DRAGONS Guernsey Presentation was held over 2 nights. Thank you to Mark Newman (Heritage Bank Branch Sales and Service Manager) who was on hand both nights to present each member with their individual numbered Guernsey for the season.

A big thank you to our 2017 volunteers who have taken on the following roles. Without you all, our club would not function and it would not grow. As DRAGONS, we are here for our kids. We want them to have fun, learn new skills, be good sportspeople and wear our Guernsey with pride. We would like to thank you all for choosing the DRAGONS as your AFL team. Each registered volunteer will receive a \$50 Amart Sports Gift voucher to say thank you!

Toyota Good For Footy Raffle 2017 is underway this Tuesday. Each Family will receive a book of raffle tickets to sell. 1st prize is a Toyota RAV4 GXL (valued at \$39,907.99). 2nd Prize is a Toyota Camry (valued at \$37,843.99). All money raised from the sale of tickets goes directly to the club. Tickets are \$5 each. All ticket books and money (i.e. including sold and unsold tickets) need to be returned to the club (for further information call 04000 155 39 - Dianna Remington).

Unfortunately there is no Under 14's Boys team this year. The Dragons tried a number of initiatives to gain the 22 players needed for the team (i.e. corporate funding of \$1200, school flyers, Website promotion, Facebook advertising, discussions with other clubs). We even had a coach lined up! However, we were not able to get the numbers we needed to compete. Once again, our apologies to the members who had to transfer to other clubs.

QLD AFL NEWS - AFL Qld Auskick are moving into the offices above our shed and AFL QLD have now taken over the lease from council. QLD AUSKICK Representative is Ben Hopkins (Ben.Hopkins@afl.com.au).

From broken bones, to jarred fingers, to blood noses. This year's Under 8's have weathered it all, and still kept showing up every week with smiles on their faces (mostly).

Since the start of the season, each member of our team has been committed to improving their football skills. With more accurate kicking, more direct handballs, and becoming more aware of the best position to be in when receiving the ball, these kids have made some great progress this year. This is, in part, due to some passionate coaching, but also due to kids who want to be there, and want to play well, which is an amazing effort for the whole season.

Don't get me wrong, we've had our fair share of tears, tantrums, and some 'interesting' umpiring decisions at some games, but we made it through the year relatively unscathed, and are looking forward to another year of fun and games in 2017. Highlights of the season: Without keeping score, of course, we had a few competitive games, but mostly we had better skills than the other team on the day. Next season: Tackling should be interesting! Story written by Team Manager Janette Gray. THANK YOU!
