2017 Senior Football and A Grade Netball Premiership Teams

Achieving Excellence Together

ABOUT OUR CLUB

Welcome to the 2018 season.

Another huge year in 2017 for the Kyabram Football Netball Club. Back to back Premierships for our Seniors and A grade netball teams, both of whom went through the season undefeated. A well-deserved premiership for our reserves football team while our Under 18's football team finished runner-up. Four teams competing on grand final day is a wonderful achievement.

We acknowledge the great contribution of our Senior Club Coaches in Paul Newman and Belinda Lees and thank all those that assisted both on the field and off to help make the year so successful.

A big part of our success has been the ongoing support of local businesses who sponsor our great Club and the local community that provide us with so much support.

In 2018 our Senior Football team will once again be led by Paul Newman while our A grade netball side will be coached by Lauren Pryde, Holly Butler & Shani Clark in a joint coaching role and we wish them the best of luck in their new positions.

We have lost several key players from our premiership football & netball teams however this provides a great opportunity for our younger players to step up and take on more responsibility.

Mark Schumann has taken the role of President for 2018 and will be supported by a committed and enthusiastic board. Big thankyou to our past president, Peter Croxford, for the great work he has done for the Club

Our club is fortunate to have many hard-working people behind the scenes. Our Background Bombers Teams are the envy of many clubs. The Ladies Committee work tirelessly week in week out. These people are the backbone of our club and we wouldn't be successful without them.

~ Kyabram FNC ~
