

Junior Squads - Summer 2017/2018

Please note that these squads are not finalised teams and names are no particular order. Due to the high number of players at trials the coaches have not been able to set teams yet, players can expect to be moved around over the Summer season until teams are finalised. Coaches will be in touch with everyone about training times over the next couple of weeks.

The numbers next to the player names are the allocated player numbers that are to be used when purchasing uniforms (Port Road Sports Centre).

If you trialled and your name has not appeared on a list please contact juniors@woodvillearriors.com.au.

Please note that invoices for fees will be coming out soon, players with overdue fees (and without payment plans in place) will not be eligible to play on game day.
