

Junior Club Player Clearance - 2018

- ▶ Procedure for Junior Club Player Clearance.
- Player to complete Section 1 of the clearance in full.
- The clearance form then needs to be given to the players current junior domestic club that they wish to be cleared from. The junior domestic club has 7 days in which to sign the clearance and return it to the player unless a reason can be given **not to** clear the player.
- The SDBA will endeavour to process fully signed clearances within seven (7) days, if the player is eligible to participate in the junior domestic competition. Please note: Players cannot compete for the new junior domestic club until the both their departing club & the SDBA has approved the clearance.
- Previous Junior Club must sign the Required or Non Required Player Box.
 A 'Required player' is someone who has a spot in a team and is clearing to another junior club at their own choice. Or someone who has recently played for the club & the club was expecting them to play in the next season, but the player is clearing to another club at their own choice.
 A 'Non Required player' is someone who has been given a clearance as there is no team to play in. Example (Team Withdrawn or not enough teams for them to play)
- Once the clearance has been processed notification will be listed on the SDBA website under clearances heading. Receipt will be sent only if required.
- It is the responsibility of the <u>new junior club</u> to ensure the player has been cleared prior to playing them.

*Please note, the "To Club" is not required to be completed before having it signed by the junior club you wish to be cleared from. However, it <u>must</u> be filled in before the form is sent to the SDBA.
