WOMEN'S AND GIRLS FOOTY ON THE RISE

By KRISTEN ALEBAKIS

We had a fantastic start to the WRFL Junior Finals Series last weekend, with junior players from across the west proudly representing their clubs in-front of loved ones.

Juniors ranging from Under 18 girls to the Under 11s all began their finals campaign with some teams earning a spot in the first round of Grand Finals next weekend. What a fantastic achievement.

The WRFL/EDFL Senior Women's finals will kick-off this weekend. Keilor, Manor Lakes, Sunbury and Caroline Springs will all be involved in the inaugural finals series.

Keilor, the flag favourites, finished the season undefeated and will go head-to-head with Manor Lakes and the team from Town Centre Oval, Caroline Springs will take on Sunbury.

Seniors women's football has grown dramatically in the past 12 months. With the rise of the AFL Women's competition, more and more women and young girls are deciding to play footy. It's been fantastic to see the game grow so rapidly in the west.

More WRFL clubs are expected to field senior women's sides in 2018, with Spotswood and Laverton already doing some work in attracting players to their respective clubs.

The Werribee Football Club have been a strong supporter of the girls competition this season. The VFL club is the sponsor of the Under 12, 15 and 18 competitions.

Throughout the finals series, a player from each competing side in the finals will be presented with a Werribee Football Club Hard Worker certificate and prize for their efforts.

If you win the certificate on the weekend, be sure to send the details and an image of the winner via email to k.alebakis@wrfl.asn.au

Finally, I would like to encourage you to check out the WRFL Website, WRFL Live Team App and the WRFL's Facebook, Twitter, Instagram and YouTube pages for all the latest news.

The WRFL Footy Show gets posted online each Wednesday, with senior and junior news constantly being updated on our various social media channels throughout the week, so stay tuned.

See you at the footy.

As per WRFL By-Law 3.28, in the event of a draw in any of the final series of matches up to and including the Grand Final, the match shall continue under the rules of extra time until one team can be deemed the winner. At the completion of official time both goal umpires will confer and confirm to the field umpire the score is level. If this is confirmed both teams will change ends and play for five (5) minutes (no time on). After five (5) minutes (no time on), both teams will again change ends and play for five (5) minutes (no time on) at which time both goal umpires will confer again. During such extra play, Coaches are not permitted to address their players. This process (2 x 5 minutes) shall be continued until a winner can be declared.

BUILDING & CONSTRUCTION TRAINING

DON'T FORGET THE PAST AS WE LOOK TO THE FUTURE

By **GRAEME HODGART**

Things have changed dramatically over the years in football circles. You just have to look at the AFL today with its national competition, corporate sponsorship, professionalism with its club hierarchy, players, administration and coaching staff and the like.

Not too many people look back and think about its humble beginnings when in 1896, six clubs broke away from the Victorian Football Association and invited two others to join and form the Victorian Football League. Now, as the AFL, certain things continue to change and evolve each season.

The Western Region Football League has certainly seen great changes since it was formed in 1931 when eight teams, including Braybrook and Parkside A and Parkside B, came together to create a new local competition.

For the first 40-odd years the games were officiated with just a single field umpire in charge with the clubs providing boundary umpires and goal umpires. One can just image the opportunities for home-town decisions!

Official boundary umpires and goal umpires in the local competition, then known as the Footscray District Football League, were only introduced in the late 1970s and that was only in the senior grades. The number of umpires would have only totalled about 60 at that time. As the years have progressed more grades were added which meant more umpires in all three disciplines were needed.

Now the WRFL boasts about 350 umpires. Field umpires now cover all games on a Saturday and then filter down to the Under 10s on a Sunday depending on availability. This season field umpires have also officiated in the various girls' games each Sunday.

Boundary umpires and goal umpires are now used in all Saturday games and then on a Sunday are appointed to the Under 17 and Under 15 competitions.

Come the junior grand finals, there will be a crowd of umpires required to oversee each match. Some of the games will have three field umpires, three boundary umpires and two goal umpires, all appointed by the WRFL. Things have definitely changed over the last 86 years.

QUIZ

The field umpire is about to recommence play in the centre after a goal has been scored when he notices that one team has an extra player in the centre square. This player is being attended by a trainer but does not require a stretcher. What happens next?

- (a) The field umpire instructs the player to leave the centre square.
- (b) A free kick is awarded against the injured player.
- (c) A free kick is awarded against the trainer.

The correct answer was (a).
