FROM THE PRESIDENT...

We had a huge After Match on Sunday to conclude the home and away season. Once again, I would like to congratulate our Under 10 boys and girls for participating and by all accounts performing really well in their respective lightening carnivals. Thanks to Rob, Dennis and Alex for coaching this very important group of kids who along with all the parents (including our 8 & 9's) will be the lifeblood of our club going forward. We also had a number of our mid and senior teams finish their seasons last week. A big thanks to all the coaches, officials, parents and most of all, our kids for contributing to a great year for the WPH Footy club. Hope to see you all at presentation day on the 17th September and into next year for what shapes as an exciting time for the club. Finals time has arrived and this year the WPH have 8 teams competing in finals across the board (a great result!) Good luck to all teams and please remember to play with your eye on the ball at all times and enjoy the moment. To all our supporters and officials, remember you guys set the standard for our club and how we are viewed across the league. It's a game of junior footy for our boys and girls where it's all about them enjoying having a kick and having fun with their mates. Win, lose or draw go out and have FUN!

This weekend and next, we are hosting finals at Columbia Park. We still need volunteers to help with approximately an hour of your time with various roles. We are hosting to raise important funds for the club, so if you can spare sometime on Sunday please put your name on your the sign-up link setup by the club so we know what time you can help out.

That's enough from me. Best of luck to all our finals participants, hope you have a great day!

GO HAWKS!!

Round 15 Match Reports

AAV Tiling Under 10 Girls

Coach: Alex Vicic

Game 1

We played the Dingly Dingoes for the first game. With a howling wind blowing down the ground, we knew we needed to get off to a fast start. All the girls certainly turned up to play and put on a fantastic first quarter to lead at half time and have a great chance to win the game. The effort the girls were putting into their footy was fantastic and something all the parents were very proud of. With plenty of chances in the second half into the wind to put the game out of reach, we struggled to put the score on the board and eventually went down by 2 points.

A fantastic effort by the entire team, and we finally put all that potential together and were very excited for game 2.

Game 2

We played Brighton beach in game 2, another team we gave ourselves a fighting chance with. From the onset, it was evident the girls were determined to get a win. To their credit they managed to win the 50/50s and continue to put the Brighton beach girls under enormous pressure every time they had the ball. Where has this form been all year?

Much to the exhilaration of the parent group and a very impressed coach, the girls kept up the intensity and ran out winners in this one.

Game 3

We came up against the formidable St Peters in game three. As we spoke about with the playing group before the game, this is a team we wish to be like in the coming years. Unfortunately, this one didn't go to plan and we went down in the final

game.

All in all, an extremely pleasing and rewarding day for the coach and all the parent group. You girls should be very proud of your efforts and deserved to walk away with 2 wins. Saying that, in my mind you were all winners on the day and did yourselves proud.

Really enjoyed coaching this group throughout the year and look forward to watching you all grow into fantastic players for the Hawks for years to come.

Well done girls.

Coaches award:

The breeze at King George Reserve picked up at noon, and with the home team kicking into the breeze to start every game, we knew we had our work cut out. The 'French Foreign Legion' Under 10 Brown was decimated by a school ceremony meaning only 10 regular players were available, and requiring a fill-in coaching staff as well.

The first game saw us work hard in defence to keep our opponents to 2 goals and with some direct play with the breeze, we were able to utilise some booming kicks into the forward line to record a nice win. The tide turned in the second game, with our opponents kicking 5 unanswered goals with the breeze to record a comfortable win. The final game was frenetic and tough, with Levi Pitsas copping a nasty gash over his eye. The final score saw us fall short by 1 goal.

A fantastic effort by all those who played, considering the Team was made of 10 regulars, 6 Under 10 Gold (who had already played 3 games) and 6 Under 9's and 8's. Special thanks to Logan Koutts, Levi Tonkin, Oliver White, Ben Austin, Oliver Rossi, and Cooper Austin for helping out from the younger teams

Coaches Award:

A blowy day greeted the team at King George Reserve for the Under 10 Gold Lightning Carnival. We started well against a much bigger opponent and got the jump early with some desperate efforts in defence and the forwards working hard to lock the ball in the forward line. At full-time we were in front giving us a big confidence boost.

Our second game saw us start slowly in to the breeze and the team fell behind early and were unable to regain the ascendancy.

Our final game saw all players having a red-hot go and some fantastic linking passages of play saw us finish down by one solitary point.

There were fantastic efforts from all players over the day, with special thanks to Henry Robinson from the Under 8s and Luca Palermo helping out from the Under 10 Brown.

Thanks also to all the parent helpers for making the team run smoothly for the whole season.

Last Piece award:

The last game of the home and away season was an important game for the Under 11 Browns. Not only were they celebrating Thomas Downs and James Montano's 50th game but they had to win in order to cement themselves in the finals.

The captain for the game was Oscar Azemat and although he wasn't feeling 100%, he stood up when it counted and represented the boys. The Hawks got off to a good start and kicked 4 goals, however, they also managed to get 6 behinds. Accurate kicking was something that the boys needed to implement into the game to ensure a convincing win. The second quarter saw Bentleigh kick their first goal and the Hawks added another goal and four behinds to their tally.

At halftime the plan was to continue to apply the pressure and focus on kicking straight. Nicholas Fisher, Biraj Koirala and Max Addison were strong in the centre and William Rice and Joshua White had some scoring opportunities in the forward line. Oscar Gallagher tackled hard and Jarrod Lim gave it his best even though he was carrying an injured thumb. In the end the Under 11 Browns were victorious and won by 18 points. The win secured their spot in the finals and placed them second on the ladder at the end of the home and away season. (well done boys!) They are now faced with playing St.Kilda City this weekend in an elimination final which will no doubt be a nail biting heart stopping thriller! The Under 11 Browns have what it takes to go all the way. They have shown it throughout the season. They just need to focus, kick straight and run like the wind! All the best for this weekend. Go Hawks!!!

Last game for the year and an early 8.45 start at Columbia against the top team. It was always going to be a challenge and with 2 players down we were up against. Captains Sam and Franki led the team out and it was a fierce contest from the word go. Sam went down early with a injury making the task even harder. To the boys credit they fought hard and took it up to East Brighton. Lachlan S was solid in defence and we had plenty of drive in the middle from Nikolas C. Very proud of the effort by our boys who never gave up, we were under manned and against a team who hadn't lost a game this year.

Finally, I would like to thank everyone for their help in running of the team this year, great job!

Coaches' awards: Olivia, Nicole

We've definitely had some ups and downs this season and today was no different. But we did finish on a high. Now although that high we finished on wasn't a win, it was simply the satisfaction that it was over and the girls had left everything out on that field. Most of the game was played in our oppositions half of the ground but that didn't stop our girls. We were able to control the ball but just weren't able to get the ball in our half. But when we did get the ball forward there was a massive cheer from our crowd, even though these fantastic efforts didn't result in scores, we still maintained our pressure.

Every single girl deserves recognition for their efforts today, because the past 2 weeks we have played a team game. Its taken a whole season, but we finally did it, we played as a team. Lead by double trouble (Stasia and Tahlia) today the girls fought till the end. Ellie got the ball rolling for us with countless marks and sprints down the ground which lead to her teammates to follow in her footsteps. Nicole wanted to have a go at sprinting down the ground, she got the ball, ran and kicked it but had kicked it the wrong way, but thanks to Nicole everyone who was at the ground was seen having a bit of a laugh, because thats just the type of game it was. Sunelli had a standout game in defence with perfect positioning in the contest leaving her with several fantastic marks. Sienna fought hard all day, wherever she is placed on the ground she has an impact. Jacinta spent her day in the forward line and contributed greatly to helping her team nearly score. Ash ran all day, even when she looks tired as soon as she sees that ball its as if she's full of energy again. Angelina was a solid contributor off half back rebounding the ball constantly, giving her team the best chance of getting the ball forward. Olivia had another great game down forward, doing whatever she could to get a goal. Sophie was always in the contest and even when she didn't win the ball, she was always communicating with her teammates. Shelby is never too far away from the contest, when she arrives that the ball she positions herself in the perfect spot to receive the quick handball. Tahlia never gave up in the hunt for the ball and this was key part of why we got the ball forward. Stasia ran and ran and ran, never giving up on the ball and on so many occasions looked like kicking a well-deserved goal. But it was the efforts of our spiritual leader Ebony that got the ball on most occasions, her in and under style of play is the reason we are never out of the game.

What a journey it has been, a frustrating but certainly enjoyable one. Well done girls hold your heads up high because you left everything out on that field. GO HAWKS!

Last round of the regular season and the boys had an extra thrill playing under lights on Friday night down at Mordialloc Braeside. We won the toss and kicked with the wind hoping to put a few early ones on the board, but Mordialloc had come to play and the pressure from both sides was big. With the ball spending most of its time on the far wing from the coaches' box it was hard to tell who was who on the large ground, but some great efforts by Shilo, Xander and Dan giving us a chance. After a tight quarter we were neck and neck with a goal a piece. We needed to work hard in the second to hold Mordi Brae now that they had the wind with them, and it was another tight contest with the boys working hard to keep the ball off them. Evan and Josh were going hard and straight at the ball, not giving any ground, Mitch, Nathan and Thomas were tackling heavily and putting on great pressure, while Nick continued his good form and was holding the half back flank tight. After all the struggle we were again tied at the break.

In the third we had the wind again and needed to put a good margin on the scoreboard to get the game out of Mordi's reach, unfortunately we were off target. Although we had the ball in our forward for the first few minutes of the quarter, we were only able to put on one goal for the quarter. While the effort from everyone was there with Ronan working hard in his defensive position, Pat showing his skills with a great pickup and kick and Mitch starting to burst out of the middle, we just couldn't capitalize through the big sticks. Mordi Brae pushed hard and started to use the space well and run the ball up the ground, but we went into the last with a small lead of 8 points. It required a big effort in the last to hold Mordi coming home with the wind, but we just couldn't quite do it this week, Mordi took their chances and converted where we missed running out the game and winning by 13 points. Another good game by the boys and it was great to see all the Mordi Brae boys wish us luck for the finals.

We hosted Prahran at Columbia park on the weekend and unfortunately the result was a pretty disappointing one. However none the less probably provided some relief as we drew the curtain on a difficult year.

It was clear at training during the week that the season had gone on just a bit too long for our boys. Try as we might, we just weren't able to rouse up much enthusiasm and that carried into the game on Sunday.

From the opening bounce the Prahran boys did as they pleased and the result reflected that.

A very early start for the last round of the year but the girls were in very high spirits and could not wait to get on the ground

and start the game.

Caitlin B started in the middle this week and responded very well to the pressure and played a great game. Emma played down back and did some fantastic things and has improved so much over the year, well done Emma. Shelby was again superb all over the ground as was Amber and Caitlin S.

Charlotte capped off a great year with an outstanding game. WELL DONE CHARLOTTE.

The scoreboard does not reflect just how well the girls took it up to Mordi Brae, they certainly didn't have it all the play on their terms. If we had of had our full team playing it would have been a very different game.

I would like to thank all the parents for all their help this year with a very special thank you to David for all his help as assistant coach, Sharon for team manager duties, Shane for all his work as trainer and Adam for all his walking, I mean running. And last but not least the first lady of the under 14 girls, Amy for everything she did this year i thank you all so very much.

I really hope all the girls come back next year and build on what they have learnt this year.

THANK YOU

After a tough pre-season, and a very up and down year, the boys had secured themselves a spot in the finals. But before we could think ahead, we had a big match against East Malvern to finish the season off. These type of games are always a worry, with one team having nothing to gain, and the other nothing to lose. I put the task to the boys to strive for consistency, and look to provide a solid, four quarter effort. I think it is fair to say that over the last 14 weeks we have not played four quarters of football in the game, and really struggled to maintain our best, especially against the good sides.

To the boys credit, they stood up and fought extremely hard to finish their season off with a bang. We started off very strong, working hard on our defensive pressure in the forward line, and Connor reaped benefits of his own hard work, finishing with 4 goals. It set the tone for a number of our boys, with our midfield contingent stepping up, Ethan Plaza and Michael Battista playing some of their best footy for the year, whilst our whole backline stood strong, restricting our opponents to just 3 goals for the game. The boys finished the game terrifically, kicking 7 goals to 1 in the last. Another great performance from Jake, who had his turn up forward this week and took it with both hands (literally, he took about 10 marks) and kicked 5 goals, leaving me with something to think about as we head into finals.

But all in all, it has been a fantastic season from the boys, with the best yet to come. If we continue to perform like this, there's no telling how far these boys can go!

Final game was a must win game to make finals but it wasn't to be. Murrumbeena were too strong all day & ultimately deserved their spot over us with good team play to dominate the last quarter & win comfortably.

Special mentions to Matt & Ben who played well across all 4 quarters.

Well done also to Kobi & Liam R for their efforts to be awarded with coaches' medals on another tough day at the office.

All in all, no we didn't make finals, but the boys certainly had their moments in the sun finishing the season with 8 wins over 15 rounds which was a pretty good effort with the elevation to division 3.

Well done to all boys for having a real go when things got tough & we hope to see you all back next season to build towards more success & maybe sneak into finals if we are good enough.

On a great day for footy, our girls entered the game with a chance to keep the 4th placed team honest with a win and then we would cross our fingers for other results to go our way. From the outset though, the girls struggled to run with their opponents, and having only one person on the bench wasn't helping matters. Hampton came out and won the contested ball, with has been our aim all year. Despite some heroic efforts from Jess N, who relentlessly repelled attack after attack, we fell behind in the first half and had to really lift in the second to keep our finals chances alive.

The girls came out in the third and showed us exactly what they are capable of. They out ran their opponents with Victoria and Caitlyn showing plenty of speed, getting to plenty of contests. Annie was playing a great game attacking the ball and leading by example in a must win game. She was ably supported down back by Ellie and Britney who were doing their best to hold back a confident Hampton. Macca and Zoe both copped high knocks which shook them up a little, but continued to crack in for the hard ball. Steph was beginning to apply some physical pressure, as was Anastasia and Ebony and we were beginning to get the game back on our terms. Amelia was now finding plenty of the ball, managing to put two goals on the

board and we were right back in it. Laura was also contesting well and was unlucky to not be rewarded for a great tackle. In the last, we came out firing with everything to play for. Mel was chasing hard and Beth was presenting well in the forward line. Cassy was playing hurt but continued to win the hard ball, getting it forward enabling Alyssa to score and we were back within a point. Jess B threw her body in at every contest and was doing all she could to get the ball going our way, but with the lack of rotations starting to bite and Maddie now injured and on the bench, we simply ran out of legs, losing to a better side on the day.

Unfortunately, the loss ended our season earlier than we would have liked, but I was proud of the fact that the girls dug deep, we were just outnumbered in the end.

Our pressure was very poor this week. We allowed Beaumaris freedom to run the ball under minimal pressure and it showed on the score board as they were able to score freely.

We had some good passages of play when we had the ball, but unfortunately that last kick into the forward line again let us down.

Our second half was hampered by a couple of injuries. Fabian worked hard all day while Chayce, Jarryd, Jack N and Vince had good periods.

We've had a very up and down season, but we start again this week as we head into finals.

With our season on the line 4th vs 5th and no wins against Oakleigh for the season we had to be at our best to get through to finals. The boys from the outset showed why they have improved so much since round one that all players on the ground gave 100% and the rewards were there. I could not be prouder of these boys in there endeavour and commitment to each other. I wish you all the best for the finals this weekend! Go Hawks!!

Sunday saw our boys play their final home and away game for the season. With Ormond our opponents, a fitting finale to the year, we had to win to place for finals. As Ormond were in the same boat, and given the history between the two teams, it was always going to be a good battle.

Starting slow, conceding 3 goals in the first couple of minutes, it took our boys a little while to warm up, starting to find their feet about half-way through the first term. Performing much better in the second-half gave us a good starting point for the second quarter.

And what a quarter it was, reeling in the lead Ormond had and actually keeping them pointless for the entire quarter. Our boys had found their groove.

Clean use of the ball mixed with an obvious determination to win the game gave us a solid advantage in the second half. Ormond fought well, keeping the scores relatively close for the majority of the game. Albeit we managed to overpower them in the final term, gaining a comfortable lead and ultimately winning the game and securing our spot at 2nd on the ladder, granting us access to the finals season.

I can only commend our boys for their efforts on Sunday, and for the rest of the year, they have well and truly earned their spot in the finals and I am proud that we have the opportunity to play.

Next Sunday sees us play East Sandringham for a spot in the biggest game of the year.

Go Hawks and well done.
