**Anthony Simmons****BURNED AGAIN!**

After the close result at home against Blackburn in round 1, we made the trip over to Morton Park in Blackburn on Saturday with hopes of posting our first win. Unfortunately the burner boys had other ideas and once again we came away empty handed in all three grades. Disappointing for our Seniors to be 0 – 8 at the Queen's Birthday Weekend break, but that's where we're at Enjoy

the break boys, cos it's back in the deep end against Noble Park the week after.

Speaking of disappointing, something that has been below par so far this season has been the attendance of Senior players in the opposition teams clubrooms after away games. This tradition has always been encouraged in the EFL and we were one of the teams that helped start the practice when we first elevated to Division 1. One of our team rules (set by you the players) is that ALL senior players go into the opposition rooms for a beer or a soft drink after the game and spend half an hour or so interacting. Our opposition are usually in our rooms until 5.30 – 5.45pm. This is, after all, domestic grass roots football. And the social side of the game is as important as any other. What's disappointing is that the teams we have played all seem to buy in to this tradition, but we get the same 8 or 9 players flying the flag. Respect the team rules and let's see an improvement on this for the rest of the season – Win, Lose or Draw.

Rant Over!

On the social calendar we have plenty of events coming up over June and July. The week after Queens Birthday we have the third Junior Awards night for the season on 14th June. Would like to see as many senior players there as possible to support the kids! After that we have Junior Round on 20th June and we encourage as many kids and parents as possible to come down for that. To finish the month we have our inaugural comedy/trivia night. If you think you have the smartest trivia team in town, put a table together and call Jody Wilson to book it in! For further details check the social pages in this edition, our website, Facebook page or the Team App! See you then.

Go Dales. Simmo.

## Junior President's Report Round 8

### DREAMTIME CHENILE!

Congratulations to Chenile Chandler from our netball team. Chenile sang at the MCG prior to the Essendon v Richmond Dreamtime Game.

The under 17 premier team showed plenty of G&D to narrowly lose against FTG. The Under 17C won another game and so did the under 11's. The other teams all did

pretty well.

The 17 C team had a great experience with driver training at METEC driving school. 16 boys were well behaved and a credit to the LJFC in the way they behaved and their interaction with the driving instructors. We received an email complimenting them on their behaviour.

Don't forget next week Saturday the 20<sup>th</sup> of June is 'Junior Round' All junior players wearing their club colours at the Seniors receive a free hot dog and a drink. Please support the seniors on 'Junior Round' against South Croydon.

Please enjoy the Bye this weekend and good luck to our under 14 and 15 boys that are representing the E.F.L with interleague games this weekend. Don't forget to sell your chocolates and raffle tickets.

Have a great break. See you in round 9. Don't forget Awards Night Sunday 14<sup>th</sup> June.

Go Dales.

We are improving each week and with only 20 players on our playing list, its great to see that we are getting better.

Thanks to Luke Falkingham for helping us out today was much appreciated by the boys.

Ultimately outclassed in the end but I thought our endeavor over 4 1/4s was significantly better and something which should make the boys very happy with. Our preparation before the game was much better and we were able to make The Basin work for all their scores.

Unfortunately we as a team are struggling to find goalkickers at the moment which doesn't give us reward for our efforts

Much better effort all round today with plenty of positives.

Very windy day greeted us at the Gateway playing Ringwood Nth. We lost the toss and Ringwood North kicked with the breeze. A reasonably even contest was had with the breeze assisting RN to have 2 goal buffer. The 2<sup>nd</sup> quarter we used the breeze well winning the centre clearances and using the ball well up forward. A 4 goal to nil quarter saw us go into the main break 2 goals up. Against the wind in 3<sup>rd</sup> term, we held RN to 3 goals whilst we managed 2 majors and held a 5 point break, with us to kick with the breeze in the last.

We were able to get the 1<sup>st</sup> goal in the last term and open up a good break, but RN responded well and when they got their tails up, our heads went down. Some silly mistakes in the last Qtr cost dearly and we didn't quite run the game out with some tired boys in the end. Not a win, but still a good effort and we will be better for it next time we play these guys. Good individual efforts from Addy Forbes on their major goalkicker, Riley for his job as the quarter back / "Mr Fix it" and Nicko who found plenty of it in the middle and some nice link up handballs. Well done Rob on your first ever football goal too!

Not concentrating on what we were doing in our rooms worried me that the boys weren't ready or switched on for the game but to their credit once the siren sounded to start the game they came out firing and worked really well as a team and used the ball well especially into a pretty stiff wind. Weekend off next week so we will come back fresh for the last half of the season. Well done Boys.

Another slow start!!!

As a team we need to understand that playing 3 quarters doesn't win a game of football.

Down by 27 points at ¼ time the boys kicked into gear playing some fantastic football. Our best football is a pleasure to watch.

To all the boys' credit, they grinded our way back into the game and drew level in the last quarter. Unfortunately we left nothing in the tank and Heathmont managed to kick a few late goals.

A great effort from all players.

Congratulations to Jamie on kicking his 1<sup>st</sup> goal. Well done mate.

Special Mention: Levi was fantastic all day in the ruck. His ability not only to make every ruck contest but to ensure he positioned himself in the right areas when we didn't have the ball was 1<sup>st</sup> class. Well done Levi.

Last time we played Boronia we came out on top and after the first quarter it looked like we would have a repeat. Going into the first break we were 3 goals to nil and looking good. However our boys went to sleep after that and probably felt like it was all too easy.

Over the next two quarters Boronia kicked the next six goals to nil to hit the lead.

We called on the boys to give us something in the last and they responded outscoring Boronia 2 goals to one however it was too little too late.

The 9C boys are showing signs of improvement each week but true to their age they have concentration lapses; hopefully after a week off training and playing due to the long weekend they can come back refreshed and ready to go for the next game.

Well done boys.

We faced off against Norwood Gold, who were 2nd on the ladder (we were 1st). With only six of our regular team available, we were lucky enough to have Jodie Chandler fill in, it was great to see mother and daughter (Chenile) playing together. Gemma and Kate were strong in the mid-court and Stacey, Teagan and Gabby did a great job against such strong and determined defenders, but unfortunately it just wasn't our night.

## ON THE PINE | FANTASTIC FALCON

This week Aaron Kirkby-rodier chats to Lilydale Football Club star Marcus Hottes about his football journey.

Hottes chats about Eastern Ranges, his time in the YVMDFL, heading to Subiaco Football Club Inc. and his return to the Nest.

## Most kids rush down to their local club and take up footy as soon as they can walk, that wasn't the case for Marcus Hottes.

"I started as Auskick then started juniors when I was 10 because mum and dad wouldn't let me play until then."

Hottes would head down to his local club to play with his mates after it felt like a lifetime of waiting.

"I played juniors at Yarra Junction until I was 16 then moved to Woori Yallock to play 18s and seniors because we couldn't get the numbers together at Yarra Junction"

During his time at Yarra Junction Hottes would win the Under 16 league Best and Fairest.

"It was a bit of a surprise, I was an okay Junior, but not a star, there was always two or three blokes that would win and I was a late bloomer. In under 16's I hit my straps, but it was certainly a surprise"

The Eastern Ranges would notice Hottes during the 2002 season.

"I played in a school footy round robin in under 15's and I got invited from that competition. (Under 16's I started at Ranges and it was a really good experience."

Spending three seasons at the Eastern Ranges Hottes had plenty of success, and heading into his final season he had some interest from a high profile AFL club.

"Early on in my last year I was playing pretty well and there was some interest from Richmond.x8But as the year went on I struggled a bit and was in and out of the side, so nothing really came of that"

Hottes never really thought he would get drafted despite getting interest from the Tigers.

"As much as I wanted to get drafted, I knew, realistically that there was a lot of guys my size and you needed to have something that everyone else didn't"

After missing out on the draft Hottes along with some others headed down to Box Hill to try their luck in the VFL.

"I did a pre-season there and got cut, which I didn't really mind.6)I had just stepped out of Ranges and part of me wanted to play with Box Hill, but the other part just wanted to play with mates. That was a good experience though to be around VFL calibre players"

Hottes would return to Woori Yallock to begin his senior career and would get the chance to play under a former AFL star.

"I was lucky enough to start my senior footy at Woori under Monkey (Damien Monkhorst)"

Hottes never thought about leaving Woori Yallock, but when some old mates asked him to meet and talk about his footy he couldn't say no.

"I had relationships with Simone Rourke and Greg Stafford from Eastern Ranges and they had got the coaching job at Lilydale, so we organised a catch up at the Olinda Creek Hotel for a dinner.

## ON THE PINE | FANTASTIC FALCON

This week Aaron Kirkby-rodier chats to Lilydale Football Club star Marcus Hottes about his football journey.

Hottes chats about Eastern Ranges, his time in the YVMDFL, heading to Subiaco Football Club Inc. and his return to the Nest.

I can honestly look you in the eye and say I had no intentions of going to that dinner thinking maybe I'll go to Lilydale.

After the meeting I thought as if I can't come to Lilydale, they just sold it to me"

Hottes would suit up for the Dales in 2009 and would have an immediate impact. Winning the Best and Fairest in not only his first but second season as well.

"Totally unexpected, my goal in my first season was just to play every game in the seniors and to win the Best and Fairest in a good side was great. It gave me a lot of self belief and to back it up the next year was even better.

After some terrific years for Lilydale an opportunity opened up for Hottes to take a crack at the WAFL with Subiaco in season 2011.

"I think I'd played two or three years at Lilydale and then we finished bottom and got relegated and that's when I moved to Subiaco"

Not necessarily through his ambition but a connection at Lilydale helped Hottes get to the Lions.

"My partner got offered to play netball over there so that's how that came about and then Mark Haynes is a club legend at Subiaco and he helped me get over there"

After arriving in Perth and settling in Hottes would begin with the WAFL side. After having a positive start it wouldn't all go to plan.

"Pre-season I was doing alright, the fitness levels over there are amazing. Practice matches I was playing in the seniors then come Round 1 I was in the Reserves. I played some good footy and thought I was good enough but I think the coach just didn't rate me as a footballer. It was a bit frustrating not to play a senior game but the coach has the final say"

After a difficult season with Subiaco, Hottes would return to Lilydale where he would continue his dominance in the EFL's premier division.

With the return of Interleague football in 2014 and 2015 Hottes would cement his position as one of the leagues best players by gaining selection in both sides. Not many players speak of Interleague in such high regard.

"I love it, I absolutely love playing Interleague Footy. You get to play with the best players in the comp and they're all ripping blokes"

After a tough loss in 2014 the EFL would bounce back in 2015.

"This year we won and it was great. I'm not going to play a higher standard of footy which means a lot to me"

With the win the EFL will take on the VAFA for the number one ranking in metro football at the start of 2016. Hottes has his sight firmly set on the number one spot and a chance to make up for the 2014 loss.

"When we played the Ammo's last year they have that arrogance and they are a confident team. There would be nothing better than to beat them and have the number one ranking."

Hottes thinks its important players want to play in the game and hopes all of the leagues best put their hand up.

"It would be good to get the absolute best side out especially with some of the names we've had come into the league this year."

After all he has achieved individually Hottes just wants to tick that most important box in his eyes.

"There would be nothing better than to win a flag in Division 1. We are a fair way off at the moment but that's the goal."

Marcus Hottes has been and continues to be one of the premier players in the EFL on and off the field. With a young Lilydale side on the rise Hottes is the perfect man to lead them to future success.
