President's Report

Welcome to 2017 AGM

I would like to thank all committee, participants, volunteers, sponsors, coaches and supporters for your involvement in 2017.

A year of mixed results on and off the field/court.

I would like to wish the incoming president and committee all the best for 2018 as the club embarks on a very tough year with ground and facility renovations taking place.

Also a special thanks to Nicole Scharenguivel who has been a pillar of support this season.

Rodney Gamlin

President

St Kilda City Football Netball Club

Football Report

Senior Coach: Richard Houston

Captains: Malcolm Niewand and Mark Tasiyan

Seniors

Season 2017 was a very disappointing season on field. With the excitement of several gun recruits we thought that we could match it with any side in the SFNL. While we had a couple of great wins including Round 2 against the eventual premiers Dingley we also had our bad games where we threw away leads against St Pauls and Cheltenham which ultimately lost us a spot in the five.

Assistant coach - Jason Hamilton

This season I was privileged to have Jason Hamilton as my Assistant Coach and he worked tirelessly for the cause. Unfortunately, he has decided to move on to greener pastures with his very own senior coaching appointment in the WRFL.

Reserves - Perry Vargas

The reserves struggle all year due to the club losing some 28 players in the off season and several Under 19 players moving on to other clubs. To their credit the reserves turned out and try their best to do the job.

It was great to see Perry Vargas deal with the issues of a side that was struggling. He never gave up and tried to inspire the boys. In fact, for a guy who was not going to play footy again he pulled on the boots and ended up playing in the seniors. Well done Perry!

2018 Reserves coach – Ryan Hoy

One of our focuses in 2018 will be retaining our Under 19's and getting more players to the club under our new 2018 reserves coach Ryan Hoy So, I expect several St Bedes, Mordialloc and Edithvale boys running around next year in our reserves team.

Under 19's – Matthew Hoy

Wow how close did we come to winning another Under 19 flag!

Matty Hoy did a fantastic job with a group of young players that played sensational football all year only to lose the Grand Final in windy conditions. I reckon nine out of ten times we would have won but unfortunately on the day we could not do it.

I just wanted to say thanks to Matty as he encouraged several Under 19 players to play in the seniors this year and I am sure they will be better players for this experience.

Matty is going around again in 2018 and he will bring exactly what the club needs to get that flag back. He is a tremendous coach and a tireless worker.

Special Thanks

I would like to thank all of the playing group that stood fast through the whole season and special thanks to Rod Gamlin and Ian Lesser for their efforts behind the scenes.

Special mention to Darky, Mick, Marja, and all the trainers, water boys, cleaners and Thursday night guys that make the Peanut Farm what it is.

2018 The Future

Now as 2017 is over we look to the future and it is very bright. Many of the existing 22 have already signed up for 2018 and we have targeted several new potential recruits to drive our campaign to the finals. Add to this up to ten under 19 players and we have a solid foundation to build on for the future.

Soon it will be pre-season and the boys will be on the track working harder than they have ever before.

So, get on board St Kilda City as 2018 becomes the year of the Saints!

Netball Coordinator's Report

The 2017 season had more than 70 players competing across seven teams. Although none of the teams were successful in reaching finals, several narrowly missed out by less than 1%. We are looking forward to building on this foundation for the 2018 season.

Pre-season kicked off for our Division 1 and 2 teams at the Bendigo Bank Invitational Tournament against country clubs held in Rochester, which was a great test of our skills.

We welcomed a new coach to Division 2, David Butler, who we thank for his leadership.

We would like to say a huge thanks to Mel Starr who is sadly leaving after four years with the club. We wish her all the best with her new Hamilton club.

Big congratulations to Yvette Lippold who was the league Division 4 Best and Fairest winner.

Kate Foster
Netball Coordinator

Division One Netball

Coach: Melanie Starr

A new look Division 1 team this year showed great promise early on, with new recruits lifting the existing players and the girls working as a team.

Unfortunately, a lack of goal conversion late in the season in must-win games let the girls down, and they dropped to sixth over the last 2-3 games, knocking themselves out of the finals.

A big thankyou to all the girls who put up with my travelling to and from Hamilton for games and trainings, and to those that stepped up and helped out. It was very much appreciated.

All the best to the club for the upcoming seasons – and I look forward to seeing some premierships come our way again.

Division Two Netball

Coach: David Butler

With a new look Division 2 team under new coaching the side recruited a good balance of experience and future up starts with their eyes set on top four and further.

The team started off well getting early wins on the board and combinations coming along well, However with early injuries and player movements throughout the season the team had to constantly rebuild, re-try and reinforce consistency.

Coming off the back of this the team worked tirelessly to continue to maintain our brand of netball but unfortunately falling short to make the top four finishing fifth.

Some outstanding performances and games throughout the season showing real promise as we look towards the 2018 season

Division Three Netball

Coach: Kate Foster

Division 3 started the season off strong with high hopes of making the finals with some early wins.

We lost a few key games mid-way through the season that would have secured a finals spot.

Missing out on the finals by 0.01% was very disappointing for the girls but has made them more determined to go harder next season.

Division Four Netball

Coach: Te Ua Houkamau

2017 saw the Division 4 team with a new coach and new bunch of girls joining the team.

The aim of the season was to build a great team culture in our team and work together as an cohesive unit.

We had a very strong season, only just missing out on a finals berth and ending the season with the best defensive stats in the competition. This was also highlighted with our Captain Yvette taking out the League best and fairest award for the division and Laura coming in 4th place. We also had another player Paisley finish in the top 10 which was an outstanding achievement.

Next year we will be looking to build on the teams successes for this year and turn them into a flag winning performance.

Thanks for a great year girls.

Division Five Netball

Coach: Casie Beddome and Anthea Nisbet-Smith

With a strong group of 9 girls that gelled together right from the start on and off the court, we had a tough start to the season with girls away. A few losses but as the season went on the girls notched up more wins, and by the last couple of games we lost to the top teams by the nearest of margins.

We feel every girl played a role and did more than what was asked of them, with many players exceeding expectations.

Division 5 is a tough division with many experienced 'mature' teams, our younger girls held their own finishing 6, only 1 game out of finals.

Next year can only get better.

Division Six Netball

Captain: Melissa Alessandrini

This year we put together a netball Masters team. It goes to show no matter what your age your competitiveness never fades. We didn't quite have the season we had hoped but lots of laughs and great friendships made. A few injuries mid-way and towards the end that didn't help but we keep our heads high to finish off the season.

Division Seven Netball

Coach: Sophie Dunn

Division 7 had a season full of highs and challenges. Despite having many changes in the team structure throughout the season, the core team banded together & displayed strong teamwork, commitment and significant development in their game. The competition was certainly tougher than previous years, but overall the 7's displayed excellent improvement both individually and as a team. Whilst finals were not on the cards for the 7's, they acquired key learnings and experiences they'll no doubt take on in the coming seasons.

I'd like to personally commend Aleisha McKenzie for an outstanding season as Team Captain, along with the support of Team Manager & Vice Captain, Casey Gadzinski.
