## Managing the new BNSW registration system

## How to register your team on the new system and pay your team entry

All teams must be registered and paid using the new BNSW system. It's important that all teams follow these instructions as soon as possible as once we make the season fixtures you will be locked out from registering your team or adding any new players.

1. Head onto our website under 'NEWS' and select the link '2018 COMPETITION TEAM ENTRIES INFORMATION'

2. Select which team nomination you are e.g. 9/10 Girls are JUNIOR, Tues Men are SENIOR
