Each club shall provide a contact for the publicity officer.

Please support this medium and also be aware of your club and the League web sites to advertise your social activities and any other relevant club matters.

### 2.2 MEDIA

There is no better way of attracting people through the gate, and to a lesser extent, players to your club, than by positive use of the media.

Media outlets are constantly looking for information about clubs' pre-season activities, often through the League General Manager or the Publicity Officer of the League, whether in the area of coaching appointments, player recruiting, administrative appointments or other activities.

It is important that clubs respond to this in a constant, positive and co-operative manner to ensure a high profile in the district which will be beneficial both in securing sponsorships as well as increasing numbers through the gates.

### 4.6.1 NUMBER OF TRAINERS/WATER CARRIERS

As with rule 17.0 AFL Victoria Handbook no team shall be permitted to have more than the combined total of 6 trainers and water carriers, except where the AFL Victoria Heat/Cold policy is invoked.

In Senior and Reserve grade games water carriers must be a minimum of twelve years of age.

### 4.6.2 RUNNERS

**Seniors Only** – Two (2) Runners system can be used in all Home and Away fixtures. If used the runners must go through the interchange and there is to be only one runner on the playing surface at a time. Runners must be identifiable as listed in Operating Rule 4.6

If a breach is encountered by way of entering the playing surface illegally the runner shall not be able to enter the playing surface for 15 minutes of continuous playing time.

A second breach by the same runner during the same match the runner will not be allowed on to the playing surface for the duration of the game and the club be fined.

The runner who is still eligible to enter the playing surface must still enter via the interchange gates.

## 4.7 FINALS CLOTHING REQUIREMENT

In finals, all club officials must wear required clothing.

## 4.8 MATCH STATIONERY

All stationery for the season is distributed to club secretaries/general managers at a meeting prior to the commencement of the season.

To save work on match day, it is advantageous to complete as many details as possible on all stationery early in the season, thereby allowing more time on match day to complete other more important duties.

This method also identifies if any stationery has been short supplied.

Match stationery, for the most part, is designated by grade/colour, i.e.

SENIORS	WHITE
RESERVES	PINK
U17	BLUE
U14	YELLOW

Match stationery must be completed accurately and correctly. Prior to a match, the signed match day checklist, team sheets, best and fairest voting slips, match envelopes, and score cards should be handed into the Umpires' Room. (Will be provided).

# MURRAY FOOTBALL LEAGUE

## 4.9 MATCH DAY CHECKLIST

Prior to the commencement of any match, the persons responsible from each club must sign off the ground and surround checklist as provided by JLT together with the AFL. If either club official is not willing to sign, the match **MUST NOT PROCEED**. It is vital that such inspection take place due to the insurance requirements.

It is essential that, together with the checklist, a detailed written explanation of the reason/s for not signing off on the checklist be faxed immediately to the League General Manager, with the original copy to be forwarded in the match envelope. This explanation may be written by one or both club officials, but again, must be signed by both clubs.

If one of the club officials will not sign the checklist the home club should immediately contact the General Manager who shall arrange for an independent inspection of the ground. The General Manager or his representative may, after inspection, order works to be carried out to make the ground and surrounds safe, or determine that the complaint is not warranted.

If the dispute is settled and/or the issue associated with the safety of the ground and/or surrounds is satisfactorily repaired, to both clubs satisfaction, the check list shall be signed.

The next scheduled game (as detailed in starting times) shall then go ahead. It maybe necessary to cancel one or more of the games.

In such an event, where both officials have not signed the checklist and a game is not played, the points shall be shared ie. two points each.

In an event where one official will not sign the checklist, and a game is not played, and the General Manager or his representative, believes the complaint is not warranted, the points shall be awarded to the club who were prepared to play.

## 4.10 TEAM SHEETS

These are probably the most important documents that have to be completed on a match day by a Club Secretary or a Team Manager.

They are the only record of players and other officials on match day.

From the team sheet, the recording of the Best & Fairest voting, Umpire's Reports and player game and match statistics is certified, therefore it is essential that details recorded are complete.

A completed team sheet printed off the IT System shall be handed to the umpires prior to the commencement of a match, a copy to the opposing team and a copy to the interchange steward.

It is a requirement that the copy handed to the interchange steward has the players commencing on the interchange bench shown on the team sheet. The Club Secretary or Team Manager **MUST** have signed all copies.

Once the team sheets have been lodged with the umpires, **NO CHANGES** are permitted to be made without the consent of the umpires and the opposing club Team Manager or Club Secretary.

It is the sole duty of the Inter Change Steward to record jumper changes caused by the Blood Rule etc., the field umpires should also be notified.

### 4.10.1 Non Completion of Team Sheets

In the event that a team sheet is completed with incorrect numbers, no numbers, no names a penalty may be applied.

No 'Best and Fairest' votes will be awarded to a player whose name and number does not appear on the team sheet.

# MURRAY FOOTBALL LEAGUE

## 4.11 MATCH RESULTS (on computer)

Ensure that these are completed as required. This is most important as the detail put onto the system is what ends up in the media. Remember to enter goals kicked per quarter, NOT the progressive score.

There is a very tight schedule to meet all media requirements each match day, particularly with TV scoreboard and the national press.

It is therefore requested that result sheets (on the IT system) for **ALL grades to be entered at the completion of each grade**, except the seniors who need goals scored per quarter entered onto the IT system so that the General Manager can then ring the media. **Seniors' final scores to be entered before 5.15pm PLEASE.**

At the completion of the home round, all stationery should be checked and placed in the appropriate large envelope, using the check list on the face of the envelope to ensure all required documents are enclosed.

The envelope should then be posted to the League General Manager unless other arrangements have been made.

## 4.12 MEDIA

There are several requirements of the home club on match days. Seniors quarter by quarter scores (goals scored per quarter not running total) entered onto the IT system so the General Manager can ring them through to the media at the various quarter time breaks.

Again a reminder of the benefits to be gained from co-operation with the media outlets and the strict time frames they enforce, so please endeavour to meet the media reporting schedules of both the General Manager and the media outlets.

## 4.13 UMPIRES

Each Club must supply a central umpire should the GFVUA be unable to supply umpires for any home and away match played during the season.

Clubs may contact the opposing club who may provide an additional umpire.

### 4.13.1 UMPIRE ESCORTS

For each match, the Home Club and Away Club must appoint a suitable person to ensure the safety of umpires. The Umpires Escort is to escort the umpires:

- From their change rooms to the centre of the field before the start of the match
- From their assembly point on the field to their change rooms at half-time
- From their change rooms to the centre of the field after the half time break
- From their assembly point on the field to their change rooms at the conclusion of the match.

In addition, the umpires escort is to stand with the umpires during the quarter and three-quarter time intervals.

# MURRAY FOOTBALL LEAGUE

## 4.14 UMPIRES REPORTS

It is also a club responsibility to attend the umpires' room at the conclusion of the match and ascertain if there any reports. If a report has been made it MUST be detailed on the bottom of the MATCH RESULT on the IT in Match Report (refer to 5.2).

## 4.15 FACILITIES

**4.15.1** Interchange stewards are to be provided with a box adjacent to the interchange area on the ground for their sole use.

**4.15.2** A stretcher must be provided and placed at the interchange box for use by both teams.

**4.15.3** Interchange clipboard must contain the red/yellow board for the interchange steward to return the umpire's signals when there is a "send off" and a stopwatch or watch.

Umpires are constantly critical of grounds with incomplete or faded/overgrown ground markings.

Grounds are required to be marked as per the NATIONAL AUSTRALIAN FOOTBALL COUNCIL – LAWS OF THE GAME (found in the Yellow Pages of the AFL Victoria Handbook).

## 4.16 FORFEIT

Any club not notifying the General Manager of its intention to forfeit a match before 6pm the day before the match shall be liable to meet expenses incurred for such a match.

Such expenses are to be determined at the jurisdiction of the MFL Executive.

All Clubs must field a Senior grade team in the competition unless otherwise arranged with the MFL Executive. Should a Club play in a Reserve grade fixture and subsequently forfeit their Senior grade fixture in the same round, the Club will not be awarded any match points for the Reserve grade fixture and shall be liable to such other penalty as the MFL Executive may determine.

Teams receiving a forfeit may submit a team sheet for the purpose of player eligibility for finals

## 4.17 ELECTRONIC COMMUNICATION

No form of electronic communication (such as walkie-talkie or mobile telephone) will be used on the field during the progress of a match, excepting in the area between the arena fence and the boundary line.

# MURRAY FOOTBALL LEAGUE

## 5. INDEPENDENT TRIBUNAL

### 5.1

#### TRIBUNAL GENERAL

**TRIBUNAL WILL BE HELD WHERE POSSIBLE ON WEDNESDAY NIGHTS** at a venue to be determined by the General Manager.

**The General Manager/Secretary has no discretionary powers for a reported player or official to take the set penalty if he/she has been reported in the current or preceding season. The player or official must go to tribunal.**

Whether a player or official has been reported, or is named in the report of a player or official from an opposing club, that person **MUST** attend any Tribunal Hearing when requested to do so unless approval is provided by the General Manager.

A witness (offended player) may give evidence by phone, if, they have work commitments (written confirmation from his employer is required) or reside out of the Goulburn Murray Region (proof may be required), the phone must be a landline and time made available to the tribunal. The witness must also supply a detailed letter regarding the alleged incident. An advocate from the witnesses club must still attend the tribunal.

A U17 and U14 player may take a parent or guardian to be present at the tribunal.

Failure to comply can result in a fine of **\$550** and/or suspension by the Executive Committee. (See also Tribunal Non-Attendance)

In all cases, it is the responsibility of the club to provide an advocate to attend with that person.

Clubs should consider the position of advocate very seriously. It is common knowledge that the skill of the advocate for charged players has an important bearing on not only the verdict brought down by the Tribunal, but also the severity of the sentence imposed.

Too many clubs fail to ensure the best advocacy for their players and then blame everyone but themselves when an unfavourable verdict and sentence is brought down.

It is imperative that those acting as advocates read and become familiar with the section of the AFL Victoria Handbook as it is the procedure that the Tribunal will always follow when hearing cases.

## MURRAY FOOTBALL LEAGUE

### 5.1.1 TRIBUNAL – NON ATTENDANCE

If a tribunal hearing has been properly convened in accordance with the VCFL rules and these operating rules, failure by a player who has been reported or required to attend the tribunal by the league or the investigations officer, without an acceptable reason, shall be deemed to be a serious offence.

Such player shall be deemed to be deregistered/ineligible until he appears before the tribunal.

**Tribunal non-attendance of a charged player and/or witness will incur a \$550 fine**

**Club MUST ring if player/witness is unavailable by midday on the day of the tribunal.**

**The Club has the Right of Appeal to the Executive Committee if extenuating circumstances apply.**

The Murray Football League has produced a "running sheet" for on-field offences which details the procedural format the Tribunal follows. This is attached in Appendix 4.

Remember, if your club is going to rely on video evidence, the film MUST be authenticated by the person recording the film. The club must also provide the video or DVD player to enable the evidence to be provided.

The club of a player found guilty at tribunal, will be charged the costs incurred by the League to cover the tribunal travel.

- (i) A suspended player MUST serve the suspension in the grade in which the offence occurred and shall not be permitted to play with any team during the suspension.
- (ii) A suspended player may go onto the playing area during breaks, but must be behind the fence during the game.
- (iii) If a player is found guilty at tribunal an invoice for \$150 + GST shall be sent to the players club to help cover the Hire of Venue in addition Umpires travelling costs which is billed by the GVFUA to the M.F.L.

## MURRAY FOOTBALL LEAGUE

### 5.1.2 REPORT PROCEDURE

Report Pads MUST be put into rooms before the start of the Under 14's

The Report Form **must** be signed by both players involved in the alleged incident

At the conclusion of each game a representative from both clubs must go to the Umpires room after the Goal Umpires have left the ground and entered the umpire's room, for the all clear. At that time the Umpire is to then notify club officials if a report has been made. Officials to request the umpires to press firmly when they write the report as the last two copies are often very difficult to read.

Clubs need to supply fine point pens to help overcome this issue.

The club officials are to go back at the time organised with the umpire (10-15 mins) and collect the report forms then take to their player and get his signature which is his acknowledgment of the report, official then to sign on behalf of their respective club and take back to umpire.

The reported player has until midday the next working day to decide if he wishes to take the set penalty or go to tribunal.

Should there be a misunderstanding, the Umpire is to write a note on the Report Form stating that he had to leave and no-one came to the rooms, the club officials and player MUST sign the other copies.

The Home Club must immediately fax 5744 0313 or email a fully signed copy to the MFL office. (*after each grade/game*)

**The report should also be added to the IT system** in

Results Entry .... Match Report as detailed in the MFL 2007 Operating Manual :

#5.1 (b) Please include the player, jumper number, club, name and detail the charge eg:

No 26 J. Brown Denilquin for striking No 32 R. Smith Tocumwal

Failure to comply with all the above, will result in a fine actioned immediately. No warning in these circumstances.

The player/club MUST NOTIFY the League General Manager IN WRITING, delivered to, emailed or faxed to 5744 0313 no later than 12 noon on the first working day following the match, notice that the set penalty is NOT ACCEPTED.

Failure to comply will result in a set penalty being imposed.

### Junior Coaches Code of Conduct

1. Be familiar with the Laws of Australian football and abide by the rules and conditions of your league and club.
2. Teach your players that rules of the game are mutual agreements which no player should evade or break.
3. Group players according to age, height, skill and physical maturity whenever possible in any competitive practice session.
4. Avoid over-playing the talented players. The "just average" players need and deserve equal time, if not more.
5. Remember that the players involved play for fun and enjoyment and that winning is only part of it. Emphasise the importance of the learning and development of skills and positive attitudes. Never ridicule or yell at your players for making mistakes or losing a competition.
6. Ensure that equipment and facilities meets safety standards and are appropriate for the age and ability of the players.
7. The scheduling and length of practice times and competitions should take into consideration the maturity level of the player.
8. Develop team respect for the ability of opponents, as well as for the judgement of umpires and opposing coaches.
9. Follow the advice of a qualified person when determining when an injured player is ready to play or train again.
10. Make a personal commitment to keep yourself informed of sound junior coaching principles and developments. Endeavour to attain coaching accreditation and to become an active member of the local branch of the Australian Football Coaches Association.
11. **Avoid use of derogatory language based on gender or race.**

- Co-operate with your coach, the umpires and team-mates.

- Remember that you are there for the participants to enjoy the game.
- Encourage participation, but don't force it.
