Congratulations to all associated with the TRFM Gippsland League on an outstanding season 2017.

The past 12 months featured plenty of change as we sought to find new ways to grow and

develop our region's major football and netball competition. The most notable change occurred in early March, when the league's member clubs voted to dissolve the board of management and outsource the competition's governance, administration and financial decision-making to AFL Gippsland. This was an historic decision and I would like to take the opportunity to once again thank and the clubs for their belief in our organisation, and willingness to tread new paths in the interests of progress on and off the football field and netball court, as well as outgoing chair Greg Maidment and the board for their cooperation and support prior to and through the process.

Our team has worked hard to repay that trust and ensure the transition was as smooth as possible, particularly given the narrow timeframe before the start of the season. Much of the credit for that goes to the advisory committee of Scott Pearce, Lachlan Sim, Daryl Couling, Dennis Quigley, Rod Connelly, Glenn Wright, Shaun Mooney, Karen Proctor and Carlie Dwyer, who provided invaluable support and experience to our administration team.

Dan Heathcote once again served as operations coordinator, with the Gippsland League becoming his sole focus for 2017. This change in structure proved very successful as Dan, under the skilful guidance of our senior operations manager Tim Sexton, achieved some terrific outcomes, particularly in the areas of event management and league promotion. The league's healthy financial position – achieved over the past three years – enabled us to offer a grant scheme to help fund club initiatives such as facility work, uniforms, etc. from which all clubs were able to benefit.

Another new initiative introduced this season was the centralisation of gates takings and catering for the finals series. This, coupled with the decentralisation of finals venues, ensured all clubs were able to profit evenly from the finals series, and provided an opportunity for post-season showpiece games to be taken beyond the Latrobe Valley, with Sale and, until weather intervened, Warragul allocated finals games.

The catering process represented a new experience for our team, but we learned plenty to help streamline the process in future years and were still able to earn more than \$50,000 for the league which was shared among the clubs at the conclusion of the finals series. The finals series was once again well-attended, despite some inclement weather conditions, with about 5000 people turning out for grand final day at Moe to take the total attendance for the series beyond 14,000 – in line with increased figures from the past two years.

We believe a positive grand final day experience – such as the one provided this year – will play a role in retaining and increasing patronage into the future. Congratulations to Beau Vernon and Leongatha who were able to win the senior grand final at the third attempt, while it was remarkable to see such a spread of premiership success across the grades. Nine of 10 clubs were represented on grand final day, with seven of those finishing the day with a flag, including four different clubs from four games on the footy field and six from six on the netball court.

One area of disappointment was the defeat of the league's senior representative team at the annual Worksafe Community Championships. This league has a proud history when it comes to interleague and I'm sure I speak for all those that have an affinity for Gippsland football when I say we are desperate to see it climb the rankings again and, with the support of all member clubs, I am confident that can be achieved.

Thanks to coach Harmit Singh and those players

AFL GIPPSLAND REPORT

and support staff that put their hands up to represent the red, white and blue against AFL Yarra Ranges. Your continued efforts to support this concept are very much appreciated and we hope you can inspire others to follow your league when called upon.

Tempering the disappointment of that setback were the performances of the league's other representative teams with the under-18 footy side backing up a fantastic community championships win with comprehensive victory at the Evans Petroleum Cup – a result matched by the under-16 team. The netballers also maintained their reputation as one of the most competitive leagues in the state through a stellar representative campaign and we thank all coaches and support staff for their input, which allows the league to offer great opportunities for players to challenge themselves and compete at a higher level.

The TRFM Gippsland League and its member clubs once again supported a range of social responsibility initiatives including Indigenous respect, mental health and men's violence against women and children. Clubs should be applauded for getting behind and helping drive awareness and understanding of key issues that are relevant to, and affect, our community. I would also like to acknowledge the efforts of the five umpires association across our region, all of which service the TRFM Gippsland League at various stages, and their contribution to the competition.

Season 2017 represented the third in conjunction with naming rights partner TRFM – a relationship that from our perspective continues to flourish. David McDonald took over as general manager of TRFM/GOLD1242 in July and has been engaged and passionate in his support of the league and partnership. We look forward to continuing to strive towards new and better outcomes for both parties in the years ahead and commend the ongoing efforts and quality of the Gippsland Live calling team, which sets the TRFM Gippsland

League apart from all other sporting competitions in the region when it comes to media, so thanks David and team. In addition to TRFM, we continued to work closely with great partners Apprenticeships Group Australia, Aussie Broadband, McDonald's, Metricon Homes and Prime 7, while new partnerships were established with The Drain Man, Kempe Read The Play, Greyhound Racing Victoria, and Rent 4 Keeps.

In the development space, AFL Gippsland worked hard to continue to promote and grow the AFL football community in Gippsland, logging hundreds of hours of club, school and community activities, with more than 30,000 individual engagements with children in the past 12 months. Auskick participation increased by 1.1 per cent and the number of female footy teams in the region leapt to 26 in 2017.

Season 2017 saw the introduction of a player salary cap as part of AFL Victoria's Community Club Sustainability Program, following on from the roll out of the player points system in 2016. Thanks to all clubs for their cooperation and efforts in implementing the policy and respecting the program's purpose in levelling the playing field in terms of clubs' abilities to recruit and retain players.

The AFL Gippsland staff have once again put in a tremendous shift this season, while the work of our Commission often goes unnoticed, so to our chair Brian Quigley and the Commissioners, thank you.

I wish the league and all associated with it continued success in 2018.

After a tough defeat in 2016 there was a strong push to move Gippsland League back up the Championship Rankings. The League hired former coach and Collingwood FC Development officer Harmit Singh as senior coach for 2017 & 2018. Kristian Gray was appointed as the Under 18s head coach after a successful 2016 campaign. This year the 18s were back in action at the Community Championships where they produced a very high standard of football to defeat the AFL Yarra Ranges 39 points. The Senior program consisted of 5 training sessions which included the League supplying a physio session in the lead up week. Thanks to Moe FNC and Traralgon FNC for allowing the players to train at the venues.

The Seniors suffered a heavy defeat by AFL Yarra Ranges at Woori Yallock. The game started off in disappointing fashion as Traralgon FNC key defender Adrian Slottje tore his ACL in the first minute in a passage where AFL Yarra Ranges scored the first goal. It was a strong sign of sup-

port for the Interleague program, the clubs voted to help fund part of Adrian's recovery at a meeting later in 2017.

At the Evans Petroleum Cup the League was dominant. It was tough conditions early with heavy fog limiting visibility in the first few games for both the 16s and the 18s. Warragul's Warwick Baum stepped up to take charge of the 16s and did a fantastic job bringing the team together for the one off carnival. They would go through undefeated with two 100+ point wins. Traralgon FNC's Harvey Neocleuos was named player of the carnival. The 18s had a tougher challenge where they were pushed by Ellinbank but ultimately finished 2017 undefeated with Anthony Rosato being named player of the tournament. Thanks to all the volunteers who put their hand up to assist with the programs in 2017. The League's on-field results match the professionalism shown off the field in the programs. It is great to see the players and volunteers represent the League in this manor which helps further enhance our status as Gippsland's premier league.

It was another successful year for our representative netball programs. The League competed in a number of competitions in 2017 featuring teams from 13 & Under, 15 & Under, 17 & Under and Open age groups. A big thanks to Metricon Homes for their support of our netball representative programs. Their contribution helps Gippsland League be the leading representative netball program in the region.

The year started off successfully as all three sides won the Eastern Regional Victorian Netball League titles. The 15's coached by Jo Ballinger, 17's coached by Krissy Travers and the Open coached by Kate French all went through the league undefeated.

A big thanks to all the team managers, coaches, players and volunteers for again running a successful event. The 15's and 17's would go on to play in the modified Champions Challenge events in Melbourne as winners of RVNL. Where both teams made the final but unfortunately couldn't get the job done on the day. The Open side were unfortunately not given the opportunity to defend their Champions Challenge title as Netball Victoria run no Open event on finals day.

This year at the Worksafe Community Championships, AFL Yarra Ranges would offer a full schedule which included Open and 17 & Under netball on the day. Stacie Gardiner would take on the coaching role of the Open side and Jo Ballinger would coach the 17 & Under side. The girls did the league proud on the day coming away with two great victories.

Association Championships is always one of the biggest days on the calendar and it was again in 2017. The event was hosted at Traralgon's Breed Street Netball courts and unfortunately it was a classic Victorian winters day. The teams braved the conditions and managed to all win their way through the Association Championship Finals. 17 & 15 & Under Championship teams both went through undefeated and our 13 & under side coached by Ruby Pratt managed to qualify after finishing second to Sale NA. Again we had amazing numbers tryout for the teams with the League able to fill a Reserve side in all three grades.

Thanks to the efforts by all coaches, volunteers and parents in getting the teams on the court for the year and especially for the organisation of the finals day which are held in Melbourne. The League is lucky to have such dedicated volunteers and players representing it at every level.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GIPPSLAND LEAGUE INC

I have audited the accompanying financial report, being a special purpose financial report, of Gippsland League Inc, which comprises the statement of financial position as at 31 October 2017, the statement of income and expenditure, statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Responsibility for the Financial Report

AFL Gippsland is responsible for the preparation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Reform Act 2012 and is appropriate to meet the needs of the members. AFL Gippsland representative responsibility also includes such internal control as the representative determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate to the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by AFL Gippsland representative, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In my opinion, the financial report presents fairly, in all material respects, the financial position of Gippsland League Inc, as at 31 October 2017, and of its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis of Accounting and Restriction on Distribution

Without modifying my opinion, I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting obligations under the Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose.

A year of change in the TRFM Gippsland League was reflected in the 2017 finals series where not only a new model of venues was used but also a new revenue model for the clubs was initiated.

This years finals series was met with poor weather forecasts, where only offering sporadic cases of sunshine was predicted over the month. On the days where the sun shone and the temperatures rose there were plenty of patrons come through the gate. Overall the crowd figures were solid throughout the series considering the cold and wet weather for the Elimination Final, 2nd Semi Final and Preliminary Final.

Surprisingly the first weekend of action saw the highest number of patrons through the gate in recent years however the finals gate revenue for those days were down on 2016. The minor finals overall revenue was \$8k down on 2016 records however the figure was comparable to other years totals. The Grand Final again proves to be a huge success with almost 5000 patrons through the gate.

On the field the action was at a premium and the overall standard produced was very high. Some of the football and netball produced by the junior teams was especially noteworthy with the Moe Fourths and Sale 13 & Under going through the season as premiers and champions against strong opposition. The expectations were high in the two premier grades (Seniors and A Grade) with both competitions wide open and the excitement around who would make it to the last Saturday in September. Round 18 saw a mixture of scenarios play out in the Seniors which would shape the finals series. Leongatha claimed a home victory over Maffra which saw them clinch the minor premiership and move straight through to the 2nd Semi where they would eventually play Traralgon. Both Senior and A Grade Grand Finals were replays from 2016 and as fate would have it the final results were a reversal with new premiers crowned in both grades. The Leongatha triumph was their first in 26 years and after two dominant seasons that finished in heartbreaking Grand Final defeat, Beau Vernon's Parrots eventually claimed their glory.

The finals catering model was a huge success for the member clubs of our league. Overall the League was able to post a \$51k profit for the project that included 100% of the funds being returned equally to all 10 clubs that participated and worked during the finals series. It was very pleasing to see all clubs have the opportunity to profit from the key period of the year. For clubs that have not been hosting finals in recent years the opportunity to participate was met with

enthusiasm. AFL Gippsland staff must be thanked for their help with the project as countless hours went in behind the scenes moving stock, picking up cool rooms, doing stock-takes, liaising with suppliers and packing up stock. Moving forward we hope to refine this process for 2018 and see clubs be able to profit again from the finals.

The League invested in multiple activations during the finals to add value to our fans and members. A few highlights from the 2017 finals series included;

- The Grand Final Record which sold out early on Grand Final Day selling almost twice as many copies as any previous year. Thanks to the clubs for their efforts around supplying content.
- Grand Final Live Screen - The League worked with Hyped Media to produce a live video screen.
- AGA Gippsland League TV Live Stream - The 2017 Seniors Grand Final was played live with TRFM commentary online this year.
- Gold 1242 Grand Final commentary - The A Grade Grand Final was broadcast live on the Gold 1242 digital.
- Live social media coverage from all finals
- TRFM Gippsland League promotional footballs - Over 300 TRFM Gippsland League footballs were taken home by lucky patrons on Grand Final day

Moving forward the League will continue to invest in the finals series and strive to make our events amongst the best in Gippsland sport.
