunity to participate in finals may not be a foregone conclusion, but it is a distinct possibility especially during the first two weeks of the junior finals.

With official umpires, field, boundary and goal, required in all age groups, it is basically a matter of all hands on deck. Umpiring numbers within the league may be high, but for those two weeks they are stretched to the limit. Some will be asked to double up to fill the gaps.

Of course, the cream rises to the top as the weeks fall away and then, hopefully, those deserving of a junior grand final will be rewarded. Ability, commitment, attitude, concentration, positioning, communication, fitness, decision-making, performance and confidence are just some of the things that may separate the Grand Final umpires from the rest.

It is a case of best foot forward for all those involved in the Junior Grand Finals and may the best teams win. The umpires will be doing their best to ensure that each game in the junior finals is played fairly and within the rules.

All the officiating umpires have been encouraged by their various coaches and observers to continue to umpire in exactly the same way as they have done so throughout the home-and-away matches.

Although the importance of individual games may have increased, the rules and the umpiring remain the same.

QUIZ

There is a boundary throw in and the two ruckmen have nominated. The throw in is a very poor and awkward one and goes nowhere near the ruckmen. The ball lands, without touching the ground, unexpectedly in the hands of a third player who runs away with the ball. What happens next?

- (a) The field umpire asks the boundary umpire to throw the ball in again.
- (b) The field umpire penalises the team of the third player as he was not one of the nominated players to contest the throw in.
- (c) Both answers may occur depending upon the ruling of the field umpire.

The correct answer is (c).

NEW PARTNERSHIP WITH RAWFORM COMPRESSION

THE Western Region Football League is pleased to announce a new partnership with RAWFORM Seamless Compression for the 2017 season.

During training, game day and recovery, players will feel the benefits of RAWFORM Seamless Compression, with overall exceptional support and pressure focused on hips, thighs, groin and rear with improved endurance and recovery.

WRFL Marketing Consultant Peter Harley said he is excited by the partnership which will allow players to purchase compression shorts direct through RAWFORM at a competitive price.

“We think this particular arrangement will work well with this type of garment as it enables individual players and, in the case of juniors, their parents, to order compression shorts online, at a competitive price and have them delivered directly to the players’ home,” he said.

RAWFORM General Manager Simon Hosking said RAWFORM shorts were reliable compression shorts.

“The shorts are the realisation of sports performance apparel we wished existed in the market,” he said.

“We just wanted compression shorts that did what they said they were going to do. Our sales pitch is simply just get people to try the shorts. We’ve tested the shorts from AFL to grassroots level and the feedback is always that they are the best compression shorts they have worn.”

The deal includes discounted products to WRFL players, their families and friends.

“We are passionate about local football, developing future AFL stars and looking after seasoned player’s bodies” Hosking said.
