9th November 2017

Dear Richard,

Re: NYE 2017 Queenscliff Harbour

Welcome in the New Year at the Queenscliff Harbour, showcasing a major regional destination with an event that will draw attendance to Queenscliff and the region.

A night filled with live music, great food, local wine and fireworks, bringing together families, local community and visitors, an event for all ages.

The program for the evening commences with:

Family entertainment with live music from 6.30pm with balloons and magicians for all those very young at heart to dance and sing along with, followed by a firework display at 9.30pm.

Live bands commence from 9.30pm with a final firework display at midnight.

The event will be held at the Queenscliff Harbour in the restaurant precinct. The fireworks display will occur offshore from a moored vessel for optimal viewing.

The current NYE experience at Queenscliff is a subdued event, frequented by few. The lack of quality experiences tends to see frowned upon activities, such as illegal fireworks take place, heightening the risk to individuals and the broader community.

A sanctioned NYE event that showcases fireworks will lessen the likelihood of unwanted activities while providing a relaxed and safe environment for all patrons.

The Queenscliff Harbour would like to advise the Queenscliff Cruising Yacht Club and its members of the forthcoming event for New Year's Eve 2017 and restrictions on The Cut during this event.

There will be a firework's display at 9.30pm and at midnight.

The fireworks are being launched from the berthed small ferry – The Peninsula Princess.

The entrance to 'The Cut' from the boat ramp and the bay will be closed for transit for a period of 15 mins, for each launch.

We will be organising signage and a control vessel to monitor the ramp end and the exclusion zone around The Peninsula Princess to ensure the fallout zone remains clear of any vessels during those two launch periods.

This event has been made possible by the generous support of Queenscliff Harbour Business's, Sponsors and in-kind support by Queenscliff Business's and community groups.

If you would like to be involved, please contact: Helene Cameron 0410 579243

Regards

Sean Blackwood
