

Today is our last chance at a shot of glory for the Colts, U15 and A Grade Netballers. We take the long journey to Cohuna, hopefully we bring them all home! Bring out your red, white and blue and get your voices ready because this is what will help these guys get over the line!

Our Colts dominated the Kerang Blues in windy, freezing conditions on Sunday! So it was an awesome outcome, now they just have to take everything they have got, everything they have learnt out to the Cohuna ground today. They will play Lake Boga! Good luck boys, you deserve it! #underdogs

The A Grade team pulled some tricks out of the bag and took home a nice win against the Eagles! Massive win must we say! Each player played their position to the best they possible could and won every 7 positions on the court! Great effort girls. Our forward line was looking very impressive having Kels Rowe, Laurz Anderson and machine Zoe Spence-Benfield! They will now take on our rivals the Swans today. These girls definitely have it, if they can play the way they did last weekend they have got this! No backing down now. This is their last chance! Do supercoach Han Collins proud!!

A Reserve had some good parts of play throughout the game but it just wasn't enough to keep up with the Eagles, going down by a bit of a margin. These girls have had a tremendous season, they really started to gel well the second half and it definitely proved on the court. It is a credit to yourselves and coach Teags. Get up and celebrate tonight at the sheds!

B Grade were defeated by Cohuna, couldn't get across the finish line and ran

out of breath going down by just 2 goals. They had it and then they didn't have it, but oh well that's just finals unfortunately! Great season girls, bigger and better next year.

In the 2nd Semi, the U17s girls stole the show and brought home the win, right from the first whistle they had a lead! Heads were up and voices were heard! Was a massive effort by all the girls, having lost to the Swans the last time we met. Now to bring home to biscuits girls!! Grand final here we come baby!

Unfortunately the U15's girls fell short against the Raiders and couldn't get the job done on the day. Lucky enough the girls get a second opportunity and will play Cohuna Kangas at their home turf today. Go give it your all girls, you have worked so hard all season! Keep pushing until the final whistle had sounded!

Our supercoach Em Siely took her U15 Ressies through to the Grand Final - they are the underdogs people, watch out!! Each girl played their position well and did what they were asked! Great stuff girls, one more game to go!!

Good luck to our 3 teams playing today, give everything you have, the ball is pure gold. Cherish it! Push push push until the final siren has blown! Let's go get em doggies!!

Don't forget we have our Presentation Night tonight starting at 6.30pm. \$10 PP, Hot Nibbles and Drink on Arrival provided! Be there or be square! Looking forward to a great night.
