

JOONDALUP WOLVES

2017 GF TICKETING POLICY

Should the **Joondalup City Wolves** Men's team *be fortunate* to make their way through to the 2017 SBL Grand Final, tickets will be limited and highly desirable to the Wolfpack community.

The games are ticketed by Venueswest and Ticketmaster, on behalf of Basketball WA, and thus the Wolves are governed by their combined processes in relation to ticket allocation and seating location.

The intention of Wolves Management is to support our Basketball community as best as feasibly possible to access the game, working within the scenario of *limited seats, high demand*.

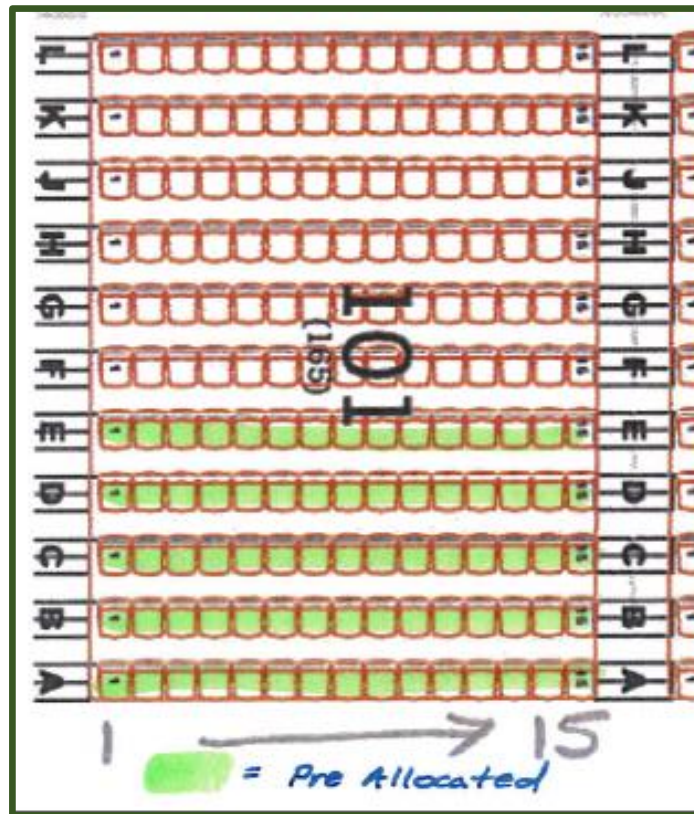

This GF ticketing policy informs the process for purchasing tickets by all members of the Wolfpack program and community, *excluding our Co-Major and Premium Partners*.

1. The 2017 Grand Final Wolfpack reserved area ticket price is **\$27.00 per ticket** (Adults & Children).
2. The Wolfpack only has access to adult ticket pricing. Other categories available via Ticketmaster.
3. Depending on who is the higher ranked team, the Wolves can access ~270-310 club tickets.
