

ONLINE REGISTRATIONS NOW OPEN FOR 2018 SEASON

By HSA | January 17, 2018

The 2018 football season is just around the corner, so it's time to get ready to register with your local club!

Every football club is unique, so make sure you check with your club for specific registration information.

You can do that by finding a club and heading to their website at playfootballnsw.com.au.

This season is a chance to see where football can take you and your mates whilst keeping active, staying fit, and being healthy.

The 2018 Play Football campaign with the slogan '**Football, We All Play**' will include a recruitment drive for grassroots Coaches, Referees and Volunteers, who along with players are the game's greatest advocates and are three key roles that have a great influence on a player's experience.

This year's campaign will also build on our MiniRoos program – a smaller version of football that provides boys and girls aged 4 – 11 with a fun introduction to the world game. MiniRoos it is all about having fun, learning new skills and making life-long friends and will be delivered by grassroots clubs across Australia.

As well as this, the campaign will also look at encouraging girls and women to play our wonderful game continuing to ride off the wave of the amazing success our Matildas have put together in 2017 amongst many other key achievements in the female game.

Players, coaches and referees can register to "Play Football" by logging onto Australia's biggest online sports registration portal, which can be found at www.MyFootballClub.com.au
